117.08 Consolidation of school districts. (1) INITIATION OF PROCEDURES. The school boards of 2 or more school districts may adopt resolutions stating that they will consider consolidating their school districts. The school district clerk of each school board adopting a resolution under this subsection shall send a certified copy of the resolution to the school boards of each of the other affected school districts and to the secretary of the board.

(2) SCHOOL BOARD ACTION. In the first July beginning after the adoption of resolutions by 2 or more school boards under sub. (1), the school boards of the affected school districts may order the school districts consolidated by the adoption, by each of those school boards, of a resolution ordering the consolidation. Failure of a school board to adopt a resolution either ordering or denying the consolidation before August 1 constitutes a denial of the consolidation by that school board. The school district clerk of each school board adopting a resolution under this subsection, either ordering or denying a consolidation, shall, within 5 days after the adoption of the resolution, send a certified copy of the resolution to the school boards of each of the other affected school districts and file a certified copy of the resolution as provided under s. 117.17 (2). If the school board of each affected school district adopts a resolution ordering the consolidation, the consolidation shall take effect on the following July 1, unless a referendum under sub. (3) is required.

(3) REFERENDUM. (a) If the school board of each affected school district adopts a resolution ordering a consolidation under sub. (2), a referendum on the consolidation shall be held under par. (b) if one of the following occurs:

1. At the time of adopting the resolution under sub. (2), the school board of any affected school district directs the holding of a referendum.

2. Before the 2nd Tuesday of September following the adoption of the resolutions under sub. (2), a petition conforming to the requirements of s. 8.40 requesting a referendum, signed by at least 10% of the electors who reside in any affected school district, is filed with the clerk of the school district that has the highest equalized valuation of the affected school districts. The validity of the petition shall be governed by the rules promulgated under s. 8.40 (3).

(b) If a referendum is directed or a petition requesting a referendum is filed under par. (a), the school district clerk of the school

board adopting the resolution or the school district clerk receiving the petition shall immediately notify the school boards of each of the other affected school districts, the secretary of the board and the clerk of each city, village or town, any part of which is contained within an affected school district. The referendum shall be held in the affected school districts as provided under s. 117.20. Votes shall be counted separately for each affected school district.

(4) REFERENDUM RESULTS. If a majority of the votes cast in each affected school district is in favor of consolidation, the school districts shall be consolidated on the following July 1. At the time of canvassing the returns, the school boards of the affected school districts shall make and file an order of school district reorganization under s. 117.17 (2).

The school district clerk of each school board adopting a resolution under this subsection shall send a certified copy of the resolution to the school boards of each of the other affected school districts and to the secretary of the board.

(2) SCHOOL BOARD ACTION. (a) In the first July beginning after the adoption of resolutions under sub. (1), the school board of the union high school district and the school boards of one or more of the elementary school districts that adopted resolutions under sub. (1) and that have, in their combined territory, at least 55% of the equalized valuation of the union high school district, may order the union high school district and all of the elementary school districts whose territory is included in the union high school district consolidated to create a common or unified school district operating both elementary and high school grades by the adoption of a resolution ordering the consolidation by each school board.

(b) Failure of a school board to adopt a resolution under par. (a) before August 1, either ordering or denying the consolidation, constitutes a denial of the consolidation by that school board. The school district clerk of each school board that adopts a resolution ordering or denying a consolidation under par. (a) shall, within 5 days after the adoption of the resolution, send a certified copy of the resolution to the school boards of the other affected school districts and file a certified copy of the resolution as provided under s. 117.17 (2). If a consolidation is ordered under par. (a), the consolidation shall take effect on the following July 1, unless a referendum is required under sub. (3).

(3) REFERENDUM. (a) If a consolidation is ordered under sub. (2) (a), a referendum on the consolidation shall be held under par. (b) if one of the following occurs:

1. Before the 2nd Tuesday of September following the adoption of the resolution ordering consolidation under sub. (2) (a), the school board of any affected school district directs the holding of a referendum.

2. Before the 2nd Tuesday of September following the adoption of the resolutions under sub. (2) (a), a petition conforming to the requirements of s. 8.40 requesting a referendum, signed by at least 10% of the electors who reside in any affected school district, is filed with the clerk of the union high school district. The validity of the petition shall be governed by the rules promulgated under s. 8.40 (3).

(b) If a referendum is directed or a petition requesting a referendum is filed under par. (a), the school district clerk of the school board adopting the resolution or the school district clerk receiving the petition shall immediately notify the school boards of each of the other affected school districts, the secretary of the board and the clerk of each city, village or town, any part of which is con-

tained within an affected school district. The referendum shall be held in the union high school district as provided under s. 117.20. Votes shall be counted separately for the union high school district and each affected elementary school district.

(4) REFERENDUM RESULTS. If a majority of the votes cast in the union high school district and in a majority of the affected elementary school districts is in favor of consolidation, the union high school district and all of the affected elementary school districts shall be consolidated on the following July 1. At the time of canvassing the returns, the school boards of the affected school districts shall make and file an order of school district reorganization under s. 117.17 (2).

(5) ELEMENTARY SCHOOL DISTRICT IN MORE THAN ONE UNION HIGH SCHOOL DISTRICT. (a) If a school district that operates only elementary grades has territory in more than one union high school district, it may consolidate under this section only with the union high school district in which more than 50% of its territory, as measured by equalized valuation, is located. Only the territory of the elementary school district that is located in that union high school district shall be included in the newly created common or unified school district operating both elementary and high school grades.

(b) The remaining territory of the elementary school district shall be attached, by the reorganization order issued under sub. (2) or (4), to a school district that operates only elementary grades and has territory located in the union high school district attended by the high school pupils who reside in the territory being attached.

(c) Upon the request of the school board of any affected school district, or the school board of any other school district operating only elementary grades that has territory in the union high school district identified under par. (b), the board shall determine to which elementary school district territory shall be attached under par. (b). The board shall issue an order that either affirms the attachment of the territory as specified in the order under sub. (2) or (4) or modifies the order under sub. (2) or (4) by attaching all or part of the territory to one or more other school districts identified under par. (b).

(d) Upon the request of the school board of any affected school district, the board shall review any proposed apportionment of assets and liabilities under s. 66.03 (2c) (a) 1., between the school district created by the consolidation under par. (a) and any elementary school district to which territory is proposed to be attached under par. (b) or (c), and shall issue an order affirming or modifying that apportionment.

History: 1989 a. 114, 192.

The school district clerk of a school board adopting a resolution under this subsection shall send a certified copy of the resolution to the secretary of the board.

(2) SCHOOL BOARD ACTION. In the first July beginning after the adoption of a resolution under sub. (1), the school board may order the school district dissolved by adopting a resolution ordering the dissolution. Failure of a school board to adopt a resolution either ordering or denying the dissolution before August 1 constitutes a denial of the dissolution by the school board. The school district clerk of a school board adopting a resolution under this subsection, either ordering or denying a dissolution, shall file a certified copy of the resolution as provided under s. 117.17 (2). A school board order under this subsection is not effective unless affirmed by the board under sub. (4).

(3) ADVISORY REFERENDUM. (a) If the school board adopts a resolution under sub. (2) ordering a dissolution, an advisory referendum on the dissolution shall be held under this subsection if one of the following occurs:

1. At the time of adopting the resolution under sub. (2), the school board directs the holding of an advisory referendum on the dissolution.

2. Before the 2nd Tuesday of September following the adoption of the resolution under sub. (2), a petition conforming to the requirements of s. 8.40 requesting an advisory referendum, signed by at least 10% of the electors who reside in the affected school district, is filed with the school district clerk. The validity of the petition shall be governed by the rules promulgated under s. 8.40 (3).

(b) If an advisory referendum is directed or a petition requesting an advisory referendum is filed under par. (a), the school district clerk shall immediately notify the secretary of the board and the clerk of each city, village or town, any part of which is contained within the school district. The advisory referendum shall be held in the school district as provided under s. 117.20.

(4) BOARD REVIEW. After the 2nd Tuesday of September following the adoption of the resolution under sub. (2), if no advisory referendum is required, or after the advisory referendum, if one is held, the board shall review the dissolution and, before the following January 15, issue an order either affirming or denying the school board's dissolution order. The order shall be in writing, shall include a statement of the reasons for the order and shall be filed as provided under s. 117.17 (2). If the board affirms the school board's dissolution order, the board shall also issue an order assigning the school district's assets and liabilities under s. 66.03 (2c) (a) 1., and the school district's territory, to one or more other school districts, and providing for the employes of the dissolved school district under s. 117.25 (3). If the board affirms the school board's dissolution order, the school district shall be dissolved on the following July 1.

(5) EFFECT OF NEW BUILDING CONSTRUCTION. A school district may not be dissolved under this section if it has constructed a new school building within the 3 years immediately preceding the adoption of a resolution under sub. (2) and, on the date the resolution is adopted, the school district has outstanding debt for the building. This subsection does not apply if the school district to which the building is assigned under sub. (4) agrees to accept both the school building and the outstanding debt for the school building or, prior to the effective date of the dissolution, the building is sold and the debt is paid.

History: 1989 a. 114, 192, 287.

117.11 Detachment and attachment of large territory.

(1) APPLICATION. This section applies to the detachment of territory from one school district and its attachment to an adjoining school district if one of the following applies:

(a) The assessed value of the territory proposed to be detached from one school district and attached to an adjoining school district, divided by the assessment ratio of the taxation district, is equal to or greater than 7% of the equalized valuation of the school district from which the territory is proposed to be detached.

(b) Seven percent or more of the enrollment of the school district from which the territory is proposed to be detached resides in the territory proposed to be detached from that school district.

(2) INITIATION OF PROCEDURES. A majority of the electors residing in territory proposed to be detached from one school district and attached to an adjoining school district, or owners of more than 50% of the territory proposed to be detached from one school district and attached to an adjoining school district, as measured by its assessed valuation divided by the assessment ratio of the taxation district, may file a written petition with the clerk of the school district in which the territory is located requesting the detachment of the territory from that school district and its attachment to an adjoining school district. The petition shall include a description of the territory sufficiently accurate to determine its location in the school district in which it is located, as certified by the clerk of each city, town or village within which all or part of the territory is located, and the number of pupils residing in that territory who, on the most recent of the preceding 3rd Friday of September or 2nd Friday of January, were enrolled in the school district from which the territory is proposed to be detached, as certified by the clerk of that school district. (2), the school boards of the affected school districts may order the territory detached from the school district in which it is located and attached to the adjoining school district by the adoption, by each of those school boards, of a resolution ordering the detachment and attachment. Failure of a school board to adopt a resolution either ordering or denying the detachment and attachment before August 1 constitutes a denial of the reorganization by that school board. The school district clerk of each school board that adopts a resolution ordering or denying the reorganization under this subsection shall, within 5 days after the adoption of the resolution, send a certified copy of the resolution to the school board of the other affected school district and file a certified copy of the resolution as provided under s. 117.17 (2). If the school board of each affected school district adopts a resolution ordering the detachment and attachment, the reorganization shall take effect on the July 1 following the adoption of the resolutions, unless a referendum is required under sub. (4).

(4) REFERENDUM. (a) A referendum on the proposed reorganization shall be held if one of the following occurs before the 2nd Tuesday of September following the adoption of a resolution under sub. (3):

1. The school board of either affected school district directs the holding of a referendum.

2. A petition conforming to the requirements of s. 8.40 requesting a referendum, signed by at least 10% of the electors who reside in either affected school district, is filed with the clerk of the school district from which the territory is proposed to be detached. The validity of the petition shall be governed by the rules promulgated under s. 8.40 (3).

(b) If a referendum is directed or a petition requesting a referendum is filed under par. (a), the school district clerk of the school board adopting the resolution or the school district clerk receiving the petition shall immediately notify the school board of the other affected school district, the secretary of the board and the clerk of each city, village or town, any part of which is contained within an affected school district. The referendum shall be held in the affected school districts as provided under s. 117.20. Votes shall be counted separately for each affected school district.

(5) REFERENDUM RESULTS. If a majority of the votes cast in each affected school district is in favor of the reorganization, the reorganization shall take effect on the following July 1. At the time of canvassing the returns, the school boards of the affected school districts shall make and file an order of school district reorganization under s. 117.17 (2).

(1) or owners of 50% or more of that territory may file a written petition with the clerk of the school district in which the territory is located requesting the detachment of the territory from that school district and its attachment to an adjoining school district. The petition shall include a description of the territory sufficiently accurate to determine its location in the

school district in which it is located, as certified by the clerk of each city, town or village within which all or part of the territory is located, and the number of pupils residing in that territory who, on the most recent of the preceding 3rd Friday of September or 2nd Friday of January, were enrolled in the school district from which the territory is proposed to be detached, as certified by the clerk of that school district. Upon receipt of the petition, the school district clerk shall send a certified copy of the petition to the school board of the school district to which the territory is proposed to be attached and to the secretary of the board.

(3) SCHOOL BOARD ACTION. In the first February beginning after receipt of a petition under sub. (2), the school boards of the affected school districts may order the territory detached from the school district in which it is located and attached to the adjoining school district by the adoption, by each of those school boards, of a resolution ordering the reorganization. Before adopting a resolution under this subsection that grants or denies the reorganization, each school board shall give the electors and owners who signed the petition under sub. (2) an opportunity to meet with the school board to present their reasons for the proposed reorganization. Failure of a school board to adopt a resolution before March 1 either ordering or denying the reorganization constitutes a denial of the reorganization by the school board. The school district clerk of each school board adopting a resolution under this subsection that orders or denies a reorganization shall, within 5 days after the adoption of the resolution, send a certified copy of the resolution to the school board of the other affected school district and file a certified copy of the resolution as provided under s. 117.17 (2). If the school board of each affected school district adopts a resolution ordering the detachment and attachment, the reorganization shall take effect on the following July 1.

(4) APPEAL TO PANEL. If the detachment and attachment of territory is denied by either school board under sub. (3), a majority of the electors residing in the territory or the owners of 50% or more of the territory may appeal the denial to an appeal panel by filing notice of appeal with the secretary of the board before the March 15 following the denial. The secretary of the board shall send a copy of the notice of appeal to the school board of each affected school district. Except as provided under sub. (5), the appeal panel shall issue an order either affirming the school board's denial of the proposed reorganization or ordering all or any part of the territory described in the petition under sub. (2) detached from the school district in which it is located and attached to the adjoining school district. The order shall be issued before the June 15 following the filing of the notice of appeal. The order shall be in writing, shall include a statement of reasons for the order and shall be filed as provided under s. 117.17 (2). If the appeal panel orders territory detached from one school district and attached to an adjoining school district, the reorganization shall take effect on the following July 1.

(5) BOARD REVIEW. (a) If more than one appeal to detach territory from a single school district is filed under sub. (4) before March 15 and any of the following applies, the board shall review all of those appeals:

1. The total assessed valuation of the territory proposed to be detached under the appeals, divided by the assessment ratio of the taxation district, is equal to or greater than 7% of the equalized valuation of the school district from which the territory is proposed to be detached.

2. The total number of pupils residing in the territory proposed to be detached under the appeals who, on the most recent of the preceding 3rd Friday of September or 2nd Friday of January, were enrolled in the school district from which the territory is proposed to be detached is equal to or greater than 7% of that school district's enrollment.

(am) In addition to reviewing appeals described under par. (a), the board shall review an appeal if any of the following applies:

1. The assessed valuation of the territory proposed to be detached under the appeal, divided by the assessment ratio of the

taxation district, when added to the total assessed valuation of all territory detached from that school district in the 2 years preceding the date on which the petition was filed under sub. (2), divided by the appropriate assessment ratios, is equal to or greater than 2% of the school district's equalized valuation.

2. The number of pupils residing in the territory proposed to be detached under the appeal who are included in the enrollment of the school district from which the territory is proposed to be detached, when added to the number of pupils who resided in territory detached from that school district, and were included in previous enrollments of that school district, in the 2 years preceding the date on which the petition was filed under sub. (2), constitute 2% or more of the school district's enrollment.

(b) The secretary of the board shall notify the school board of each affected school district and each owner or elector who signed the notice of appeal under sub. (4) that the appeal or appeals will be reviewed by the board under this subsection rather than by an appeal panel under sub. (4). The board shall issue an order either affirming the school boards' denial of all or any of the proposed reorganizations under par. (a) or the proposed reorganization under par. (am) or ordering all or any part of the territory described in all or any of the petitions under sub. (2) or included in the appeal filed under par. (am) detached from the school district in which it is located and attached to an adjoining school district. In addition to the criteria under s. 117.15, in making its decision the board also shall consider the effect that the proposed detachments under par. (a), taken as a whole, will have on the school district from which the territory is proposed to be detached, or the cumulative effect on that school district of the proposed detachment under par. (am). The board's order shall be issued before the June 15 following the filing of the notice of appeal. The order shall be in writing, shall include a statement of reasons for the order and shall be filed as provided under s. 117.17 (2). If the board orders territory detached from one school district and attached to an adjoining school district, the reorganization shall take effect on the following July 1.

Sub. (1) allows the detachment of "island" parcels from school districts which adjoin. A detached parcel need not adjoin the school district to which it is attached. *Stockbridge School Dist. v. DPI*, 202 W (2d) 214, 550 NW (2d) 96 (1996).

117.13 Detachment and attachment of small territory initiated by school boards. (1) APPLICATION.

This section applies to the detachment of territory from one school district and its attachment to an adjoining school district if all of the following apply:

(a) The assessed value of the territory proposed to be detached from one school district and attached to an adjoining school district, divided by the assessment ratio of the taxation district, is less than 7% of the equalized valuation of the school district from which the territory is proposed to be detached.

(b) Less than 7% of the enrollment of the school district from which the territory is proposed to be detached resides in the territory proposed to be detached from that school district.

(2) SCHOOL BOARD ACTION. The school boards of 2 adjoining school districts may order territory detached from one of the school districts and attached to the other school district by the adoption, by each of the school boards, of a resolution ordering the detachment and attachment. The resolution shall include a description of the territory sufficiently accurate to determine its location in the school district in which it is located, as certified by the clerk of each city, village or town within which all or any part of the territory is located, and the number of pupils residing in that territory who, on the most recent of the preceding 3rd Friday of September or 2nd Friday of January, were enrolled in the school district from which the territory is proposed to be detached, as certified by the clerk of that school district. Prior to adopting a resolution under this subsection, the school board of each affected school district shall give the electors residing in and the owners of the territory notice of the proposed reorganization and an opportunity to meet with the school board to present reasons for or against

the proposed reorganization. The school district clerk of each school board that adopts a resolution under this subsection shall, within 5 days after adopting the resolution, send a certified copy of the resolution to the school board of the other affected school district and file a certified copy of the resolution as provided under s. 117.17 (2). If the school board of each of the affected school districts adopts a resolution ordering the detachment and attachment, the reorganization shall take effect on the first July 1 after the March 1 following the adoption of the resolutions, unless an appeal is filed under sub. (3).

(3) APPEAL TO PANEL. A majority of the electors residing in or the owners of 50% or more of the territory detached from one school district and attached to an adjoining school district under sub. (2) may appeal the reorganization to an appeal panel by filing notice of appeal with the secretary of the board before the first March 15 following the adoption of the resolution under sub. (2). The secretary of the board shall send a copy of the notice of appeal to the school board of each affected school district. If an appeal is filed under this subsection, the appeal panel shall issue an order detaching all or any part of the territory described in the resolution adopted under sub. (2) from the school district in which it is located and attaching it to the adjoining school district, or denying the reorganization. The order shall be issued before the June 15 following the filing of the notice of appeal. The order shall be in writing, shall include a statement of reasons for the order and shall be filed as provided under s. 117.17 (2). If the appeal panel affirms the school boards' order, the reorganization shall take effect on the following July 1.

117.132 Territory annexed to certain municipalities.

(1) APPLICATION. This section applies to the proposed attachment to a school district of territory that is located wholly in a county with a population of more than 325,000 and less than 500,000.

(1m) DEFINITIONS. In this section:

(a) "Annexed" means annexed or attached under s. 66.021, 66.022, 66.023, 66.024, 66.025 or 66.027.

(b) "Less than 50% of the land in the annexed territory is developed" means that on the date of annexation, less than 50% of the land in the annexed territory, as measured by geographic area, is occupied by permanent improvements, including buildings, streets, sidewalks, parking lots, driveways, sewers or utilities, or is incidental to such improvements.

(c) "Municipality" means any city or village any portion of which is located in a county that has a population of more than 325,000 and less than 500,000.

(d) "Municipal school district" means a school district whose territory includes more than 50% of the territory of a municipality, as measured by geographic area.

(2) INITIATION OF PROCEDURES. (a) If territory is annexed to a municipality, the territory is not included in the municipal school district and less than 50% of the land in the annexed territory is developed, the school board of the municipal school district may adopt a resolution requesting the school board of the school district in which the annexed territory is located to meet with it to discuss the detachment of the annexed territory from the school district in which it is located and its attachment to the municipal school district. The resolution shall include a description of the territory sufficiently accurate to determine its location in the school district in which it is located, as certified by the clerk of the annexing municipality. The clerk of the municipal school district shall send a certified copy of the resolution to the school board of the school district in which the annexed territory is located, to all owners of territory located in the annexed territory and to the secretary of the board.

(b) If territory is annexed to a municipality and the territory is not included in the municipal school district, the owners of more than 50% of the annexed territory, as measured by its assessed valuation divided by the assessment ratio of the taxation district, may

file a written petition with the clerk of the school district in which the territory is located requesting the detachment of the annexed territory from the school district in which it is located and its attachment to the municipal school district. The petition shall include a description of the territory sufficiently accurate to determine its location in the school district in which it is located, as certified by the clerk of the annexing municipality. Upon receipt of the petition, the school district clerk shall send a certified copy of the resolution to the school board of the municipal school district, to all owners of territory located in the annexed territory and to the secretary of the board.

(3) SCHOOL BOARD ACTION. In the first July beginning after the adoption of a resolution under sub. (2) (a) or the receipt of a petition under sub. (2) (b), the school boards of the affected school districts may order the territory detached from the school district in which it is located and attached to the municipal school district by the adoption, by each of the school boards, of a resolution ordering the detachment and attachment. Failure of a school board to adopt a resolution before August 1 either ordering or denying the detachment and attachment constitutes a denial of the reorganization by that school board. The school district clerk of each school board adopting a resolution under this subsection that orders or denies the reorganization shall, within 5 days after adopting the resolution, send a certified copy of the resolution to the school board of the other affected school district and to each of the owners of territory in the annexed territory and file a certified copy of the resolution as provided under s. 117.17 (2). If the school board of each affected school district adopts a resolution under this subsection ordering the detachment and attachment, the reorganization shall take effect on the following July 1.

(4) BOARD REVIEW. (a) The board shall review a reorganization proposed under this section if one of the following occurs:

1. Less than 50% of the land in the annexed territory is developed, one of the school boards under sub. (3) adopts a resolution ordering the reorganization, the other school board denies the reorganization and, before the following September 1, either of the school boards files a petition with the secretary of the board requesting board review of the proposed reorganization.

2. Before the September 1 following the granting or denying of the proposed reorganization under sub. (3), the owners of more than 50% of the annexed territory, as measured by its assessed valuation divided by the assessment ratio of the taxation district, file a petition with the secretary of the board requesting board review of the proposed reorganization.

(b) If a petition requesting review is filed under par. (a) 1., the secretary of the board shall immediately notify the school board of the other affected school district and each of the owners of territory in the annexed territory. If a petition requesting review is filed under par. (a) 2., the secretary of the board shall immediately notify the school board of each affected school district. Before the following January 15, the board shall issue an order either affirming the denial of the proposed reorganization or detaching all or part of the annexed territory described in the resolution or petition under sub. (2) from the school district in which it is located and attaching it to the municipal school district. The board's order shall be in writing, shall include a statement of reasons for the order and shall be filed as provided under s. 117.17 (2). If the board orders territory detached from the school district in which it is located and attached to the municipal school district, the reorganization shall take effect on the following July 1.

117.14 Appeal to court. (1) Any person aggrieved by the denial of a consolidation under s. 117.08 (2) or 117.09 (2), the granting of a detachment and attachment of territory under s. 117.11 (3) or any order of the board or an appeal panel under this chapter may, within 30 days after copies of the order are filed with the secretary of the board under s. 117.17 (2), appeal the order to a circuit court as follows:

(a) If the order is issued under ss. 117.08, 117.09 or 117.10, the appeal shall be filed with the circuit court of any county in which any territory of any affected school district is located.

(b) If the order is issued under ss. 117.11 to 117.132, the appeal shall be filed with the circuit court of any county in which any of the territory proposed to be detached from one school district and attached to another school district is located or with the circuit court of any county in which any territory of the school district to which the territory is proposed to be attached is located.

(2) A person appealing under this section shall serve a written notice of appeal stating specifically the grounds upon which the appeal is based on the secretary of the board and file the notice with the clerk of the circuit court.

History: 1989 a. 114, 287.

117.15 Criteria for school district reorganizations. In making any decision under ss. 117.08 to 117.132, a school board, the board and an appeal panel shall consider the following factors as they affect the educational welfare of all of the children residing in all of the affected school districts, and may consider other appropriate factors:

(1) The geographical and topographical characteristics of the affected school districts, including the estimated travel time to and from school for pupils in the school districts.

(2) The educational needs of all of the children residing in the affected school districts, the educational programs currently offered by each affected school district and the ability and commitment of each school district to meet those needs and continue to offer those educational programs.

(2m) If territory is proposed to be detached from one school district and attached to an adjoining school district, whether the proposed detachment will have any adverse effect on the program currently offered by the school district from which the territory is proposed to be detached, including both curricular and extracurricular aspects of that program.

(3) The testimony of and written statements filed by the residents of the affected school districts.

(4) The estimated fiscal effect of the proposed reorganization on the affected school districts, including the effect of the apportionment of assets and liabilities.

(5) Whether the proposed reorganization will make any part of a school district's territory noncontiguous.

(6) The socioeconomic level and racial composition of the pupils who reside or will reside in territory proposed to be detached from one school district and attached to an adjoining school district or in school districts proposed to be consolidated or in a school district proposed to be dissolved; the proportion of the pupils who reside in such territory who are children at risk, as defined under s. 118.153 (1) (a); and the effect that the pupils described in this paragraph will have on the present and future socioeconomic level and racial composition of the affected school districts and on the proportion of the affected school districts' enrollments that will be children at risk.

(7) The results of any referendum held under s. 117.10.

History: 1989 a. 114, 287.

On review of a decision under this section, the only issues to be considered are whether the reorganization authority acted within its jurisdiction and whether the determination was arbitrary and capricious. While an authority is bound to consider all the factors enumerated in this section, it may consider information from other sources, including matters within its knowledge and expertise. *School District of Waukesha v. SDBAB*, 201 W (2d) 109, 548 NW (2d) 122 (Ct. App. 1996).

The school district clerk of the school district with the largest equalized valuation shall file a copy of the agreement with the department.

NOTE: Par. (a) is shown as amended eff. 1–1–96 by 1995 Wis. Act 27. The treatment by Act 27 was held unconstitutional and declared void by the Supreme Court in *Thompson v. Craney*, case no. 95–2168–OA. Prior to Act 27 it read:

(a) A written agreement between the school boards of 2 or more school districts that are considering consolidating under s. 117.08 or 117.09 to continue operating a program or facility at a specific location for a specified period after consolidation, not to exceed 5 years, shall be binding upon the joint interim school board of the new school district under s. 117.22 and any subsequently elected school board of the new school district. (b) Ten or more electors of the new school district may jointly petition the circuit court of the county in which any portion of the new school district is located to enforce an agreement under par. (a).

(2) DETACHMENT AND ATTACHMENT OF TERRITORY. When territory is detached from one school district and attached to an adjoining school district under ss. 117.11 to 117.132, all of the following apply:

2. Any person who wishes to exercise his or her priority under subd. 1. shall notify the school district to which the territory is attached, in writing, that he or she wishes to be considered for any new position or vacant position and shall include in the notice the address to be used by the school district to notify the person of such positions.

(3) DISSOLUTIONS. If the board affirms the school board’s dissolution order under s. 117.10 (4), the board’s order shall specify that either sub. (1) (d) 1. or (2) (b) applies to employes of the dissolved school district and shall identify the other school district or school districts that shall be treated as the new consolidated school district or school district to which territory is attached for the purposes of sub. (1) (d) 1. or (2) (b). If the board’s order identifies more than one such school district, it shall also identify which of

the employes of the dissolved school district become employes of which of the identified school districts under sub. (1) (d) 1., or have priority for employment in which of the identified school districts under sub. (2) (b).

The relief afforded in sub. (2) (b) applies to teachers laid off after May 8, 1990 as the result of reorganization, regardless of the authority under which the reorganization was initiated. Laid off teachers may maintain a private action for damages for violation of sub. (2) (b) as that provision creates a right to hiring priority, but not a remedy. *Anderson v. School District of Ashland*, 181 Wis. 2d 502, 510 NW (2d) 822 (Ct. App. 1993).

117.30 Attachment upon failure to operate school.

(1) If a school district for 2 or more successive years has failed to operate a school as required by law, the board shall attach the territory of the school district to one or more school districts that do operate schools. Within 60 days of the date on which a school district becomes subject to this section, the department shall so notify the school district clerk and the clerk of each municipality in which part of the school district lies. Prior to August 30 of the year in which the school district becomes subject to this section, the board shall issue an order of school district reorganization attaching the school district to one or more operating school districts. Orders issued under this section take effect upon being filed as provided in s. 117.17 (2). The school board of each district to which any territory is attached under this section shall levy and collect a special tax against the property in the territory so attached for such amount as is payable for tuition and transportation, at the time of the attachment, by the school district in which the attached territory was located prior thereto, in the proportion that the equalized valuation of the attached territory bears to the total equalized valuation of the school district in which such territory was located prior to such attachment.

NOTE: Sub. (1) is shown as amended eff. 1–1–96 by 1995 Wis. Act 27. The treatment by Act 27 was held unconstitutional and declared void by the Supreme Court in *Thompson v. Craney*, case no. 95–2168–OA. Prior to Act 27 it read:

(1) If a school district for 2 or more successive years has failed to operate a school as required by law, the board shall attach the territory of the school district to one or more school districts that do operate schools. Within 60 days of the date on which a school district becomes subject to this section, the state superintendent shall so notify the school district clerk and the clerk of each municipality in which part of the school district lies. Prior to August 30 of the year in which the school district becomes subject to this section, the board shall issue an order of school district reorganization attaching the school district to one or more operating school districts. Orders issued under this section take effect upon being filed as provided in s. 117.17 (2). The school board of each district to which any territory is attached under this section shall levy and collect a special tax against the property in the territory so attached for such amount as is payable for tuition and transportation, at the time of the attachment, by the school district in which the attached territory was located prior thereto, in the proportion that the equalized valuation of the attached territory bears to the total equalized valuation of the school district in which such territory was located prior to such attachment.

(3) If an order issued under this section is voided, the nonoperating school district shall arrange for the attendance of its pupils at the schools of one or more other school districts on a nonresident tuition basis, and shall provide transportation to and from such schools by the methods provided in s. 121.55 for all of its pupils who reside 2 miles or more from the school they attend. Until a valid order has been issued, the nonoperating school district may use such funds on hand as have been raised or appropriated for operation and maintenance or levy taxes to pay for such tuition and transportation. If an order is voided, the board shall issue new orders of school district reorganization within the succeeding year.
