### ***Analysis by the Legislative Reference Bureau***

Under this bill, the Examining Board of Architects, Landscape Architects, Professional Engineers, Designers, and Professional Land Surveyors must promulgate rules to allow a credential holder who is at least 65 years of age or has actively maintained that credential for a minimum of 30 consecutive years and who has retired from professional practice and no longer engages in that practice to apply to the board to classify his or her credential as retired. Such a credential holder is exempt from continuing education requirements and may maintain his or her professional title but may not engage in the relevant practice. Also, under the bill, such a credential holder must pay only one-half of the applicable renewal fee to maintain his or her professional credential.
