

2009 ASSEMBLY BILL 519

October 27, 2009 - Introduced by Representative VAN AKKEREN. Referred to
Committee on Ways and Means.

- 1 **AN ACT to amend** 66.1105 (6) (am) 2. c. and 66.1105 (7) (at) of the statutes;
2 **relating to:** extending the expenditure period of Tax Incremental District
3 Number 6 in the city of Sheboygan.

Analysis by the Legislative Reference Bureau

Under the current tax incremental financing program, a city or village may create a tax incremental district (TID) in part of its territory to foster development if at least 50 percent of the area to be included in the TID is blighted, in need of rehabilitation or conservation, suitable for industrial sites, or suitable for mixed-use development. Currently, towns also have a limited ability to create a TID under certain circumstances. Before a city or village may create a TID, several steps and plans are required. These steps and plans include public hearings on the proposed TID within specified time frames, preparation and adoption by the local planning commission of a proposed project plan for the TID, approval of the proposed project plan by the common council or village board, approval of the city's or village's proposed TID by a joint review board that consists of members who represent the overlying taxation districts, and adoption of a resolution by the common council or village board that creates the TID as of a date provided in the resolution.

Also under current law, once a TID has been created, the Department of Revenue (DOR) calculates the "tax incremental base" value of the TID, which is the equalized value of all taxable property within the TID at the time of its creation. If the development in the TID increases the value of the property in the TID above the base value, a "value increment" is created. That portion of taxes collected on the

ASSEMBLY BILL 519

value increment in excess of the base value is called a “tax increment.” The tax increment is placed in a special fund that may be used only to pay back the project costs of the TID. DOR authorizes the allocation of the tax increments until the TID terminates or, generally, 20 years, 23 years, or 27 years after the TID is created, depending on the type of TID and the year in which it was created. Under certain circumstances, the life of the TID and the allocation period may be extended. The costs of a TID, which are initially incurred by the creating city or village, include public works such as sewers, streets, and lighting systems; financing costs; site preparation costs; and professional service costs. Generally, project expenditures may not be made later than five years prior to the termination date of the TID.

Under current law, a specific provision allows TID Number 6 in the city of Sheboygan, which was created on January 1, 1992, to make expenditures up to 15 years after the TID was created, or through December 31, 2006. DOR is also authorized by a specific provision to allocate tax increments to this TID for 16 years after the last expenditure identified in the project plan is made.

Under this bill, the expenditure period for TID Number 6 in the city of Sheboygan is extended to 26 years after the TID was created, or through December 31, 2017. The bill also allows DOR to allocate tax increments to this TID for 31 years after the TID was created, which is the same as current law.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 **SECTION 1.** 66.1105 (6) (am) 2. c. of the statutes is amended to read:

2 66.1105 **(6)** (am) 2. c. Expenditures for project costs for Tax Incremental
3 District Number ~~Six 6~~ in a city with a population of at least 45,000 that is located in
4 a county that was created in 1836 and that is adjacent to one of the Great Lakes. Such
5 expenditures may be made no later than 15 26 years after the tax incremental
6 district is created, and may be made through December 31, ~~2006~~ 2017.

7 **SECTION 2.** 66.1105 (7) (at) of the statutes is amended to read:

8 66.1105 **(7)** (at) Notwithstanding par. (am), ~~16 years after the last expenditure~~
9 ~~identified in the project plan is made~~ 31 years after the district is created if the
