2017 ASSEMBLY BILL 312

May 8, 2017 - Introduced by Representatives SHANKLAND, BERCEAU, R. BROOKS, MURSAU, OHNSTAD, SINICKI, VANDERMEER and WACHS. Referred to Committee on Mental Health.

1 **AN ACT to amend** 980.08 (4) (e), 980.08 (4) (em) and 980.08 (4) (f) (intro.) of the
2 statutes; **relating to:** plans for placement of a sexually violent person on
3 supervised release.

Analysis by the Legislative Reference Bureau

Under current law, a person who has been found to be a sexually violent person may be involuntarily committed to the Department of Health Services for control, care, and treatment. If a person is committed and placed in institutional care, the person may periodically petition the court for supervised release. If a court determines that supervised release is appropriate, DHS must prepare for the court a supervised release plan for the person. Before preparing the plan, current law requires DHS to consult with a local law enforcement agency with jurisdiction over the prospective residential option. This bill requires DHS to also notify and, upon their request, consult with the district attorney and pertinent local governmental units in the county of intended placement. In addition, under the bill, if a proposed residence was previously proposed but rejected for placement of a person on supervised release, DHS must include in the plan an explanation for why the residence was rejected.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
