### *Analysis by the Legislative Reference Bureau*

Current law authorizes municipalities to issue temporary Class “B” and “Class B” licenses to certain clubs, fair associations, agricultural societies, churches, veterans organizations, lodges, and societies that authorize the retail sale of, respectively, fermented malt beverages (beer) and wine at fairs, meetings, picnics, and similar gatherings hosted by these organizations. A municipality may not issue to one of these organizations more than two temporary “Class B” licenses in any 12-month period.

This bill authorizes municipalities to issue temporary Class “B” and “Class B” licenses to nonprofit organizations authorizing the sale of, respectively, beer and wine at fund-raising events. For purposes of the bill, a nonprofit organization is an organization described in certain provisions of the Internal Revenue Code as exempt from federal income tax. The bill also increases, from two to five, the number of temporary “Class B” licenses that a municipality may issue to an eligible applicant in any 12-month period.

Current law also prohibits, with certain exceptions, the issuance of a Class “B” license or permit for any premises where another business is conducted.

**ASSEMBLY BILL 900**

This bill creates an exception to this prohibition allowing a nonprofit organization holding a temporary license to serve beer or wine at a fund-raising event on premises where other business is conducted.

For further information see the *local* fiscal estimate, which will be printed as an appendix to this bill.
