### *Analysis by the Legislative Reference Bureau*

This bill ratifies and enters Wisconsin into the Physical Therapy Licensure Compact (compact), which provides for the ability of a physical therapist or physical therapist assistant licensed in one member state (licensee) to obtain a “compact

**SENATE BILL 390**

privilege” to practice in a remote state without obtaining a license in that remote state. Significant provisions of the compact include:

1. The creation of a Physical Therapy Compact Commission (commission), which includes one member of the licensure boards of each member state. The commission has various powers and duties granted in the compact, including overseeing the administration of the compact, enforcing the compact, adopting bylaws, promulgating binding rules for the compact, employing an executive director and employees, and establishing and electing an executive board. The commission may levy on and collect an annual assessment from each member state or impose fees on other parties to cover the cost of the operations and activities of the commission and its staff.

2. A process whereby a licensee may obtain a compact privilege to practice in another member state. A licensee’s primary state of residence is considered to be his or her home state, and any other member state in which the licensee wishes to practice is considered a remote state. A licensee providing physical therapy in a remote state under a compact privilege is subject to that state’s regulatory authority. A remote state may take action against a licensee’s compact privilege in the remote state, and the licensee is then not eligible for a compact privilege in any state until certain criteria are met. If a licensee’s compact privilege in any remote state is removed, the individual loses his or her compact privilege in any remote state until certain criteria are met. However, a home state has the exclusive power to impose adverse action against a license issued by the home state. If a home state license is encumbered (i.e., suspended), the licensee loses his or her compact privilege in any remote state until certain criteria are met. Member states may charge a fee for granting a compact privilege and may impose a jurisprudence requirement for granting a compact privilege that assesses an individual’s knowledge of the laws and rules governing the practice of physical therapy in a particular state.

3. The ability for member boards to conduct joint investigations of licensees and the ability of member states to issue subpoenas that are enforceable in other states.

4. The creation of a coordinated database and reporting system containing licensure, adverse action, and investigative information on all licensed individuals in member states. A member state must submit a uniform data set to the data system on all individuals to whom this compact is applicable as required by the rules of the commission.

5. Various provisions regarding resolutions of disputes between the commission and member states and between member and nonmember states, including a process for termination of a state’s membership in the compact if the state defaults on its obligations under the compact.

Having already been enacted by more than ten states, the compact becomes effective in this state upon enactment of the bill. The compact provides that it may be amended upon enactment of an amendment by all member states. A state may withdraw from the compact by repealing the statute authorizing the compact, but the compact provides that a withdrawal does not take effect until six months after the effective date of that repeal.

16 criminal background check in accordance with 28 USC 534 and 42 USC 14616.

17          (c) A member state shall grant the compact privilege to a licensee holding a

19 of the compact and rules.

20          (d) Member states may charge a fee for granting a compact privilege.

21          **(4) COMPACT PRIVILEGE.** (a) To exercise the compact privilege under the terms

19          that state's laws, remove a licensee's compact privilege in the remote state for a  
20          specific period of time, impose fines, and/or take any other necessary actions to  
21          protect the health and safety of its citizens. The licensee is not eligible for a compact

21 testimony of witnesses, and/or the production of evidence from another party state,  
22 shall be enforced in the latter state by any court of competent jurisdiction, according

11 materials in furtherance of any joint or individual investigation initiated under the  
12 compact.

24 judgment or order void as to the commission, this compact, or promulgated rules.

**SENATE BILL 390**

1           (b) *Default, technical assistance, and termination.* 1. If the commission  
2 determines that a member state has defaulted in the performance of its obligations  
3 or responsibilities under this compact or the promulgated rules, the commission  
4 shall do all of the following:

5           a. Provide written notice to the defaulting state and other member states of the  
6 nature of the default, the proposed means of curing the default, and/or any other  
7 action to be taken by the commission.

8           b. Provide remedial training and specific technical assistance regarding the  
9 default.

10           2. If a state in default fails to cure the default, the defaulting state may be  
11 terminated from the compact upon an affirmative vote of a majority of the member  
12 states, and all rights, privileges, and benefits conferred by this compact may be  
13 terminated on the effective date of termination. A cure of the default does not relieve  
14 the offending state of obligations or liabilities incurred during the period of default.

15           3. Termination of membership in the compact shall be imposed only after all  
16 other means of securing compliance have been exhausted. Notice of intent to  
17 suspend or terminate shall be given by the commission to the governor, the majority  
18 and minority leaders of the defaulting state's legislature, and each of the member  
19 states.

20           4. A state that has been terminated is responsible for all assessments,  
21 obligations, and liabilities incurred through the effective date of termination,  
22 including obligations that extend beyond the effective date of termination.

23           5. The commission shall not bear any costs related to a state that is found to  
24 be in default or that has been terminated from the compact, unless agreed upon in  
25 writing between the commission and the defaulting state.

**SENATE BILL 390**

1           6. The defaulting state may appeal the action of the commission by petitioning  
2 the U.S. District Court for the District of Columbia or the federal district where the  
3 commission has its principal offices. The prevailing member shall be awarded all  
4 costs of such litigation, including reasonable attorney's fees.

5           (c) *Dispute resolution.* 1. Upon request by a member state, the commission  
6 shall attempt to resolve disputes related to the compact that arise among member  
7 states and between member and nonmember states.

8           2. The commission shall promulgate a rule providing for both mediation and  
9 binding dispute resolution for disputes as appropriate.

10          (d) *Enforcement.* 1. The commission, in the reasonable exercise of its  
11 discretion, shall enforce the provisions and rules of this compact.

12          2. By majority vote, the commission may initiate legal action in the U.S.  
13 District Court for the District of Columbia or the federal district where the  
14 commission has its principal offices against a member state in default to enforce  
15 compliance with the provisions of the compact and its promulgated rules and bylaws.  
16 The relief sought may include both injunctive relief and damages. In the event  
17 judicial enforcement is necessary, the prevailing member shall be awarded all costs  
18 of such litigation, including reasonable attorney's fees.

19          3. The remedies herein shall not be the exclusive remedies of the commission.  
20 The commission may pursue any other remedies available under federal or state law.

21          **(11) DATE OF IMPLEMENTATION OF THE INTERSTATE COMMISSION FOR PHYSICAL**  
22 **THERAPY PRACTICE AND ASSOCIATED RULES, WITHDRAWAL, AND AMENDMENTS.** (a) The  
23 compact shall come into effect on the date on which the compact statute is enacted  
24 into law in the 10th member state. The provisions, which become effective at that  
25 time, shall be limited to the powers granted to the commission relating to assembly

**SENATE BILL 390**

1 and the promulgation of rules. Thereafter, the commission shall meet and exercise  
2 rule-making powers necessary to the implementation and administration of the  
3 compact.

4 (b) Any state that joins the compact subsequent to the commission's initial  
5 adoption of the rules shall be subject to the rules as they exist on the date on which  
6 the compact becomes law in that state. Any rule that has been previously adopted  
7 by the commission shall have the full force and effect of law on the day the compact  
8 becomes law in that state.

9 (c) 1. Any member state may withdraw from this compact by enacting a statute  
10 repealing the same.

11 2. A member state's withdrawal shall not take effect until 6 months after  
12 enactment of the repealing statute.

13 3. Withdrawal shall not affect the continuing requirement of the withdrawing  
14 state's physical therapy licensing board to comply with the investigative and adverse  
15 action reporting requirements of this act prior to the effective date of withdrawal.

16 (d) Nothing contained in this compact shall be construed to invalidate or  
17 prevent any physical therapy licensure agreement or other cooperative arrangement  
18 between a member state and a nonmember state that does not conflict with the  
19 provisions of this compact.

20 (e) This compact may be amended by the member states. No amendment to this  
21 compact shall become effective and binding upon any member state until it is enacted  
22 into the laws of all member states.

23 **(12) CONSTRUCTION AND SEVERABILITY.** This compact shall be liberally construed  
24 so as to effectuate the purposes thereof. The provisions of this compact shall be  
25 severable and if any phrase, clause, sentence, or provision of this compact is declared

**SENATE BILL 390**

1 to be contrary to the constitution of any party state or of the United States or the  
2 applicability thereof to any government, agency, person, or circumstance is held  
3 invalid, the validity of the remainder of this compact and the applicability thereof to  
4 any government, agency, person, or circumstance shall not be affected thereby. If this  
5 compact shall be held contrary to the constitution of any party state, the compact  
6 shall remain in full force and effect as to the remaining party states and in full force  
7 and effect as to the party state affected as to all severable matters.
