1 **AN ACT** *to amend* 111.322 (2m) (a) and 111.322 (2m) (b); and *to create* 106.54
2 (8), 111.91 (2) (t), 146.999 and 230.45 (1) (n) of the statutes; **relating to:**
3 mandatory overtime hours worked by health care workers employed by health
4 care facilities and providing penalties.

Analysis by the Legislative Reference Bureau

Under current law, subject to certain exceptions, an employer must pay an employee who receives an hourly wage one and one-half times the employee's regular rate of pay for all hours worked in excess of 40 hours per week. Current law, however, subject to certain exceptions for child labor, does not prohibit an employer from requiring an employee to work in excess of 40 hours per week.

This bill prohibits a health care facility from requiring an employee who is involved in providing direct health care services for patients or residents or in providing clinical or laboratory services (health care worker) and who is paid an hourly wage to work for more than a work shift of 8, 10, or 12 hours that has been determined and agreed to before the performance of the work or to work for more than 40 hours per week (overtime) without the consent of the health care worker, except in cases of unforeseeable emergency in which the health care facility has first exhausted all other options. The bill also prohibits a health care facility from discharging or discriminating against a health care worker in promotion, in compensation, or in the terms, conditions, or privileges of employment for refusing to work overtime, for opposing a health care facility's practice of requiring health care workers to work overtime, for filing a complaint or attempting to enforce the right

SENATE BILL 177

of a health care worker to refuse to work overtime, or for testifying or assisting in any action or proceeding to enforce that right.

A health care worker who is discharged or discriminated against in violation of the bill may file a complaint with the Department of Workforce Development (DWD) or, in the case of a state employee, the Personnel Commission, and DWD or the Personnel Commission must process the complaint in the same manner that employment discrimination complaints are processed under current law, which processing may include the ordering of back pay, reinstatement, costs, and attorney fees. In addition, a health care facility that discharges or discriminates against a health care worker in violation of the bill may be required to forfeit not more than \$1,000 for a first violation, not more than \$5,000 for a violation committed within 12 months of a previous violation, and not more than \$10,000 for a violation committed within 12 months of two or more previous violations.

The bill defines a "health care facility" as any hospital, nursing home, community-based residential facility, county home, county infirmary, county hospital, county mental health center, adult family home, assisted living facility, residential care apartment complex, rural medical center, hospice, mental health treatment facility, public dispensary for the diagnosis and treatment of tuberculosis or facility providing care under a continuing care contract; the University of Wisconsin Hospitals and Clinics Authority, the Wisconsin Veterans Home at King, the Southern Wisconsin Veterans Retirement Center, the Mendota Mental Health Institute, the Winnebago Mental Health Institute, the Milwaukee County Mental Health Complex, or the northern, central, and southern centers for the developmentally disabled; or a state prison, county jail, or county house of correction.
