1 **AN ACT** *to amend* 40.02 (20) and 40.55 (1); and *to create* 40.02 (21c) and 40.02
2 (21d) of the statutes; **relating to:** providing coverage for domestic partners
3 under health care coverage plans and long-term care insurance policies offered
4 by the group insurance board.

Analysis by the Legislative Reference Bureau

Under current law, the group insurance board offers health care coverage plans for state employees, local government employees, school district employees, and annuitants under the Wisconsin retirement system. In addition, the group insurance board currently offers long-term care insurance policies to state employees and state annuitants. Under the health care coverage plans, the employees and annuitants are able to receive coverage for dependents; under the long-term care insurance policies, the employees and annuitants are able to purchase the policies for their spouses and parents and their spouse's parents.

This bill provides that domestic partners of employees and annuitants are eligible to receive coverage under the health care coverage plans offered by the group insurance board and that state employees and state annuitants are able to purchase the policies for their domestic partners. Under the bill, a domestic partner is defined as any individual who is in a relationship with any other individual that satisfies all of the following:

1. Each individual is at least 18 years old and otherwise competent to enter into a contract.

SENATE BILL 386

2. Neither individual is married to, or in a domestic partnership with, another individual.

3. The two individuals are not related by blood in any way that would prohibit marriage under current law.

4. The two individuals consider themselves to be members of each other's immediate family.

5. The two individuals agree to be responsible for each other's basic living expenses.
