### *Analysis by the Legislative Reference Bureau*

This bill requires the Technical College System Board to work with technical colleges to establish part-time police academy programs offered by at least two technical colleges. The TCS Board must endeavor to maximize statewide access to these programs in determining which technical colleges will offer the programs. The TCS Board must require at least two technical colleges to offer part-time police academy programs by January 1, 2023, and must distribute to the selected technical colleges for these programs \$1,000,000 in moneys received under the federal American Rescue Plan Act of 2021 that the governor is required under the bill to allocate for this purpose.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.
