

WISCONSIN APPELLATE COURT CITATIONS TO ADMINISTRATIVE CODES

INTRODUCTION

This table lists all citations to Wisconsin Administrative Code sections appearing in published Wisconsin Supreme Court and Court of Appeals opinions occurring from the original printing of the Administrative Code on January 2, 1956. Cases reviewed include Supreme Court cases through 2024 WI 8 and Court of Appeals cases through 2024 WI App 9.

ORGANIZATION

The table is arranged by an agency's alphabetical designation. A list of the various alphabetical designations used by state agencies since 1956 is set out below. Some of the rules listed have been renumbered or repealed since the date of the court review.

A rule will be cited in this compilation if it is either mentioned in the text of the opinion or referred to in a note to the opinion. From 1956 through 2007, citations to cases were made by their Wisconsin Reports volume and page numbers. Beginning with case citations added during 2008, the citation is by the public domain case number and paragraph number. Wisconsin Reports volume and page numbers are no longer cited. Also beginning with citations added during 2008, cites to code sections are not made below the subsection level.
