1     **AN ACT** *to renumber* 66.0501 (4); *to amend* 7.30 (2) (a) and 60.37 (4) (a); and *to*  
2           *create* 66.0501 (4) (b) of the statutes; **relating to:** allowing a local public  
3           official to serve as an election official.

---

***Analysis by the Legislative Reference Bureau***

This bill provides that an individual holding a local public office may be appointed to serve as an election official without having to vacate the local public office. Current law prohibits an individual from serving as an election official at an election for which the individual is a candidate. The bill does not change that prohibition.
