1     **AN ACT to create** 46.051 and 49.45 (2) (a) 11. bm. of the statutes; **relating to:**  
2           facilities serving persons with traumatic brain injuries.

---

***Analysis by the Legislative Reference Bureau***

This bill requires the Department of Health Services to establish a licensure program for facilities for persons with traumatic brain injuries and to certify as a provider for the Medical Assistance program any facility that it licenses under that program. The bill requires DHS to license facilities that meet its criteria including certain criteria specified in the bill. The bill also sets certain resident care, plan review, and reporting requirements on the facilities. DHS is required to certify as a provider for the Medical Assistance program any facility that it licenses.

For further information see the **state** fiscal estimate, which will be printed as an appendix to this bill.
