Aid may not be denied solely on the basis that a person otherwise eligible therefor owns a homestead which he occupies as such.

45.11 Estimate of amount needed. The county veterans' service commission shall estimate the probable amount required under s. 45.10 and shall file such estimate with the county board prior to the adoption of the budget at the November session.

45.12 County veterans' service commission.

The commission may furnish aid to any person within s. 45.10 if the right of such person to aid shall be established to its satisfaction. The secretary of the commission shall make and deposit with the county clerk a list containing the name, place of residence and the amount to be paid each such person, which shall be signed by the chairman and secretary. The total disbursements made by the commission shall not exceed the amount collected from the tax levied. When such lists are filed the county clerk shall issue an order upon the county treasurer for the sum designated therein in each case and deliver it to the person entitled thereto. The commission may furnish aid in a different manner than by supplying money. The commission may request the county clerk to issue an order upon the county treasurer to a purveyor of services or commodities for the purchase of such services or commodities or the commission may furnish such supplies as it deems best. The commission shall make a detailed report to the county board at each annual session thereof showing the amount expended.

45.15 Commission, compensation.

The county board shall allow the members of the commission a reasonable rate of compensation for services and actual expenses incurred in the performance of their duties to be determined pursuant to s. 59.15. The county board may

(1) Every town board, village board or common council of every city shall at all times see that the graves and tombstones of all members of the armed forces of the United States, including women's auxiliary organizations created by act of congress, who shall at any time have served in any branch of the armed forces of the United States, and of the wives or widows of all such members of the armed forces, receive proper and decent care, and may employ all necessary assistance to carry out this section. The expense of the care of such graves and tombstones shall be borne by the respective counties where the said graves are located, except where suitable care is otherwise provided. The amount of expense so charged the county for such care shall not exceed the charge made for the care of other graves in the same cemetery.

(2) Such bodies shall report to the county clerk of their respective counties, on or before September 1 of each year, the respective locations of the graves so taken care of by them, together with the name and command to which every such member of the armed forces of the United States, including women's auxiliary organizations created by act of Congress belonged, his or her rank at the date of death, and the amount claimed for such care for a fiscal year from July 1 to June 30.

(c) The amount of the grant shall be based on the student's financial need as determined by the department. The maximum grant per academic year shall not exceed \$400 for married veterans or veterans with dependents and \$200 for single veterans. The department shall distribute such grants to students eligible under this program and such grants may be renewable for up to 4 academic years.

(d) For the purpose of this section, veterans shall be considered independent students not required to contribute summer or parental earnings. Spouse's income and current student earning shall be considered in need determination if such income exists. Federal educational veterans benefits shall also be considered in need determination.

(e) The department shall adopt rules relating to the distribution of grants under this program.

These rules shall include the establishment of selection procedures, uniform need determination procedures, standard single and married student educational budgets for various institutions and such other rules as the department deems necessary to assure uniform administration of the program. Any person transferred as provided in this subsection shall be deemed committed to the veterans administration pursuant to the original commitment.

(2) Before adjudging such person insane in accordance with law, the court, upon the receipt of a certificate of eligibility from the veterans administration, may commit such person to a veterans administration facility to be detained for a reasonable length of time, to be fixed by the court, for the purpose of observation. (1a) DEFINITION OF VETERAN. "Veteran" as used in this section means any person who served on active duty under honorable conditions in the U.S. armed forces who was entitled to receive either the armed forces expeditionary medal, established by executive order 10977 on December 4, 1961, or the Viet Nam service medal established by executive order 11231 on July 8, 1965, or for at least one day during a war period, as defined in s. 45.35 (5) (a) to (g) or under section 1 of executive order 10957, dated August 10, 1961, and who was officially reported missing in action, killed in action or who died in service, or who was discharged under honorable conditions therefrom after 90 days or more of active service, or if having served less than 90 days was honorably discharged for a service-connected disability or for a disability subsequently adjudicated to have been service connected, or who died as a result of service-connected disability.

(2) BASIC ELIGIBILITY REQUIREMENTS. A veteran may be admitted to the home if he:

After June 29, 1974 a veteran may be admitted to the home if he reports or has total assets of less than the maximum permitted under ss. 49.45 and 49.46 and rules adopted thereunder, unless prior to admission to the home the applicant turns over all assets in excess of such maximum to the department in prepayment for

care and maintenance actually provided by the home during the period of residence. Property or any interest therein conveyed or disposed of by the applicant within 5 years immediately prior to application for admission by gift or for less than adequate consideration shall be considered assets upon admission to the extent of the value of the gift or to the extent consideration therefor was inadequate unless such assets were conveyed to the state or unless it is determined by the department that the conveyance or disposal of such assets had no relation to prospective entrance into the home. All such assets turned over to the department shall be converted to cash as soon as practicable after the applicant is admitted to membership but, if the applicant's homestead is occupied by his legal dependents as their sole residence, the department shall make such homestead and household furniture and fixtures therein available to them for as long as it is so occupied, and such legal dependents shall be responsible for all expenses incidental to such occupancy and use. If such expenses incidental to such occupancy and use are not paid by such legal dependents, including without limitation because of enumeration, real estate taxes, special assessments, insurance premiums, mortgage instalment payments, and payment for repairs, in its sole discretion the department may pay such expenses from the appropriation in s. 20.485 (1) (h).

(g) *Satisfaction of lien.* If a member whose homestead has not been sold and whose legal dependents are occupying such homestead dies, the department shall quitclaim its interest in such homestead to such legal dependents either upon payment to the department of an amount equal to all expenditures made by it on such homestead pursuant to par. (f) or upon execution by such legal dependents of a promissory, instalment payment note, to the department in such amount within 6 months after the member's death. Such note shall bear interest at the rate of 7% per annum on unpaid balances of principal and shall be secured by a real estate mortgage on such homestead. Any quitclaim deed executed by the department under this subsection shall include household furniture and furnishings in the homestead. If such payment is not made or such note and mortgage executed within 6 months of the member's death, such member's legal dependents shall be divested of all right, title and interest in and to such homestead. Any quitclaim deed executed under this paragraph or under sub. (16) (e) reconveying a member's homestead to the member upon discharge from the home or to the member's legal dependents upon such member's death shall be subject to any lien rights acquired under sub. (12).

(4) **ADMISSION PRIORITIES.** (a) *Order of eligibility of veterans.* Applications except in cases where there is an immediate need for physical care or economic assistance shall be passed upon in order of priority in point of time of commencement of the military service upon which the privilege of membership in the home is based.

2. Wives of eligible veterans shall be given 2nd priority;
3. Widows of eligible veterans shall be given 3rd priority;
4. Mothers of eligible veterans shall be given 4th priority;

5. The department may deviate from this sequence upon order of the board in order to prevent the separation of a family unit of husband and wife.

(5) **ADDITIONAL ELIGIBILITY REQUIREMENTS OF A WIFE OF A VETERAN.** A wife of an eligible veteran is eligible only if she meets the requirements of sub. (2) (d) to (f) and if:

(a) Her husband is a member, or if not a member is institutionalized elsewhere because of physical or mental disability, and she had lived with such husband not less than one year immediately before making application for membership.

(b) Separation from such husband necessitated by reason of employment, hospitalization or because of a physical or mental disability of either husband or wife shall not be taken to constitute an interruption of such one-year period.

(c) A wife of an eligible veteran by virtue of a bona fide marriage invalidly entered into but validated prior to application for admission shall, for the purpose of this subsection and sub. (6), be considered married to such eligible veteran from the date such invalid marriage was entered into.

(7) ADDITIONAL ELIGIBILITY REQUIREMENTS OF MOTHERS. The mother of a veteran who was a resident of this state at the time of his death or, the mother of a living veteran who is eligible for membership, is eligible if she meets the requirements of sub. (2) (d) to (f) and if she:

(a) Has reached 60 years of age; and

(b) Has been a resident of this state for the 5 years next preceding the date of application for membership; and

(c) Is physically disabled, unable adequately to care for herself and lacks adequate means of support.

(8) EFFECT OF CHANGE IN STANDARDS. The members of the home on July 7, 1949 shall not be required to requalify for membership because of changes made in eligibility standards unless they are subsequently discharged and later apply for re-entry into the home, or unless the financial or physical status of any member has changed or improved so that he would no longer be eligible for admission under the standards applicable at the time of his admission.

(9) MEMBER INCOME RETENTION AND PAYMENT. (a) *Maximum retention.* Each member of the home admitted to the home prior to January 1, 1974, may either elect to retain from his monthly income an amount not exceeding the greater of the maximum income allowed under ss. 49.45 and 49.46 and rules adopted thereunder or \$40.50, plus an amount equal to the payment made to him or which would otherwise be due him for services rendered

A member admitted to the home prior to January 1, 1974, who is participating in such program and whose monthly income is insufficient to permit him to retain the amount set forth in par. (a), shall receive direct payment thereunder from the department on the basis of the amount due him for such services or on the basis of the difference between his total monthly income and the amount he would be permitted to retain under par. (a) if his income was sufficient to permit maximum retention, whichever is less. A member admitted to the home after December 31, 1973, may receive payment for such services only if such payment conforms with the requirements in ss. 49.45 and 49.46 and rules adopted thereunder.

(d) *Member income payments.* Payments of the amounts due the state shall be made at such time and in such amounts as the board provides by rule.

(e) *Veterans administration payments.* Payment of amounts due the state shall be made to the fullest extent possible from sources of income other than pension or compensation paid by the U.S. veterans administration.

(f) *Remission of income.* The department may remit, from amounts paid by a member, such sums monthly as it deems necessary for the care of his nonmember dependents.

Any renunciation or transfer of income by a member shall be void.

(h) *Home exchange*. The operation of the home exchange, including the operation of the hobby shop for the sale of products made by all members, shall be conducted under the supervision of the department.

(9a) ALTERNATIVE METHOD OF PAYMENT. If the pension payments to a member are suspended because his estate or account exceeds the limit established by the veterans administration, the department may, in lieu of the procedures set forth in sub. (9), direct that the per diem cost for the care of the member be charged to the estate or account of the member.

(9b) ASSESSMENT OF MEMBERS' ACCOUNTS. If the assets of a member admitted to the home after December 31, 1973, exceed the asset maximums permitted under ss. 49.45 and 49.46 and rules adopted thereunder, the amount in excess of such maximum shall be paid into such member's prepaid care account by the department, but in accord with the above statutes and rules.

(9c) HANDLING OF MEMBERS' ACCOUNTS. All funds held by the home for the members not needed by the members for their own use shall be deposited in a bank in the form of certificates of deposit in the name of the home, and the interest therefrom shall be paid annually into the gifts and bequests fund of the home for the purposes for which that fund exists.

(9d) MEDICAL ASSISTANCE PAYMENTS. All moneys received under title XIX of the social security act for the care of members shall be transferred to the general fund.

(10) CONVEYANCE OF PROPERTY; DESCENT.
(a) The application and admission of any applicant heretofore or hereafter admitted hereunder shall constitute a valid and binding contract between such member and the department. If any member of the home dies without legal dependents, his real property shall descend and his personal property shall be distributed to the state as sole heir for the sole use and benefit of the home, and no will, previously or hereafter drawn, making a contrary disposal shall be valid; except that a member whose member spouse dies shall have the right to use all personal property of the deceased spouse for the rest of the survivor's lifetime and such property shall not be considered income under sub. (9), and except that personal effects of nominal monetary value of a deceased member who is not survived by a

member spouse may be distributed by the commandant to surviving relatives of such member who request such personal effects immediately after such member's death.

(c) The department may manage, sell, lease or transfer property descending to the state pursuant to this section or conveyed to it by members, defend and prosecute all actions concerning it, pay all just claims against it, and do all other things necessary for the protection, preservation and management of such property.

(d) A person who at the time of his death was a member of the home shall be deemed an inhabitant of or resident in Waupaca county for the probate of his will and issuance of letters testamentary and the administration of his estate.

(11) DISPOSITION OF PROPERTY DESCENDING TO STATE. If a member of the home dies leaving at the home cash or other personal property of a value not exceeding \$1,000, the commandant of the home may turn over such property or its proceeds to the state treasurer for the sole use and benefit of the home, without administration, subject to refund within 6 years to any creditor or legal dependent who shall establish his right to the fund or property or any portion thereof. The attorney general upon being satisfied that a claim out of such funds or property is legal and valid may certify the same to the state department and the department shall pay the same out of such funds or property, except that payment of claims for a member's funeral and burial expenses may not exceed \$300 in addition to the amount allowed by the United States for the member's funeral and burial and the right for burial and interment provided in sub. (15) (a).

(12) CARE AS LIEN ON ASSETS OF MEMBER.
(a) The net cost to the state of the care and maintenance of a member, as determined under rules promulgated by the department, constitutes a lien as hereafter provided and remains a lien until satisfied. The department shall issue for each member a certificate of lien setting forth: the name and residence of the member, the fact that he has received and will continue to receive care and maintenance at the Wisconsin veterans home, a statement that the net cost to the state of such care and maintenance constitutes a lien on the real property of the member presently owned or subsequently acquired (including joint tenancy and homestead interests) and such other information required by the department. The department shall file the certificate, or a copy thereof, in the office of the register of deeds of every county in which real property of the member is situated. The certificate need not be recorded at length by the register of deeds, but upon filing thereof all persons are charged with notice of the lien and

the rights of the state. The register of deeds shall keep a record of every lien filed in a separate book properly indexed, in which shall be entered an abstract of every certificate so filed which shall show the time of filing, the name and residence of the beneficiary, the date of the certificate, the name of the grantor county, and a record of releases and satisfactions. No fee shall be charged for filing such certificate, release or satisfaction or the entry of the abstract thereof except in counties wherein the register of deeds is compensated otherwise than by salary, and in such counties a fee of 25 cents shall be paid to the register of deeds by the county filing the certificate, release or satisfaction.

(b) Upon filing as in par. (a) the lien herein imposed attaches to all real property of the member including a house trailer used as an abode presently owned or subsequently acquired (including joint tenancy and homestead interests) in any county in which such certificate is filed for the amount of the net cost to the state for care and maintenance furnished or thereafter furnished to the member and it remains a lien until satisfied. The lien shall not sever a joint tenancy nor affect the right of survivorship except that the lien shall be enforceable to the extent that the member had an interest prior to his decease. The lien takes priority over any lien or conveyance subsequently acquired, made or recorded, except tax liens.

(c) Upon termination of membership in the home, the liens shall be enforceable by the state in the manner provided for the enforcement of mechanics' liens upon real property. In any action to foreclose such a lien the statute of limitations shall not constitute a defense. No such lien shall be enforced against the homestead of the member while it is occupied by him, a surviving spouse or by any minor children, or any incapacitated adult children of the member.

(d) Upon death of a member or former member, the county court may order sale of real estate which is subject to the lien herein imposed free and clear of the lien, and the lien shall attach to the net proceeds of the sale after taxes, prior encumbrances and costs of sale have been deducted. However, the expenses of administration, burial and last illness allowed by the court which remain unpaid after all personalty has been applied thereto according to law, but not to exceed \$300 in the aggregate, shall be charges against all real property of the deceased and shall be paid prior to the lien, in the order named, out of the proceeds derived from the real property upon liquidation of the lien.

(e) At any time the department is satisfied that the collection of the amount owing to the state will not be jeopardized or that the release of the lien in whole or in part is necessary to provide

for the maintenance of the member, his spouse, or minor children, or incapacitated adult child, it may release the lien as to all or any part of the real property of the member, including a house trailer used as an abode, which release shall be filed in the office of the register of deeds of the county in which the certificate is filed. The member, his heirs, personal representatives or assigns may discharge such lien at any time by paying the amount thereof to the department, which shall execute a satisfaction which shall be filed with the register of deeds.

(f) The department may bid in property at foreclosure under par. (c) at a price not to exceed the amount owing the state, which amount or any part thereof may be applied as a credit on such a bid, or such agency or official may accept a conveyance in lieu of foreclosure. Title to property acquired vests in the department for the purpose of liquidation, and may be sold and title transferred by it.

(g) The department may make and pay for necessary and essential repairs, pay taxes or purchase tax certificates or pay balances due on land contracts so as to enable a member to receive a deed, or pay and cause to be satisfied existing mortgages or any other prior liens on property on which the state has such a lien, and the amount of such expenditures shall be added to the amount of the lien.

(h) The department may accept or execute all necessary instruments, manage property acquired hereunder and take necessary part in the administration of decedents' estates to effectuate this subsection. The department shall have and exercise the rights of owners of real property or liens generally, whichever the case may be.

(i) After probate or administration proceedings have been initiated and notice to the creditors given, as required by s. 859.07, and it appears from the inventory filed in said estate that the amount of the lien owing to the state exceeds the value of estate assets, after deducting such expenses as provided in par. (d), the court may order summary closing proceedings under s. 867.01 and assign the real estate, if any, to the state.

(b) Burial shall be provided in the cemetery of the home for any wife, widow or mother of a veteran where such wife, widow or mother at the time of her death was a member of the home. Burial shall also be provided in the cemetery of the home for the mother or widow of a veteran who is not a member where she within 6 months after the veteran's burial in the cemetery of the home applies to the department for permission to be buried therein at her own expense. The widow of the veteran shall have the privilege of selecting a lot next to her husband if available. Permission shall be given by the department for a period of one year from date of granting, but may be extended, on her request, for additional one-year periods.

(c) Expenses incident to the burial at the home of a member shall be paid from the estate of the decedent, except that if there is no estate or the estate is insufficient, the expense of burial, or necessary part thereof, shall be paid from the appropriation made by s. 20.485 (1) (a) and the amount expended therefor shall not exceed the amount therein specified.

(16) PREPAID CARE ACCOUNTS. (a) Excess assets paid to the department under sub. (2) (f) and all income paid into the general fund of the state under sub. (9) shall constitute a member's prepaid care account.

(b) The actual cost of each member's care and maintenance at the home shall be computed monthly, and paid from the member's prepaid care account balance, if any, into the general fund to the extent of the member's contribution of excess assets and are appropriated therefrom as provided in s. 20.485 (1) (h), and thereafter into the general fund.

(c) In the event a member's prepaid care account balance is insufficient to pay the full monthly cost of care and maintenance, payment shall be made as provided in sub. (b) to the extent of the prepaid care account balance, but no deficit resulting shall be carried forward and charged against new accruals to such member's prepaid care account.

(d) Balances in a member's prepaid care account shall be considered prepayment for

complete personal maintenance and medical care of the member for his lifetime to be provided by the department and shall not be considered assets of the member.

(e) If a member is discharged from the home all excess assets not converted to cash or contracted to be sold shall be returned to the member and the department shall quitclaim its interest in any homestead turned over to the department by the member as excess assets and not converted to cash or contracted to be sold, and there shall be refunded to him an amount equal to the unused balance remaining in his prepaid care account and the net proceeds ultimately realized from the sale of assets contracted to be sold on date of discharge, less actual cost of care and maintenance for month of discharge not paid to date of discharge.

(f) Upon death of a member any unexpended balance remaining in his prepaid care account shall lapse and any excess assets turned over to the department and not converted to cash, including the member's homestead if not occupied by his legal dependents or conveyed to the department jointly by the decedent and his member spouse, shall be converted to cash, and all such amounts shall be paid into the general fund and are appropriated therefrom as provided in s. 20.485 (1) (h), and such balance and excess assets shall not be considered assets of the decedent for any purpose. A homestead conveyed to the department jointly by the decedent and his member spouse which has not been sold on the date of his death shall become a part of the surviving spouse's prepaid care account.

45.53 Soldiers' and sailors' civil relief act.

(1) In this section, unless the context indicates otherwise:

(a) "Persons in military service" means any man or woman who is or was serving on active duty in the U.S. armed forces.

(b) "Property" shall mean any real estate or personal property belonging to a person in military service provided that such property was acquired prior to the commencement of military service except in cases where such property was acquired by descent in which case the proviso shall not apply.

(c) "Taxes" shall mean any general taxes or special assessments or tax certificates evidencing such taxes and assessments not belonging to private buyers.

(d) "Interest and penalties" shall mean interest and penalties accruing on taxes during the period of military service and 6 months thereafter. In case property is owned jointly by several owners other than the spouse of the person in military service, interest and penalties shall mean the proportionate share of the total interest and penalties commensurate with the equity in the property of such person in military service.

(2) In order to supplement and complement the provisions of the soldiers' and sailors' civil relief act of 1940 and all amendments thereof, so as to afford and obtain greater peace and security for persons in military service, the enforcement of certain tax obligations or liabilities which may prejudice the property rights of persons in military service, for the period herein set forth may be temporarily suspended as hereinafter provided.

(3) Any person while in the military service of the United States or within 6 months after terminating such service, or his agent or attorney during such period, may petition a court of record in any county in which he owns property for relief under this section. Upon filing of such petition the court shall make an order fixing the time of hearing thereon and requiring the giving of such notice of the hearing as it may deem reasonable. If after hearing the court shall find that the person on whose behalf the petition is made is, or within 6 months next preceding the filing of such petition was, in the military service of the United States and owns property within the county on which taxes have fallen due or will fall due, and that his ability to pay such taxes has been materially adversely affected by reason of his being in military service, the court shall enter an order determining that such person is entitled to relief under this section. When an order shall so determine it may further suspend proceedings for the collection of taxes on such property for a period not exceeding 6 months after termination of the military service of the person on whose behalf the petition is made, or for such time as may reasonably be necessary to complete the agreement provided in sub. (7) and thereafter no sale of property or tax certificates to enforce collection of taxes on such property shall be made, all proceedings for that purpose shall be suspended, except under such terms as the court in such order may direct.

(4) Whenever any tax or assessment on real property including all special assessments shall not be paid when due, the penalty provisions providing for an eight-tenths of one per cent per month as provided by s. 74.03 (4) and the maximum limitation of 6% per annum as provided by such soldiers' and sailors' civil relief act shall be waived for the purpose hereof and upon the conditions specified hereinafter.

(5) The penalties and interest which shall be waived pursuant to this section are those for nonpayment of all taxes or assessments, general or special, falling due during the period of military service of any person against either real or personal property of which such person is the bona fide owner or in which he has a beneficial interest.

(6) The person owning or having an interest in any property in respect to which such order is made, his agent or attorney, may file with the county treasurer or with the city treasurer of cities authorized by law to sell lands for the nonpayment of taxes as to such taxes and assessments a certified copy of such order of suspension together with an affidavit in triplicate, sworn to by such person or his agent or attorney setting forth the name of the owner, the legal description of the property, the type of

property, when acquired, volume and page number where such deed was duly recorded if acquired by deed and the name of the estate if acquired by descent, amount of delinquent taxes if any, and the names of the holders of any outstanding mortgage, lien or other encumbrance. Upon such filing the county treasurer or the city treasurer, as the case may be, shall file a first copy thereof in the office of the register of deeds of such county, the 2nd copy to be filed in the office of such treasurer, as the case may be, wherein there will be marked, in the tax sale record book or such other record books as he may maintain, proper notation to the effect that a person in military service is the holder of the legal title thereto and has made application for special relief as herein provided, and the 3rd copy shall be immediately forwarded to the office of the clerk of the town, city or village wherein the property is located, or if it be located in a city authorized to sell lands for nonpayment of its taxes to the tax commissioner thereof, who shall make an appropriate notation thereof on his records.

(7) Any person seeking relief under this section, within 6 months after termination of his military service, or his agent or attorney, or in case of death of such person, his personal representative, widow or heir at law, may apply to the county treasurer of the county, or the city treasurer of cities authorized by law to sell lands for the nonpayment of taxes, as the case may be, wherein such property is located for an agreement for scheduled instalment payments, covering the taxes accrued during such person's period of military service, provided that such taxes will be paid over a period of time equal to a period no longer than twice the length of military service of such person, in equal periodic instalments of not less than \$10, and subject to such other terms as may be just and reasonable.

(8) In the event default is made by the applicant in the performance of any of the provisions of such agreement, such treasurer, as the case may be, shall forthwith notify the applicant of such default and the amount and date due, by written notice either served personally or by registered mail with return receipt demanded to the address set forth in such application. If such defaulted payment is not fully made within 10 days after service of such notice, then such treasurer without further notice may declare that the entire amount of such tax subject to the scheduled instalments shall be immediately due and payable and that such agreement is fully rescinded and terminated. Thereupon the county treasurer shall notify the register of deeds and the town, city or village treasurer thereof, or if the city treasurer of cities authorized by law to sell lands for the

nonpayment of taxes the latter shall notify the register of deeds and the county treasurer and such officers and shall make appropriate notations thereof on their records. Thereafter, the county treasurer or city treasurer as to taxes of cities authorized by law to sell land for the nonpayment of taxes, may without further order of the court enforce the collection of such tax or assessment and sell such tax certificates together with such penalties and interest as may have accrued thereon from the date of default of such scheduled instalment payment.

SUBCHAPTER II

VETERAN'S HOUSING LOAN PROGRAM

45.70 Purpose. (1) **LEGISLATIVE FINDINGS.** It is determined that veterans, who have sacrificed in the service of their country, valuable years of their lives and considerable earning potential, constitute a readily identifiable and particularly deserving segment of this state's population. It is further determined that by making additional housing funds available to eligible veterans limited private home loan funds available will be more readily available to all.

(2) **LEGISLATIVE INTENT.** This subchapter is created principally to enable the authority to exercise its borrowing power to increase those funds available for loans providing for the purchase or construction of private housing, without requiring downpayments beyond the reach of families of modest means. It is the intent

of the legislature that the department in its administration of this subchapter avoid the duplication of those administrative services available through private lending institutions, utilizing the administrative services of such institutions to the maximum extent consistent with the purposes of this subchapter.
