August 20, 2003 – Introduced by Senator SCHULTZ, cosponsored by Representative GROTHMAN. Referred to Committee on Judiciary, Corrections and Privacy.

1     **AN ACT to renumber and amend** 807.01 (4), 814.04 (4) and 815.05 (8); and **to**  
2             **create** 807.01 (4) (b), 814.04 (4) (b) and 815.05 (8) (b) of the statutes; **relating**  
3             **to:** changing the interest rate applicable in court actions.

---

***Analysis by the Legislative Reference Bureau***

Under current law, a party in a lawsuit is entitled to interest on the amount of money recovered in a judgment. The interest rate on the amount of money recovered is 12% per year. This bill changes the interest rate to 2% plus the average interest rate for six-month U.S. treasury bills but to never less than 4%. The state treasurer is required to determine the average interest rate for six-month U.S. treasury bills annually and certify that rate to the director of state courts on the first business day in January.
