wards in the city following the federal decennial census under s. 5.15 (1) and (2), the board shall, by vote of a majority of the membership of the board, adopt an election district apportionment plan for the election of board members which shall be effective until the city enacts a new ordinance under s. 62.08 (1) adjusting the boundaries of its wards under s. 5.15 (1) and (2).

Before taking office, the members of the board shall take the official oath of office and file it, duly certified by the officer administering the oath, with the city clerk.

The at–large member shall be elected by the electors of the city. Board members shall be electors of the city and shall be elected at the spring election. If a regular board meeting falls on a legal holiday, it shall be held on the next business day. Special meetings may be called and held as provided by the rules of the board. No business may be transacted at a special meeting other than that specified in the notice of the meeting, which shall be delivered personally or by mail to each member at least 24 hours before the time of such meeting.

(4) A majority of the members–elect of the board constitute a quorum for the transaction of business but a smaller number may adjourn. A majority of the members–elect of the board shall be necessary to elect any person authorized to be elected by the board.

II, the board shall make the superintendent of schools or the commissioner, respectively, an agent of the board under any lease between the board and the city and shall transfer to the superintendent of schools or the commissioner, respectively, the possession, care, control, and management of all land, buildings, facilities, and other property that is part of the school being transferred.

(2) ESTABLISH SCHOOLS AND DISTRICTS. The board shall maintain the public schools in the city, other than those public schools transferred to the opportunity schools and partnership programs under s. 119.33 and subch. (11) **COMPREHENSIVE PROGRAMS.** The board shall collaborate with nonprofit organizations and government agencies to provide pupils with comprehensive social services and educational support, which may include a program that offers comprehensive services that address the needs of children and youth from before the time they are born through postsecondary education.

(12) **ALTERNATIVE ROUTES TO GRADUATION.** The board shall provide alternative methods of attaining a high school diploma for those pupils who are unlikely to graduate in the traditional manner, including a program allowing a pupil or former pupil to retake a course in which he or she was not initially successful.

In addition, the research consortium shall make its recommendations publicly available.

One who deals with a municipality does so at his or her own risk and may be subject to any provisions of law that might prevent him or her from being paid by a municipality even though the services were rendered. Unless the power to bind the municipality financially has been specifically delegated, the only entity with the statutory authority to contract is the municipality. The statutes do not authorize anyone other than the board to enter into contracts. The board may delegate that authority, but it must do so clearly and specifically. For an MPS employee to have such power, it must be specifically delegated by the board to that employee or class of employees. *Holzbauer v. Safway Steel Products, Inc.*, 2005 WI App 240, 288 Wis. 2d 250, 706 N.W.2d 36, 04–2058.

(b) The board may receive, accept, and use gifts or grants of furniture, books, equipment, supplies, moneys, securities, or other property used or useful for school and educational purposes. The

board shall make such use of gifts or grants, or invest the same in the case of moneys, as the donor or grantor specifies. In the absence of any specific direction as to the use of such gifts or grants by a donor or grantor, the board may determine the use of or may invest the same in accordance with the law applicable to trust investments, or may, subject to par. The department of public instruction may not request any

additional verification of income from the family of a pupil once the department of revenue has verified that the pupil is eligible to participate in the program under this section on the basis of family income. The department of public instruction shall establish a procedure for determining family income eligibility for those pupils for whom no social security number or state or federal tax identification number has been provided.

c. If the private school operates a work based learning program created under s. 118.56, for purposes of this subdivision, “family income” does not include any money earned by the pupil in the work based learning program.

Hours provided under this subdivision include recess and time for pupils to transfer between classes but do not

If the amount of the fee paid by the new private school under this subd. 1. c. decreases for the school year in which the new private school will first participate in the program under this section, the department shall refund the new private school the difference between the fee paid and the fee due to the department.

2. a. By August 1 of the school year immediately preceding the school year in which the new private school intends to participate in the program under this section, submit to the department the information under sub. (6p) (a) and (b).

If more than one pupil from the same family applies to attend the same private school, the pupils may use a single application. No later than 60 days after the end of the application period during which an application is received, the private school shall notify each applicant, in writing, whether his or her application has been accepted. If the private school rejects an application, the notice shall include the reason. A private school may reject an applicant only if it has reached its maximum general capacity or seating capacity. The state superintendent shall ensure that the private school determines which pupils to accept on a random basis, except that the private school may give preference to the following in accepting applications, in order of preference listed:

1. Pupils who attended the private school under this section or s. 118.60 during the previous school year.

2. Siblings of pupils described in subd. 1.

(b) A participating private school may receive a per pupil payment under par. (a) if all of the following are satisfied:

1. The private school offers no fewer than 19 summer days of instruction during that summer.

2. Each summer day of instruction offered by the private school under subd. 1. is comprised of no fewer than 270 minutes of instruction.

(am) 1m. In this paragraph, "eligible education expenses" means all direct and indirect costs associated with a private school's educational programming for pupils enrolled in grades kindergarten to 12 that are reasonable for the private school to achieve its educational purposes, as determined by the governing body of the private school in a written policy and tested by an independent auditor. "Eligible education expenses" include expenses related to management, insurance, transportation, extracurricular programming and activities, facility and equipment costs, development expenses, and programming that provides child care services before school, after school, or both before and after school. A cost is not an "eligible education expense" if an independent auditor determines, after testing, that the cost is not a cost associated with the private school's educational programming for pupils enrolled in grades kindergarten to 12 that is reasonable for the pri-

vate school to achieve its educational purposes, as determined by the governing body of the private school in a written policy.

2m. Each private school participating in the program under this section is subject to uniform financial accounting standards established by the department. Annually by October 15 following a school year in which a private school participated in the program under this section, the private school shall submit to the department all of the following:

a. An independent financial audit of the private school conducted by an independent certified public accountant, accompanied by the auditor's statement that the report is free of material misstatements and fairly presents the private school's eligible education expenses, and beginning in the 2nd school year a private school participates in the program under this section, a copy of the management letter prepared by the auditor. If the private school annually received a total of at least \$100,000 under this section and ss. 115.7915 and 118.60 in any school year, the audit shall be prepared in accordance with generally accepted accounting principles with allowable modifications for long-term fixed assets. If the private school has not annually received a total of at least \$100,000 under this section and ss. 115.7915 and 118.60 in any school year, the audit shall be prepared as prescribed by the department by rule. The audit shall include a calculation of the private school net eligible education expenses and a calculation of the balance of the private school's fund for future eligible education expenses. The auditor shall conduct his or her audit, including determining sample sizes and evaluating financial viability, in accordance with the auditing standards established by the American Institute of Certified Public Accountants. The department may not require an auditor to comply with standards that exceed the scope of the standards established by the American Institute of Certified Public Accountants. If a private school participating in a program under this section is part of an organization and the private school and the organization share assets, liabilities, or eligible education expenses, the private school may submit an audit of the private school or of the organization of which it is a part. If a private school that is part of an organization with which it shares assets, liabilities, or eligible education expenses submits an audit of only the private school, the independent auditor shall use his or her professional judgment to allocate any shared assets, liabilities, and eligible education expenses between the organization and the private school. If a private school participating in the program under this section also accepts pupils under s. 115.7915 or 118.60, the private school may submit one comprehensive financial audit to satisfy the requirements of this subdivision and ss. 115.7915 (6) (e) and 118.60 (7) (am) 2m., whichever are applicable. The private school shall include in the comprehensive financial audit the information specified under s. 118.60 (7) (am) 2m.

b. Evidence of sound fiscal and internal control practices, as prescribed by the department by rule. An independent auditor engaged to evaluate the private school's fiscal and internal control practices shall conduct his or her evaluation, including determining sample sizes, in accordance with attestation standards established by the American Institute of Certified Public Accountants. The independent auditor engaged to evaluate the private school's fiscal and internal control practice shall also review any concerns raised in the private school's management letter submitted under subd. 2m. a. The fact that a private school reports a negative reserve balance alone is not evidence that the private school does not have the financial ability to continue operating or that the private school does not follow sound fiscal and internal control practices.

c. If an independent auditor engaged to evaluate the private school's fiscal and internal control practice determines that the governing body of the private school has not taken reasonable actions to remedy any concerns raised in the management letter submitted under subd. 2m. a. in the previous school year, a report prepared by the independent auditor that includes the auditor's findings related to the governing body's actions to remedy any

concerns raised in the management letter for the previous school year.

3. a. By no later than February 15 or 120 days after the date on which the audit under subd. 2m. a. is received by the department, whichever is later, the department shall notify a private school participating in the program under this section whether or not additional information is required for the department to complete its review of the audit. Subject to subd. 3. b., the department may request that an auditor provide additional information if the request is related to the department reviewing the audit. The department shall determine whether a private school participating in the program under this section has provided the information and met the requirements required under subd. 2m. a. by April 1.

b. Before April 1, the department may contact the auditor who prepared the audit under subd. 2m. a. only regarding matters that may impact the private school's financial statement by an amount that is greater than 1 percent of the total amount the private school received under this section for the previous school year and any items or information the department determines are missing from the audit.

c. Notwithstanding subd. 3. a. and b., the department may communicate with an auditor as necessary for the purpose of assessing the financial viability of a private school participating in the program under this section.

d. An auditor who receives a written communication under this subdivision shall respond to the department within 10 school days of receiving the written communication.

(an) 1. A private school participating in the program under this section shall maintain a cash and investment balance that is at least equal to its reserve balance. If a private school does not maintain a cash and investment balance that is at least equal to its reserve balance, the private school shall refund the reserve balance to the department. This subdivision does not apply to a school year that occurs during the public health emergency declared on March 12, 2020, by executive order 72.

2. If a private school participating in the program under this section has a reserve balance that is greater than 50 percent of the total amount the private school received under this section in the previous school year, the governing body of the private school shall approve a plan for how it will use the amount of the reserve balance that exceeds 50 percent of the total amount the private school received under this section in the previous school year.

3. If a private school ceases to participate in or is barred from the program under this section and s. 118.60 and the private school's reserve balance is positive, the private school shall refund the reserve balance to the department.

(b) Each private school participating in the program under this section shall do all of the following:

1. Administer to any pupils attending the 3rd grade in the private school under this section a standardized reading test developed by the department.

2. Adopt the pupil academic standards required under s. 118.30 (1g) (a) 3.

3. Ensure that any teacher's aide employed by the private school has graduated from high school, been granted a declaration of equivalency of high school graduation, been granted a high school diploma by the administrator of a home-based private educational program, or been issued a general educational development certificate of high school equivalency, or has obtained a degree or educational credential higher than a high school diploma, declaration of equivalency of high school graduation, or general educational development certificate of high school equivalency.

3m. Annually, schedule two meetings at which members of the governing body of the private school will be present and at which pupils, and the parents or guardians of pupils, applying to

attend the private school or attending the private school may meet and communicate with the members of the governing body. The private school shall, within 30 days after the start of the school term, notify the department in writing of the scheduled meeting dates and shall, at least 30 days before the scheduled meeting date, notify in writing each pupil, or the parent or guardian of each minor pupil, applying to attend the private school or attending the private school of the meeting date, time, and place.

4. Maintain progress records for each pupil attending the private school under this section while the pupil attends the school and, except as provided under subd. 7., for at least 5 years after the pupil ceases to attend the school.

5. Upon request, provide a pupil or the parent or guardian of a minor pupil who is attending the private school under this section with a copy of the pupil's progress records.

6. Issue a high school diploma or certificate to each pupil who attends the private school under this section and satisfactorily completes the course of instruction and any other requirements necessary for high school graduation.

7. a. Except as provided in subd. 7. b., if the private school ceases operating as a private school, immediately transfer all of the progress records of the pupils who attended the school under this section to the board. The private school shall send written notice to each pupil, or to the parent or guardian of a minor pupil, of the transfer of progress records under this subd. 7. a.

b. If the private school is affiliated with an organization that will maintain the progress records of each pupil who attended the school under this section for at least 5 years after the private school ceases operation as a private school, the private school may transfer a pupil's records to the organization if the pupil, or the parent or guardian of a minor pupil, consents in writing to the release of the progress records to the affiliated organization. The private school shall send to the department a copy of the consent form for each pupil who consents to the transfer of progress records under this subd. 7. b. The written notice shall be signed by the pupil, or the parent or guardian of a minor pupil, and shall include the name, phone number, mailing address, and other relevant contact information of the organization that will maintain the progress records, and a declaration by the affiliated organization that the organization agrees to maintain the progress records for at least 5 years after the private school ceases operation as a private school.

(c) A private school may not require a pupil attending the private school under this section to participate in any religious activity if the pupil's parent or guardian submits to the pupil's teacher or the private school's principal a written request that the pupil be exempt from such activities.

The private school shall include in the budget contingent funding

sources the private school will use in the event that actual enrollments are less than expected.

(b) 1. If a private school submits a surety bond under par. (a) 1., the private school shall annually provide, by May 1, a surety bond payable to the state until the private school submits all of the following to the department:

History: 1985 a. 29; 1999 a. 9.

119.25 Expulsion of pupils. (1) The board may adopt a resolution, which is effective only during the school year in which it is adopted, authorizing any of the following to determine pupil expulsion from school under sub. (2) instead of using the procedure under s. 120.13 (1) (c):

- (a) An independent hearing panel appointed by the board.
- (b) An independent hearing officer appointed by the board.

(2) (a) During any school year in which a resolution adopted under sub. (1) is effective, the independent hearing officer or independent hearing panel appointed by the board:

1. May expel a pupil from school whenever the hearing officer or panel finds that the pupil engaged in conduct that constitutes grounds for expulsion under s. 120.13 (1) (c) 1. or 2.

2. Shall commence proceedings under par. (b) and expel a pupil from school for not less than one year whenever the hearing officer or panel finds that the pupil engaged in conduct that constitutes grounds for expulsion under s. 120.13 (1) (c) 2m.

(b) No administrator may be designated to participate in an expulsion hearing if he or she was involved in the incident that led to the expulsion proceeding. Prior to expelling a pupil, the hearing officer or panel shall hold a hearing. Upon request of the pupil and, if the pupil is a minor, the pupil's parent or guardian, the hearing shall be closed. The pupil and, if the pupil is a minor, the pupil's parent or guardian, may be represented at the hearing by counsel. The hearing officer or panel shall keep a full record of the hearing. The hearing officer or panel shall inform each party of the right to a complete record of the proceeding. A school board, hearing officer or panel may disclose the transcript to the parent or guardian of an adult pupil, if the adult pupil is a dependent of his or her parent or guardian under section 152 of the internal revenue code. Within 30 days after the date on which the order is issued, the board shall review the expulsion order and shall, upon review, approve, reverse or modify the order. The order of the hearing officer or panel shall be enforced while the board reviews the order. The expelled pupil or, if the pupil is a minor, the pupil's parent or guardian may appeal the board's decision to the state superintendent. If the board's decision is appealed to the state superintendent, within 60 days after the date on which the state superintendent receives the appeal, the state superintendent shall review the decision and shall, upon review, approve, reverse or modify the decision. The decision of the board shall be enforced while the state superintendent reviews the decision. b. "Early reinstatement condition" means a condition that a pupil is required to meet before he or she may be granted early reinstatement or a condition that a pupil is required to meet after his or her early reinstatement but before the expiration of the term of expulsion specified in the pupil's expulsion order under par. (b).

2. An independent hearing panel or independent hearing officer appointed by the board may specify one or more early reinstatement conditions in the expulsion order under par. (b) if the early reinstatement conditions are related to the reasons for the pupil's expulsion. Within 15 days after the date on which the expulsion order is issued, the expelled pupil or, if the pupil is a minor, the pupil's parent or guardian may appeal the determination regarding whether an early reinstatement condition specified in the expulsion order is related to the reasons for the pupil's expulsion to the board. The decision of the board regarding that determination is final and not subject to appeal.

3. If the superintendent of schools or his or her designee, who shall be someone other than a principal, administrator or teacher in the pupil's school, determines that a pupil has met the early reinstatement conditions that he or she is required to meet before he or she may be granted early reinstatement, the superintendent of schools or designee may grant the pupil early reinstatement. The determination of the superintendent of schools or designee is final.

4. If a pupil violates an early reinstatement condition that the pupil was required to meet after his or her early reinstatement but before the expiration of the term of expulsion, the superintendent of schools or a principal or teacher designated by the superintendent of schools may revoke the pupil's early reinstatement as provided in s. 120.13 (1) (h) 4.

5. Except as provided in subd. 6., if the pupil's early reinstatement is revoked under subd. 4., the pupil's expulsion shall continue to the expiration of the term specified in the expulsion order unless the pupil or, if the pupil is a minor, the pupil's parent or guardian and the board, independent hearing panel or independent hearing officer agree, in writing, to modify the expulsion order.

6. Within 5 school days after the revocation of a pupil's early reinstatement under subd. 4., the pupil or, if the pupil is a minor, the pupil's parent or guardian may request a conference with the superintendent of schools or his or her designee, who shall be someone other than a principal, administrator or teacher in the pupil's school. If a conference is requested, it shall be held within 5 school days following the request. If, after the conference, the superintendent of schools or his or her designee finds that the pupil did not violate an early reinstatement condition or that the revocation was inappropriate, the pupil shall be reinstated to school under the same reinstatement conditions as in the expulsion order and the early reinstatement revocation shall be expunged from the pupil's record. If the superintendent of schools or his or her designee finds that the pupil violated an early reinstatement condition and that the revocation was appropriate, he or she shall mail separate copies of the decision to the pupil and, if the pupil is a minor, to the pupil's parent or guardian. The decision of the superintendent of schools or his or her designee is final.

(4). Any such approval is applicable only for one year.

(b) The school construction fund tax levy shall be reduced in any year only by the amount which the common council in such year provides from the permanent improvement fund of the city.

(4) (a) If the board deems it necessary to exceed the levy rate specified under s. 65.07 (1) (f), it may by a two-thirds vote of the members—elect include a communication to the common council as part of the budget transmitted to the common council under s. 119.16 (8) (b).

The question of exceeding the levy rate specified under s. 65.07 (1) (f) shall be submitted so that the vote upon exceeding the levy rate specified in s. 65.07 (1) (f) is taken separately from any other question submitted to the voters. If a majority of the electors voting on the question favors exceeding the levy rate specified under s. 65.07 (1) (f), the common council shall approve the increase in the levy rate and shall levy and collect a tax equal to the amount of money approved by the electors.

The question of issuing

such school bonds shall be submitted so that the vote upon issuing such school bonds is taken separately from any other question submitted to the voters. If a majority of the electors voting on the school bond question favors issuing such school bonds, the common council shall cause the school bonds to be issued immediately or within the period permitted by law, in the amount requested by the board and in the manner other bonds are issued.

(3) The proper city officials shall sell or dispose of the bonds in the same manner as other bonds are disposed of. The entire proceeds of the sale of the bonds shall be placed in the city treasury, subject to the order of the board for the purposes named in the communication under sub. (1). (2) The board shall include in its budget transmitted to the common council under s. 119.16 (8) (b) a written notice specifying the amount of borrowing to be authorized in the budget for the ensuing year. The common council shall issue the notes and levy a direct annual irrepealable tax sufficient to pay the principal and interest on the notes as they become due. (1m) If the redevelopment authority of the city issues bonds under s. 66.1333 (5s), the board may borrow money from the redevelopment authority to pay unfunded prior service liability contributions under the Wisconsin Retirement System for the board. One who deals with a municipality does so at his or her own risk and may be subject to any provisions of law that might prevent him or her from being paid by a municipality even though the services were rendered. Unless the power to bind the municipality financially has been specifically delegated, the only entity with the statutory authority to contract is the municipality. The statutes do not authorize anyone other than the board to enter into contracts. The board may delegate that authority, but it must do so clearly and specifically. For an MPS employee to have such power, it must be specifically delegated by the board to that employee or class of employees. *Holzbauer v. 119.60 Real property. (1) Except as provided in sub. (2m) (c) and s. 119.61 (5), if any real property within the city which is used for school purposes is sold, the board shall determine whether the proceeds of the sale are deposited in the school operations fund under s. 119.46 or are deposited in the school construction fund under s. 119.48.

(2) Except as provided in sub. (2m) and s. 119.61 (5), city-owned property used for school purposes shall be sold by the city upon written request of the board if the common council adopts a resolution approving the sale. If, within 12 months after a written request by the board, the city has not disposed of the property, has failed to obtain a written agreement to dispose of the property or has not provided the board with a written report giving specific reasons, which are not identified by the city attorney as constituting a conflict of interest, for its failure to dispose of the property or to obtain an agreement to dispose of the property, the board may retain a real estate agent to represent the board in its real estate transactions.

(2m) (a) 1. Subject to subd. 2., if the common council finds that city-owned property used for school purposes has been unused or underutilized for at least 12 consecutive months, including the 12 months preceding June 8, 2011, or if the board has determined by resolution prior to January 1, 2011, that any city-owned property used for school purposes is surplus to the needs of the school district, the common council may sell or lease that property if it adopts a resolution approving the sale or lease.

2. Before the common council may adopt a resolution approving the sale or lease of underutilized city-owned property used for school purposes, the common council shall adopt by resolution a set of criteria under which the common council may or may not find that the city-owned property used for school purposes is underutilized. In order to determine whether city-owned property used for school purposes satisfies the criteria adopted under this subdivision, the common council shall request from the board, and the board shall provide to the common council within 15 days of the request, all relevant information regarding the current and planned utilization of the city-owned property used for school purposes that is proposed for sale or lease under this paragraph.

(b) If a resolution is adopted by the common council as provided under par. (a), the board shall provide the common council and city employees and agents copies of all documents related to the property and access to and entry upon and into the property for purposes related to the sale or leasing of the property.

(c) If any real property within the city which is used for school purposes is sold or leased as provided in this subsection, the net proceeds of the sale or lease shall be deposited in the school operations fund under s. 119.46.

(d) Notwithstanding s. 119.16 (1m), if any real property within the city which is used for school purposes is leased as provided in this subsection, the lease shall require the lessee to assume responsibility for the care, operation, and maintenance of the real property and its facilities for the duration of the lease.

The board may compensate the real estate agent for his or her services only on the basis of a commission for specific property sold, and no property taxes may be levied for the purpose of providing funds to pay such commissions.

(4) The city is not liable for any action of the board or its real estate agent in the sale of property under this section.

(5) For any lease of city-owned property used for school purposes in effect on January 1, 2011, between the board and a charter school that is not an instrumentality of the school district under s. 118.40 (7), the common council shall be made party to the lease and may negotiate with the charter school to modify the terms of the lease when the lease is modified, extended, or renewed if the common council adopts a resolution to do so. If a lease is modified, extended, or renewed as provided in this subsection, the net proceeds of that lease shall be deposited in the school operations fund under s. 119.46.

Once the most suitable buyer is selected, the common council shall proceed with the selected prospective buyer as required under par. (c) 1. to 5. In evaluating proposals submitted under this paragraph, the committee selected by the common council may not consider the organizational status of the education operator nor the type of school proposed to be located in the eligible school building, but shall consider all of the following:

(5) If any eligible school building is sold as provided in this section, the net proceeds of the sale shall be deposited into the school operations fund under s. 119.46.
