Analysis by the Legislative Reference Bureau

Under current law, the Council on Veterans Programs advises the Board of Veterans Affairs and Department of Veterans Affairs on solutions and policy alternatives relating to the problems of veterans. The council consists of numerous representatives of various veterans organizations who are appointed by those organizations for one-year terms.

This bill adds the following members to the council, selected by the member's peers, to serve one-year terms:

1. A veteran services coordinator who is employed at a Wisconsin technical college.
2. A veteran services coordinator who is employed at a University of Wisconsin System institution.

The bill also removes the following members from the council, due to the organizations they represent being inactive:

1. A representative of the Navy Club of the U.S.A.
2. A representative of the American Ex-prisoners of War.
3. A representative of the Vietnam Veterans Against the War, Inc.
4. A representative of the Catholic War Veterans of the U.S.A.
