100.01 Produce wholesalers, unfair conduct, liability for damages. (1) DEFINITIONS.
When used in this section:

(a) "Produce" means any kinds of fresh fruit or fresh vegetable, including potatoes and onions intended for planting.

(b) "Dealer" means a person who for resale buys, sells, offers or exposes for sale, or has in possession with intent to sell, any produce except that raised by him and that purchased by him exclusively for his own sale at retail.

(c) "Commission merchant" means a person engaged in receiving produce for sale for or on behalf of another.

(d) "Broker" means a person engaged in negotiating sales or purchases of produce for or on behalf of the seller or the buyer.

(e) "Produce wholesaler" means a commission merchant, dealer or broker.

(2) UNFAIR CONDUCT. It shall be unlawful:

(a) For a dealer to reject or fail to deliver in accordance with the contract, without reasonable cause, produce bought or sold or contracted to be bought or sold by such dealer.

(b) For a commission merchant, without reasonable cause, to fail to deliver produce in accordance with the contract.

(c) For a commission merchant to fail to render a true itemized statement of the sale or other disposition of a consignment of produce

with full payment promptly in accordance with the terms of the agreement between the parties, or, if no agreement, within 15 days after receipt of the produce. Such statement of sale shall clearly express the gross amount for which the produce was sold and the proper, usual or agreed selling charge, and other expenses necessarily and actually incurred or agreed to in the handling thereof.

(d) For a commission merchant or broker to make a fraudulent charge in respect to produce.

(e) For a commission merchant or broker to discard, dump or destroy without reasonable cause produce received by him.

(f) For a produce wholesaler to make for a fraudulent purpose or for the purpose of depressing the market a false or misleading statement concerning the grade, condition, markings, quality, quantity, market quotations or disposition of any produce or of the condition of the market therefor.

(g) For a produce wholesaler to receive produce from another state or country for sale or resale within this state and give the buyer the impression that the commodity is of Wisconsin origin.

(h) For a produce wholesaler, for a fraudulent purpose, to remove, alter or tamper with any card, stencil, stamp, tag, certificate or other notice placed upon any container or railroad car containing produce by the original packer or by

or under authority of any federal or state inspector and bearing a certificate as to the grower, grade or quality of such produce.

(3) **ACCEPTANCE IMPLIED.** If any dealer fails to notify the seller of rejection within 24 hours after he receives notice of arrival of the produce, he will be deemed to have accepted it as being in accordance with the contract.

(4) **DOUBLE DAMAGES.** A produce wholesaler who violates any provision of sub. (2) shall be liable to any person injured thereby for twice the amount of damages sustained in consequence of such violation and such liability may be enforced by suit in any court of competent jurisdiction.

100.02 Commission merchants, duties, must account. No person receiving any fruits, vegetables, melons, dairy, or poultry products or any perishable farm products of any kind or character, other than cattle, sheep, hogs or horses, referred to in this section as produce, for or on behalf of another, may without good and sufficient cause therefor, destroy, or abandon, discard as refuse or dump any produce directly or indirectly, or through collusion with any person, nor may any person knowingly and with intent to defraud make any false report or statement to the person from whom any produce was received, concerning the handling, condition, quality, quantity, sale or disposition thereof, nor may any person knowingly and with intent to defraud fail truly and correctly to account and pay over to the consignor therefor. The department of agriculture, trade and consumer protection shall by rule provide for the making of prompt investigations and the issuing of certificates as to the quality and condition of produce received, upon application of any person shipping, receiving or financially interested in, such produce. Such rules shall designate the classes of persons qualified and authorized to make such investigations and issue such certificates, except that any such investigation shall be made and any such certificate shall be issued by at least 2 disinterested persons in any case where such investigation is not made by an officer or employe of the department. A certificate made in compliance with such rules shall be prima facie evidence in all courts of the truth of the statements contained in the certificate as to the quality and condition of the produce; but if any such certificate is put in evidence by any party, in any civil or criminal proceeding, the opposite party shall be permitted to cross-examine any person signing such certificate, called as a witness at the instance of either party, as to his or her qualifications and authority and as to the truth of the statements contained in such certificate.

History: 1977 c. 29.

100.025 Classification of dairy heifer calves. (1) As used in this section, "dairy heifer calf" means a female bovine animal, of a recognized dairy breed, at least 2 weeks and less than 4 months of age.

(2) The owner of the herd of origin of any healthy dairy heifer calf may classify such calf as a "Wisconsin Blue Tag" dairy heifer calf by certifying that he is the owner of the herd of origin; that the sire of such calf is a registered purebred sire; and that the dam is of the same breed as the sire. Such certification shall be on forms prescribed by the department and shall include identification of the calf and its sire and dam, and such other information as the department requires. Dairy heifer calves so classified shall be identified by the owner of the herd of origin or his agent by inserting a blue ear tag in the right ear and shall be accompanied by the certificate.

(3) The owner of the herd of origin of any calf may identify such calf as a slaughter calf by notching the right ear with a "V" notch. It is unlawful for a buyer of such calf to falsely represent in writing that the calf will be slaughtered or resold only to a slaughterer for immediate slaughter. In addition to the penalties provided for violations of this section, any buyer falsely representing the slaughter of such calf shall be liable in the sum of \$100 to the owner of the herd of origin in a suit brought to collect the same.

(4) Blue ear tags for dairy heifer calves shall be purchased from the department. Each tag shall bear a distinctive serial number. No person shall possess or use, for identification pursuant to this section, ear tags which have not been issued by the department. Ear tag applicators and other supplies may be purchased from the department.

(5) No person shall falsely execute any herd owner's certificate or falsely represent the identity or classification of any calves provided for in this section.

100.03 Food processors' payments; bond or security. (1) (a) No operator of any food processing plant, for which a license is required by s. 97.28, shall buy or otherwise take title to or possession of any farm product from the producer thereof without paying to the producer the full agreed price at the time of obtaining such possession or control, unless the applicant shall first satisfy the department that his financial condition is such as to reasonably assure prompt payment to growers of the produce contracted for or received by him as and when the same becomes due and payable. Such application shall be accompanied by a financial statement of

the applicant's most recently completed fiscal year and such supplemental and additional information as the department may require.

(b) No operator of a food processing plant, for which a license is required by s. 97.28, shall, through a subsidiary or affiliate as herein defined, buy or otherwise take title to or possession of any farm product for which the producer thereof has not been paid the full agreed price, unless the applicant shall first satisfy the department that the financial condition of such subsidiary or affiliate is such as to reasonably assure prompt payment to such producers of the farm product processed by the applicant, in accordance with the contract between such producers and such subsidiary or affiliate. The term "subsidiary or affiliate" shall include any person who is a partner in an applicant partnership or is an officer or has a controlling interest in an applicant corporation, and any partnership of which the applicant is a partner, and any corporation controlled by the applicant, and any corporation controlled by the same person or persons controlling the applicant. In any case where the department is not satisfied that the financial condition of such subsidiary or affiliate reasonably assures such prompt payment, or finds that the current financial position of such subsidiary or affiliate is not accurately shown by the statement filed with the department, it may require as a condition to the issuance of a license that the applicant guarantee such payment to such producers by such subsidiary or affiliate and may require in addition to such guarantee that the applicant furnish bond or security as provided in sub. (2), conditioned upon the performance of such guarantee.

(2) In any case where the department is not satisfied that the financial condition of the applicant does reasonably assure such prompt payment, or finds that the applicant's current financial position is not accurately shown by the statement so filed, it may require as a condition to the issuing of such license that the applicant either:

(a) Make and file a surety bond in such sum as it deems sufficient, executed by the applicant as principal and by a surety company qualified and authorized to do business in this state as surety; such bond shall be in such form as the department may prescribe, be made payable to the state of Wisconsin for the benefit of producers who might suffer by reason of default of the principal, and be conditioned that the principal shall pay or cause to be paid to producers all sums owing producers for products contracted for or received by the principal as the same become due. In lieu of such bond the applicant may deposit cash or negotiable securities in such

amount and in such manner and form as the department approves.

(b) Make and file with the department an agreement providing for the "set aside" of the processed produce equivalent to not less than 30 per cent of the produce obtained from producers, in trust for such producers. The agreement shall provide that no part of such "set aside" shall be released by the trustee unless an amount equivalent to the value of such released portion has been paid to apply proportionally on the claims of producers or is paid over to the trustee for such payment. The agreement shall designate the individual who shall be responsible for carrying out the agreement on behalf of the applicant, and shall be signed by him and by a trustee approved by the department. Wilful failure of such individual or such trustee to carry out the terms of the agreement to the prejudice of such producers shall be fined not to exceed \$10,000 or imprisoned not to exceed one year, or both. The applicant shall agree to pay all expenses of such trust. The department may release the "set aside" upon the filing of a current financial statement.

(3) Upon receipt of evidence of default by any licensee in making payment to producers the department may commence an action for the recovery of claims of all producers or otherwise assist the producers to establish an organization for the purpose of making collection.

History: 1979 c. 110 s. 60 (12).

100.05 Butter and cheese manufacturers; accounts accessible. No operator of a butter factory or cheese factory wherein the value of the milk or cream delivered is determined by the sale of the product manufactured shall use or allow any other person unless he is entitled to the benefit thereof to use any milk or cream brought to him, without the consent of the owner thereof, and such operator shall keep or cause to be kept a correct account (which shall be open to the inspection of any person furnishing milk to him and to the department, its chemists, assistants, inspectors and agents) of the amount of milk or cream received daily, and of the number of pounds of butter, and the number and style of cheese made each day, and of the number of cheese cut or otherwise disposed of and the weight of each, and the number of pounds of whey cream sold, with the test.

100.055 Butter; grading; label. (1) It is unlawful to sell, offer or expose for sale, or have in possession with intent to sell, any butter at retail unless it has been graded. Butter shall be graded as follows:

- (a) Grade, Wisconsin, AA—93 score;
- (b) Grade, Wisconsin, A—92 score;

- (c) Grade, Wisconsin, B—91-90 score;
 (d) Grade, Wisconsin, undergrade—all butter below Wisconsin B.

(2) United States AA, A, and B grades shall be accepted in lieu of the corresponding Wisconsin AA, A, and B grades, but all United States grades below B shall, for the purpose of this section, correspond to Wisconsin undergrade.

(3) As used in this section, score or grade means the grading of butter by its examination for flavor and aroma, body and texture, color, salt, package and by the use of other tests or procedures approved by the department of agriculture, trade and consumer protection for ascertaining the quality of butter in whole or in part.

(4) Details for methods and procedures to be used for ascertaining quality, for labeling, and for arbitrating disputes with respect to grades, shall be developed by the supervisory grading service (department of agriculture, trade and consumer protection) as a result of public hearings to be held at a convenient location in the state.

(5) Butter from outside of the state sold within the state shall be provided with a label which indicates that it complies with the state grade standards as provided in this section and which indicates the grade in a manner equivalent to the requirements for butter manufactured and sold within the state.

(6) Butter which carries the state grade labels shall be graded by approved industry graders under the supervision of the supervisory grading service (department of agriculture, trade and consumer protection).

(7) No person, for himself, or as an agent, shall advertise the sale of any butter at a stated price, unless the grade of the butter is set forth in such advertisement in not less than 10-point type.

History: 1977 c 29 s 1650m (4)

100.057 Wisconsin cheese logotype. The department shall design an official logotype appropriate for affixation to and display in connection with natural cheese meeting quality standards established by the department and manufactured in this state entirely from milk which is produced under standards which are equal to or greater than standards established under s. 97.24 and rules adopted under s. 97.24 or under minimum sanitary and quality standards prescribed under s. 97.52 and rules adopted under s. 97.52. The design shall consist of an outline of the boundaries of the state and the words "100% Wisconsin Cheese" and such other specifications as the department deems

appropriate. Nothing in this section shall prohibit the use of other appropriate labels or logotypes.

History: 1975 c. 323; 1977 c. 157

100.06 Dairy licenses; financial condition.

(1) (a) No person shall operate a dairy plant or receiving station, as defined in s. 97.20, and no license therefor shall be issued unless he shall have first satisfied the department that his financial condition is such as to reasonably assure prompt payment to the producers for the milk and cream to be purchased by him as and when the same becomes due and payable.

(c) The department shall require the applicant to file a verified statement of his business operations and financial condition. The licensee, during the term of his license, may be required to file such statements periodically. All such statements shall be confidential and shall not be open for public inspection. The department may require such statements to be certified by a public accountant. Such statements and audits, when made by the department, shall be paid for at cost.

(2) In all cases where it appears that the financial condition of the applicant or of the licensee is not adequate to reasonably assure payment when due for the milk, cream or dairy products to be purchased by him, the department may require:

(a) The filing of a bond or other security acceptable to the department in an amount not to exceed the sum reasonably likely to be due and accrued at any one time for such milk, cream or dairy products, which bond or security shall be payable to the department for the benefit of the persons who would otherwise suffer by reason of the default of the licensee in the payment for such milk, cream or dairy products.

(b) The filing of an agreement providing for the complete control over all manufactured or processed milk and dairy products by a trustee to be selected at least annually by the producers. Such trustee shall make and file a trustee's bond and contracts signed by the operator and the purchaser of the dairy products requiring that payment for all such products sold be made to him as trustee. Such trustee shall maintain a separate bank account for that purpose and shall at least annually render a true and correct account of his dealings to the department and to the producers.

(c) That the licensee shall receive no milk or cream on credit after the 5th day of any month unless at least 90 per cent of the value of the milk or cream delivered during the first 15 days of the preceding month shall have been paid, nor after the 20th day of any month unless the value of all

100.06 MARKETING; WAREHOUSES; TRADE PRACTICES

2384

of the milk or cream delivered during the previous month shall have been paid in full; provided that when payment is based on the value of Swiss cheese manufactured from the milk or cream so delivered, an extension of 2 months during which the product is held for curing shall be allowed if the manufactured product is the property of the producers or if the proceeds from the sale thereof are made payable to and distributed by a banking institution.

(3) (a) All dairy plant operators shall inform producers delivering milk and cream of the financial basis on which the license was issued including the type and amount of security, if any, filed under this section by statement in writing to each producer patron at least once every 6 months.

(b) No person shall receive milk, cream or dairy products which will increase the amount due and accrued from him beyond the amount represented as a basis for the issuance of a license without first notifying the department.

(4) Any person injured by the breach of any obligation under this section may file with the department a verified proof of claim. Upon receipt of such claim or any other evidence of default, the department, by order, may require all interested creditors to file their verified proofs of claim before a certain date or be barred from participating in any recovery made by the department. Notice of the entry of such order shall be given by posting a copy thereof on the premises described in the license and by publication of a class 3 notice, under ch. 985, in the affected area. The date of last insertion shall not be less than 30 days prior to the last date for the filing of such claims. The department shall make the necessary audit and by order allow or disallow all claims presented. Notice of allowance or disallowance and request for the payment within 30 days of the claims allowed shall be sent to the principal and surety by registered mail. The department may demand, collect and receive from the licensee or the trustee, or from the surety or sureties of either of them, the amount determined to be necessary to satisfy such claims. It may commence an action for that purpose in the circuit court of the county in which the licensed plant is located. Upon receipt of the money to be applied to the satisfaction of such claims as provided in this section, the department shall make distribution to the claimants in accordance with the order allowing claims, in full or proportionally, as the case may be. No claims for the purchase price of any milk, cream or dairy products the value of which was due and payable more than 30 days prior to the date the first written notice of default is received by the department, nor claims covering transactions wherein the seller has granted to

the licensee any voluntary extension of credit, shall be allowed or paid under this section.

(5) When any dairy plant or receiving station shall employ or retain a sales agent or commission dealer to market and distribute its dairy products, and such sales agent or commission dealer shall sell such dairy products to a dairy products dealer, such dairy products dealer shall directly remit or transmit all moneys due thereunder to such dairy plant operator or to the trustee thereof, as the case may be. The dairy plant or receiving station shall be responsible for the payment of any commission or salary that may be due to such sales agent or commission dealer. Such payment by the dairy products dealer shall be considered as in full release, payment and discharge of any obligation thereunder.

(6) Compliance with this section shall be an additional requirement for the license and non-compliance shall be ground for denial, suspension or revocation of license, under s. 97.20. Section 97.20 (9) and (10) shall apply to this section.

(7) The whole claim of any person against any licensee under s. 97.20 on account of milk, cream or dairy products sold or delivered to such licensee and any judgment therefor shall be entitled to the same preference in any insolvency or other creditor's proceedings as is given by any law of this state to claims for labor. One claim may be filed for any number of producers and when so filed the preference shall be allowed on the amount due each producer. Such preference shall also be given in bankruptcy proceedings to the extent permitted by the federal law. This section shall not affect or impair any other lien, security or priority for said claim or judgment.

(8) Nothing in this section shall be construed to apply to the sale of milk, cream or dairy products in interstate commerce to an out-of-state plant operator or dealer not licensed under this section. The protection to producers afforded by this section shall be available to the producers of any state selling milk or cream to any dairy plant licensed in this state.

History: 1979 c. 110 s. 60 (12)

The department could find an implied contract that a dairy plant would pay producers of milk a competitive price and that when less was paid the difference was to be made up from the security funds of the producer. *Columbus Milk Producers v. Dept. of Agriculture*, 48 W (2d) 451, 180 NW (2d) 617

100.07 Milk payments; audits. (1) Whenever petitions signed by more than 60 per cent of the producers of milk delivered to any dairy plant or petitions signed by more than 60 per cent of the producers comprising any municipal milk shed shall be presented to the department asking for the audit of payments to producers, the department by investigation and public

hearing shall determine the facts in support of and against such petition and render its decision thereon. The department by order shall define the plants and areas affected. All persons receiving from producers in any such plant or area milk any part of which is used for fluid distribution shall keep adequate records of all purchases and all usage or disposition of milk and shall make reports thereof as prescribed by the department. The department shall have free access to such records and shall after entry of such order audit the receipts and usage or disposition of milk and cream at intervals sufficiently frequent to keep the producers informed for bargaining purposes.

(2) Each such person shall deduct from the price to producers an amount sufficient to administer this section, to be the same for all, and not to exceed one-half cent per 100 pounds of milk received or its equivalent. Amounts so deducted are trust funds and shall be paid to the department.

(3) Whenever petitions signed by more than 51 per cent of the producers of milk delivered to any such plant or in any such municipal milk shed shall be presented to the department asking for discontinuance of such auditing service, it shall promptly hold a public hearing to determine the sufficiency of such petitions, and if it shall appear that the required number of persons have so petitioned, the auditing service shall be ordered discontinued. Plants and areas now being audited by the department shall continue to receive such service until an order of discontinuance is made as herein provided.

(4) Authorized officials of any organization whose members are producers delivering milk to any such plant or in any such municipal milk shed may sign petitions for such auditing service or for the discontinuance thereof for and on behalf of the producer members of such organization.

(5) Any person who violates this section by failing to pay to the department the deductions required by this section, or by failing to make or to keep the required records or reports, or by wilfully making any false entry in such records or reports, or by wilfully failing to make full and true entries in such records or reports, or by obstructing, refusing or resisting other than through judicial process any department audit of such records, shall be fined not to exceed \$200 or imprisoned in the county jail not more than 6 months or by both.

(6) Action to enjoin violation of this section may be commenced and prosecuted by the department in the name of the state in any court having equity jurisdiction.

100.12 Refusal of commission merchant to furnish written statement of transaction prima facie evidence of gambling. (1)

Every person doing business as a commission merchant or broker shall furnish, upon demand, to any person for whom he has executed an order for the purchase or sale of a commodity, whether for immediate or future delivery, a written statement containing the following information:

(a) The name of the party from whom the commodity was bought or to whom it was sold, whichever the case may be; and

(b) The time when, the place where, and the price at which such commodity was bought or sold.

(2) Refusal upon demand to furnish the written statement specified in sub. (1) is prima facie evidence that the purchase or sale of the commodity was not a bona fide business transaction.

(3) Transactions by or between members of a lawfully constituted chamber of commerce or board of trade which has been organized pursuant to the laws of this state are prima facie valid if they are conducted in accordance with the charter of such chamber of commerce or board of trade and the rules, by-laws and regulations adopted thereunder.

100.13 Warehouse keeper. (1) DEFINITIONS, LICENSES. (a) As used in this section, "warehouse keeper" includes any person who stores property for hire, except this term excludes:

1. A municipal and railroad corporation;
2. A person licensed under s. 99.02 or 126.07 as to business covered by the license;
3. A person who operates a warehouse storing only grain, as defined under s. 127.01 (8);
4. A cooperative association storing farm products and merchandise for members;
5. A person who owns and uses warehouses for storage of manufactured dairy products, canned produce or dairy products, manufactured by the person; and
6. A person who operates a field warehouse.

(b) The department of agriculture, trade and consumer protection may exempt from the operation of this section a warehouse or portion thereof if the operator has a license under the federal bonded warehouse act.

(c) A person desiring a warehouse keeper's license shall make application on a form furnished by the department and shall set forth the location, size, character and equipment of the building or premises to be used by him, the kinds of goods intended to be stored, the name of each partner, if a partnership, and the names of the officers, if a corporation, and such other facts as

the department requires to show that the property proposed to be used is suitable for a warehouse and that the applicant is qualified as a warehouse keeper. If the property proposed to be used is suitable for a warehouse and the applicant is entitled to a license, he shall be notified of the fact and upon payment of the license fee and giving the bond required a license shall issue.

(2) WAREHOUSE KEEPER CLASSIFIED. Warehouse keepers are classified as follows: Warehouse keepers who have less than 10,000 square feet of floor space constitute class 1; warehouse keepers who have 10,000 square feet or over but less than 50,000 constitute class 2; warehouse keepers who have 50,000 square feet or over but less than 100,000 constitute class 3; warehouse keepers who have 100,000 square feet or over but less than 150,000 constitute class 4; and warehouse keepers who have 150,000 square feet or over constitute class 5.

(3) LICENSE FEES, TERM. (a) Every warehouse keeper before he is licensed shall pay into the state treasury an annual fee, as follows: For class 1, \$25; for class 2, \$50; for class 3, \$100; for class 4, \$150; and for class 5, \$200.

(b) No license shall be issued for part of a year for less than the annual fee, and the license is not transferable. The license period expires June 30.

(4) BOND. (a) Every warehouse keeper, before being licensed, shall file with the department a bond to the state, with one or more sureties, who shall justify in double the amount of the bond, or with an insurer authorized to do a surety business. The bond must be acceptable to the department and shall be conditioned that the warehouse keeper will faithfully perform the obligations of a warehouse keeper. Any person whose property is stored in any licensed warehouse may apply to the department to determine the sufficiency of the bond. When the department determines that a bond is insufficient, or if the bond or insurance policy lapses or is canceled without approval of the department, the warehouse keeper shall correct the defect within 20 days after written notice from the department and, if the defect is not corrected within that period, the warehouse keeper's license shall be considered automatically revoked without further action as of the expiration of the 20-day period. Any warehouse keeper may, in lieu of a bond, file with the department a certified copy of a legal liability insurance policy of like amount which is acceptable to the department and payable to the state for the benefit of the owners of stored property, and which provides that the policy shall not be canceled during the

license period except upon 15 days' written notice to the department.

(b) The bond or insurance policy shall be in amount as follows: For class 1, \$5,000; for class 2, \$10,000; for class 3, \$15,000; for class 4, \$20,000; and for class 5, \$25,000.

(c) In the case of warehouse keepers engaged exclusively in storing wearing apparel the department may accept, in lieu of bond, a certified copy of insurance policies protecting the owners of all stored goods against loss or damage by fire, wind, water or theft.

(5) SIGN POSTED. Every warehouse keeper shall keep a conspicuous sign posted on the outside of each warehouse, at its main entrance, and another conspicuous sign posted at its main exit which sign shall state clearly the name of the warehouse keeper and that the warehouse is a public warehouse.

(7) TRANSACTING BUSINESS WITHOUT A LICENSE. No person shall act or hold himself out as a warehouse keeper or advertise for or solicit business as a warehouse keeper without a warehouse keeper's license, or when his bond has become void or has been found insufficient.

(8) VIOLATIONS. The department in the name of the state may commence action to enjoin violation of this section and may prosecute such violation in any court of appropriate jurisdiction.

History: 1977 c. 29 s. 1650m (4); 1979 c. 102; 1979 c. 335 ss. 3, 6; 1979 c. 355

100.14 Uniform labels and trademarks.

(1) The department may adopt uniform labels and trademarks for brands of Wisconsin products and shall, upon request, permit the use of such labels and trademarks by any person engaged in the production or distribution of products who complies with regulations issued by the department for the use of such labels or trademarks.

(2) The secretary of state shall, upon application of the department, record any such label or trademark under ss. 132.01 to 132.11. The department shall be entitled to protect such label or trademark under said sections and in any other manner authorized by law.

100.15 Regulation of trading stamps. (1)

No person, firm, corporation, or association within this state may use, give, offer, issue, transfer, furnish, deliver, or cause or authorize to be furnished or delivered to any other person, firm, corporation, or association within this state, in connection with the sale of any goods, wares or merchandise, any trading stamp, token, ticket, bond, or other similar device, which entitles the purchaser receiving the same to procure any goods, wares, merchandise privilege, or

thing of value in exchange for any such trading stamp, token, ticket, bond, or other similar device.

100.18 Fraudulent advertising. (1) No person, firm, corporation or association, or agent or employe thereof, with intent to sell, distribute, increase the consumption of or in any wise dispose of any real estate, merchandise, securities, employment, service, or anything offered by such person, firm, corporation or association, or agent or employe thereof, directly or indirectly, to the public for sale, hire, use or other distribution, or with intent to induce the

public in any manner to enter into any contract or obligation relating to the purchase, sale, hire, use or lease of any real estate, merchandise, securities, employment or service, shall make, publish, disseminate, circulate, or place before the public, or cause, directly or indirectly, to be made, published, disseminated, circulated, or placed before the public, in this state, in a newspaper, magazine or other publication, or in the form of a book, notice, handbill, poster, bill, circular, pamphlet, letter, sign, placard, card, label, or over any radio or television station, or in any other way similar or dissimilar to the foregoing, an advertisement, announcement, statement or representation of any kind to the public relating to such purchase, sale, hire, use or lease of such real estate, merchandise, securities, service or employment or to the terms or conditions thereof, which advertisement, announcement, statement or representation contains any assertion, representation or statement of fact which is untrue, deceptive or misleading.

(2) In advertising or otherwise representing the sale or furnishing of any property or services combined with or conditioned on the purchase of any other property or services described in such advertisement or other representation, it is deceptive to fail to state the price or amount which must be paid for the property or services included in such sale, along with any other requirement which is a condition to the receipt of such property or services. The price or amount which must be paid shall be set forth clearly, conspicuously and in such manner that the total price or amount to be paid may be readily ascertained.

(3) It shall be deemed deceptive advertising, within the meaning of this section, for any person, firm or corporation, engaged in the business of buying or selling new or secondhand furs, wearing apparel, jewelry, furniture, pianos, phonographs, or other musical instruments, motor vehicles, stocks, or generally any form of property, real, personal or mixed, or in the business of furnishing any kind of service or investment, to advertise such articles, property or service for sale or purchase, in any manner indicating that the sale or purchase is being made by a private party or householder not engaged in such business. And every such firm, corporation or association, engaged in any such business, in advertising goods, property or service for sale or purchase, shall affirmatively and unmistakably indicate and state that the seller or purchaser is a business concern and not a private party.

(4) It shall be deemed deceptive advertising, within the meaning of this section, for any person, firm or corporation to take donations or

On pumps or other dispensing equipment from which motor fuel is sold and delivered directly into fuel supply tanks attached to motor vehicles, such posting shall be in figures not less than one inch high, except that no such placard shall be required on a computer pump whereon the total net selling price per gallon including all taxes is legibly shown on its face. All sales shall be made at the posted price and delivery slips shall also show the net selling price per gallon of all grades of motor fuel and the amount of all taxes per gallon thereon. If the wholesaler or person has more than one place of business in this state, the wholesaler or person shall post said placard at all of his places of business. All prices posted shall remain in effect for at least 24 hours after they are posted. (11) (a) The department of agriculture, trade and consumer protection shall enforce this section. No injunction may be issued under this section which would conflict with general or special orders of the department or any statute, rule or regulation of the United States or of this state.

(c) 1. Whenever the department has reason to believe that a person is in possession, custody or control of any information or documentary material relevant to the enforcement of this section it may require that person to submit a statement or report, under oath or otherwise, as to the facts and circumstances concerning any activity in the course of trade or commerce; examine under oath that person with respect to any activity in the course of trade or commerce; and execute in writing and cause to be served

(d) The department or the department of justice or any district attorney, upon informing the department of justice, may commence an action in circuit court in the name of the state to restrain by temporary or permanent injunction any violation of this section. The court may in its discretion, prior to entry of final judgment, make such orders or judgments as may be necessary to restore to any person any pecuniary loss suffered because of the acts or practices involved in the action, provided proof thereof is submitted to the satisfaction of the court. The department of justice may subpoena persons, require the production of books and other documents, and may request the department to exercise its authority under par. (e) In lieu of instituting or continuing an action pursuant to this section, the department or the department of justice may accept a written assurance of discontinuance of any act or practice alleged to be a violation of this section from the person who has engaged in such act or practice. The acceptance of such assurance by either the department or the department of justice shall be deemed acceptance by the other state officials enumerated in par. (d) if the terms of the assurance so provide. An assurance entered into pursuant to this section shall not be considered evidence of a violation of this section, provided that violation of such an assurance shall be treated as a violation of this section, and shall be subjected to all the penalties and remedies provided therefor.

wholesaler having no principal business office within this state shall file with the department or a designated agent approved by the department such current records or price lists required to be made available under this subsection. Such current records or price lists shall be available for inspection and copying by any retailer or wholesaler upon his written request therefor. The failure or refusal of any wholesaler to make available for inspection and copying any record or price list required to be made available under this subsection within 24 hours after a request has been received or to file with the department current records or price lists as required shall be prima facie evidence of a violation of this subsection.

3. In case of the failure or refusal of any wholesaler to make available or file any record or price list as required by this paragraph, any court of record of competent jurisdiction shall, upon a showing of such failure or refusal, and upon notice, order said wholesaler to give to the retailer or wholesaler so requesting, within a specified time, an inspection thereof, with permission to make a copy therefrom, or to file such information with the department.

(b) Discriminate in price, directly or indirectly, between different purchasers of selected dairy products of like grade and quality where the effect of such discrimination may be substantially to lessen competition or tend to create a monopoly, or to injure, destroy or prevent competition with any person who either grants or knowingly receives the benefit of such discrimination, or with customers of either of them. Proof made at any proceeding under this paragraph that there has been discrimination in price shall be prima facie evidence of the truth of such charges. The burden of rebutting such prima facie evidence by a showing of justification shall be upon the person charged with the violation. Nothing in this paragraph shall prevent any person charged with a violation of this paragraph from rebutting such prima facie evidence by showing that his lower price was made in good faith to meet an equally low price of a competitor. Nothing in this paragraph shall be construed to apply to the submission of bids to or sales to the United States, the state, any municipality as defined in s. 345.05 (1) (a), or any religious, charitable or educational organization or institution. Nothing in this paragraph shall prevent:

1. Price differentials which merely allow for differences in the cost of manufacture, sale or delivery resulting from the differing methods or quantities in which such selected dairy products are sold or delivered to such purchasers.

2. Persons engaged in selling selected dairy products from selecting their own customers in

bona fide transactions and not in restraint of trade.

3. Price changes from time to time resulting from changing conditions affecting the market for or the marketability of the selected dairy products concerned, including but not limited to actual or imminent deterioration, obsolescence, distress sales under court process, or sales in good faith in discontinuance of business in the selected dairy products concerned.

(c) Make payments of money, credit, gifts or loans to retailers as rental for the storage or display of selected dairy products on the premises where they are offered for sale by the retailer.

(d) Make or underwrite loans to a retailer or become bound in any manner for the financial obligation of any retailer except that a wholesaler may lend money to a retailer for the purchase of equipment for the storage, transportation and display of selected dairy products, provided the loan is for not more than 90% of the purchase price, bears at least a 5% annual interest rate, is payable in equal monthly instalments over a period of not more than 48 months, and is secured by a security interest created by a security agreement specifying all payments by the retailer and duly filed by the wholesaler within 10 days after the making or underwriting of said loan, as provided in ss. 409.401 and 409.402.

(e) Furnish, sell, give, lend or rent any equipment to a retailer except:

1. The wholesaler, under a bill of sale or security agreement describing the property sold and specifying the price and terms of sale duly filed by him under ss. 409.401 and 409.402 within 10 days after delivery of the equipment described therein, may sell equipment for the storage, transportation and display of selected dairy products to the retailer but the selling price shall be not less than the cost to the wholesaler, less 10% per year depreciation, plus transportation and installation costs, plus at least 6%, but in no event shall it be less than \$100 per unit. In filing bills of sale under this section, the filing officer shall follow the procedure under s. 409.403 insofar as applicable. If the wholesaler makes the sale under a security agreement, the terms of sale shall be no more favorable to the retailer than those under sub. (2) (d). Failure by any wholesaler to enforce his security interest under this paragraph or sub. (2) (d) if a retailer is in default for more than 90 days shall constitute prima facie evidence of a violation of this section. No wholesaler shall renegotiate a security agreement which is in default.

2. The wholesaler may provide without restriction coin-vending machines from which the product vended is consumed on the premises.

3. The wholesaler may furnish equipment to retailers for the storage, transportation or display of selected dairy products for one period of not longer than 10 consecutive days a year to any one retailer for use at a fair, exhibition, exposition or other event for agricultural, industrial, charitable, educational, religious or recreational purposes.

4. A wholesaler who furnishes, lends or rents the use of equipment for the storage or display of selected dairy products to any person exempt under sub. (1) (d) 1 shall not sell selected dairy products which will be stored or displayed in such equipment to any retailer using the equipment on the premises of such exempt person unless such retailer purchases said equipment in accordance with this paragraph or par. (d). Nothing in this paragraph shall limit sales of selected dairy products to retailers in conjunction with equipment furnished under subd. 3.

(f) Maintain or make repairs of any equipment owned by a retailer except those used exclusively for selected dairy products. On such repairs the wholesaler shall make charges for the service and parts at the same prices as are charged by third persons rendering such service in the community where the retailer is located but in no event shall the charges be less than the cost thereof to the wholesaler plus a reasonable margin of profit.

(g) Extend or give credit to any retailer in excess of 30 days payable 15 days thereafter.

(h) 1. Sell or offer to sell, directly or indirectly, any selected dairy product at less than cost with the purpose or intent of injuring, destroying or eliminating competition or a competitor or creating a monopoly, or where the effect may be any of the same. This paragraph shall apply to all sales, including those made to any instrumentality of state or local government and to all religious, charitable or educational organizations or institutions, but does not apply to sales made to the United States.

2. "Cost" of a selected dairy product to a wholesaler means that portion of all of the cost of raw product plus all costs of manufacturing, processing, packaging, handling, sale, delivery and overhead of such wholesaler which, under a system of accounting in accordance with sound accounting principles and reasonably adapted to the business of such wholesaler, is fairly allocable to such selected dairy product and the sale thereof to its customers or to a particular class thereof. Such cost shall include, but not be limited to, all expenses for labor, salaries, bonuses, fringe benefits, administration, rent, interest, depreciation, power, raw and processed

ingredients, materials, packaging, supplies, maintenance of equipment, selling, advertising, transportation, delivery, credit losses, license and other fees, taxes, insurance, and other fixed and incidental operating expenses and costs of doing business.

3. The department may by rule after hearing adopt a uniform system of accounting to be used by the department in determining the cost of a selected dairy product and to require wholesalers to file reports of such cost based upon such adopted system of accounting.

4. Proof made at any proceeding under this paragraph of a sale or offer to sell, directly or indirectly, any selected dairy product at less than cost as determined by department rule, if adopted, shall be prima facie evidence that it was made with the purpose or intent of injuring, destroying or eliminating competition or a competitor or creating a monopoly and that the effect may be any of the same. The burden of rebutting such prima facie evidence shall be upon the person charged with a violation of this paragraph. Nothing in this paragraph shall prevent any person charged with a violation of this paragraph from rebutting such prima facie evidence by showing that his sale or offer to sell was made in good faith to meet competition.

5. This paragraph shall also apply to any retailer who owns, operates or otherwise contracts for, directly or indirectly, facilities for manufacturing or processing any selected dairy product, and to the cost of a selected dairy product, as defined in this paragraph, shall be added both the wholesale and retail markup as provided in s. 100.30.

(i) 1. Give, offer to give, furnish, finance or otherwise make available, directly or indirectly, to any retailer or to any other person doing business with such retailer anything of value which is connected with, or which aids or assists in, or which may induce or encourage, the purchase, handling, sale, offering for sale or promotion of the sale of the wholesaler's selected dairy products by such retailer or any other person doing business with such retailer. The term "anything of value" as used herein includes, but is not limited to:

a. Any payment, discount, rebate, allowance, gift, goods, merchandise, privilege, contest, service or facility, whether or not given, offered, furnished, financed or otherwise made available in combination with or contingent on a purchase.

b. Any transaction involving the use of a coupon, token, slip, punch card, trading stamp or other device similar in nature, including any part of a container or package intended to be

used as such device, and which transaction involves any participation by or purchase from a retailer.

2. Nothing in subd. 1 shall prevent, as to transactions with retailers, any of the following:

a. Differences in wholesale price, including any discount, rebate or allowance, not in violation of par. (b).

b. The furnishing of hostesses or demonstrators at any retailer's premises to promote the wholesaler's own brands of products.

c. The giving away of merchandise to be consumed on the premises.

d. The furnishing or installation of point of sale advertising material to any retailer that remains inside such retailer's premises made of paper, cardboard or other material not permanent in nature or indoor advertising signs, all of which have no use other than the promotion of the wholesaler's own brands of products and do not identify the retailer.

e. The furnishing or installation of indoor clocks bearing only the wholesaler's advertising and having a value of not more than \$30.

f. Advertising allowances which do no more than reimburse a retailer for his costs in advertising the wholesaler's own brands of products.

g. The furnishing or installation of outdoor signs advertising the wholesaler's own brands of products but not more than one-third of the space or cost of such signs may be used to identify the retailer.

h. The advertising by a wholesaler of his own brands of products through any media which does not identify any retailer or involve any transaction or conduct otherwise prohibited by this section.

i. Offers of premiums for which the consumer pays a separate fee which covers in full the wholesaler's costs of making such premiums available.

j. Transactions otherwise permitted by pars. (d), (e), (f), (g) and (h) and sub. (3).

(3) OPERATION OF RETAIL OUTLET BY WHOLESALER. Nothing in this section shall be interpreted to prohibit the operation of a retail outlet by a wholesaler for retail sales or to prohibit the use by him in such retail outlet any equipment or advertising or miscellaneous matter owned by him provided that such retail outlet is under direct control and management of the wholesaler.

(4) UNLAWFUL ACTS OF RETAILERS. It is unlawful for any retailer or any officer, director, employe or agent thereof to solicit or receive, directly or indirectly, from or through a wholesaler, broker or another retailer, anything which is prohibited by sub. (2), where he knows or, in the exercise of reasonable prudence, should know that the same is prohibited.

(5) UNLAWFUL ACTS OF BROKERS. (a) It is unlawful for a broker, or any officer or agent thereof, to participate, directly or indirectly, in any unfair trade practice described in sub. (2).

(b) It is unlawful for a wholesaler to engage or offer to engage in any unfair trade practice described in sub. (2), directly or indirectly, through a broker.

(6) FEE ON DAIRY PRODUCTS. (a) For the purpose of administering and enforcing this section the first person who processes or manufactures any selected dairy product for sale at wholesale or sale at retail (except sales at retail by counter freezer operators licensed under s. 97.26) within this state, or the wholesaler or retailer who first receives any such product already processed from outside the state for sale within the state, shall pay to the department on or before the 25th day of each month following the month in which such wholesaler receives, processes or sells such selected dairy products, a fee as determined by the department, but not to exceed 5 mills per hundredweight of 3.5% butterfat raw milk equivalent on all selected dairy products defined in sub. (1) (a) 1 sold within the state in final consumer package or container to retailers or consumers or sold in such packages or containers to other wholesalers of selected dairy products for further sale within the state to retailers or consumers, and not to exceed 3.5 mills per gallon on all ice cream mix and ice milk mix made for freezing into ice cream and ice milk and ultimately sold within the state, whether in the form of mix or finished ice cream and ice milk. Products upon which fees have been paid shall be exempt from further fees in successive transactions. Any person claiming that products sold by the person are not subject to assessment under this subsection by reason of the fact that they were not sold or resold within the state shall have the burden of so proving, and shall be obligated to pay assessment on such products unless and until the person produces records satisfying the department that such products are not subject to assessment.

(b) A failure on the part of any person to pay on demand any assessments due hereunder shall be punishable as a violation of this section. The department may, by appropriate proceedings in any court of competent jurisdiction, recover the amount of any assessments due hereunder, together with interest at the rate of 2% per month, for each month such payments are delinquent.

(7) APPLICABILITY. The provisions of ss. 133.04 and 133.05 shall not apply to any conduct either permitted, required or prohibited under this section.

(8) ENFORCEMENT. It is the duty of the department to investigate, ascertain and determine whether this section or lawful orders issued hereunder are being violated and for such purposes the department shall have all the powers conferred by ch. 93.

(8m) JURISDICTION. This section shall apply to transactions, acts or omissions which take place in whole or in part outside this state. In any action or administrative proceeding the department has jurisdiction of the person served under s. 801.11 when any act or omission outside this state by the defendant or respondent results in local injury or may have the effect of injuring competition or a competitor in this state or unfairly diverts trade or business from a competitor, if at the time:

(a) Solicitation or service activities were carried on within this state by or on behalf of the defendant or respondent; or

(b) Selected dairy products processed, serviced, distributed or manufactured by the defendant or respondent were received for resale in this state at retail or wholesale without regard to where sale or delivery takes place.

(9) PENALTIES. (a) Any person violating this section shall forfeit not less than \$100 nor more than \$5,000 for each violation.

(b) The department, after public hearing held under s. 93.18, may issue a special order against any person requiring such person to cease and desist from acts, practices or omissions determined by the department to violate this section. Such orders shall be subject to judicial review under ch. 227. Any violation of a special order issued hereunder shall be punishable as a contempt under ch. 785 in the manner provided for disobedience of a lawful order of a court, upon the filing of an affidavit by the department of the commission of such violation in any court of record in the county where the violation occurred.

(c) The department, in addition to or in lieu of any other remedies herein provided, may apply to a circuit court for a temporary or permanent injunction to prevent, restrain or enjoin any person from violating this section or any special order of the department issued hereunder, without being compelled to allege or prove that an adequate remedy at law does not exist.

(d) The provisions of s. 93.06 (7) shall be applicable to violations of this section insofar as permits, certificates, registrations or licenses issued by the department for the manufacture, distribution, and sale of selected dairy products are concerned, provided that any suspension or revocation thereof pursuant to s. 93.06 (7) can be ordered only for failure to comply with any

special order issued pursuant to par. (b) or with any permanent injunction issued pursuant to par. (c), should such failure continue after such order or such injunction becomes final on the completion of any review proceedings. In such proceedings the department shall follow the hearing procedure set forth in s. 93.18 for special orders. Judicial review shall be as provided in ch. 227.

(e) Any person suffering pecuniary loss because of any violation of this section may sue for damages therefor in any court of competent jurisdiction and shall recover treble the amount of such pecuniary loss, together with costs, including a reasonable attorney's fee.

(f) Any retailer or wholesaler may file a written verified complaint with the department alleging facts which, if proved, would support a charge that a person named therein is engaging in unfair trade practices as defined in this section. Whenever such a complaint is filed it is the duty of the department to proceed to hearing and adjudication as provided in par. (b).

(g) A final judgment, decree or order hereafter rendered in any civil or criminal action or special proceeding, or in any special order proceeding under par. (b), brought by or on behalf of the state under this section to the effect that a defendant or respondent has violated said law shall be prima facie evidence against such defendant or respondent in any action or special proceeding brought by any other party against such defendant or respondent under said law, as to all matters respecting which said judgment, decree or order would be an estoppel as between the parties thereto but this subsection shall not apply to judgments, decrees or special orders entered by consent.

(10) REMOVAL OR SALE OF EQUIPMENT. Any equipment furnished by wholesalers to retailers prior to August 17, 1963, shall be removed from the retailers' premises or sold pursuant to sub. (2) (d) or (e) by January 1, 1964. The minimum selling price of such equipment, if fully depreciated in accordance with sub. (2) (e), shall not be less than \$10 per unit.

100.202 Contracts in violation void. All contracts and agreements made in violation of s. 100.201 are void.

100.21 Substantiation of energy savings or safety claims. (1) DEFINITIONS. In this section:

(a) "Dwelling unit" means a dwelling, as defined under s. 101.61, a manufactured building, as defined under s. 101.71 or a mobile home, as defined under s. 101.91.

100.21 MARKETING; WAREHOUSES; TRADE PRACTICES

2398

(b) "Energy savings or safety claim" means an advertisement or representation that:

1. A product is safe or meets any standard or measure of safety; or

2. A product or a consumer product, as defined in s. 100.42 (1) (c):

a. Increases fuel or electrical efficiency;

b. Reduces heat loss;

c. Reduces relative consumption of or expenditures for fuel or electricity; or

d. Meets any standard or measure of performance under subd. 2. a to c.

(c) "Insulation" means any material primarily designed to resist heat flow in a dwelling unit. "Insulation" does not include pipe or duct insulation except for duct wrap.

(d) "Motor vehicle" has the meaning provided under s. 340.01 (35).

(e) "Person" means any manufacturer, distributor, installer or seller of any product.

(f) "Product" means:

1. Insulation.

2. Any system or device used in or around a dwelling unit for the heating of space or water or the generation of electricity, including any attachment or additive to the system or device. "Product" does not include any system, device, attachment or additive included in the original construction of a dwelling unit or in the sale or transfer of a dwelling unit.

3. Any fuel additive, including any motor vehicle fuel additive.

4. Any article used in a motor vehicle to promote fuel efficiency. "Product" does not include any original part or equipment in a motor vehicle as sold by the manufacturer or a licensed dealer or any substantially identical replacement part or equipment for the motor vehicle.

(g) "'R' value" means the measure of resistance to heat flow through a material, computed as the reciprocal of the heat flow through a material expressed in British thermal units per hour per square foot per degree Fahrenheit at 75 degrees Fahrenheit mean temperature.

(2) REASONABLE BASIS FOR CLAIMS. (a) No person may make an energy savings or safety claim without a reasonable and currently accepted scientific basis for the claim when the claim is made. Making an energy savings or safety claim without a reasonable and currently accepted scientific basis is an unfair method of competition and trade practice prohibited under s. 100.20.

(b) An energy savings or safety claim made by a person other than a manufacturer does not violate par. (a) if the person relies in good faith on written materials distributed by the manufacturer and if the claim is limited to the representations in the materials. Any energy savings

or safety claim made by a person other than a manufacturer, after the person is notified that no reasonable and currently accepted scientific basis for the claim has been submitted, is a violation of par. (a).

(3) SUBSTANTIATING THE CLAIM. (a) Any person making an energy savings or safety claim shall, upon written request by the department, submit information upon which the person relied to substantiate the claim. The department of justice may request the department to issue a written request under this paragraph for information to substantiate an energy savings or safety claim. Failure to submit information requested under this subsection is a violation of sub. (2) (a).

(b) The department shall make available to any person any information submitted under this subsection unless protected from disclosure by state or federal law.

(4) DEPARTMENT POWERS. (a) The department may, after public hearing, issue general or special orders under s. 100.20:

1. Prohibiting any energy savings or safety claim that violates sub. (2);

2. Regulating the manner in which the energy savings or safety claim is made, including requiring accompanying disclosures to prevent unfairness or deception;

3. Prescribing any test method or other reasonable criteria by which the adequacy of the basis for any energy savings or safety claim is determined; or

4. Requiring corrective advertising to correct a violation of sub. (2).

(c) The department shall cooperate with all other state agencies in the administration of this section, as provided in s. 20.901.

(6) RULE MAKING. The department shall adopt rules that set standards which determine if a reasonable and currently accepted scientific basis exists for an energy savings or safety claim under sub. (2). Adoption of rules is not a prerequisite to enforcement of this section. To the extent feasible, the department shall incorporate nationally recognized standards into the rules.

History: 1979 c. 221.

100.22 Unfair discrimination in purchase of dairy products.

(1) Any person, firm or corporation, foreign or domestic, engaged in the business of buying milk, cream or butter fat for the purpose of manufacture, that discriminates between different sections, communities, towns, villages or cities of this state, or between persons, firms or corporations in any locality of this state, by paying for such commodity at a higher price or rate in one section, community, town,

village or city, or to any person, firm or corporation in any locality of this state, than is paid for the same commodity by said person, firm or corporation, foreign or domestic, in another section, community, town, village or city, or to another person, firm or corporation in any locality of this state, where the effect may be to lessen substantially competition or to tend to create a monopoly or to injure, destroy or prevent competition, shall be guilty of unfair discrimination, which is hereby prohibited and declared unlawful; provided, that it shall be a justification for such a discrimination in price if the difference is merely commensurate with an actual difference in the quality or quantity of the commodity purchased or in transportation charges or other expense of marketing involved in said purchase; provided, further, that it shall be a justification for such a discrimination in price if it is done in good faith to meet competition.

(2) Proof of any justification, as described in sub. (1), may be made by the defendant but no such justification need be negated in the information or complaint; and, if so negated, no proof in relation to the matter so negated shall be required on the part of the informant or complainant.

(3) Whenever the department is credibly informed that this section has been violated, it shall make investigation and shall report the results of the investigation to the attorney general and the secretary of state. The department shall co-operate with the attorney general in the securing of evidence of violations of this section.

100.23 Contracts; void. All contracts or agreements made in violation of s. 100.22 shall be void.

100.235 Unfair trade practices in purchase of vegetable crops. (1) No processor of vegetable crops, who grows in this state more than 10% of the acreage of a species of vegetable, processed at a single processing plant, may pay to growers who sell vegetable crops under contract to the processor for processing at such plant, an average amount per ton less than the average cost per ton incurred by the processor in growing such vegetable species in this state during the past 3 consecutive years prior to the current contract year. If the processor has grown a vegetable species less than 3 consecutive years, the processor shall average the costs of the past 2 consecutive years, if applicable, or use the cost of the preceding year when it is the only one available.

(2) On the complaint of any grower filed with the department within 180 days after completion of the processing of a vegetable at a

plant, alleging that the processor to whom the grower sold a vegetable crop under contract may have engaged in such unfair trade practice, the department shall make investigation thereof. In making its investigation the department may require the processor to submit reports of acreages, tonnages, costs of growing, and amounts paid to contract growers. For vegetables contracted on a tonnage basis and for open-market tonnage purchased, the processor shall report the estimated acreage based on this state's average yield per acre for the preceding year. All such reports shall be confidential and shall not be open to public inspection. The department may require such reports to be certified by a public accountant or the department may inspect the processor's records to verify such reports. Upon completion of its investigation, the department shall issue its determination as to whether the processor has engaged in an unfair trade practice. If the department finds that the processor has engaged in an unfair trade practice, it shall specify the amount per ton by which the processor's costs of growing the vegetable species exceeded the amount paid to contract growers. Either the complainant or the processor may demand a public hearing of the matter, before the department, within 30 days of receipt of the determination, and shall be entitled to judicial review of the department's order under ch. 227.

(3) The department, after public hearing, may by rule adopt a uniform system of cost accounting to be used by processors in determining and reporting growing costs. Such accounting system shall take into account cost differences attributable to factors affecting prices for the vegetable species under the processor's contract with growers. If the contract provides for no seed charge or for cancellation of seed charges and charges for services furnished by the processor, if any, with respect to growers' nonharvested acreage, then the processor's cost of growing such species of vegetable shall not include the cost of the processor's nonharvested acreage. A violation of this section or any rule issued under this section is an unfair trade practice under s. 100.20.

100.24 Revocation of corporate authority. Any corporation, foreign or domestic, which violates s. 100.22 or any order issued under s. 100.20 may be enjoined from doing business in this state and its certificate of authority or incorporation may be canceled or revoked. The attorney general may bring an action for this purpose in the name of the state. In any such action judgment for injunction, cancellation or revocation may be rendered by the court, upon

such terms as it deems just and in the public interest, but only upon proof of a substantial and wilful violation.

100.25 Cumulative remedies. Nothing in ss. 100.22 to 100.24 shall be construed as repealing any other law of this state, but the remedies herein provided shall be cumulative to all other remedies provided by law in and for such cases.

100.26 Penalties. (1) Any person who violates any provision of this chapter, except s. 100.18 or 100.20, for which no specific penalty is prescribed shall be fined not to exceed \$200, or imprisoned in the county jail not more than 6 months or both.

(2) Any person violating s. 100.02 shall be guilty of a felony and upon conviction shall be punished by a fine of not less than fifty dollars nor more than three thousand dollars, or by imprisonment for not less than thirty days nor more than three years, or both.

(3) Any person who violates s. 100.15, 100.19 or 100.22, or who intentionally refuses, neglects or fails to obey any regulation or order made or issued under s. 100.19 or 100.20, shall, for each offense, be fined not less than \$25 nor more than \$5,000, or imprisoned in the county jail for not more than one year or both.

(4) Any person who violates s. 100.18 (1) to (8) or (10) is subject to a civil forfeiture of not less than \$50 nor more than \$200 for each violation.

(5) Any person violating s. 100.03 or 100.06 or any order or regulation of the department thereunder, or s. 100.13 (7) or 100.18 (9), shall be fined not less than \$100 nor more than \$1,000, or imprisoned for not more than one year or both. Each day shall constitute a separate offense.

(6) The department of justice or any district attorney may commence an action in the name of the state to recover a civil forfeiture to the state of not less than \$100 nor more than \$10,000 for each violation of an injunction issued under s. 100.18 or 100.20 (6) or an order issued under s. 100.20.

History: 1975 c. 39; 1979 c. 327.

It was constitutionally proper for the legislature in (3) to authorize the imposition of criminal penalties for the violation of department rules adopted pursuant to 100.20. *State v. Lambert*, 68 W (2d) 523, 229 NW (2d) 622.

"Intentionally" in (3) modifies only "refuses", not "neglects or fails". *State v. Balistreri*, 87 W (2d) 1, 274 NW (2d) 269 (Ct App 1978).

100.28 Sale of cleaning agents and water conditioners containing phosphorus prohibited. (1) In this section:

(a) "Chemical water conditioner" means a water softening chemical or other substance

containing phosphorus intended to treat water for machine laundry use.

(b) "Cleaning agent" means any laundry detergent, laundry additive, dishwashing compound, cleanser, household cleaner, metal cleaner, degreasing compound, commercial cleaner, industrial cleaner, phosphate compound or other substance intended to be used for cleaning purposes.

(2) Until June 30, 1982, and except as provided in sub. (3), no person may sell at retail:

(a) Any cleaning agent for machine dishwashing or cleansing of medical and surgical equipment which contains more than 8.7% phosphorus by weight.

(b) Any cleaning agent other than a cleaning agent specified in par. (a) which contains more than 0.5% phosphorus by weight.

(c) Any chemical water conditioner which contains more than 20% phosphorus by weight.

(3) Cleaning agents used for industrial processes and cleaning or for cleansing dairy equipment are not subject to this section.

(4) Any person violating this section shall forfeit not more than \$100.

History: 1977 c. 375; 1979 c. 34

NOTE: Chapter 375, laws of 1977, which created this section provided in section 4 that it takes effect on July 1, 1979 and that it is repealed effective July 1, 1982.

100.30 Unfair sales act. (1) POLICY. The practice of selling certain items of merchandise below cost in order to attract patronage is generally a form of deceptive advertising and an unfair method of competition in commerce. Such practice causes commercial dislocations, misleads the consumer, works back against the farmer, directly burdens and obstructs commerce, and diverts business from dealers who maintain a fair price policy. Bankruptcies among merchants who fail because of the competition of those who use such methods result in unemployment, disruption of leases, and non-payment of taxes and loans, and contribute to an inevitable train of undesirable consequences, including economic depression.

(2) DEFINITIONS. When used in this section unless context otherwise requires:

(b) "Cost to retailer" means the invoice cost of the merchandise to the retailer within 30 days prior to the date of sale, or replacement cost of the merchandise to the retailer, whichever is lower; less all trade discounts except customary discounts for cash, plus any excise taxes imposed on such merchandise or the sale thereof other than excise taxes collected by the retailer, and any cost incurred for transportation and any other charges not otherwise included in the invoice cost or the replacement cost of the merchandise as herein set forth, to which shall

be added a markup to cover a proportionate part of the cost of doing business, which markup, in the absence of proof of a lesser cost, shall be 6% of the cost to the retailer as herein set forth.

Any substance or mixture of substances, including a toy or other article intended for use by children, which is toxic, is corrosive, is an irritant, is a strong sensitizer, is flammable or combustible, or generates pressure through decomposition, heat or other means, if such substance or mixture of substances may cause substantial personal injury or substantial illness during or as a proximate result of any customary or reasonably foreseeable handling or use, including reasonably foreseeable ingestion by children.

2. Any substances which the department by rule finds, pursuant to sub. (2) (a), meet the requirements of subd. 1.

3. Any radioactive substance, if, with respect to such substance as used in a particular class of article or as packaged, the department determines by rule that the substance is sufficiently hazardous to require labeling in accordance with this section in order to protect the public health.

4. Any toy or other article intended for use by children which the department by rule determines in accordance with this section to present an electrical, mechanical or thermal hazard.

5. Except as otherwise provided in this section, "hazardous substance" does not apply to pesticides subject to ss. 94.67 to 94.71, to foods, drugs and cosmetics, to bullets or other ammunition, or gun powder for reloading ammunition, nor to substances intended for use as fuels when stored in containers and used in the heating, cooking or refrigeration system of a house, nor does it include any source material, special nuclear material or by-product material as defined in the atomic energy act of 1954, as amended, and regulations of the nuclear regulatory commission under such act.

(c) "Highly toxic" means any substance which falls within any of the following categories: Produces death within 14 days in half or more of a group of 10 or more laboratory white rats each weighing between 200 and 300 grams, at a single dose of 50 milligrams or less per kilogram of body weight, when orally administered; or produces death within 14 days in half or more of a group of 10 or more laboratory white rats each weighing between 200 and 300 grams, when inhaled continuously for a period of one hour or less at an atmosphere concentration of 200 parts per million by volume or less of gas or vapor or 2 milligrams per liter by volume or less of mist or dust, provided such concentration is likely to be encountered by persons when the substance is used in any reasonably foreseeable manner; or produces death within 14 days in half or more of a group of 10 or more rabbits tested in a dosage of 200 milligrams or less per kilogram of body weight, when administered by continuous contact with the bare skin for 24 hours or less. If the department finds that available data on human experience with any substance indicate results different from those obtained on animals in the above named dosages or concentrations, the human data shall take precedence.

(d) "Corrosive" means any substance which in contact with living tissue will cause destruction of tissue by chemical action, but does not refer to action on inanimate surfaces.

(e) "Irritant" means any substance not corrosive which on immediate, prolonged or repeated contact with normal living tissue will induce a local inflammatory reaction.

(h) An article may be determined to present an electrical hazard if, in normal use or when subjected to reasonably foreseeable damage or abuse, its design or manufacture may cause personal injury or illness by electric shock.

(i) An article may be determined to present a mechanical hazard if, in normal use or when subjected to reasonably foreseeable damage or abuse, its design or manufacture presents an unreasonable risk of personal injury or illness 1) from fracture, fragmentation or disassembly of the article, 2) from propulsion of the article, or any part or accessory thereof, 3) from points or other protrusions, surfaces, edges, openings or closures, 4) from moving parts, 5) from lack or insufficiency of controls to reduce or stop motion, 6) as a result of self-adhering characteristics of the article, 7) because the article, or any part or accessory thereof, may be aspirated or ingested, 8) because of instability or 9) because of any other aspect of the article's design or manufacture including the capability of producing sounds at a level of 138 decibels or higher.

(j) An article may be determined to present a thermal hazard if, in normal use or when subjected to reasonably foreseeable damage or abuse, its design or manufacture presents an unreasonable risk of personal injury or illness because of heat as from heated parts, substances or surfaces.

(k) "Radioactive substance" means a substance which emits ionizing radiation.

(l) "Label" means a display of written, printed or graphic matter upon the immediate

container of any substance or upon an article or tag attached thereto in the case of unpackaged articles; and a requirement made by or under authority of this section that any work, statement or other information appear on the label shall not be considered to be complied with unless such work, statement or other information also appears on the outside container or wrapper, if there is any, unless it is easily legible through the outside container or wrapper, and on all accompanying literature where there are directions for use, written or otherwise.

(m) "Immediate container" does not include package liners.

(n) "Misbranded package" or "misbranded package of a hazardous substance" means a hazardous substance in a container intended or suitable for household use, and includes a toy or other article intended for use by children whether or not in package form, which, except as otherwise provided under sub. (2), fails to bear a label:

1. Which states conspicuously the name and place of business of the manufacturer, packer, distributor or seller; the common or usual name, or the chemical name if there is no common or usual name, of the hazardous substance or of each component which contributes substantially to its hazard, unless the department by rule permits or requires the use of a recognized generic name; the signal word "DANGER" on substances which are extremely flammable, corrosive or highly toxic; the signal word "WARNING" or "CAUTION" on all other hazardous substances; an affirmative statement of the principal hazards, such as "Flammable", "Combustible", "Vapor harmful", "Causes burns", "Absorbed through skin" or similar wording descriptive of the hazard; precautionary measures describing the action to be followed or avoided, except when modified by rule of the department pursuant to sub. (2); instruction, when necessary or appropriate, for first-aid treatment; the word "poison" for any hazardous substance which is highly toxic; instructions for handling and storage of packages which require special care in handling or storage; and the statement "Keep out of the reach of children", or its practical equivalent or, if the article is intended for use by children and is not a banned hazardous substance, adequate directions for the protection of children from the hazard; and

2. On which any statements required under subd. 1 are located prominently and are in the English language in conspicuous and legible type in contrast by typography, layout or color with other printed matter on the label.

(2) (a) Whenever in the judgment of the department such action will promote the objectives of this section by avoiding or resolving

uncertainty as to its application, the department may by rule declare to be a hazardous substance, for the purposes of this section, any substance or mixture of substances which it finds meets the requirements of sub. (1) (a) 1.

(b) If the department finds that the requirements of this section are not adequate for the protection of the public health and safety in view of the special hazards presented by any particular hazardous substance, it may by rule establish such reasonable variations or additional requirements as it finds necessary for the protection of the public health and safety.

(c) If the department finds that, because of the size of the package involved or because of the minor hazard presented by the substance contained therein, or for other good and sufficient reasons, full compliance with the labeling requirements otherwise applicable under this section is impracticable or is not necessary for the adequate protection of the public health and safety, it may exempt such substances from these requirements to the extent it determines to be consistent with adequate protection of the public health and safety.

(d) The department may by rule prohibit the sale of a hazardous substance if it finds that notwithstanding cautionary labeling that is or may be required the degree or nature of the hazard involved in the presence or use of such substance is such that the public health and safety can only be protected by keeping such substance out of the channels of commerce in this state.

(e) The department may summarily ban the sale or distribution of any hazardous substance or article if it finds that the hazard to public health or safety is so great that such hazard should not be permitted to continue. The department shall follow the procedure specified in s. 93.18 (3).

(f) The department may by rule prescribe the methods of sale of hazardous substances, including but not limited to glues, cements and hobby kit fuels, and may regulate the manner of display and restrict access by the general public to hazardous substances.

(b) The alteration, mutilation, destruction, obliteration or removal of the whole or any part of the label of, or the doing of any other act with respect to, a hazardous substance, if such act is done while the substance is held for sale, and results in the hazardous substance being in a misbranded package.

(c) The sale, or offering or exposing for sale of a hazardous substance in a reused food, drug or cosmetic container or in a container which, though not a reused container, is identifiable as a food, drug or cosmetic container by its labeling or by other identification. The reuse of a food, drug or cosmetic container as a container for a hazardous substance shall be deemed to be an act which results in the hazardous substance being in a misbranded package.

(d) The sale or offering for sale of any hazardous substance contrary to this section or to any rule or order of the department issued under this section.

(e) The sale or offering for sale, in violation of this section, of any article or substance which is a hazardous substance within the meaning of this section or the federal hazardous substances act (15 USC 1261 et seq).

(4) The department may apply to any court of competent jurisdiction for a temporary or permanent injunction restraining any person from violating sub. (3); irrespective of whether or not there exists an adequate remedy at law.

(5) If the department has reasonable cause to believe that any substance is in violation of this section or poses an imminent hazard to public health or safety, it may deliver to the owner or custodian thereof an order prohibiting the sale or movement of such substance until an analysis or examination has been completed. Such holding order is not effective for more than 14 days from the time of delivery thereof. The substance described in any such holding order may not be sold or moved for any purpose without the approval of the department. If the department, after analysis or examination, determines that the substance described in such order is not in violation of this section, it shall promptly notify the owner or custodian thereof and such notice shall terminate the holding order. If the analysis or examination shows that the substance is in violation of this section, the owner or custodian thereof shall be so notified in writing within the effective time of the holding order. Upon receipt of such notice the owner or custodian may dispose of the substance only as authorized by the department. The owner or custodian of the substance or article may within

(7) Any manufacturer, distributor or retailer of a misbranded or banned package containing a hazardous substance shall, on demand of any person purchasing such products from it, if the package is misbranded or banned at the time of sale, repurchase such product and refund the full purchase price thereof to the purchaser making the demand for refund. If the purchaser is required to return the product to the manufacturer, distributor or retailer as a condition to the repurchase and refund, the purchaser shall be reimbursed for any reasonable and necessary charges incurred in its return.

(f) The secretary shall mail a financial report for the prior fiscal year, together with a summary of the proposed budget for the current fiscal year, to each grower no later than August 1 each year.

(6) **ASSESSMENTS.** (a) An assessment not to exceed the rate of one cent per hundredweight on all potatoes grown in this state and entered into the current of commerce shall be levied and imposed upon all growers and shippers within this state. The assessment shall not be imposed upon potatoes retained by a grower to be used for seed purposes or for home consumption.

(b) An assessment not to exceed the rate of one cent per hundredweight may be levied and imposed upon such class or classes of handlers as the board may prescribe by rule. Not more than one such assessment may be collected on any potatoes.

(c) Each handler designated by the board to pay assessments shall pay assessments on all potatoes handled by him, including potatoes he produced. Assessments shall be paid at such time and in such manner as the board prescribes by rules adopted under this section. The designated handler may collect the assessments from the producer, or deduct such assessments from the proceeds paid to the producer on whose potatoes the assessments are made.

(d) The board may exempt potatoes used for nonfood purposes from this section and shall establish adequate safeguards against improper use of such exemptions.

(7) **PRODUCER REFUNDS.** Any producer who has paid an assessment under this section and who is not in favor of supporting the program developed under this section shall have the right to demand and receive from the board a refund of such assessment upon submission of proof satisfactory to the board that he paid the assessment for which refund is sought. (8) **NONPAYMENT OF ASSESSMENTS.** If any handler, dealer or grower, fails, neglects or

If a majority of those voting in such referendum favor termination, the secretary shall prepare and submit to the legislature a request for legislation terminating the board and its programs. Pending legislative and executive approval or disapproval of such requested legislation, the secretary and board shall suspend all board operations.

(b) If the board and its programs are terminated by legislative action, the board shall, to the extent practicable, refund unencumbered assessments and other funds to those persons who paid such amounts to the board.

(10) **SUSPENSION.** The board, with the consent of the secretary, may suspend operations under this section when in the public interest because of national emergency or other reason deemed meritorious by the secretary. The secretary shall implement such suspension until directed otherwise by the board. This subsection shall not apply to sub. (2).

(11) **APPLICATION OF FUNDS.** All money collected or otherwise received pursuant to this section shall be used solely for administration of this section.

(12) **INJUNCTIONS.** The board, in addition to or in lieu of any other remedies provided under this section, may apply to a circuit court for a temporary or permanent injunction to prevent, restrain or enjoin any person from violating this section or any special order of the board issued under this section, without being compelled to allege or prove that an adequate remedy at law does not exist.
