Analysis by the Legislative Reference Bureau***Engrossment information:***

The text of Engrossed 2003 Assembly Bill 111 consists of the bill, as affected by LRB corrections dated March 7 and 11, 2003, and as affected by the following documents adopted in the assembly on March 13, 2003: Assembly Amendment 1, Assembly Amendment 2, Assembly Amendment 3, Assembly Amendment 4 (as affected by LRB correction dated March 17, 2003), Assembly Amendment 7, Assembly Amendment 9 (as affected by LRB correction dated March 14, 2003), and Assembly Amendment 11.

Content of Engrossed 2003 Assembly Bill 111:

With certain limited exceptions, before being permitted to vote at any polling place, an elector currently must provide his or her name and address. If registration is required in order to vote and the elector is not registered, the elector must provide a specified form of proof of residence in order to register. If an elector claims to be registered but his or her name does not appear on the appropriate registration list, the elector must complete a certification of eligibility and present acceptable proof of residence in order to vote. In addition, an elector may be required to provide acceptable proof of residence even if registration is not required. If an elector is not able to present any required proof of residence, as an alternative, current law permits another qualified elector who resides in the same municipality to corroborate the elector's information.

With certain limited exceptions, this bill requires each person attempting to register or vote at the polls on election day to present a valid Wisconsin driver's license issued by the Department of Transportation (DOT) to the person that contains the person's photograph, a valid, current identification card issued to the person by a U.S. uniformed service, or a valid Wisconsin identification card issued by DOT to the person. Under the bill, any person who applies for an absentee ballot, except a military or overseas elector, as defined by federal law must provide a copy of the identification, unless the person has already provided a copy of his or her identification in connection with an absentee ballot cast at a previous election and has not changed his or her name or address since that election, or unless the person is indefinitely confined, in which case the person may submit a statement signed by the person who witnesses his or her absentee ballot verifying his or her identity. If a person who votes at a polling place fails to provide identification or fails to provide sufficient identification and the person has registered by mail and has never voted in a federal election in this state, the person may vote provisionally. If a person other than a military or overseas elector, as defined by federal law, votes by absentee ballot and fails to provide the required identification or sufficient identification, the ballot is treated as a provisional ballot. A provisional ballot is marked by the poll workers, who immediately contact the municipal clerk or board of election commissioners.

ENGROSSED ASSEMBLY BILL 111

The person may then provide the required identification to the clerk or board. If the person does not provide the required identification to the clerk or board of election commissioners by 4. p.m. or the close of business, whichever is later, on the day following the election, the person's vote is not counted. Under the bill, the clerk or board of election commissioners must determine the validity of identification no later than the end of the day after the election. The decision of the clerk or board of election commissioners is final and is not subject to review during the canvassing process or during any recount.

The bill also permits an elector who is eligible to obtain a Wisconsin identification card to obtain the card from DOT free of charge, if the elector specifically requests not to be charged. The bill permits an applicant to receive a Wisconsin identification card without a photograph being taken, as currently required, if the applicant provides an affidavit stating that he or she has sincerely held religious beliefs against being photographed, that he or she is a member of a religious organization or identifies with the tenets of a religious organization and names that organization, and that the religious tenets of that organization prohibit such photographing.

In addition, the bill deletes the authority for an elector to utilize corroboration in order to register to vote or to vote on election day.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

8 to the polling place who as a result of disability is unable to enter the polling place,
9 they shall permit the elector to be assisted in marking a ballot by any individual
10 selected by the elector, except the elector's employer or an agent of that employer or
11 an officer or agent of a labor organization which represents the elector. The
12 individual selected by the elector shall provide all information necessary for the
13 elector to obtain a ballot under s. 6.79 (1) or (2). The inspectors shall then issue a
14 ballot to the individual selected by the elector and shall accompany the individual
15 to the polling place entrance where the assistance is to be given. If the ballot is a
16 paper ballot, the assisting individual shall fold the ballot after the ballot is marked
17 by the assisting individual. The assisting individual shall then immediately take the
18 ballot into the polling place and give the ballot to an inspector. The inspector shall
19 distinctly announce that he or she has "a ballot offered by ... (stating person's name),
20 an elector who, as a result of disability, is unable to enter the polling place without
21 assistance". The inspector shall then ask, "Does anyone object to the reception of this
22 ballot?" If no objection is made, the inspectors shall record the elector's name under
23 s. 6.79 and deposit the ballot in the ballot box, and shall make a notation on the
24 registration or poll list: "Ballot received at poll entrance".

25 **SECTION 32.** 6.86 (1) (ar) of the statutes is amended to read:

ENGROSSED ASSEMBLY BILL 111

1 6.86 (1) (ar) Except as authorized in s. 6.875 (6), the municipal clerk shall not
2 issue an absentee ballot unless the clerk receives a written application therefor from
3 a qualified elector of the municipality. The clerk shall retain each absentee ballot
4 application until destruction is authorized under s. 7.23 (1). If an elector applies for
5 an absentee ballot in person at the clerk's office, the clerk shall not issue the elector
6 an absentee ballot unless the elector presents a valid operator's license issued to the
7 elector under ch. 343 that contains a photograph of the license holder, a valid, current
8 identification card issued to the person by a U.S. uniformed service, or a valid
9 identification card issued to the elector under s. 343.50.

10 **SECTION 33.** 6.86 (3) (a) of the statutes is amended to read:

11 6.86 (3) (a) 1. Any elector who is registered, or otherwise qualified where
12 registration is not required, and who is hospitalized, may apply for and obtain an
13 official ballot by agent. The agent may apply for and obtain a ballot for the
14 hospitalized absent elector by presenting a form prescribed by the board and
15 containing the required information supplied by the hospitalized elector and signed
16 by that elector ~~and any other elector residing in the same municipality as the~~
17 ~~hospitalized elector, corroborating the information contained therein.~~ The
18 ~~corroborating elector shall state on the form his or her full name and address.~~ Except
19 as provided in s. 6.87 (4) (b) 2., the agent shall provide the identification required
20 under sub. (1) (ar).

21 2. If a hospitalized elector is not registered where registration is required, the
22 elector may register by agent under this subdivision at the same time that the elector
23 applies for an official ballot by agent under subd. 1. To register the elector under this
24 subdivision, the agent shall present a completed registration form that contains the
25 required information supplied by the elector and the elector's signature, unless the

ENGROSSED ASSEMBLY BILL 111**SECTION 33**

1 elector is unable to sign due to physical disability. In this case, the elector may
2 authorize another elector to sign on his or her behalf. Any elector signing a form on
3 another elector's behalf shall attest to a statement that the application is made on
4 request and by authorization of the named elector, who is unable to sign the form due
5 to physical disability. The agent shall present this statement along with all other
6 information required under this subdivision. ~~Except as otherwise provided in this~~
7 ~~subdivision, the~~ The agent shall ~~in every case~~ present acceptable proof of the elector's
8 residence under s. 6.55 (7). ~~If the agent cannot present this proof, the registration~~
9 ~~form shall be signed and substantiated by another elector residing in the elector's~~
10 ~~municipality of residence, corroborating the information in the form. The form shall~~
11 ~~contain the full name and address of the corroborating elector. The agent shall then~~
12 ~~present acceptable proof of the corroborating elector's residence under s. 6.55 (7).~~

13 **SECTION 34.** 6.869 of the statutes is created to read:

14 **6.869 Uniform instructions.** The board shall prescribe uniform instructions
15 for absentee voters. The instructions shall include information concerning whether
16 a copy of identification is required to be submitted and, if so, the form of identification
17 that is required.

18 **SECTION 35.** 6.87 (3) (d) of the statutes is amended to read:

19 **6.87 (3) (d)** A municipal clerk of a municipality may, if the clerk is reliably
20 informed by an absent elector of a facsimile transmission number or electronic mail
21 address where the elector can receive an absentee ballot, transmit a facsimile or
22 electronic copy of the absent elector's ballot to that elector in lieu of mailing under
23 this subsection if, in the judgment of the clerk, the time required to send the ballot
24 through the mail may not be sufficient to enable return of the ballot by the time
25 provided under sub. (6). An elector may receive an absentee ballot under this

ENGROSSED ASSEMBLY BILL 111

1 subsection only if the elector has filed a valid application for the ballot under sub. (1).
2 If the clerk transmits an absentee ballot under this paragraph, the clerk shall also
3 transmit a facsimile or electronic copy of the text of the material that appears on the
4 certificate envelope prescribed in sub. (2), together with instructions prescribed by
5 the board. The instructions shall require the absent elector to make and subscribe
6 to the certification as required under sub. (4) (b) and to enclose the absentee ballot
7 in a separate envelope contained within a larger envelope, that shall include the
8 completed certificate. The elector shall then mail the absentee ballot with postage
9 prepaid to the municipal clerk. An absentee ballot received under this paragraph
10 shall not be counted unless it is cast in the manner prescribed in this paragraph and
11 in accordance with the instructions provided by the board.

12 **SECTION 36.** 6.87 (4) of the statutes is renumbered 6.87 (4) (b) 1. and amended
13 to read:

14 6.87 (4) (b) 1. Except as otherwise provided in s. 6.875, the elector voting
15 absentee shall make and subscribe to the certification before one witness. The
16 absent elector, in the presence of the witness, shall mark the ballot in a manner that
17 will not disclose how the elector's vote is cast. The elector shall then, still in the
18 presence of the witness, fold the ballots if they are paper ballots so each is separate
19 and so that the elector conceals the markings thereon and deposit them in the proper
20 envelope. If a consolidated ballot under s. 5.655 is used, the elector shall fold the
21 ballot if it is a paper ballot so that the elector conceals the markings thereon and
22 deposit the ballot in the proper envelope. Except as authorized in subds. 2. and 3.,
23 the elector shall enclose a copy of the identification required under s. 6.86 (1) (ar) in
24 the envelope, unless the elector is a military elector or an overseas elector, as defined
25 in s. 6.87 (4) (a). The elector may receive assistance under sub. (5). The return

ENGROSSED ASSEMBLY BILL 111**SECTION 36**

1 envelope shall then be sealed. The witness may not be a candidate. The envelope
2 shall be mailed by the elector, postage prepaid, or delivered in person, to the
3 municipal clerk issuing the ballot or ballots. Failure to return an unused ballot in
4 a primary does not invalidate the ballot on which the elector's votes are cast. Return
5 of more than one marked ballot in a primary or return of a ballot prepared under s.
6 5.655 or a ballot used with an electronic voting system in a primary which is marked
7 for candidates of more than one party invalidates all votes cast by the elector for
8 candidates in the primary.

9 **SECTION 37.** 6.87 (4) (a) of the statutes is created to read:

10 6.87 (4) (a) In this paragraph:

11 1. "Military elector" means a member of a uniformed service on active duty who,
12 by reason of that duty, is absent from the residence where the member is otherwise
13 qualified to vote; a member of the merchant marine, as defined in s. 6.22 (1) (a), who,
14 by reason of service in the merchant marine, is absent from the residence where the
15 member is otherwise qualified to vote; or the spouse or dependent of any such
16 member who, by reason of the duty or service of the member, is absent from the
17 residence where the spouse or dependent is otherwise qualified to vote.

18 2. "Overseas elector" means an elector who resides outside the United States
19 and who is qualified under federal law to vote in elections for national office in this
20 state because the elector was last domiciled in this state immediately prior to the
21 elector's departure from the United States.

22 **SECTION 37m.** 6.87 (4) (b) 2. and 3. of the statutes are created to read:

23 6.87 (4) (b) 2. Unless subd. 3. applies, if the absentee elector has applied for and
24 qualified to receive absentee ballots automatically under s. 6.86 (2) (a), the elector
25 may, in lieu of providing a copy of the identification required under s. 6.86 (1) (ar),

ENGROSSED ASSEMBLY BILL 111

1 submit with his or her absentee ballot a statement signed by the same individual who
2 witnesses voting of the ballot which contains the name and address of the elector and
3 verifies that the name and address are correct.

4 3. If the absentee elector has received an absentee ballot from the municipal
5 clerk for a previous election, has provided a copy of the identification required under
6 s. 6.86 (1) (ar) with that ballot, and has not changed his or her name or address since
7 providing that identification, the elector is not required to provide a copy of the
8 identification required under s. 6.86 (1) (ar).

9 **SECTION 38.** 6.88 (3) (a) of the statutes is amended to read:

10 6.88 (3) (a) Any time between the opening and closing of the polls on election
11 day, the inspectors shall open the carrier envelope only, and announce the name of
12 the absent elector or the identification serial number of the absent elector if the
13 elector has a confidential listing under s. 6.47 (2). When the inspectors find that the
14 certification has been properly executed, the applicant is a qualified elector of the
15 ward or election district, and the applicant has not voted in the election, they shall
16 enter an indication on the poll ~~or registration~~ list next to the applicant's name
17 indicating an absentee ballot is cast by the elector. They shall then open the envelope
18 containing the ballot in a manner so as not to deface or destroy the certification
19 thereon. The inspectors shall take out the ballot without unfolding it or permitting
20 it to be unfolded or examined. Unless the ballot is cast under s. 6.95, the inspectors
21 shall verify that the ballot has been endorsed by the issuing clerk. If the elector is
22 required to provide a copy of the identification required under s. 6.86 (1) (ar) and no
23 copy of the elector's identification is enclosed or the name or address on the document
24 that is provided cannot be verified by the inspectors, the elector's ballot may not be
25 counted. The inspectors shall then deposit the ballot into the proper ballot box and

ENGROSSED ASSEMBLY BILL 111**SECTION 38**

1 enter the absent elector's name or voting number after his or her name on the poll
2 or registration list in the same manner as if the elector had been present and voted
3 in person.

4 **SECTION 39.** 6.97 of the statutes is created to read:

5 **6.97 Voting procedure for individuals not providing required**
6 **identification.** If an individual who appears to vote at a polling place has registered
7 by mail and has not previously voted in an election for national office in this state,
8 and the elector cannot provide the required identification or inspectors cannot verify
9 the document submitted by the individual, the inspectors shall offer the opportunity
10 for the individual to vote under this section. If the individual wishes to vote, the
11 inspectors shall require the individual to execute a written affirmation before the
12 inspectors stating that the individual is a qualified elector of the ward or election
13 district where he or she offers to vote and is eligible to vote in the election. The
14 inspectors shall then give the individual a ballot. Before depositing the ballot, the
15 inspectors shall write on the back of the ballot the serial number of the individual
16 corresponding to the number kept at the election on the poll list or other list
17 maintained under s. 6.79. If voting machines are used in the municipality where the
18 individual is voting, the individual's vote may be received only upon an absentee
19 ballot furnished by the municipal clerk which shall have the corresponding number
20 from the poll list or other list maintained under s. 6.79 written on the back of the
21 ballot before the ballot is deposited. The inspectors shall indicate on the list the fact
22 that the individual did not provide identification or the document submitted by the
23 individual could not be verified by the inspectors. The inspectors shall notify the
24 individual that he or she may provide to the municipal clerk a valid operator's license
25 issued to the individual under ch. 343 that contains a photograph of the license

ENGROSSED ASSEMBLY BILL 111

1 holder, a valid, current identification card issued to the person by a U.S. uniformed
2 service, or a valid identification card issued to the individual under s. 343.50. The
3 inspectors shall also promptly notify the municipal clerk of the name, address, and
4 serial number of the individual. If by 4 p.m. or the close of business, whichever is
5 later, on the day after the election the elector provides a valid license or identification
6 card to the municipal clerk, the municipal clerk shall, no later than the day after the
7 election, notify the board of canvassers that the individual is qualified to vote in the
8 ward or election district where the individual's ballot was cast, and the vote of the
9 individual shall be counted. Otherwise, the vote of the individual may not be
10 counted. The decision of the municipal clerk with respect to the validity of
11 identification under this section is final and is not subject to review by the board of
12 canvassers, by the chairperson of the elections board or his or her designee, or under
13 s. 9.01. A ballot cast under this section by an elector for whom a valid license or
14 identification card is required shall not be counted unless the municipal clerk
15 provides timely notification that the elector has provided valid identification under
16 this section.

17 **SECTION 40.** 10.02 (3) (a) of the statutes is amended to read:

18 10.02 (3) (a) Upon entering the polling place and before being permitted to vote,
19 an elector shall give state his or her name and address ~~before being permitted to vote~~
20 and shall present identification as required by law. Where ballots are distributed to
21 electors, the initials of 2 inspectors must appear on the ballot. Upon being permitted
22 to vote, the elector shall retire alone to a voting booth or machine and cast his or her
23 ballot, except that an elector who is a parent or guardian may be accompanied by the
24 elector's minor child or minor ward. An election official may inform the elector of the

ENGROSSED ASSEMBLY BILL 111**SECTION 40**

2 indicate a particular voting choice.

5 an operator's license but shall be of a design which is readily distinguishable from
6 the design of an operator's license and bear upon it the words "IDENTIFICATION
7 CARD ONLY". The information on the card shall be the same as specified under s.
8 343.17 (3). The card may serve as a document of gift under s. 157.06 (2) (b) and (c)

15 any information required under ss. 85.103 (2) and 343.14 (2) (a), (b), (bm), (br), and
16 (em), such further information as the department may reasonably require to enable
17 it to determine whether the applicant is entitled by law to an identification card, and,
18 for applicants who are aged 65 years or older, material, as provided by the
19 department, explaining the voluntary program that is specified in s. 71.55 (10) (b).

5 provides to the department an affidavit stating that the applicant has sincerely held
