2021 SENATE BILL 848

January 13, 2022 - Introduced by Senators JACQUE and NASS, cosponsored by Representatives CALLAHAN, ARMSTRONG, BEHNKE, BORN, BRANDTJEN, DALLMAN, DITTRICH, EDMING, GUNDRUM, JAMES, KATZMA, KITCHENS, KNODL, KRUG, KUGLITSCH, KURTZ, MACCO, MAGNAFICI, MURSAU, NOVAK, PENTERMAN, PETERSEN, PETRYK, PLUMER, J. RODRIGUEZ, SANFELIPPO, SNYDER, SORTWELL, SPIROS, STEFFEN, SWEARINGEN, THIESFELDT, TITTL, TRANEL and CABRAL-GUEVARA. Referred to Committee on Labor and Regulatory Reform.

1 **AN ACT relating to:** increasing the law enforcement training reimbursement.

Analysis by the Legislative Reference Bureau

Under current law, the Law Enforcement Standards Board reimburses each political subdivision for approved expenses incurred by law enforcement officers, jail officers, and juvenile detention officers who complete training at board-certified schools. Under current law, LESB reimburses the costs associated with preparatory training for new recruits, and for the cost of annual recertification training.

This bill requires LESB to reimburse the costs of preparatory training that were paid by an individual, in addition to those costs that were paid by a political subdivision on behalf of a recruit.

Under current law, reimbursement to a political subdivision for annual recertification training must be at least \$160 per officer. The bill requires LESB to also reimburse a law enforcement agency in an amount equal to the amount sent to the political subdivision to reimburse annual recertification training costs.

The bill requires the governor to allocate funds received from the federal government pursuant to the American Rescue Plan Act to provide the reimbursements to individuals for preparatory training and to law enforcement agencies for recertification training, and to supplement reimbursements for training to political subdivisions. Because federal law requires ARPA funding to be used by December 31, 2024, the bill sunsets both training reimbursement provisions described above on that date.
