2023 ASSEMBLY BILL 721

November 27, 2023 - Introduced by Representative OLDENBURG, cosponsored by Senator BALLWEG. Referred to Committee on Colleges and Universities.

1 **AN ACT to amend** 187.11 of the statutes; **relating to:** specifying Crossroads
2 College as the entity in which the Church of Christ's property vests if the
3 Church of Christ becomes defunct or is dissolved.

Analysis by the Legislative Reference Bureau

This bill updates an entity name in statutory provisions related to the incorporation of religious organizations.

Current law provides a process for the members of a church or society of any religious sect or denomination to organize a corporation for religious, charitable, or educational purposes, and this corporation has the powers and privileges of a nonstock (nonprofit) corporation. The corporation may purchase and hold real property and personal property, and its secular business and temporal affairs are managed by a board of trustees selected as provided in the bylaws.

Current law also specifies that if the Church of Christ accepts the Wisconsin Christian Missionary Association as its missionary organization and the Church of Christ becomes defunct or is dissolved, the Church of Christ's property vests in the Wisconsin Christian Missionary Association. However, if within three years from the date the Church of Christ becomes defunct or is dissolved it is reincorporated, its property at the time of dissolution vests in the new corporation.

ASSEMBLY BILL 721

The bill replaces the Wisconsin Christian Missionary Association with Crossroads College, a Minnesota nonprofit corporation, or its successor, as the entity in which the Church of Christ's property vests in the circumstances described above.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 **SECTION 1.** 187.11 of the statutes is amended to read:
