ASSEMBLY BILL 542

- 1 Commission, filing insurance policy forms with the commissioner of insurance,
2 suitability of annuity contracts, and granting rule-making authority.
-

Analysis by the Legislative Reference Bureau***Interstate Insurance Product Regulation Compact***

This bill enacts the Interstate Insurance Product Regulation Compact (compact). The stated purposes of the compact include promoting and protecting the interests of consumers of annuity, life insurance, disability income, and long-term care insurance products (insurance products); developing uniform standards for insurance products; establishing a central clearinghouse for review of insurance products, and advertisements related to insurance products, that are filed with the Interstate Insurance Product Regulation Commission (commission); and giving regulatory approval to insurance products and related advertisements filed with the commission. The compact accomplishes its purposes through the commission, which is created in the bill. Each compacting state has one member on the commission, with one vote. Under the bill, the commissioner of insurance (commissioner), or his or her designee, is the commission member from this state.

The commission is a body politic and corporate. The bill specifies, among other things, all of the following related to the commission: its organization, including required management and legislative committees; its powers, including rule making; meeting, voting, and notice requirements; requirements related to record keeping and confidentiality of its records; liability, and immunity from liability, of its members; monitoring and enforcement of compliance by the compacting states with its rules, standards, bylaws, and operating procedures; the financing of its operations, including the imposition of fees; auditing requirements; and reporting requirements.

One of the most important functions of the commission is establishing uniform standards for insurance products, which have the force and effect of law in the states that enact the compact for products filed with the commission. The uniform standards relate to the form of a policy or contract, including an application and evidence of coverage, for an insurance product and are intended to prohibit the use of inconsistent, misleading, or ambiguous provisions in insurance products. Before adopting a uniform standard, the commission must give written notice to the legislative committees of the compacting states with jurisdiction over insurance matters. A uniform standard becomes effective 90 days after it is promulgated by the commission, or at a later date determined by the commission. However, a compacting state may opt out of a uniform standard, by legislation or administrative rule, in accordance with procedures outlined in the bill. In addition, when enacting the compact a compacting state may prospectively opt out of all uniform standards established by the commission relating to long-term care insurance products; under this bill, however, Wisconsin does not prospectively opt out of those uniform standards.

ASSEMBLY BILL 542

Under current law, except for certain very limited types of insurance, all insurance forms must be filed with and approved by the commissioner before they may be used in this state. Under the bill, an important function of the commission is receiving and reviewing insurance products, rate filings for disability income and long-term care insurance products, and advertisements relating to long-term care insurance products for which the commission has developed uniform standards, which are voluntarily filed with the commission by insurers seeking the approval of the commission. The commission may approve those insurance products, rate filings, and advertisements that satisfy applicable uniform standards adopted by the commission. The approval has the force and effect of law in the compacting states, and any insurance product that is approved by the commission may be sold in any of the compacting states. In addition, if the commission determines that the advertisement of an insurance product, other than a long-term care insurance product, could have the capacity or tendency to mislead the public, the commission may require an insurer to submit its advertisement for that insurance product for the commission's review or approval before the advertisement may be used. The commission may also designate products and advertisement that may be self-certified without prior approval by the commission.

The bill provides that the compact becomes effective and binding when two states enact it, except that the commission becomes effective for purposes of adopting uniform standards and reviewing and approving insurance products only after 26 states, or states representing greater than 40 percent of the premium volume for insurance products, become compacting states. In general, only states that enact the compact are subject to its provisions and the authority of the commission. The bill provides that a state may withdraw from the compact by repealing its enacting statute. A compacting state may be terminated from the compact if it defaults in the performance of any of its obligations or responsibilities under the compact.

Insurance form filing with the commissioner

Under current law, with a few exceptions, no insurance policy or group certificate form may be used unless it has been filed with and approved by the commissioner. Any form that has not been disapproved in 30 days after filing is approved. The statutes set out the grounds on which the commissioner may disapprove a form. The commissioner may order that the use of a form be discontinued if, after a hearing, the commissioner finds that an approved form would now be disapproved if newly filed. Penalties may not be imposed against an insurer for using a form that does not comply with a statute or rule if the statute or rule was in effect when the form was approved. However, penalties may be imposed against an insurer for using a form that does not comply with a statute or rule if the statute or rule takes effect after the date on which the form was approved.

This bill provides that, with a number of specified exceptions, a form first used on or after the effective date of the provision (which is approximately three months after the bill is passed and published) that has not already been filed by that date may be used without approval by the commissioner. The specified exceptions, which must still be filed and approved before use, include forms for long-term care insurance, worker's compensation policies, Medicare replacement or supplement

ASSEMBLY BILL 542

policies, health care liability insurance, policies under the Health Insurance Risk-Sharing Plan, rustproofing warranty insurance, and warranty contracts; forms ordered to be filed by the commissioner or required to be filed by a rule of the commissioner; forms that include appraisal or arbitration provisions not specifically authorized by rule; and forms containing certain clauses that require explicit approval. For forms that do not have to be filed and approved before use, however, the insurer must still file the form with the commissioner 30 days before use and certify that the form complies with the statutes related to insurance and any rules promulgated under those statutes. The commissioner may still, after a hearing, order the discontinuance of the use of a form that did not require approval before use if there are grounds for disapproval. Any form that was approved by, or self-certified to and not disapproved by, the commission is not subject to any requirement for filing with the commissioner.

The bill provides that penalties may not be imposed against an insurer for the use of a form solely based on a finding of the commissioner that the content of the form is misleading. The bill also provides that, if an insurer uses a form that was filed but not approved before use and that violates a statute related to insurance or any rules promulgated under those statutes, the insurer violates that statute or rule and is subject to penalties.

Suitability of annuity contracts

Under current law, an insurance intermediary, or insurer if no intermediary is involved, is prohibited from making a recommendation to a person who is 65 years old or older (senior consumer) about purchasing or exchanging an annuity unless the intermediary or insurer has reasonable grounds to believe that the recommendation is suitable for the senior consumer based on facts disclosed by the senior consumer. Before making a recommendation, the intermediary or insurer must make reasonable efforts to obtain information from the senior consumer about his or her financial status, tax status, and investment objectives. The bill makes these provisions apply to all consumers, not just to those who are 65 years old or older.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

7 alleged act, error, or omission that occurred, or that the person against whom the
8 claim is made had a reasonable basis for believing occurred, within the scope of
9 commission employment, duties, or responsibilities; provided, that nothing in this
10 paragraph shall be construed to protect any such person from suit or liability for any
11 damage, loss, injury, or liability caused by the intentional or willful and wanton
12 misconduct of that person.

13 (n) The commission shall defend any member, officer, executive director,
14 employee, or representative of the commission in any civil action seeking to impose
15 liability arising out of any actual or alleged act, error, or omission that occurred
16 within the scope of commission employment, duties, or responsibilities, or that the
17 person against whom the claim is made had a reasonable basis for believing occurred
18 within the scope of commission employment, duties, or responsibilities; provided,
19 that nothing herein shall be construed to prohibit that person from retaining his or
20 her own counsel; and provided further, that the actual or alleged act, error, or
21 omission did not result from that person's intentional or willful and wanton
22 misconduct.

23 (o) The commission shall indemnify and hold harmless any member, officer,
24 executive director, employee, or representative of the commission for the amount of
25 any settlement or judgment obtained against that person arising out of any actual

ASSEMBLY BILL 542**SECTION 4**

1 or alleged act, error, or omission that occurred within the scope of commission
2 employment, duties, or responsibilities, or that such person had a reasonable basis
3 for believing occurred within the scope of commission employment, duties, or
4 responsibilities; provided, that the actual or alleged act, error, or omission did not
5 result from the intentional or willful and wanton misconduct of that person.

6 (p) Section 893.80 does not apply to claims against the commission.

7 **(6) ARTICLE VI - MEETINGS AND ACTS OF THE COMMISSION.** (a) The commission
8 shall meet and take such actions as are consistent with the provisions of this compact
9 and the bylaws.

10 (b) Each member of the commission shall have the right and power to cast a vote
11 to which that compacting state is entitled and to participate in the business and
12 affairs of the commission. A member shall vote in person or by such other means as
13 provided in the bylaws. The bylaws may provide for members' participation in
14 meetings by telephone or other means of communication.

15 (c) The commission shall meet at least once during each calendar year.
16 Additional meetings shall be held as set forth in the bylaws.

17 **(7) ARTICLE VII - RULES AND OPERATING PROCEDURES; RULE-MAKING FUNCTIONS**
18 **OF THE COMMISSION AND OPTING OUT OF UNIFORM STANDARDS.** (a) The commission shall
19 promulgate reasonable rules, including uniform standards, and operating
20 procedures in order to effectively and efficiently achieve the purposes of this
21 compact. Notwithstanding the foregoing, in the event the commission exercises its
22 rule-making authority in a manner that is beyond the scope of the purposes of this
23 section, or the powers granted hereunder, then such an action by the commission
24 shall be invalid and have no force and effect.

ASSEMBLY BILL 542

1 (b) Rules and operating procedures shall be made pursuant to a rule-making
2 process that conforms to the Model State Administrative Procedure Act of 1981 as
3 amended, as may be appropriate to the operations of the commission. Before the
4 commission adopts a uniform standard, the commission shall give written notice to
5 all relevant state legislative committees in each compacting state responsible for
6 insurance issues of its intention to adopt the uniform standard. The commission in
7 adopting a uniform standard shall consider fully all submitted materials and issue
8 a concise explanation of its decision.

9 (c) A uniform standard shall become effective 90 days after its promulgation
10 by the commission or such later date as the commission may determine; provided,
11 that a compacting state may opt out of a uniform standard as provided in this
12 subsection. "Opt out" shall be defined as any action by a compacting state to decline
13 to adopt or participate in a promulgated uniform standard. All other rules and
14 operating procedures, and amendments thereto, shall become effective as of the date
15 specified in each rule, operating procedure, or amendment.

16 (d) 1. A compacting state may opt out of a uniform standard either by legislation
17 or regulation duly promulgated by the insurance department under the compacting
18 state's administrative procedure act. If a compacting state elects to opt out of a
19 uniform standard by regulation, it must give written notice to the commission no
20 later than 10 business days after the uniform standard is promulgated, or at the time
21 the state becomes a compacting state, and find that the uniform standard does not
22 provide reasonable protections to the citizens of the state, given the conditions in the
23 state. The commissioner shall make specific findings of fact and conclusions of law,
24 based on a preponderance of the evidence, detailing the conditions in the state that
25 warrant a departure from the uniform standard and determining that the uniform

ASSEMBLY BILL 542**SECTION 4**

1 standard would not reasonably protect the citizens of the state. The commissioner
2 must consider and balance all of the following factors and find that the conditions in
3 the state and needs of the citizens of the state outweigh all of the following factors:

4 a. The intent of the legislature to participate in, and the benefits of, an
5 interstate agreement to establish national uniform consumer protections for the
6 products subject to this section.

7 b. The presumption that a uniform standard adopted by the commission
8 provides reasonable protections to consumers of the relevant product.

9 2. Notwithstanding subd. 1., a compacting state may, at the time of its
10 enactment of this compact, prospectively opt out of all uniform standards involving
11 long-term care insurance products by expressly providing for such opt out in the
12 enacted compact, and such an opt out may not be treated as a material variance in
13 the offer or acceptance of any state to participate in this compact. Such an opt out
14 shall be effective at the time of enactment of this compact by the compacting state
15 and shall apply to all existing uniform standards involving long-term care insurance
16 products and those subsequently promulgated.

17 (e) If a compacting state elects to opt out of a uniform standard, the uniform
18 standard shall remain applicable in the compacting state electing to opt out until
19 such time as the opt out legislation is enacted into law or the regulation opting out
20 becomes effective. Once the opt out of a uniform standard by a compacting state
21 becomes effective as provided under the laws of that state, the uniform standard
22 shall have no further force or effect in that state unless and until the legislation or
23 regulation implementing the opt out is repealed or otherwise becomes ineffective
24 under the laws of the state. If a compacting state opts out of a uniform standard after

ASSEMBLY BILL 542

1 the uniform standard has been made effective in that state, the opt out shall have
2 the same prospective effect as provided under sub. (14) for withdrawals.

3 (f) If a compacting state has formally initiated the process of opting out of a
4 uniform standard by regulation, and while the regulatory opt out is pending, the
5 compacting state may petition the commission, at least 15 days before the effective
6 date of the uniform standard, to stay the effectiveness of the uniform standard in that
7 state. The commission may grant a stay if it determines the regulatory opt out is
8 being pursued in a reasonable manner and there is a likelihood of success. If a stay
9 is granted or extended by the commission, the stay or extension thereof may postpone
10 the effective date by up to 90 days, unless affirmatively extended by the commission;
11 provided, that a stay may not be permitted to remain in effect for more than one year
12 unless the compacting state can show extraordinary circumstances that warrant a
13 continuance of the stay, including, but not limited to, the existence of a legal
14 challenge that prevents the compacting state from opting out. A stay may be
15 terminated by the commission upon notice that the rule-making process has been
16 terminated.

17 (g) Not later than 30 days after a rule or operating procedure is promulgated,
18 any person may file a petition for judicial review of the rule or operating procedure;
19 provided, that the filing of such a petition may not stay or otherwise prevent the rule
20 or operating procedure from becoming effective unless the court finds that the
21 petitioner has a substantial likelihood of success. The court shall give deference to
22 the actions of the commission consistent with applicable law and shall not find the
23 rule or operating procedure to be unlawful if the rule or operating procedure
24 represents a reasonable exercise of the commission's authority.

ASSEMBLY BILL 542**SECTION 4**

1 **(8) ARTICLE VIII - COMMISSION RECORDS AND ENFORCEMENT.** (a) The commission
2 shall promulgate rules establishing conditions and procedures for public inspection
3 and copying of its information and official records, except such information and
4 records involving the privacy of individuals and insurers' trade secrets. The
5 commission may promulgate additional rules under which it may make available to
6 federal and state agencies, including law enforcement agencies, records and
7 information otherwise exempt from disclosure, and may enter into agreements with
8 such agencies to receive or exchange information or records subject to nondisclosure
9 and confidentiality provisions.

10 (b) Except as to privileged records, data, and information, the laws of any
11 compacting state pertaining to confidentiality or nondisclosure may not relieve any
12 compacting state commissioner of the duty to disclose any relevant records, data, or
13 information to the commission; provided, that disclosure to the commission shall not
14 be deemed to waive or otherwise affect any confidentiality requirement; and
15 provided further, that, except as otherwise expressly provided in this section, the
16 commission shall not be subject to the compacting state's laws pertaining to
17 confidentiality and nondisclosure with respect to records, data, and information in
18 its possession. Confidential information of the commission shall remain confidential
19 after such information is provided to any commissioner.

20 (c) The commission shall monitor compacting states for compliance with duly
21 adopted bylaws, rules, including uniform standards, and operating procedures. The
22 commission shall notify any noncomplying compacting state in writing of its
23 noncompliance with commission bylaws, rules, or operating procedures. If a
24 noncomplying compacting state fails to remedy its noncompliance within the time

ASSEMBLY BILL 542

1 specified in the notice of noncompliance, the compacting state shall be deemed to be
2 in default under sub. (14).

3 (d) The commissioner of any state in which an insurer is authorized to do
4 business, or is conducting the business of insurance, shall continue to exercise his or
5 her authority to oversee the market regulation of the activities of the insurer in
6 accordance with the provisions of the state's law. The commissioner's enforcement
7 of compliance with the compact is governed by the following provisions:

8 1. With respect to the commissioner's market regulation of a product or
9 advertisement that is approved by or certified to the commission, the content of the
10 product or advertisement shall not constitute a violation of the provisions,
11 standards, or requirements of the compact except upon a final order of the
12 commission, issued at the request of a commissioner after prior notice to the insurer
13 and an opportunity for hearing before the commission.

14 2. Before a commissioner may bring an action for violation of any provision,
15 standard, or requirement of the compact relating to the content of an advertisement
16 not approved by or certified to the commission, the commission, or an authorized
17 commission officer or employee, must authorize the action. However, authorization
18 pursuant to this subdivision does not require notice to the insurer, opportunity for
19 hearing, or disclosure of requests for authorization or records of the commission's
20 action on such requests.

21 **(9) ARTICLE IX - DISPUTE RESOLUTION.** The commission shall attempt, upon the
22 request of a member, to resolve any disputes or other issues that are subject to this
23 compact and that may arise between 2 or more compacting states, or between
24 compacting states and noncompacting states, and the commission shall promulgate
25 an operating procedure providing for resolution of such disputes.

ASSEMBLY BILL 542**SECTION 4**

1 **(10) ARTICLE X - PRODUCT FILING AND APPROVAL.** (a) Insurers and 3rd-party
2 filers seeking to have a product approved by the commission shall file the product
3 with, and pay applicable filing fees to, the commission. Nothing in this section shall
4 be construed to restrict or otherwise prevent an insurer from filing its product with
5 the insurance department in any state wherein the insurer is licensed to conduct the
6 business of insurance, and such filing shall be subject to the laws of the states where
7 filed.

8 (b) The commission shall establish appropriate filing and review processes and
9 procedures pursuant to commission rules and operating procedures.
10 Notwithstanding any provision herein to the contrary, the commission shall
11 promulgate rules to establish conditions and procedures under which the
12 commission will provide public access to product filing information. In establishing
13 such rules, the commission shall consider the interests of the public in having access
14 to such information, as well as protection of personal medical and financial
15 information and trade secrets, that may be contained in a product filing or
16 supporting information.

17 (c) Any product approved by the commission may be sold or otherwise issued
18 in those compacting states for which the insurer is legally authorized to do business.

19 **(11) ARTICLE XI - REVIEW OF COMMISSION DECISIONS REGARDING FILINGS.** (a) Not
20 later than 30 days after the commission has given notice of a disapproved product
21 or advertisement filed with the commission, the insurer or 3rd-party filer whose
22 filing was disapproved may appeal the determination to a review panel appointed by
23 the commission. The commission shall promulgate rules to establish procedures for
24 appointing such review panels and provide for notice and hearing. An allegation that
25 the commission, in disapproving a product or advertisement filed with the

ASSEMBLY BILL 542

1 commission, acted arbitrarily, capriciously, or in a manner that is an abuse of
2 discretion or otherwise not in accordance with the law, is subject to judicial review
3 in accordance with sub. (3).

4 (b) The commission shall have authority to monitor, review, and reconsider
5 products and advertisement subsequent to their filing or approval upon a finding
6 that the product does not meet the relevant uniform standard. Where appropriate,
7 the commission may withdraw or modify its approval after proper notice and
8 hearing, subject to the appeal process in par. (a).

9 **(12) ARTICLE XII - FINANCE.** (a) The commission shall pay or provide for the
10 payment of the reasonable expenses of its establishment and organization. To fund
11 the cost of its initial operations, the commission may accept contributions and other
12 forms of funding from the National Association of Insurance Commissioners,
13 compacting states, and other sources. Contributions and other forms of funding from
14 other sources shall be of such a nature that the independence of the commission
15 concerning the performance of its duties shall not be compromised.

16 (b) The commission shall collect a filing fee from each insurer and 3rd-party
17 filer filing a product with the commission to cover the cost of the operations and
18 activities of the commission and its staff in a total amount sufficient to cover the
19 commission's annual budget.

20 (c) The commission's budget for a fiscal year may not be approved until it has
21 been subject to notice and comment as set forth in sub. (7).

22 (d) The commission shall be exempt from all taxation in and by the compacting
23 states.

24 (e) The commission may not pledge the credit of any compacting state, except
25 by and with the appropriate legal authority of that compacting state.

ASSEMBLY BILL 542**SECTION 4**

1 (f) The commission shall keep complete and accurate accounts of all its internal
2 receipts, including grants and donations, and disbursements of all funds under its
3 control. The internal financial accounts of the commission shall be subject to the
4 accounting procedures established under its bylaws. The financial accounts and
5 reports including the system of internal controls and procedures of the commission
6 shall be audited annually by an independent certified public accountant. Upon the
7 determination of the commission, but no less frequently than every 3 years, the
8 review of the independent auditor shall include a management and performance
9 audit of the commission. The commission shall make an annual report to the
10 governor and legislature of each of the compacting states, which shall include a
11 report of the independent audit. The commission's internal accounts shall not be
12 confidential and such materials may be shared with the commissioner of any
13 compacting state upon request; provided, that any work papers related to any
14 internal or independent audit and any information regarding the privacy of
15 individuals and insurers' proprietary information, including trade secrets, shall
16 remain confidential.

17 (g) No compacting state shall have any claim to or ownership of any property
18 held by or vested in the commission or to any commission funds held pursuant to the
19 provisions of this compact.

20 **(13) ARTICLE XIII - COMPACTING STATES, EFFECTIVE DATE, AND AMENDMENT.** (a)
21 Any state is eligible to become a compacting state.

22 (b) The compact shall become effective and binding upon legislative enactment
23 of the compact into law by 2 compacting states; provided, that the commission shall
24 become effective for purposes of adopting uniform standards for, reviewing, and
25 giving approval or disapproval of, products filed with the commission that satisfy

ASSEMBLY BILL 542

1 applicable uniform standards only after 26 states are compacting states or,
2 alternatively, only after states representing greater than 40 percent of the premium
3 volume for life insurance, annuity, disability income, and long-term care insurance
4 products, based on records of the National Association of Insurance Commissioners
5 for the prior year, are compacting states. Thereafter, it shall become effective and
6 binding as to any other compacting state upon enactment of the compact into law by
7 that state.

8 (c) Amendments to the compact may be proposed by the commission for
9 enactment by the compacting states. No amendment shall become effective and
10 binding upon the commission and the compacting states unless and until all
11 compacting states enact the amendment into law.

12 **(14) ARTICLE XIV - WITHDRAWAL, DEFAULT, AND TERMINATION.** (a) Once effective,
13 the compact shall continue in force and remain binding upon each and every
14 compacting state; provided, that a compacting state may withdraw from the compact
15 (“withdrawing state”) by enacting a statute specifically repealing the statute that
16 enacted the compact into law.

17 (b) The effective date of withdrawal is the effective date of the repealing statute.
18 The withdrawal shall not apply to any product filings approved or self-certified, or
19 any advertisement of such products, on the date the repealing statute becomes
20 effective, except by mutual agreement of the commission and the withdrawing state,
21 unless the approval is rescinded by the withdrawing state as provided in par. (e).

22 (c) The commissioner of the withdrawing state shall immediately notify the
23 management committee in writing upon the introduction of legislation repealing this
24 compact in the withdrawing state.

ASSEMBLY BILL 542**SECTION 4**

1 (d) The commission shall notify the other compacting states of the introduction
2 of such legislation within 10 days after its receipt of notice thereof.

3 (e) The withdrawing state is responsible for all obligations, duties, and
4 liabilities incurred through the effective date of withdrawal, including any
5 obligations, the performance of which extend beyond the effective date of
6 withdrawal, except to the extent those obligations may have been released or
7 relinquished by mutual agreement of the commission and the withdrawing state.
8 The commission's approval of products and advertisement prior to the effective date
9 of withdrawal shall continue to be effective and be given full force and effect in the
10 withdrawing state, unless formally rescinded by the withdrawing state in the same
11 manner as provided by the laws of the withdrawing state for the prospective
12 disapproval of products or advertisement previously approved under state law.

13 (f) Reinstatement following withdrawal of any compacting state shall occur
14 upon the effective date of the withdrawing state reenacting the compact.

15 (g) If the commission determines that any compacting state has at any time
16 defaulted ("defaulting state") in the performance of any of its obligations or
17 responsibilities under this compact, the bylaws, or duly promulgated rules or
18 operating procedures, then, after notice and hearing as set forth in the bylaws, all
19 rights, privileges, and benefits conferred by this compact on the defaulting state
20 shall be suspended from the effective date of default as fixed by the commission. The
21 grounds for default include, but are not limited to, failure of a compacting state to
22 perform its obligations or responsibilities and any other grounds designated in
23 commission rules. The commission shall immediately notify the defaulting state in
24 writing of the defaulting state's suspension pending a cure of the default. The
25 commission shall stipulate the conditions and the time period within which the

ASSEMBLY BILL 542

1 defaulting state must cure its default. If the defaulting state fails to cure the default
2 within the time period specified by the commission, the defaulting state shall be
3 terminated from the compact and all rights, privileges, and benefits conferred by this
4 compact shall be terminated from the effective date of termination.

5 (h) Product approvals by the commission or product self-certifications, or any
6 advertisement in connection with such product, that are in force on the effective date
7 of termination shall remain in force in the defaulting state in the same manner as
8 if the defaulting state had withdrawn voluntarily under par. (a).

9 (i) Reinstatement following termination of any compacting state requires a
10 reenactment of the compact.

11 (j) The compact dissolves effective upon the date of the withdrawal or default
12 of the compacting state that reduces membership in the compact to one compacting
13 state.

14 (k) Upon the dissolution of this compact, the compact becomes null and void and
15 shall be of no further force or effect, and the business and affairs of the commission
16 shall be wound up and any surplus funds shall be distributed in accordance with the
17 bylaws.

18 **(15) ARTICLE XV - SEVERABILITY AND CONSTRUCTION.** (a) The provisions of this
19 compact shall be severable; and if any phrase, clause, sentence, or provision is
20 deemed unenforceable, the remaining provisions of the compact shall be enforceable.

21 (b) The provisions of this compact shall be liberally construed to effectuate its
22 purposes.

23 **(16) ARTICLE XVI - BINDING EFFECT OF COMPACT AND OTHER LAWS.** (a) Nothing
24 herein prevents the enforcement of any other law of a compacting state, except as
25 provided in par. (b).

ASSEMBLY BILL 542**SECTION 4**

1 (b) For any product approved by or certified to the commission, the rules,
2 uniform standards, and any other requirements of the commission shall constitute
3 the exclusive provisions applicable to the content, approval, and certification of such
4 products. For advertisement that is subject to the commission's authority, any rule,
5 uniform standard, or other requirement of the commission that governs the content
6 of the advertisement shall constitute the exclusive provision that a commissioner
7 may apply to the content of the advertisement. Notwithstanding the foregoing, no
8 action taken by the commission shall abrogate or restrict any of the following:

9 1. The access of any person to state courts.

10 2. Remedies available under state law related to breach of contract, tort, or
11 other laws not specifically directed to the content of the product.

12 3. State law relating to the construction of insurance contracts.

13 4. The authority of the secretary of agriculture, trade and consumer protection
14 or the attorney general of the state, including, but not limited to, maintaining any
15 actions or proceedings, as authorized by law.

16 (c) All insurance products filed with individual states shall be subject to the
17 laws of those states.

18 (d) All lawful actions of the commission, including all rules and operating
19 procedures promulgated by the commission, are binding upon the compacting states.
20 All agreements between the commission and the compacting states are binding in
21 accordance with their terms. Upon the request of a party to a conflict over the
22 meaning or interpretation of commission actions, and upon a majority vote of the
23 compacting states, the commission may issue advisory opinions regarding the
24 meaning or interpretation in dispute.

ASSEMBLY BILL 542

1 (e) In the event any provision of this compact exceeds the constitutional limits
2 imposed on the legislature of any compacting state, the obligations, duties, powers,
3 or jurisdiction sought to be conferred by that provision upon the commission shall be
4 ineffective as to that compacting state, and such obligations, duties, powers, or
5 jurisdiction shall remain in the compacting state and shall be exercised by the agency
6 thereof to which such obligations, duties, powers, or jurisdiction are delegated by law
7 in effect at the time this compact becomes effective.

8 **SECTION 5.** 605.03 (1) (a) of the statutes is amended to read:

9 605.03 (1) (a) *Mandatory coverage.* The property fund shall provide protection

11 as that customarily provided by policies ~~approved by~~ filed with the commissioner for
12 the use of private insurers in insuring comparable property.

13 **SECTION 6.** 607.02 (1) of the statutes is amended to read:

14 607.02 (1) TYPES OF POLICIES PERMITTED. Subject to sub. (2), the life fund may

16 endorsements thereto that would be filed with the commissioner ~~would approve~~ for
17 issuance by private insurers authorized to do a life insurance business in this state.
18 Coverages may be combined and granted in the same policy by the life fund to the
19 same extent as by a private life insurer.

6 insurer if no intermediary is involved, may not recommend to a ~~senior~~ consumer the
7 purchase or exchange of an annuity if the recommendation results in an insurance
8 transaction or series of insurance transactions unless the intermediary or insurer
