

## 1995 ASSEMBLY BILL 205

March 15, 1995 - Introduced by Representatives KREIBICH, WARD, HANSON, LADWIG, HARSDF, GROTHMAN, GOETSCH, GREEN, VRAKAS and OWENS, cosponsored by Senator RUDE. Referred to Committee on Mandates.

1     **AN ACT to repeal** 36.25 (3m) (e); and **to amend** 13.106 (3) (intro.) and 36.25 (27)  
2     of the statutes; **relating to:** various University of Wisconsin System reports.

---

### *Analysis by the Legislative Reference Bureau*

1. Current law directs the University of Wisconsin-Madison medical school to submit an annual report to the governor and the legislature that provides information on the financial status of the family practice residency sites, the number of family practice residents choosing to practice in medically underserved areas of the state and the number of graduates entering family practice as a career. This bill requires the report to be submitted biennially.

2. Current law requires the board of regents to establish one or more solid waste experiment centers and to conduct research into alternatives to solid waste disposal. Annually, the board must report to the legislature on its activities related to the centers and to such research. This bill eliminates the requirement to report.

3. Current law directs the board of regents to establish an integrated agriculture program and biennially to report to the joint committee on finance on the progress of the program. This bill eliminates the requirement to report.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
