

## 2009 ASSEMBLY BILL 82

February 24, 2009 – Introduced by Representatives TOWNSEND, BIES, BROOKS, GUNDERSON, MURSAU, A. OTT and SPANBAUER, cosponsored by Senator LAZICH. Referred to Committee on Transportation.

1     **AN ACT to create** 341.26 (2) (p) of the statutes; **relating to:** registration for  
2           vehicles or trailers equipped with mobile emergency communication  
3           equipment and making an appropriation.

---

### *Analysis by the Legislative Reference Bureau*

Under current law, most vehicles are registered annually with the Department of Transportation. The fee for registering an automobile is \$75 and the fee for registering most other vehicles is based on the vehicle's weight. However, certain vehicles may be registered for five years upon payment of a \$5 registration fee.

This bill allows a motor vehicle or trailer that is equipped with mobile emergency communication equipment, that is owned by an amateur radio organization, and that is used exclusively to provide or coordinate emergency communications to be registered for five years upon a payment of a \$5 registration fee.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
