1 **AN ACT** *to amend* 70.11 (intro.); and *to create* 70.11 (4L) of the statutes;
2 **relating to:** a property tax exemption for the Milwaukee Regional Medical
3 Center.

Analysis by the Legislative Reference Bureau

This bill creates a property tax exemption for all property owned or leased by a nonprofit organization and located on or adjacent to the campus comprised of the institutions commonly referred to as the Milwaukee Regional Medical Center. Under the bill, leasing a part of the property does not render it taxable if the lease income is used for any of the purposes for which the nonprofit organization is granted an exemption from federal income taxes.

Current law provides property tax exemptions for certain nonprofit hospitals and the grounds of any incorporated college or university. Under current law, generally, leasing a part of exempt property does not render it taxable if the lessor uses all the income derived from the lease for maintenance of the leased property, retiring the construction debt of the leased property, or both. In addition, an incorporated college or university may also lease its exempt property for educational or charitable purposes without making it subject to taxation if it uses the lease income for charitable purposes.

Because this bill relates to an exemption from state or local taxes, it may be referred to the Joint Survey Committee on Tax Exemptions for a report to be printed as an appendix to the bill.
