

2019 ASSEMBLY BILL 857

February 3, 2020 - Introduced by Representative MAGNAFICI, cosponsored by Senator LEMAHIEU. Referred to Committee on Environment.

1 **AN ACT** *to amend* 285.30 (5) (c); and *to create* 285.30 (5) (m) of the statutes;
2 **relating to:** exempting autocycles from emission inspections.

Analysis by the Legislative Reference Bureau

Current law requires the Department of Transportation to conduct a motor vehicle emissions inspection and maintenance program in counties in which the air quality does not meet certain federal standards. Under the program, most motor vehicles that are subject to emissions limitations established by the Department of Natural Resources must pass periodic emissions inspections and may not be registered by DOT unless they have passed these inspections. Certain motor vehicles are exempt from emissions inspections, including mopeds, motorcycles, and off-road utility vehicles. This bill exempts autocycles from emissions inspections.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 **SECTION 1.** 285.30 (5) (c) of the statutes is amended to read:
