These required employer contribution rates are subject to annual redetermination by the actuaries of the respective retirement systems; however, the contribution rates for elected public officials and other employes shall be determined separately when the calculations are actuarially available from the Wisconsin retirement system and adopted by the employe trust funds board and other respective retirement systems.

(b) *Employes generally.* District attorneys and state employes of the office of district attorney shall be included within the provisions of the Wisconsin retirement system under ch. 40 as a participating employe of that office, except that the district attorney and state employes of the office of district attorney in a county having a population of 500,000 or more have the option provided under par. 2. The state shall pay to the county treasurer in the manner specified in subd. 1 on behalf of the district attorney and state employes of the office of the district attorney the required employer contribution rate as provided under ch. 40 or the required employer contribution rate under chapter 201, laws of 1937, whichever rate is less. The county shall pay any portion of the required employer contribution rate not covered by the state payment. 4. If the district attorney or a state employe of the office of district attorney does not elect to continue as a participant in the retirement system established under chapter 201, laws of 1937, he or she may not receive retirement benefits under that system during his or her employment with the state.

5. Notwithstanding any other provisions of the retirement system established under chapter 201, laws of 1937, if a district attorney or state employe of the office of district attorney in a county having a population of 500,000 or more who does not have vested benefit rights under the retirement system established under chapter 201, laws of 1937, becomes a participating employe under the Wisconsin retirement system under ch. 40 as provided in this subsection, the participating employe may, on a form developed by the department of employe trust funds in consultation with that county, elect to transfer from the retirement system established under chapter 201, laws of 1937, an amount equal to all employer contributions made on his or her behalf, not

including any employer contributions for unfunded prior service liability made on the basis of his or her earnings, to the retirement system established under chapter 201, laws of 1937, together with all interest actually accrued on those contributions, to the employer required contribution account provided for by s. 40.05 (2). An election under this subdivision constitutes a full and complete waiver of any right to any benefit from the retirement system established under chapter 201, laws of 1937, for any benefit accrued or service rendered under that retirement system prior to the election. Any provision in the retirement system established under chapter 201, laws of 1937, for repurchasing benefits or service forfeited shall not apply to the benefits and service transferred under this subdivision.

(6) OTHER FRINGE BENEFITS. District attorneys and state employes of the office of district attorney shall be included within all insurance benefit plans under ch. 40, except as authorized in this subsection. Alternatively, the state shall provide insurance benefit plans for district attorneys and state employes in the office of district attorney in the manner provided in this subsection. A district attorney or other employe of the office of district attorney who was employed in that office as a county employe on December 31, 1989, and who received any form of fringe benefits other than a retirement, deferred compensation or employe-funded reimbursement account plan as a county employe, as defined by that county pursuant to the county's personnel policies, or pursuant to a collective bargaining agreement in effect on January 1, 1990, or the most recent collective bargaining agreement covering represented employes who are not covered by such an agreement, may elect to continue to be covered under all such fringe benefit plans provided by the county after becoming a state employe. In a county having a population of 500,000 or more, the fringe benefit plans shall include health insurance benefits fully paid by the county for each retired employe who, on or after December 31, 1989, attains at least 15 years of service in the office of district attorney of that county, whether or not the service is as a county employe, for the duration of the employe's life. An employe may make an election under this subsection no later than January 31, 1990, except that an employe who serves as an assistant district attorney in a county having a population of 500,000 or more may make an election under this subsection no later than March 1, 1990. An election under this subsection shall be for the duration of the employe's employment in the office of district attorney for the same county by which the employe was employed or until the employe terminates the election under this subsection, at the same cost to the county as the county incurs for a similarly situated county employe. If the employer's cost for such fringe benefits for any such employe is less than or equal to the cost for comparable coverage under ch. 40, if any, the state shall reimburse the county for that cost. If the employer's cost for such fringe benefits for any such employe is greater than the cost for comparable coverage under ch. 40, the state shall reimburse the county for the cost of comparable coverage under ch. 40 and the county shall pay the remainder of the cost. The cost of comparable coverage under ch. 40 shall equal the average cost of comparable coverage under ch. 40 for employes in the office of the state public defender, as contained in budget determinations approved by the joint committee on finance or the legislature under the biennial budget act for the period during which the costs are incurred. An employe who makes the election under this subsection may terminate that election, and shall then be included within all insurance benefit plans under ch. 40, except that the department of employe trust funds may require prior written

notice, not exceeding one year's duration, of an employe's intent to be included under any insurance benefit plan under ch. 40.
