

## 1995 SENATE BILL 509

January 30, 1996 - Introduced by Senator A. LASEE, cosponsored by Representative BRANDEMUEHL. Referred to Committee on Transportation, Agriculture and Local Affairs.

1     **AN ACT to amend** 343.16 (2) (c) of the statutes; **relating to:** the method of  
2           reviewing and establishing revised operator's license examination standards  
3           and granting rule-making authority.

---

### *Analysis by the Legislative Reference Bureau*

Current law requires the department of transportation to develop new and revised standards to govern driver's license examinations and reexaminations, taking into consideration any federal standards or requirements which may apply, and requires that a public hearing be held to consider the revised standards before a joint session of the senate and assembly committees having jurisdiction over transportation matters. The revised standards may take effect only upon approval of those standards as a joint resolution.

This bill eliminates the requirement that the revised standards be considered before a joint session of the senate and assembly committees having jurisdiction over transportation matters. The bill also eliminates the requirement that a joint resolution approving the revised standards be adopted for such standards to take effect, and require instead the promulgation of such standards by rule.

---

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

4           **SECTION 1.** 343.16 (2) (c) of the statutes is amended to read:  
5           343.16 (2) (c) *Standards.* The secretary department shall develop new and  
6           revised promulgate rules setting standards to govern driver license examinations  
7           and reexaminations, taking. Such standards shall take into consideration any
