17 to limit, restrict, or in any way reduce the ability of a remote state to take adverse
18 action against a licensee's multistate authorization to practice in that state.

19 (e) Nothing in this compact, nor any rule of the commission, shall be construed
20 to limit, restrict, or in any way reduce the ability of a licensee's home state to take
21 adverse action against a licensee's multistate license based upon information
22 provided by a remote state.

23 **(7) REISSUANCE OF A MULTISTATE LICENSE BY A NEW HOME STATE.** (a) A licensee can
24 hold a multistate license, issued by their home state, in only one member state at any
25 given time.

1 (b) If a licensee changes their home state by moving between two member
2 states:

3 1. The licensee shall immediately apply for the reissuance of their multistate
4 license in their new home state. The licensee shall pay all applicable fees and notify
5 the prior home state in accordance with the rules of the commission.

6 2. Upon receipt of an application to reissue a multistate license, the new home
7 state shall verify that the multistate license is active, unencumbered and eligible for
8 reissuance under the terms of the compact and the rules of the commission. The
9 multistate license issued by the prior home state will be deactivated and all member
10 states notified in accordance with the applicable rules adopted by the commission.

11 3. Prior to the reissuance of the multistate license, the new home state shall
12 conduct procedures for considering the criminal history records of the licensee. Such
13 procedures shall include the submission of fingerprints or other biometric-based
14 information by applicants for the purpose of obtaining an applicant's criminal
15 history record information from the federal bureau of investigation and the agency
16 responsible for retaining that state's criminal records.

17 4. If required for initial licensure, the new home state may require completion
18 of jurisprudence requirements in the new home state.

19 5. Notwithstanding any other provision of this compact, if a licensee does not
20 meet the requirements set forth in this compact for the reissuance of a multistate
21 license by the new home state, then the licensee shall be subject to the new home
22 state requirements for the issuance of a single state license in that state.

23 (c) If a licensee changes their primary state of residence by moving from a
24 member state to a nonmember state, or from a nonmember state to a member state,

1 then the licensee shall be subject to the state requirements for the issuance of a single
2 state license in the new home state.

3 (d) Nothing in this compact shall interfere with a licensee's ability to hold a
4 single state license in multiple states; however, for the purposes of this compact, a
5 licensee shall have only one home state, and only one multistate license.

6 (e) Nothing in this compact shall interfere with the requirements established
7 by a member state for the issuance of a single state license.

8 **(8) MILITARY FAMILIES.** An active military member or their spouse shall
9 designate a home state where the individual has a multistate license. The individual
10 may retain their home state designation during the period the service member is on
11 active duty.

12 **(9) ADVERSE ACTIONS.** (a) In addition to the other powers conferred by state law,
13 a remote state shall have the authority, in accordance with existing state due process
14 law, to:

15 1. Take adverse action against a regulated social worker's multistate
16 authorization to practice only within that member state, and issue subpoenas for
17 both hearings and investigations that require the attendance and testimony of
18 witnesses as well as the production of evidence. Subpoenas issued by a licensing
19 authority in a member state for the attendance and testimony of witnesses or the
20 production of evidence from another member state shall be enforced in the latter
21 state by any court of competent jurisdiction, according to the practice and procedure
22 of that court applicable to subpoenas issued in proceedings pending before it. The
23 issuing licensing authority shall pay any witness fees, travel expenses, mileage, and
24 other fees required by the service statutes of the state in which the witnesses or
25 evidence are located.

1 2. Only the home state shall have the power to take adverse action against a
2 regulated social worker's multistate license.

3 (b) For purposes of taking adverse action, the home state shall give the same
4 priority and effect to reported conduct received from a member state as it would if
5 the conduct had occurred within the home state. In so doing, the home state shall
6 apply its own state laws to determine appropriate action.

7 (c) The home state shall complete any pending investigations of a regulated
8 social worker who changes their home state during the course of the investigations.
9 The home state shall also have the authority to take appropriate action(s) and shall
10 promptly report the conclusions of the investigations to the administrator of the data
11 system. The administrator of the data system shall promptly notify the new home
12 state of any adverse actions.

13 (d) A member state, if otherwise permitted by state law, may recover from the
14 affected regulated social worker the costs of investigations and dispositions of cases
15 resulting from any adverse action taken against that regulated social worker.

16 (e) A member state may take adverse action based on the factual findings of
17 another member state, provided that the member state follows its own procedures
18 for taking the adverse action.

19 (f) *Joint investigations.* 1. In addition to the authority granted to a member
20 state by its respective social work practice act or other applicable state law, any
21 member state may participate with other member states in joint investigations of
22 licensees.

23 2. Member states shall share any investigative, litigation, or compliance
24 materials in furtherance of any joint or individual investigation initiated under the
25 compact.

1 (g) If adverse action is taken by the home state against the multistate license
2 of a regulated social worker, the regulated social worker's multistate authorization
3 to practice in all other member states shall be deactivated until all encumbrances
4 have been removed from the multistate license. All home state disciplinary orders
5 that impose adverse action against the license of a regulated social worker shall
6 include a statement that the regulated social worker's multistate authorization to
7 practice is deactivated in all member states until all conditions of the decision, order
8 or agreement are satisfied.

9 (h) If a member state takes adverse action, it shall promptly notify the
10 administrator of the data system. The administrator of the data system shall
11 promptly notify the home state and all other member states of any adverse actions
12 by remote states.

13 (i) Nothing in this compact shall override a member state's decision that
14 participation in an alternative program may be used in lieu of adverse action.

15 (j) Nothing in this compact shall authorize a member state to demand the
16 issuance of subpoenas for attendance and testimony of witnesses or the production
17 of evidence from another member state for lawful actions within that member state.

18 (k) Nothing in this compact shall authorize a member state to impose discipline
19 against a regulated social worker who holds a multistate authorization to practice
20 for lawful actions within another member state.

21 **(10) ESTABLISHMENT OF SOCIAL WORK LICENSURE COMPACT COMMISSION.** (a) The
22 compact member states hereby create and establish a joint government agency
23 whose membership consists of all member states that have enacted the compact
24 known as the social work licensure compact commission. The commission is an
25 instrumentality of the compact states acting jointly and not an instrumentality of

1 any one state. The commission shall come into existence on or after the effective date
2 of the compact as set forth in sub. (14).

3 (b) *Membership, voting, and meetings.* 1. Each member state shall have and
4 be limited to one (1) delegate selected by that member state's state licensing
5 authority.

6 2. The delegate shall be either:

7 a. A current member of the state licensing authority at the time of appointment,
8 who is a regulated social worker or public member of the state licensing authority;
9 or

10 b. An administrator of the state licensing authority or their designee.

11 3. The commission shall by rule or bylaw establish a term of office for delegates
12 and may by rule or bylaw establish term limits.

13 4. The commission may recommend removal or suspension any delegate from
14 office.

15 5. A member state's state licensing authority shall fill any vacancy of its
16 delegate occurring on the commission within 60 days of the vacancy.

17 6. Each delegate shall be entitled to one vote on all matters before the
18 commission requiring a vote by commission delegates.

19 7. A delegate shall vote in person or by such other means as provided in the
20 bylaws. The bylaws may provide for delegates to meet by telecommunication,
21 videoconference, or other means of communication.

22 8. The commission shall meet at least once during each calendar year.
23 Additional meetings may be held as set forth in the bylaws. The commission may
24 meet by telecommunication, video conference or other similar electronic means.

25 (c) The commission shall have the following powers:

- 1 1. Establish the fiscal year of the commission;
- 2 2. Establish code of conduct and conflict of interest policies;
- 3 3. Establish and amend rules and bylaws;
- 4 4. Maintain its financial records in accordance with the bylaws;
- 5 5. Meet and take such actions as are consistent with the provisions of this
- 6 compact, the commission's rules, and the bylaws;
- 7 6. Initiate and conclude legal proceedings or actions in the name of the
- 8 commission, provided that the standing of any state licensing board to sue or be sued
- 9 under applicable law shall not be affected;
- 10 7. Maintain and certify records and information provided to a member state as
- 11 the authenticated business records of the commission, and designate an agent to do
- 12 so on the commission's behalf;
- 13 8. Purchase and maintain insurance and bonds;
- 14 9. Borrow, accept, or contract for services of personnel, including, but not
- 15 limited to, employees of a member state;
- 16 10. Conduct an annual financial review;
- 17 11. Hire employees, elect or appoint officers, fix compensation, define duties,
- 18 grant such individuals appropriate authority to carry out the purposes of the
- 19 compact, and establish the commission's personnel policies and programs relating
- 20 to conflicts of interest, qualifications of personnel, and other related personnel
- 21 matters;
- 22 12. Assess and collect fees;
- 23 13. Accept any and all appropriate gifts, donations, grants of money, other
- 24 sources of revenue, equipment, supplies, materials, and services, and receive, utilize,

1 and dispose of the same; provided that at all times the commission shall avoid any
2 appearance of impropriety or conflict of interest;

3 14. Lease, purchase, retain, own, hold, improve, or use any property, real,
4 personal, or mixed, or any undivided interest therein;

5 15. Sell, convey, mortgage, pledge, lease, exchange, abandon, or otherwise
6 dispose of any property real, personal, or mixed;

7 16. Establish a budget and make expenditures;

8 17. Borrow money;

9 18. Appoint committees, including standing committees, composed of
10 members, state regulators, state legislators or their representatives, and consumer
11 representatives, and such other interested persons as may be designated in this
12 compact and the bylaws;

13 19. Provide and receive information from, and cooperate with, law enforcement
14 agencies;

15 20. Establish and elect an executive committee, including a chair and a vice
16 chair;

17 21. Determine whether a state's adopted language is materially different from
18 the model compact language such that the state would not qualify for participation
19 in the compact; and

20 22. Perform such other functions as may be necessary or appropriate to achieve
21 the purposes of this compact.

22 (d) *The executive committee.* 1. The executive committee shall have the power
23 to act on behalf of the commission according to the terms of this compact. The powers,
24 duties, and responsibilities of the executive committee shall include:

1 a. Oversee the day-to-day activities of the administration of the compact
2 including enforcement and compliance with the provisions of the compact, its rules
3 and bylaws, and other such duties as deemed necessary;

4 b. Recommend to the commission changes to the rules or bylaws, changes to
5 this compact legislation, fees charged to compact member states, fees charged to
6 licensees, and other fees;

7 c. Ensure compact administration services are appropriately provided,
8 including by contract;

9 d. Prepare and recommend the budget;

10 e. Maintain financial records on behalf of the commission;

11 f. Monitor compact compliance of member states and provide compliance
12 reports to the commission;

13 g. Establish additional committees as necessary;

14 h. Exercise the powers and duties of the commission during the interim
15 between commission meetings, except for adopting or amending rules, adopting or
16 amending bylaws, and exercising any other powers and duties expressly reserved to
17 the commission by rule or bylaw; and

18 i. Other duties as provided in the rules or bylaws of the commission.

19 2. The executive committee shall be composed of up to eleven (11) members:

20 a. The chair and vice chair of the commission shall be voting members of the
21 executive committee; and

22 b. The commission shall elect five voting members from the current
23 membership of the commission.

24 c. Up to four (4) ex officio, nonvoting members from four (4) recognized national
25 social work organizations.

- 1 d. The ex officio members will be selected by their respective organizations.
- 2 3. The commission may remove any member of the executive committee as
3 provided in the commission's bylaws.
- 4 4. The executive committee shall meet at least annually.
- 5 a. Executive committee meetings shall be open to the public, except that the
6 executive committee may meet in a closed, nonpublic meeting as provided in par. (f)
7 2. below.
- 8 b. The executive committee shall give seven (7) days' notice of its meetings,
9 posted on its website and as determined to provide notice to persons with an interest
10 in the business of the commission.
- 11 c. The executive committee may hold a special meeting in accordance with par.
12 (f) 1. b. below.
- 13 (e) The commission shall adopt and provide to the member states an annual
14 report.
- 15 (f) *Meetings of the commission.* 1. All meetings shall be open to the public,
16 except that the commission may meet in a closed, nonpublic meeting as provided in
17 par. (f) 2. below.
- 18 a. Public notice for all meetings of the full commission of meetings shall be
19 given in the same manner as required under the rule-making provisions in sub. (12),
20 except that the commission may hold a special meeting as provided in par. (f) 1. b.
21 below.
- 22 b. The commission may hold a special meeting when it must meet to conduct
23 emergency business by giving 48 hours' notice to all commissioners, on the
24 commission's website, and other means as provided in the commission's rules. The

1 commission's legal counsel shall certify that the commission's need to meet qualifies
2 as an emergency.

3 2. The commission or the executive committee or other committees of the
4 commission may convene in a closed, nonpublic meeting for the commission or
5 executive committee or other committees of the commission to receive legal advice
6 or to discuss:

7 a. Noncompliance of a member state with its obligations under the compact;

8 b. The employment, compensation, discipline or other matters, practices or
9 procedures related to specific employees;

10 c. Current or threatened discipline of a licensee by the commission or by a
11 member state's licensing authority;

12 d. Current, threatened, or reasonably anticipated litigation;

13 e. Negotiation of contracts for the purchase, lease, or sale of goods, services, or
14 real estate;

15 f. Accusing any person of a crime or formally censuring any person;

16 g. Trade secrets or commercial or financial information that is privileged or
17 confidential;

18 h. Information of a personal nature where disclosure would constitute a clearly
19 unwarranted invasion of personal privacy;

20 i. Investigative records compiled for law enforcement purposes;

21 j. Information related to any investigative reports prepared by or on behalf of
22 or for use of the commission or other committee charged with responsibility of
23 investigation or determination of compliance issues pursuant to the compact;

24 k. Matters specifically exempted from disclosure by federal or member state
25 law; or

1 L. Other matters as promulgated by the Commission by Rule.

2 3. If a meeting, or portion of a meeting, is closed, the presiding officer shall state
3 that the meeting will be closed and reference each relevant exempting provision, and
4 such reference shall be recorded in the minutes.

5 4. The commission shall keep minutes that fully and clearly describe all
6 matters discussed in a meeting and shall provide a full and accurate summary of
7 actions taken, and the reasons therefore, including a description of the views
8 expressed. All documents considered in connection with an action shall be identified
9 in such minutes. All minutes and documents of a closed meeting shall remain under
10 seal, subject to release only by a majority vote of the commission or order of a court
11 of competent jurisdiction.

12 (g) *Financing of the commission.* 1. The commission shall pay, or provide for
13 the payment of, the reasonable expenses of its establishment, organization, and
14 ongoing activities.

15 2. The commission may accept any and all appropriate revenue sources as
16 provided in par. (c) 13.

17 3. The commission may levy on and collect an annual assessment from each
18 member state and impose fees on licensees of member states to whom it grants a
19 multistate license to cover the cost of the operations and activities of the commission
20 and its staff, which must be in a total amount sufficient to cover its annual budget
21 as approved each year for which revenue is not provided by other sources. The
22 aggregate annual assessment amount for member states shall be allocated based
23 upon a formula that the commission shall promulgate by rule.

1 4. The commission shall not incur obligations of any kind prior to securing the
2 funds adequate to meet the same; nor shall the commission pledge the credit of any
3 of the member states, except by and with the authority of the member state.

4 5. The commission shall keep accurate accounts of all receipts and
5 disbursements. The receipts and disbursements of the commission shall be subject
6 to the financial review and accounting procedures established under its bylaws.
7 However, all receipts and disbursements of funds handled by the commission shall
8 be subject to an annual financial review by a certified or licensed public accountant,
9 and the report of the financial review shall be included in and become part of the
10 annual report of the commission.

11 (h) *Qualified immunity, defense, and indemnification.* 1. The members,
12 officers, executive director, employees and representatives of the commission shall
13 be immune from suit and liability, both personally and in their official capacity, for
14 any claim for damage to or loss of property or personal injury or other civil liability
15 caused by or arising out of any actual or alleged act, error, or omission that occurred,
16 or that the person against whom the claim is made had a reasonable basis for
17 believing occurred within the scope of commission employment, duties or
18 responsibilities; provided that nothing in this subdivision shall be construed to
19 protect any such person from suit or liability for any damage, loss, injury, or liability
20 caused by the intentional or willful or wanton misconduct of that person. The
21 procurement of insurance of any type by the commission shall not in any way
22 compromise or limit the immunity granted hereunder.

23 2. The commission shall defend any member, officer, executive director,
24 employee, and representative of the commission in any civil action seeking to impose
25 liability arising out of any actual or alleged act, error, or omission that occurred

1 within the scope of commission employment, duties, or responsibilities, or as
2 determined by the commission that the person against whom the claim is made had
3 a reasonable basis for believing occurred within the scope of commission
4 employment, duties, or responsibilities; provided that nothing herein shall be
5 construed to prohibit that person from retaining their own counsel at their own
6 expense; and provided further, that the actual or alleged act, error, or omission did
7 not result from that person's intentional or willful or wanton misconduct.

8 3. The commission shall indemnify and hold harmless any member, officer,
9 executive director, employee, and representative of the commission for the amount
10 of any settlement or judgment obtained against that person arising out of any actual
11 or alleged act, error, or omission that occurred within the scope of commission
12 employment, duties, or responsibilities, or that such person had a reasonable basis
13 for believing occurred within the scope of commission employment, duties, or
14 responsibilities, provided that the actual or alleged act, error, or omission did not
15 result from the intentional or willful or wanton misconduct of that person.

16 4. Nothing herein shall be construed as a limitation on the liability of any
17 licensee for professional malpractice or misconduct, which shall be governed solely
18 by any other applicable state laws.

19 5. Nothing in this compact shall be interpreted to waive or otherwise abrogate
20 a member state's state action immunity or state action affirmative defense with
21 respect to antitrust claims under the Sherman Act, Clayton Act, or any other state
22 or federal antitrust or anticompetitive law or regulation.

23 6. Nothing in this compact shall be construed to be a waiver of sovereign
24 immunity by the member states or by the commission.

1 **(11) DATA SYSTEM.** (a) The commission shall provide for the development,
2 maintenance, operation, and utilization of a coordinated data system.

3 (b) The commission shall assign each applicant for a multistate license a
4 unique identifier, as determined by the rules of the commission.

5 (c) Notwithstanding any other provision of state law to the contrary, a member
6 state shall submit a uniform data set to the data system on all individuals to whom
7 this compact is applicable as required by the rules of the commission, including:

8 1. Identifying information;

9 2. Licensure data;

10 3. Adverse actions against a license and information related thereto;

11 4. Nonconfidential information related to alternative program participation,
12 the beginning and ending dates of such participation, and other information related
13 to such participation not made confidential under member state law;

14 5. Any denial of application for licensure, and the reason(s) for such denial;

15 6. The presence of current significant investigative information; and

16 7. Other information that may facilitate the administration of this compact or
17 the protection of the public, as determined by the rules of the commission.

18 (d) The records and information provided to a member state pursuant to this
19 compact or through the data system, when certified by the commission or an agent
20 thereof, shall constitute the authenticated business records of the commission, and
21 shall be entitled to any associated hearsay exception in any relevant judicial,
22 quasi-judicial or administrative proceedings in a member state.

23 (e) Current significant investigative information pertaining to a licensee in any
24 member state will only be available to other member states.

1 1. It is the responsibility of the member states to report any adverse action
2 against a licensee and to monitor the database to determine whether adverse action
3 has been taken against a licensee. Adverse action information pertaining to a
4 licensee in any member state will be available to any other member state.

5 (f) Member states contributing information to the data system may designate
6 information that may not be shared with the public without the express permission
7 of the contributing state.

8 (g) Any information submitted to the data system that is subsequently
9 expunged pursuant to federal law or the laws of the member state contributing the
10 information shall be removed from the data system.

11 **(12) RULE MAKING.** (a) The commission shall promulgate reasonable rules in
12 order to effectively and efficiently implement and administer the purposes and
13 provisions of the compact. A rule shall be invalid and have no force or effect only if
14 a court of competent jurisdiction holds that the rule is invalid because the
15 commission exercised its rule-making authority in a manner that is beyond the
16 scope and purposes of the compact, or the powers granted hereunder, or based upon
17 another applicable standard of review.

18 (b) The rules of the commission shall have the force of law in each member state,
19 provided however that where the rules of the commission conflict with the laws of the
20 member state that establish the member state's laws, regulations, and applicable
21 standards that govern the practice of social work as held by a court of competent
22 jurisdiction, the rules of the commission shall be ineffective in that state to the extent
23 of the conflict.

24 (c) The commission shall exercise its rule-making powers pursuant to the
25 criteria set forth in this subsection and the rules adopted thereunder. Rules shall

1 become binding on the day following adoption or the date specified in the rule or
2 amendment, whichever is later.

3 (d) If a majority of the legislatures of the member states rejects a rule or portion
4 of a rule, by enactment of a statute or resolution in the same manner used to adopt
5 the compact within four (4) years of the date of adoption of the rule, then such rule
6 shall have no further force and effect in any member state.

7 (e) Rules shall be adopted at a regular or special meeting of the commission.

8 (f) Prior to adoption of a proposed rule, the commission shall hold a public
9 hearing and allow persons to provide oral and written comments, data, facts,
10 opinions, and arguments.

11 (g) Prior to adoption of a proposed rule by the commission, and at least thirty
12 (30) days in advance of the meeting at which the commission will hold a public
13 hearing on the proposed rule, the commission shall provide a notice of proposed rule
14 making:

- 15 1. On the website of the commission or other publicly accessible platform;
- 16 2. To persons who have requested notice of the commission's notices of proposed
17 rule making, and
- 18 3. In such other way(s) as the commission may by rule specify.

19 (h) The notice of proposed rule making shall include:

- 20 1. The time, date, and location of the public hearing at which the commission
21 will hear public comments on the proposed rule and, if different, the time, date, and
22 location of the meeting where the commission will consider and vote on the proposed
23 rule;

1 2. If the hearing is held via telecommunication, video conference, or other
2 electronic means, the commission shall include the mechanism for access to the
3 hearing in the notice of proposed rule making;

4 3. The text of the proposed rule and the reason therefor;

5 4. A request for comments on the proposed rule from any interested person; and

6 5. The manner in which interested persons may submit written comments.

7 (i) All hearings will be recorded. A copy of the recording and all written
8 comments and documents received by the commission in response to the proposed
9 rule shall be available to the public.

10 (j) Nothing in this subsection shall be construed as requiring a separate
11 hearing on each rule. Rules may be grouped for the convenience of the commission
12 at hearings required by this subsection.

13 (k) The commission shall, by majority vote of all members, take final action on
14 the proposed rule based on the rule-making record and the full text of the rule.

15 1. The commission may adopt changes to the proposed rule provided the
16 changes do not enlarge the original purpose of the proposed rule.

17 2. The commission shall provide an explanation of the reasons for substantive
18 changes made to the proposed rule as well as reasons for substantive changes not
19 made that were recommended by commenters.

20 3. The commission shall determine a reasonable effective date for the rule.
21 Except for an emergency as provided in par. (L), the effective date of the rule shall
22 be no sooner than 30 days after issuing the notice that it adopted or amended the rule.

23 (L) Upon determination that an emergency exists, the commission may
24 consider and adopt an emergency rule with 48 hours' notice, with opportunity to
25 comment, provided that the usual rule-making procedures provided in the compact

1 and in this subsection shall be retroactively applied to the rule as soon as reasonably
2 possible, in no event later than ninety (90) days after the effective date of the rule.
3 For the purposes of this provision, an emergency rule is one that must be adopted
4 immediately in order to:

- 5 1. Meet an imminent threat to public health, safety, or welfare;
- 6 2. Prevent a loss of commission or member state funds;
- 7 3. Meet a deadline for the promulgation of a rule that is established by federal
8 law or rule; or
- 9 4. Protect public health and safety.

10 (m) The commission or an authorized committee of the commission may direct
11 revisions to a previously adopted rule for purposes of correcting typographical errors,
12 errors in format, errors in consistency, or grammatical errors. Public notice of any
13 revisions shall be posted on the website of the commission. The revision shall be
14 subject to challenge by any person for a period of thirty (30) days after posting. The
15 revision may be challenged only on grounds that the revision results in a material
16 change to a rule. A challenge shall be made in writing and delivered to the
17 commission prior to the end of the notice period. If no challenge is made, the revision
18 will take effect without further action. If the revision is challenged, the revision may
19 not take effect without the approval of the commission.

20 (n) No member state's rule-making requirements shall apply under this
21 compact.

22 **(13) OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT.** (a) *Oversight.* 1. The
23 executive and judicial branches of state government in each member state shall
24 enforce this compact and take all actions necessary and appropriate to implement
25 the compact.

1 2. Except as otherwise provided in this compact, venue is proper and judicial
2 proceedings by or against the commission shall be brought solely and exclusively in
3 a court of competent jurisdiction where the principal office of the commission is
4 located. The commission may waive venue and jurisdictional defenses to the extent
5 it adopts or consents to participate in alternative dispute resolution proceedings.
6 Nothing herein shall affect or limit the selection or propriety of venue in any action
7 against a licensee for professional malpractice, misconduct or any such similar
8 matter.

9 3. The commission shall be entitled to receive service of process in any
10 proceeding regarding the enforcement or interpretation of the compact and shall
11 have standing to intervene in such a proceeding for all purposes. Failure to provide
12 the commission service of process shall render a judgment or order void as to the
13 commission, this compact, or promulgated rules.

14 (b) *Default, technical assistance, and termination.* 1. If the commission
15 determines that a member state has defaulted in the performance of its obligations
16 or responsibilities under this compact or the promulgated rules, the commission
17 shall provide written notice to the defaulting state. The notice of default shall
18 describe the default, the proposed means of curing the default, and any other action
19 that the commission may take, and shall offer training and specific technical
20 assistance regarding the default.

21 2. The commission shall provide a copy of the notice of default to the other
22 member states.

23 (c) If a state in default fails to cure the default, the defaulting state may be
24 terminated from the compact upon an affirmative vote of a majority of the delegates
25 of the member states, and all rights, privileges and benefits conferred on that state

1 by this compact may be terminated on the effective date of termination. A cure of the
2 default does not relieve the offending state of obligations or liabilities incurred
3 during the period of default.

4 (d) Termination of membership in the compact shall be imposed only after all
5 other means of securing compliance have been exhausted. Notice of intent to
6 suspend or terminate shall be given by the commission to the governor, the majority
7 and minority leaders of the defaulting state's legislature, the defaulting state's state
8 licensing authority and each of the member states' state licensing authority.

9 (e) A state that has been terminated is responsible for all assessments,
10 obligations, and liabilities incurred through the effective date of termination,
11 including obligations that extend beyond the effective date of termination.

12 (f) Upon the termination of a state's membership from this compact, that state
13 shall immediately provide notice to all licensees within that state of such
14 termination. The terminated state shall continue to recognize all licenses granted
15 pursuant to this compact for a minimum of six (6) months after the date of said notice
16 of termination.

17 (g) The commission shall not bear any costs related to a state that is found to
18 be in default or that has been terminated from the compact, unless agreed upon in
19 writing between the commission and the defaulting state.

20 (h) The defaulting state may appeal the action of the commission by petitioning
21 the U.S. District Court for the District of Columbia or the federal district where the
22 commission has its principal offices. The prevailing party shall be awarded all costs
23 of such litigation, including reasonable attorney's fees.

1 (i) *Dispute resolution.* 1. Upon request by a member state, the commission
2 shall attempt to resolve disputes related to the compact that arise among member
3 states and between member and nonmember states.

4 2. The commission shall promulgate a rule providing for both mediation and
5 binding dispute resolution for disputes as appropriate.

6 (j) *Enforcement.* 1. By majority vote as provided by rule, the commission may
7 initiate legal action against a member state in default in the United States District
8 Court for the District of Columbia or the federal district where the commission has
9 its principal offices to enforce compliance with the provisions of the compact and its
10 promulgated rules. The relief sought may include both injunctive relief and
11 damages. In the event judicial enforcement is necessary, the prevailing party shall
12 be awarded all costs of such litigation, including reasonable attorney's fees. The
13 remedies herein shall not be the exclusive remedies of the commission. The
14 commission may pursue any other remedies available under federal or the defaulting
15 member state's law.

16 2. A member state may initiate legal action against the commission in the U.S.
17 District Court for the District of Columbia or the federal district where the
18 commission has its principal offices to enforce compliance with the provisions of the
19 compact and its promulgated rules. The relief sought may include both injunctive
20 relief and damages. In the event judicial enforcement is necessary, the prevailing
21 party shall be awarded all costs of such litigation, including reasonable attorney's
22 fees.

23 3. No person other than a member state shall enforce this compact against the
24 commission.

1 **(14) EFFECTIVE DATE, WITHDRAWAL, AND AMENDMENT.** (a) The compact shall come
2 into effect on the date on which the compact statute is enacted into law in the seventh
3 member state.

4 1. On or after the effective date of the compact, the commission shall convene
5 and review the enactment of each of the first seven member states (“charter member
6 states”) to determine if the statute enacted by each such charter member state is
7 materially different than the model compact statute.

8 a. A charter member state whose enactment is found to be materially different
9 from the model compact statute shall be entitled to the default process set forth in
10 sub. (13).

11 b. If any member state is later found to be in default, or is terminated or
12 withdraws from the compact, the commission shall remain in existence and the
13 compact shall remain in effect even if the number of member states should be less
14 than seven.

15 2. Member states enacting the compact subsequent to the seven initial charter
16 member states shall be subject to the process set forth in sub. (10) (c) 21. to determine
17 if their enactments are materially different from the model compact statute and
18 whether they qualify for participation in the compact.

19 3. All actions taken for the benefit of the commission or in furtherance of the
20 purposes of the administration of the compact prior to the effective date of the
21 compact or the commission coming into existence shall be considered to be actions
22 of the commission unless specifically repudiated by the commission.

23 4. Any state that joins the compact subsequent to the commission’s initial
24 adoption of the rules and bylaws shall be subject to the rules and bylaws as they exist
25 on the date on which the compact becomes law in that state. Any rule that has been

1 previously adopted by the commission shall have the full force and effect of law on
2 the day the compact becomes law in that state.

3 (b) Any member state may withdraw from this compact by enacting a statute
4 repealing the same.

5 1. A member state's withdrawal shall not take effect until 180 days after
6 enactment of the repealing statute.

7 2. Withdrawal shall not affect the continuing requirement of the withdrawing
8 state's licensing authority to comply with the investigative and adverse action
9 reporting requirements of this compact prior to the effective date of withdrawal.

10 3. Upon the enactment of a statute withdrawing from this compact, a state
11 shall immediately provide notice of such withdrawal to all licensees within that
12 state. Notwithstanding any subsequent statutory enactment to the contrary, such
13 withdrawing state shall continue to recognize all licenses granted pursuant to this
14 compact for a minimum of 180 days after the date of such notice of withdrawal.

15 (c) Nothing contained in this compact shall be construed to invalidate or
16 prevent any licensure agreement or other cooperative arrangement between a
17 member state and a nonmember state that does not conflict with the provisions of
18 this compact.

19 (d) This compact may be amended by the member states. No amendment to this
20 compact shall become effective and binding upon any member state until it is enacted
21 into the laws of all member states.

22 **(15) CONSTRUCTION AND SEVERABILITY.** (a) This compact and the commission's
23 rule-making authority shall be liberally construed so as to effectuate the purposes,
24 and the implementation and administration of the compact. Provisions of the

1 compact expressly authorizing or requiring the promulgation of rules shall not be
2 construed to limit the commission's rule-making authority solely for those purposes.

3 (b) The provisions of this compact shall be severable and if any phrase, clause,
4 sentence or provision of this compact is held by a court of competent jurisdiction to
5 be contrary to the constitution of any member state, a state seeking participation in
6 the compact, or of the United States, or the applicability thereof to any government,
7 agency, person or circumstance is held to be unconstitutional by a court of competent
8 jurisdiction, the validity of the remainder of this compact and the applicability
9 thereof to any other government, agency, person or circumstance shall not be affected
10 thereby.

11 (c) Notwithstanding par. (b), the commission may deny a state's participation
12 in the compact or, in accordance with the requirements of sub. (13) (b), terminate a
13 member state's participation in the compact, if it determines that a constitutional
14 requirement of a member state is a material departure from the compact. Otherwise,
15 if this compact shall be held to be contrary to the constitution of any member state,
16 the compact shall remain in full force and effect as to the remaining member states
17 and in full force and effect as to the member state affected as to all severable matters.

18 **(16) CONSISTENT EFFECT AND CONFLICT WITH OTHER STATE LAWS.** (a) A licensee
19 providing services in a remote state under a multistate authorization to practice
20 shall adhere to the laws and regulations, including laws, regulations, and applicable
21 standards, of the remote state where the client is located at the time care is rendered.

22 (b) Nothing herein shall prevent or inhibit the enforcement of any other law of
23 a member state that is not inconsistent with the compact.

24 (c) Any laws, statutes, regulations, or other legal requirements in a member
25 state in conflict with the compact are superseded to the extent of the conflict.
