2017 SENATE RESOLUTION 5

March 13, 2018 - Introduced by Senator FITZGERALD. Referred to Committee on Senate Organization.

1 **To create** senate rule 41m; **relating to:** senate consideration of the executive budget
2 bill.

Analysis by the Legislative Reference Bureau

The resolution amends the senate rules to provide that if the Joint Committee on Finance has not reported the executive budget bill for the succeeding fiscal biennium from JCF by June 30 of the odd-numbered year, all of the following must occur:

1. If the executive budget bill is a senate bill, the bill must be rereferred to the Committee on Senate Organization. The senate majority leader must then introduce a substitute amendment to the bill that incorporates the provisions of the executive budget bill, as affected by all JCF motions that were adopted before June 30 of the odd-numbered year.

2. If the executive budget bill is not a senate bill, the senate majority leader must introduce a bill that incorporates the provisions of the executive budget bill, as affected by all JCF motions that were adopted before June 30 of the odd-numbered year. The bill must be referred to the Committee on Senate Organization and is not required to have a public hearing before being placed on the calendar if the executive budget bill received a hearing at JCF.
