1 **AN ACT** *to renumber and amend* 823.02; and *to create* 823.02 (1g) and 823.02
2 (2) and (3) of the statutes; **relating to:** the authority of the Department of
3 Justice and public nuisance actions.

Analysis by the Legislative Reference Bureau

Under current law, the Department of Justice (DOJ), counties, and local units of government may bring an action to enjoin a public nuisance. Generally, the costs of bringing the action and defending the action are born by each party, except for disbursements and specific amounts for expert and attorney fees. This bill requires a court to award the defendant all of the defendant's costs and expenses, including reasonable attorney fees, expert fees, and engineering fees, if the court determines that the defendant's activity was not a public nuisance. The bill also prohibits DOJ from bringing an action to enjoin a public nuisance if the alleged activity is not in violation of a statute, rule, permit, or ordinance.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
