2021 SENATE BILL 324

April 22, 2021 - Introduced by Senators JACQUE and FEYEN, cosponsored by Representatives THIESFELDT, CALLAHAN, BRANDTJEN, MILROY and RAMTHUN. Referred to Committee on Sporting Heritage, Small Business and Rural Issues.

1 **AN ACT** *to create* 30.579 and 30.77 (1) (c) of the statutes; **relating to:** veteran
2 boat launch permits.

Analysis by the Legislative Reference Bureau

This bill requires the Department of Natural Resources to issue a free boat launch permit to veterans over the age of 65 that authorizes access to public boat launches.

Current law does not require a fee for the use of boat launches. Rules promulgated by DNR encourage the free use of boat launches, but authorize the charging of reasonable launch fees to operate and maintain boat access sites owned or operated by municipalities, lake management districts, and other access providers.

Under the bill, a veteran who is over the age of 65 may apply to DNR for a boat launch permit. The veteran may apply, in-person or via mail, to DNR or to their county of residence. Neither DNR nor the county may charge any fee for the issuance of the permit. The permit is required to be affixed to the interior surface of the lower left-hand corner of the windshield of the vehicle used to trailer a boat and grants the person access to any public boat launch owned or operated by a municipality, public inland lake protection and rehabilitation district, or town sanitary district without being required to pay any fee.
