## SUBCHAPTER I

## TAXATION OF FOREST CROPLANDS

**77.01 Purposes.** It is the intent of this subchapter to encourage a policy of protecting from destructive or premature cutting the forest growth in this state, and of reproducing and growing for the future adequate crops through sound forestry practices of forest products on lands not more useful for other purposes, so that such lands shall continue to furnish recurring forest crops for commercial use with public hunting and fishing as extra public benefits, all in a manner which shall not hamper the towns in which such lands lie from receiving their just tax revenue from such lands.

**History:** 1971 c. 215; 1985 a. 332 s. 251 (2).

Request by individual legislators and town or county boards for delay in issuing orders pursuant to ch. 77, present no basis for withholding actions by the department. 61 Atty. Gen. 134.

**77.015 Lands in villages included.** Sections 77.01 to 77.14 shall apply to villages for the same purposes as specified in s. 77.01 and where in such sections the words “town” or “towns” appear they shall be substituted, for the purposes of this section, by the words “village” or “villages,” respectively.

**History:** 1981 c. 390.

**77.02 Forest croplands. (1) PETITION.** The owner of an entire quarter quarter section, fractional lot or government lot as determined by U.S. government survey plat, excluding public roads and railroad rights-of-way that may have been sold, may file with the department of natural resources a petition stating that the owner believes the lands therein described are more useful for growing timber and other forest crops than for any other purpose, that the owner intends to practice forestry thereon, that all persons holding encumbrances thereon have joined in the petition and requesting that such lands be approved as “Forest Croplands” under this subchapter. Whenever any such land is encumbered by

a mortgage or other indenture securing any issue of bonds or notes, the trustee named in such mortgage or indenture or any amendment thereto may join in such petition, and such action shall for the purpose of this section be deemed the action of all holders of such bonds or notes.

**(2) NOTICE OF HEARING, ADJOURNMENT.** Upon receipt of such petition the department of natural resources shall investigate the same and shall file a listing of descriptions with the town chairperson. For petitions received prior to May 1, the department shall within the same calendar year cause a notice that such petition has been filed to be published as a class 3 notice, under ch. 985, in the newspaper having the largest general circulation in the county in which the lands are located, and notice by registered mail shall be given to the town clerk of any town in which the lands are located. Such notice shall contain the name of the petitioner, a description of the lands and a statement that any resident or taxpayer in the town may within 15 days from the date of publication of the notice file a request with the department that it conduct a public hearing on the petition. Upon receipt of such a request the department shall conduct a public hearing on the petition. The department may conduct a public hearing on any petition without a request, if it deems it advisable to do so. Notice of the time and place of such hearing and a description, in specific or general terms, as the department deems advisable, of the property requested to be approved as “Forest Croplands” shall be given to persons making the request, the owner of such land and to the assessor of towns in which it is situated, by mail, at least one week before the day of hearing. The notice also shall be published as a class 1 notice, under ch. 985, in a newspaper having general circulation in the county in which such land is located, at least one week before the day of the hearing. Such hearing may be adjourned and no notice of the time and place of such adjourned hearing need be given, excepting the announcement thereof by the presiding officer at the hearing at which the adjournment is had.

**(3) DECISION, COPIES.** After receiving all the evidence offered at any hearing held on the petition and after making such independent investigation as it sees fit the department shall make its findings of fact and make and enter an order accordingly. If it finds that the facts give reasonable assurance that a stand of merchantable timber will be developed on such descriptions within a reasonable time, and that such descriptions are then held permanently for the growing of timber under sound forestry practices, rather than for agricultural, mineral, shoreland development of navigable waters, recreational, residential or other purposes, and that all persons holding encumbrances against such descriptions have in writing agreed to the petition, the order entered shall grant the request of the petitioner on condition that all unpaid taxes against said descriptions be paid within 30 days thereafter; otherwise the department of natural resources shall deny the request of the petitioner. If the request of the petitioner is granted, a copy of such order shall be filed with the department of revenue, the supervisor of equalization and the clerk of each town, and the order shall be recorded with the register of deeds of each county, in which any of the lands affected by the order are located. The register of deeds shall record the entry, transfer or withdrawal of all forest croplands in a suitable manner on the county records. The register of deeds may collect recording fees under s. 59.43 (2) from the owner. Any order of the department relating to the entry of forest croplands issued on or before November 20 of any year shall take effect on January 1 of the following calendar year, but all orders issued after November 20 shall take effect on January 1 of the calendar year following the calendar year in which orders issued on or before November 20 would have been effective.

**History:** 1971 c. 215; 1975 c. 45; 1977 c. 29 s. 1647 (2); 1977 c. 418; 1983 a. 275 s. 15 (3); 1985 a. 332 s. 251 (2); 1989 a. 56 s. 258; 1991 a. 316; 1993 a. 301; 1995 a. 201.

In order to be eligible for entry under the forest crop law the lands must be continuous or contiguous and 40 or more acres in size. 58 Atty. Gen. 8.

**77.03 Taxation of forest croplands.** After the filing and recording of the order with the officers under s. 77.02 (3) the lands

described therein shall be “Forest Croplands”, on which taxes shall thereafter be payable only as provided under this subchapter. The enactment of ss. 77.01 to 77.14, petition by the owner and the making of the order under s. 77.02 (3) shall constitute a contract between the state and the owner, running with the lands, for a period of 25 or 50 years at the election of the applicant at the time the petition is filed, unless withdrawn under s. 77.10, with privilege of renewal by mutual agreement between the owner and the state, whereby the state as an inducement to owners and prospective purchasers of forest croplands to come under ss. 77.01 to 77.14 agrees that, unless withdrawn under s. 77.10, no change in or repeal of ss. 77.01 to 77.14 shall apply to any land then accepted as forest croplands, except as the department of natural resources and the owner may expressly agree in writing and except as provided in s. 77.17. If at the end of the contract period the land is not designated as managed forest land under subch. VI, the merchantable timber on the land shall be estimated by an estimator jointly agreed upon by the department of natural resources and the owner, and if the department and the owner fail to agree on an estimator, the judge of the circuit court of the district in which the lands lie shall appoint a qualified forester, whose estimate shall be final, and the cost thereof shall be borne jointly by the department of natural resources and the owner; and the 10% severance tax paid on the stumpage thereon in the same manner as if the stumpage had been cut. The owners by such contract consent that the public may hunt and fish on the lands, subject to such rules as the department of natural resources prescribes regulating hunting and fishing.

**History:** 1971 c. 215; 1979 c. 89; 1985 a. 29; 1989 a. 31; 1993 a. 301.

This section creates right of access across owner’s non-enrolled lands to reach owner’s landlocked enrolled lands for purposes of hunting and fishing. 71 Atty. Gen. 163.

**77.04 Taxation. (1) TAX ROLL.** The clerk on making up the tax roll shall enter as to each forest cropland description in a special column or some other appropriate place in such tax roll headed by the words “Forest Croplands” or the initials “F.C.L.”, which shall be a sufficient designation that such description is subject to this subchapter. Such land shall thereafter be assessed and be subject to review under ch. 70, and such assessment may be used by the department of revenue in the determination of the tax upon withdrawal of such lands as forest croplands as provided in s. 77.10 for entries prior to 1972. The tax upon withdrawal of descriptions entered as forest croplands after December 31, 1971, may be determined by the department of revenue by multiplying the last assessed value of the land prior to the time of the entry by an annual ratio computed for the state under sub. (2) to establish the annual assessed value of the description. No tax shall be levied on forest croplands except the specific annual taxes as provided, except that any building located on forest cropland shall be assessed as personal property, subject to all laws and regulations for the assessment and taxation of general property.

**(2) TAX PER ACRE; PAYMENT; PENALTY.** The “acreage share” shall be computed at the rate of 10 cents per acre on all lands entered prior to 1972. On all lands entered after December 31, 1971, the “acreage share” shall be computed every 10 years to the nearest cent by the department of revenue at the rate of 20 cents per acre multiplied by a ratio using the equalized value of the combined residential, commercial, manufacturing, agricultural, swamp, or waste and productive forest land classes under s. 70.32 (2) within the state in 1972 as the denominator, and using equalized value for these combined land classes in 1982 and every 10th year thereafter as the numerator. All owners shall pay to the taxation district treasurer the acreage share on each description on or before January 31. If the acreage share is not paid when due to the taxation district treasurer it shall be subject to interest and penalty as provided under ss. 74.11 (11), 74.12 (10) and 74.47. These lands shall be returned as delinquent and a tax certificate under subch. VII of ch. 74 shall be issued on them. After 2 years from the date of the issuance of a tax certificate, the county clerk shall promptly take a tax deed under ch. 75. On taking such deed the

county clerk shall certify that fact and specify the descriptions to the department of natural resources.

**(3) APPORTIONMENT OF FOREST CROPLAND INCOME.** Out of all moneys received by any town from any source on account of forest croplands in such town, the town treasurer shall on or before November 15 pay 20% to the county treasurer and retain the remainder.

**History:** 1971 c. 215; 1975 c. 39, 211; 1977 c. 418; 1981 c. 20, 167, 391; 1983 a. 275 s. 15 (8); 1983 a. 405, 538; 1985 a. 332 s. 251 (2); 1987 a. 378.

**77.05 State contribution.** The department of natural resources shall pay before June 30 annually to the town treasurer, from the appropriation under s. 20.370 (5) (bv), 20 cents for each acre of land in the town that is described as forest croplands under this subchapter.

**History:** 1971 c. 215; 1975 c. 39 s. 734; 1977 c. 29 s. 1656 (38); 1977 c. 418; 1979 c. 34 s. 2102 (39) (a); 1991 a. 39; 1995 a. 27.

**77.06 Forestation. (1) CUTTING TIMBER REGULATED.** No person shall cut any merchantable wood products on any forest croplands where the forest crop taxes are delinquent nor until 30 days after the owner has filed with the department of natural resources a notice of intention to cut, specifying by descriptions and the estimated amount of wood products to be removed and the proportion of present volume to be left as growing stock in the area to be cut. The department of natural resources may require a bond executed by some surety company licensed in this state or other surety for such amount as may reasonably be required for the payment to the department of natural resources of the severance tax hereinafter provided. The department, after examination of the lands specified, may prescribe the amount of forest products to be removed. Cutting in excess of the amount prescribed shall render the owner liable to double the severance tax prescribed in s. 77.06 (5) and subject to cancellation under s. 77.10. Merchantable wood products include all wood products except wood used for fuel by the owner.

**(2) APPRAISAL OF TIMBER, ZONES.** Each year the department of natural resources, at the time and place it shall fix and after such public notice as it deems reasonable, shall hold a public hearing. After the hearing the department shall make and file, open to public inspection, a determination of the reasonable stumpage values of the wood products usually grown in the several towns in which any forest croplands lie. A public hearing under this section shall be held prior to August 1 of each year and the determination of stumpage values made by the department of natural resources shall take effect on November 1 of that year. If the department of natural resources finds there is a material variance in the stumpage values in the different localities, it may fix separate zones and determine the values for each zone.

**(3) REVALUATION.** As to any locality or zone in which the department of natural resources deems there has been no material variance from the preceding year in stumpage values, it may omit to make any new valuation in any year, in which event the last preceding valuation shall continue in force until changed in a succeeding year.

**(4) CUTTING REPORTED.** Within 30 days after completion of cutting on any land description, but not more than one year after filing of the notice of intention to cut, the owner shall transmit to the department of natural resources on forms provided by the department a written statement of the products so cut, specifying the variety of wood, kind of product, and quantity of each variety and kind as shown by the scale or measurement thereof made on the ground as cut, skidded, loaded, delivered, or by tree scale certified by a qualified forester when stumpage is sold by tree measurement. The department of natural resources may accept such reports as sufficient evidence of the facts, or may either with or without hearing and notice of time and place thereof to such owner, investigate and determine the fact of the quantity of each variety and kind of product so cut during said periods preceding such reports.

**(5) TAX LEVY ON RIGHT TO CUT TIMBER.** The department of natural resources shall assess and levy against the owner a severance tax on the right to cut and remove wood products covered by reports under this section, at the rate of 10% of the value of the wood products based upon the stumpage value then in force. Upon making the assessment, the department of natural resources shall mail a duplicate of the certificate by registered mail to the owner who made the report of cutting at the owner's last-known post-office address. The tax assessed is due and payable to the department of natural resources on the last day of the next calendar month after mailing the certificate. The proceeds of the tax shall be paid into the forestry account of the conservation fund for distribution under s. 77.07 (3).

**History:** 1971 c. 215; 1977 c. 29, 224.

**77.07 Severance tax. (1) LIABILITY FOR TAXES, LIENS.** The owner of the land shall be personally liable for any severance tax because of any wood products cut therefrom, which tax shall also be a lien on such wood products wherever situated and in whatever form, or if mingled with other products, then on the common mass, until paid, while in the possession of such owner, or of any other person than a purchaser for value without notice in the usual course of business.

**(2) PENALTY, COLLECTIONS.** If any severance tax remain unpaid for 30 days after it becomes due, there shall then be added a penalty of 10%, and such tax and penalty shall thereafter draw interest at the rate of one per cent per month until paid. At the expiration of said 30 days the department of natural resources shall report to the attorney general any unpaid severance tax, adding said penalty, and the attorney general shall thereupon proceed to collect the same with penalty and interest by suit against the owner and by attachment or other legal means to enforce the lien and by action on the bond mentioned in s. 77.06 (1), or by any or all such means.

**(3) DISTRIBUTION OF SEVERANCE TAX.** All severance taxes collected under this subchapter shall be distributed as follows: The state shall retain an amount equal to the total acreage payments on the lands to which the severance taxes relate, made by the state under s. 77.05, and all penalties imposed under sub. (2) and s. 77.06 (1), and the balance shall be paid to the town treasurer to be apportioned as provided in s. 77.04 (3).

**History:** 1971 c. 215; 1977 c. 29; 1985 a. 332 s. 251 (2).

**77.08 Supplemental severance tax.** At any time within one year after any cutting should have been reported, the department of natural resources after due notice to the owner and opportunity to be heard, and on evidence duly made a matter of record, may determine whether the quantity of wood products cut from any such land, did in fact substantially exceed the amount on which the severance tax theretofore levied was based, and if so shall assess a supplemental severance tax which, in all respects, shall have the same force and effect as the former severance tax, except only it shall not be a lien on any property the title of which has passed to a purchaser for value without notice.

**77.09 False reports, penalties. (1)** Any person who fails to report or shall intentionally make any false statement or report to the department of natural resources required by s. 77.06 shall forfeit not more than \$1,000. An action under this section shall not be a bar to a cancellation of entry and order of withdrawal under s. 77.10.

**(2)** The procedure in ss. 23.50 to 23.85 applies to actions brought under sub. (1).

**History:** 1989 a. 79.

**77.10 Withdrawal of forest croplands. (1) INVESTIGATIONS, CANCELLATIONS, CONVEYANCES.** (a) The department of natural resources shall on the application of the department of revenue or the owner of any forest croplands or the town board of the town in which said lands lie and may on its own motion at any time cause an investigation to be made and hearing to be had as to

whether any forest croplands shall continue under this subchapter. If on such hearing after due notice to and opportunity to be heard by the department of revenue, the town and the owner, the department of natural resources finds that any such lands are not meeting the requirements set forth in s. 77.02 or that the owner has made use of the land for anything other than forestry or has failed to practice sound forestry on the land, the department of natural resources shall cancel the entry of such description and issue an order of withdrawal, and the owner shall be liable for the tax and penalty under sub. (2). Copies of the order of withdrawal specifying the description shall be filed by the department of natural resources with all officers designated to receive copies of the order of entry and withdrawal and this subchapter shall not thereafter apply to the lands withdrawn, except s. 77.07 so far as it may be needed to collect any previously levied severance or supplemental severance tax. If the owner shall not repay the amounts on or before the last day of February next succeeding the return of such lands to the general property tax roll as provided in sub. (4), the department of natural resources shall certify to the county treasurer the descriptions and the amounts due, and the county treasurer shall sell such lands as delinquent as described in s. 77.04 (2). Whenever any county clerk has certified to the taking of tax deed under s. 77.04 (2) the department of natural resources shall issue an order of withdrawal as to the lands covered in such tax deed. Such order may also be issued when examination of tax records reveals prolonged delinquency and noncompliance with the requirements of s. 77.04 (2).

(b) Whenever any owner of forest croplands conveys such land the owner shall, within 10 days of the date of the deed, file with the department of natural resources on forms prepared by the department a transfer of ownership signed by the owner and an acceptance of transfer signed by the grantee certifying that the grantee intends to continue the practice of forestry on such land. The department of natural resources shall immediately issue a notice of transfer to all officers designated to receive copies of orders of entry and withdrawal. Whenever a purchaser of forest croplands declines to certify his or her intention to continue the practice of forestry thereon, such action shall constitute cause for cancellation of entry under par. (a) without hearing.

(2) **ELECTION TO WITHDRAW LANDS.** (a) 1. Any owner of forest croplands may elect to withdraw all or any of such lands from under this subchapter, by filing with the department of natural resources a declaration withdrawing from this subchapter any description owned by such person which he or she specified, and by payment by such owner to the department of natural resources within 60 days the amount of tax due from the date of entry or the most recent date of renewal, whichever is later, as determined by the department of revenue under s. 77.04 (1) with simple interest thereon at 12% per year, less any severance tax and supplemental severance tax or acreage share paid thereon, with interest computed according to the rule of partial payments at the rate of 12% per year.

2. The amount of the tax shall be determined by the department of revenue and furnished to the department of natural resources, which shall determine the exact amount of payment. When the tax rate or assessed value ratio of the current year has not been determined the rate of the preceding tax year may be used. On receiving such payment the department of natural resources shall issue an order of withdrawal and file copies thereof with the department of revenue, the supervisor of equalization and the clerk of the town, and shall record the order with the register of deeds of the county, in which the land lies. The land shall then cease to be forest croplands.

(b) Upon receipt of any taxes under this section by the state, the department of natural resources shall first deduct all moneys paid by the state on account of the lands under s. 77.05 with interest on the moneys computed according to the rule of partial payments at the rate of interest paid under par. (a) by the person withdrawing such lands. The department shall within 20 days remit

the balance to the town treasurer who shall pay 20% to the county treasurer and retain the remainder.

(c) Land subject to a contract under s. 77.03 that is withdrawn and the ownership of which is transferred to the federal government, the state or a local governmental unit, as defined in s. 66.299 (1) (a), is not subject to the tax payment calculated under par. (a) if the land will be used for a public road, railroad, utility right-of-way, park, recreational trail, wildlife or fish habitat area or a public forest.

(4) **TAXATION AFTER WITHDRAWAL.** When any description ceases to be a part of the forest croplands, by virtue of any order of withdrawal issued by the department of natural resources, taxes thereafter levied thereon shall be payable and collectible as if such description had never been under this subchapter.

**History:** 1971 c. 215; 1975 c. 39 s. 734; 1977 c. 29, 201, 447; 1979 c. 110 s. 60 (13); 1983 a. 275 s. 15 (3); 1985 a. 332 s. 251 (2); 1987 a. 399; 1989 a. 79; 1991 a. 39, 316; 1993 a. 301.

#### 77.11 Accounts of department of natural resources.

The department of natural resources shall keep a set of forest croplands books in which shall always appear as to each description in each town containing any forest croplands, the amount of taxes paid by the state to the town and received by the state from the owner. All tax payments shall be paid out of and receipts credited to the forestry account of the conservation fund.

**History:** 1977 c. 29.

77.12 **Review of findings, venue.** Any finding of fact made under this subchapter after due notice and hearing shall be final and conclusive, except and unless set aside or modified by the judgment of the circuit court for either Dane county, or of the county in which the land lies in either of which action may be brought for that purpose, within thirty days after the making of the finding sought to be reviewed.

**History:** 1985 a. 332 s. 251 (2).

#### 77.13 Termination of forest croplands program.

(1) On and after July 20, 1985, no person may petition the department of natural resources requesting it to approve any land as forest croplands under this subchapter.

(2) On and after January 1, 1986, the department of natural resources may not act on any petition requesting the designation of land as forest croplands, issue any order entering land as forest croplands or enter into a renewal of any forest croplands contract under this subchapter.

**History:** 1985 a. 29; 1987 a. 27.

#### 77.14 Forest croplands information, protection, appropriation.

The department of natural resources shall publish and distribute information regarding the method of taxation of forest croplands under this subchapter, and may employ a fire warden in charge of fire prevention in forest croplands. All actual and necessary expenses incurred by the department of natural resources or by the department of revenue in the performance of their duties under this subchapter shall be paid from the appropriation made in s. 20.370 (1) (mu) upon certification by the department incurring such expenses.

**History:** 1975 c. 39 s. 734; 1977 c. 29 s. 1656 (38); 1979 c. 32; 1979 c. 34 s. 2102 (39) (a); 1985 a. 332 s. 251 (2).

77.16 **Woodland tax law.** (1) In this section "department" means the department of natural resources.

(2) The owner of 10 acres or more may file with the department an application setting forth a description of the lands which the owner desires to place under the woodland tax law and on which land the owner will practice forestry. Applications received prior to May 1 each calendar year shall be processed for entry by November 20 of that calendar year. Lands which include an entire quarter-quarter section, fractional lot or government lot as determined by U.S. government survey plat, excluding public roads and railroad rights-of-way that may have been sold, are not eligible for entry. Lands within recorded plats or the incorporated lim-

its of cities or villages are not eligible for entry, but lands subject to a woodland tax law agreement located in a town which incorporates as a city after the agreement was entered into remain in effect. Lands on which an improvement is located having an assessed value in itself are not eligible for entry.

(3) Upon filing of such application the department shall examine the land, and if it finds that the facts give reasonable assurance that the woodland is suitable for the growing of timber and other forest products and the lands are not more useful for other purposes and the landowner agrees to follow an approved management plan the department shall enter an order approving the application. A copy of such order shall be forwarded to the owner of the land, to the supervisor of equalization of the district wherein the land is located, to the clerk and the assessor of the town and to the clerk and register of deeds of the county wherein the land is located. The register of deeds shall record the entry and declassification of woodland tax lands in a suitable manner on the county record. The register of deeds may collect recording fees under s. 59.43 (2) from the owner.

(4) The application of the owner of the land, the signed management plan and the filing of the order by the department shall constitute a contract, running with the land, for a period of 15 years, unless terminated as provided in this section. Any order issued on or before November 20 of any year shall take effect on January 1 of the following calendar year, but all orders issued after November 20 shall take effect January 1 of the calendar year following the calendar year in which orders issued on or before November 20 would have been effective. Any contract under this section may be renewed by mutual consent of the parties at the end of its term, notwithstanding the fact that the town in which the land subject to the contract is located was incorporated as a city during the term of the contract. If at the end of 15 years the contract is not renewed by mutual consent, the land is declassified and shall be removed from the provisions of this section.

(5) The assessor shall reduce the total assessed valuation of each description by an amount equal to the assessed value of the acreage entered. The local assessor in preparing the assessment roll shall show the acreage for each owner covered under this section in a column designated by the words "Woodland Tax Law" or the initials "WTL".

(6) The owner shall be liable and shall pay to the taxation district or city treasurer a tax computed at the rate of 20 cents per acre on all lands entered prior to 1977. All owners shall pay that tax on or before January 31. On all lands entered or renewed after December 31, 1976, the rate shall be 40 cents per acre through 1982. In 1982 and at 10-year intervals thereafter the per acre rate shall be recalculated using the method specified in s. 77.04 (2) and rounded to the nearest cent. Such acreage tax shall be subject to collection in the same manner as is the forest croplands tax under s. 77.04 (2).

(7) The owner of the land shall follow the management plan and shall prohibit grazing and burning on lands entered under the woodland tax law. The management plan may be revised by the owner with the consent of the department. The department may at any time cause an investigation to be made as to whether lands may continue to be classified under this section. If the department finds that the owner has not complied with the law, or if the land is no longer used for forestry purposes, it shall issue an order removing the land from the woodland tax law classification. An owner may elect to withdraw lands from under this section by filing with the department a declaration of withdrawal for any entire entry. Contracts under the woodland tax law shall be conveyed with the land to the new owner. Conveyance of lands resulting in partition of the lands under a woodland tax law contract shall be cause for declassification. Any declassification order issued on or before November 20 of any year shall take effect on January 1 of the following calendar year but all declassification orders issued after November 20 shall take effect January 1 of the calendar year following the calendar year in which declassification orders

issued on or before November 20 would have been effective. A copy of the declassification order shall be sent to the owner of the land, to the supervisor of equalization of the district wherein the land is located, to the clerk and the assessor of the town or city, and to the clerk and register of deeds of the county wherein the land is located.

(8) The owner, town board or county board may petition the department for a public hearing to take testimony and hear evidence on whether lands shall be entered under this section. An owner, town board, city council or county board may petition the department for a public hearing on whether lands should be continued under this section. Upon the filing of a petition the department shall set the matter for public hearing at such time and place as it sees fit, but not later than 90 days from the date of filing of the petition. The department shall give 30 days' written notice of the hearing to the petitioners. The hearing may be adjourned for 60 days. The presiding officer at the hearing may be an employee of the department designated by the department to conduct the hearing.

(9) After hearing all the evidence and after making such independent investigation as it sees fit the department shall make its findings of fact and make and enter an order within 60 days after the final adjournment of the hearing. Copies of the order shall be forwarded to the owner of the land, to the supervisor of equalization of the district wherein the land is located, to the clerk and the assessor of the town or city, to the county clerk and register of deeds and to the petitioner if not included above.

(10) The department shall furnish appropriate forms to the owners of lands interested in entry of lands under the woodland tax law.

(11) On declassification as a result of actions under sub. (7) the owner shall be liable for payment of a penalty to the town or city treasurer. The payment shall be calculated by the department at a rate of one percent of the average full value per acre of the productive forest land classes under s. 70.32, in the year before declassification in the county where the land is located, for each acre for each year the acreage remained under the provisions of this section. The full value of the productive forest land classes shall be determined each year by the department of revenue. The department shall notify the town or city clerk of the amount of the penalty together with the order of declassification. The penalty shall be included in the owner's next tax bill.

(11m) The owner shall not be liable for payment of a penalty if declassification is a result of the transfer of the land to the federal government, the state or a local governmental unit, as defined in s. 66.299 (1) (a), for a public road, railroad, utility right-of-way, park, recreational trail, wildlife or fish habitat area or a public forest.

(12) The owner shall not be liable for payment of a penalty if declassification is a result of the owner's failure or refusal to renew the contract at the end of the contract period.

(13) Any decision made by the department under this section is subject to review under ch. 227.

(14) (a) On and after July 20, 1985, no person may apply to the department to place any land under this section.

(b) On and after January 1, 1986, the department may not act on any application under this section, issue any order placing land under this section or enter into a renewal of any agreement under this section.

Detached parcels of less than 40 acres are eligible for entry under the woodland tax law. 58 Atty. Gen. 8.

**77.17 Contracts for land in the lower Wisconsin state riverway.** An owner of timber that is exempt under s. 30.44 (3) (c) 1. shall comply with a rule regulating timber cutting and harvesting promulgated under s. 30.42 (1) (d):

- (1) If the rule is not inconsistent with the contract entered into under s. 77.03 or 77.16 (4); or
- (2) If the owner agrees to modify the contract entered into under s. 77.03 or 77.16 (4) to require compliance with the rules.

**77.22 Imposition of real estate transfer fee.** (1) There is imposed on the grantor of real estate a real estate transfer fee at the rate of 30 cents for each \$100 of value or fraction thereof on every conveyance not exempted or excluded under this subchapter. In regard to land contracts the value is the total principal amount that the buyer agrees to pay the seller for the real estate. This fee shall be collected by the register at the time the instrument of conveyance is submitted for recording. Except as provided in s. 77.255, at the time of submission the grantee or his or her duly authorized agent or other person acquiring an ownership interest under the instrument, or the clerk of court in the case of a foreclosure under s. 846.16 (1), shall execute a return, signed by both grantor and grantee, on the form prescribed under sub. No return is required with respect to conveyances exempt under s. 77.25 (2) unless the transferor is also a lender for the transaction.

**History:** 1983 a. 27; 1987 a. 27; 1991 a. 39.

**77.26 Powers of investigation, additional fees, refunds, penalties.** (1) The department of revenue may examine any records of any party to a conveyance to determine the real estate transfer fee due and the accuracy of the return submitted.

(2) If the department of revenue determines that the amount of the real estate transfer fee reported was in error or that an exemption was improperly claimed, the department shall compute the additional transfer fee to be paid by, or the amount of the overpayment of transfer fee to be refunded to, the grantor.

(3) All additional assessments and claims for refund are subject to the applicable notice provisions and procedures for review, final determination, collection, interest and penalties provided for additional income or franchise tax assessments and claims for refund under ch. 71.

(4) The department of revenue shall collect additional real estate transfer fees and divide the amount collected with the appropriate county in the proportion under s. 77.24.

(8) If the department of revenue determines that the value reported on the return under s. 77.22 is understated by 25% or more or that an exemption was improperly claimed under s. 77.25, the department shall assess and collect a penalty of \$25 or 25% of the additional fee due, whichever is greater, in the manner that additional transfer fees are collected.

**History:** 1983 a. 27; 1991 a. 39.

**77.265 Confidentiality.** The returns filed under this subchapter are privileged information except as follows:

(1) The department of revenue shall distribute information from the returns, and a copy of each return, to local assessors.

(2) The local assessor shall permit the inspection of all returns filed under this subchapter for property within any local unit of government for which property taxes are levied by the chief elected official, or a person designated by the official, of that unit upon the adoption of a resolution by the governing body of the unit directing the official to inspect the returns for the purpose of reviewing the basis upon which equalized values were established by the department of revenue under s. 70.57, and the official or designee shall maintain the confidentiality of the returns.

(3) The returns may be used in any proceeding involving the requisite amount of the fee.

(4) The department of industry, labor and job development may use the returns under s. 106.04.

(5) The department of revenue, county real property listers under s. 70.09 and local assessors and their employees and agents may use the returns.

(6) Governmental agencies acquiring real property for public purposes may use the returns.

(7) In a condemnation proceeding or in an appeal of an assessment of real property, the property owners and the owners' agents may inspect the returns.

(8) A county may use the returns to develop a tract index if the county does not reveal the social security numbers of any buyers or sellers.

(9) The department of revenue may sell information obtained from the returns about street addresses, sale prices, the dates of sales and the types of conveyancing instruments.

**History:** 1993 a. 412 ss. 3, 4; 1995 a. 27 ss. 3479, 9130 (4).

**77.27 Penalty for falsifying value.** Any person who intentionally falsifies value on a return required to be filed under this subchapter may for each such offense be fined not more than \$1,000 or imprisoned in the county jail not more than one year, or both.

This section is violated when value is intentionally falsified on a Wisconsin real estate transfer return. Falsely declaring a transfer as a sale when it is in fact a gift does not constitute a violation, nor will it support the issuance of a false swearing complaint under s. 946.32, but it may constitute a gift tax avoidance in violation of s. 72.86 (6), 1989 stats. 62 Atty. Gen. 251.

**77.29 Fee for recording.** In any county in which the register of deeds is compensated on a fee basis, the county shall pay the register of deeds an additional amount equal to 25% of the recording fees for all deeds or other instruments conveying real estate evidencing transfers subject to fee under this subchapter.

**77.30 Rules.** The secretary of revenue may adopt, pursuant to ch. 227, such rules as the secretary deems necessary in the administration of this subchapter and may proceed under s. 73.03 (9) to enforce its provisions.

**History:** 1991 a. 316.

## SUBCHAPTER III

## GENERAL SALES AND USE TAX

**77.51 Definitions.** Except where the context requires otherwise, the definitions given in this section govern the construction of terms in this subchapter.

(1) “Business” includes any activity engaged in by any person or caused to be engaged in by any person with the object of gain, benefit or advantage, either direct or indirect, and includes also the furnishing and distributing of tangible personal property or taxable services for a consideration by social clubs and fraternal organizations to their members or others.

(1m) “Cloth diaper” means a cloth diaper used for sanitary purposes.

(2) “Contractors” and “subcontractors” are the consumers of tangible personal property used by them in real property construction activities and the sales and use tax applies to the sale of tangible personal property to them. In this subsection, “real property construction activities” include the fabrication of modular units designed and fabricated for a specific prefabricated building to be affixed to land at a particular location designated by the purchaser before the fabrication of the modules if the modular units will have a realty function and will become a permanent accession to the realty. A contractor engaged primarily in real property construction activities may use resale certificates only with respect to purchases of property which the contractor has sound reason to believe the contractor will sell to customers for whom the contractor will not perform real property construction activities involving the use of such property.

(3) “Department” means the department of revenue, its duly authorized employes and agents.

(3m) “Diaper service” means a business primarily engaged in the lease or rental, delivery and laundering of cloth diapers.

(4) (a) “Gross receipts” means the total amount of the sale, lease or rental price, as the case may be, from sales at retail of tangible personal property, or taxable services, valued in money, whether received in money or otherwise, without any deduction on account of the following:

1. The cost of the property sold;
2. The cost of the materials used, labor or service cost, interest paid, losses or any other expense;
3. The cost of transportation of the property prior to its sale to the purchaser;

4. Any tax included in or added to the purchase price, including the taxes imposed by ss. 78.01, 78.40, 139.02, 139.03 and 139.31, the federal motor fuel tax and any manufacturers’ or importers’ excise tax; but not including any tax imposed by the United States, any other tax imposed by this state or any tax imposed by any municipality of this state upon or with respect to retail sales whether imposed upon the retailer or the consumer if that federal, state or municipal tax is measured by a stated percentage of sales price or gross receipts or the federal communications tax imposed upon the services set forth in s. 77.52 (2) (a) 5. For purposes of the sales tax, if a retailer establishes to the satisfaction of the department that the sales tax imposed by this subchapter has been added to the total amount of the sales price and has not been absorbed by the retailer, the total amount of the sales price shall be the amount received exclusive of the sales tax imposed. For the purpose of this subdivision, a tax shall be deemed “imposed upon or with respect to retail sales” only if the retailer is the person who is required to make the payment of the tax to the governmental unit levying the tax.

(b) “Gross receipts” shall not include:

1. Cash or term discounts allowed and taken on sales;
2. Such part of the sales price as is refunded in cash or credit as a result of property returned or adjustments in the sales price after the sale has been completed, provided the seller has included

the said refunded receipts in a prior return made by such seller and has paid the tax thereon; and provided the seller has returned to the purchaser in cash or credit any and all tax previously paid by the purchaser on the amount of such refund at the time of the purchase.

3. In all transactions in which an article of tangible personal property is traded toward the purchase of an article of greater value, the gross receipts shall be only that portion of the purchase price represented by the difference between the full purchase price of the article of greater value and the amount allowed for the article traded.

4. In the case of accounts which are found to be worthless and charged off for income or franchise tax purposes, a retailer is relieved from liability for sales tax. A retailer who has previously paid the sales tax on such accounts may take as a deduction from the measure of the tax the amount found to be worthless and this deduction must be taken from the measure of the tax in the period in which said account is found to be worthless or within a reasonable time thereafter.

5. Transportation charges separately stated, if the transportation occurs after the sale of the property is made to the purchaser.

6. Thirty–five percent of the sale price of a new mobile home that is a primary housing unit under s. 340.01 (29) or of a new mobile home that is transported in 2 unattached sections if the total size of the combined sections, not including additions and attachments, is at least 984 square feet measured when the sections are ready for transportation. No credit may be allowed for trade–ins under subd. 3. or sub. (15) (b) 4. This subdivision does not apply to lease or rental.

(c) “Gross receipts” includes:

1. All receipts, cash, credits and property except as provided in par. (b) 3.

2. Any services that are a part of the sale of tangible personal property, including any fee, service charge, labor charge or other addition to the price charged a customer by the retailer which represents or is in lieu of a tip or gratuity.

3. The entire sales price of credit transactions in the reporting period in which the sale is made without reduction in the amount of tax payable by the retailer by reason of the retailer’s transfer at a discount the open account, note, conditional sales contract, lease contract or other evidence of indebtedness. No reduction in the amount of tax payable by the retailer is allowable in the event property sold on credit is repossessed except where the entire consideration paid by the purchaser is refunded to the purchaser or where a credit for a worthless account is allowable under par. (b) 4.

4. The price received for labor or services used in installing or applying tangible personal property sold, except the price received for installing or applying property which, when installed or applied, will constitute an addition or capital improvement of real property and provided such amount is separately set forth from the amount received for the tangible personal property.

5. If a lessor of tangible personal property reimbursed the vendor for sales tax on the sale of the property by the vendor to the lessor, the tax due from the lessor on the rental receipts may be offset by a credit equal to, but not exceeding, the tax otherwise due on the rental receipts from this property for the reporting period. The credit shall expire when the cumulative rental receipts equal the sales price upon which the vendor paid sales taxes to this state. If a purchaser of tangible personal property reimbursed the vendor of the property for sales tax on the sale and subsequently, prior to making any use of the property other than retention, demonstration or display while holding it for sale or rental, makes a taxable sale of the property, the tax due on the taxable sale may be offset by the tax reimbursed.

6. Charges associated with time–share property that is taxable under s. 77.52 (2) (a) 1. or 2.

(d) The department may, in cases where it is satisfied that an undue hardship would otherwise result, permit the reporting of “gross receipts” on some basis other than the accrual basis.

(5) For purposes of subs. (13) (e) and (f) and (14) (L) and s. 77.52 (2m) “incidental” means depending upon or appertaining to something else as primary; something necessary, appertaining to, or depending upon another which is termed the principal; something incidental to the main purpose of the service. Tangible personal property transferred by a service provider is incidental to the service if the purchaser’s main purpose or objective is to obtain the service rather than the property, even though the property may be necessary or essential to providing the service.

(6) “In this state” or “in the state” means within the exterior limits of the state of Wisconsin.

(7) “Lease” includes rental, hire and license.

(8) “Newspaper” means those publications which are commonly understood to be newspapers and which are printed and distributed periodically at daily, weekly or other short intervals for the dissemination of current news and information of a general character and of a general interest to the public. In addition, any publication which qualifies as a newspaper under s. 985.03 (1) is a newspaper. “Newspaper” also includes advertising supplements if they are printed by a newspaper and distributed as a component part of one of that newspaper’s publications or if they are printed by a newspaper or a commercial printer and sold to a newspaper for inclusion in publications of that newspaper. A “newspaper” does not include handbills, circulars, flyers, or the like, advertising supplements not described in this subsection which are distributed with a newspaper, nor any publication which is issued to supply information on certain subjects of interest to particular groups, unless such publication otherwise qualifies as a newspaper within this subsection. In this subsection, advertising is not considered news of a general character and of a general interest.

(9) “Occasional sales” includes:

Permits shall be held only by persons actively operating as sellers of tangible personal property or taxable services. Any person not so operating shall forthwith surrender that person's permit to the department for cancellation. The department may revoke the permit of a person found not to be actively operating as a seller of tangible personal property or taxable services.

**(13)** For the purpose of the proper administration of this section and to prevent evasion of the sales tax it shall be presumed that all receipts are subject to the tax until the contrary is established. The burden of proving that a sale of tangible personal property or services is not a taxable sale at retail is upon the person who makes the sale unless that person takes from the purchaser a certificate to the effect that the property or service is purchased for resale or is otherwise exempt.

**(14)** (a) The certificate referred to in sub. (13) relieves the seller from the burden of proof only if any of the following is true:

1. The certificate is taken in good faith from a person who is engaged as a seller of tangible personal property or taxable services and who holds the permit provided for in sub. (9) and who, at the time of purchasing the tangible personal property or services, intends to sell it in the regular course of operations or is unable to ascertain at the time of purchase whether the property or service will be sold or will be used for some other purpose.

2. The certificate is taken in good faith from a person claiming exemption.

(b) The certificate referred to in sub. (13) shall be signed by and bear the name and address of the purchaser, and shall indicate the general character of the tangible personal property or service sold by the purchaser and the basis for the claimed exemption. The certificate shall be in such form as the department prescribes.

**(15)** If a purchaser who gives a resale certificate makes any use of the property other than retention, demonstration or display while holding it for sale, lease or rental in the regular course of the purchaser's operations, the use shall be taxable to the purchaser under s. 77.53 as of the time the property is first used by the purchaser, and the sales price of the property to the purchaser shall be the measure of the tax. Only when there is an unsatisfied use tax liability on this basis because the seller has provided incorrect information about that transaction to the department shall the seller be liable for sales tax with respect to the sale of the property to the purchaser.

**(16)** Any person who gives a resale certificate for property or services which that person knows at the time of purchase is not to be resold by that person in the regular course of that person's operations as a seller for the purpose of evading payment to the seller of the amount of the tax applicable to the transaction is guilty of a misdemeanor. Any person certifying to the seller that the sale of property or taxable service is exempt, knowing at the time of purchase that it is not exempt, for the purpose of evading payment to the seller of the amount of the tax applicable to the transaction, is guilty of a misdemeanor.

**(17)** If a purchaser gives a certificate with respect to the purchase of fungible goods and thereafter commingles these goods with other fungible goods not so purchased but of such similarity that the identity of the constituent goods in the commingled mass cannot be determined, sales from the mass of commingled goods shall be deemed to be sales of the goods so purchased until a quantity of commingled goods equal to the quantity of purchased goods so commingled has been sold.

**(17m)** (a) A person who holds a valid certificate issued under s. 73.03 (50) may apply for a direct pay permit by submitting to the department a completed form that the department prescribes.

(b) The department shall issue a direct pay permit, at the beginning of a taxpayer's taxable year, if the following requirements are fulfilled:

1. Because of the nature of the applicant's business, issuing the permit will significantly reduce the work of administering the taxes under this subchapter.

2. The applicant's accounting system will clearly indicate the amount of tax that the applicant owes under this subchapter.

3. The applicant makes enough purchases that are taxable under this subchapter to justify the expense of regular audits by the department.

4. The applicant is not liable for delinquent taxes; including costs, penalties, surcharges and interest; under ch. 71, 72, 76, 78 or 139 or this chapter of \$400 or more if any part of the tax is delinquent for at least 5 months.

5. It is in this state's best interests to issue the permit.

6. The applicant purchases enough tangible personal property under circumstances that make it difficult to determine whether the property will be subject to a tax under this subchapter.

7. The applicant holds a valid certificate under s. 73.03 (50).

(c) A holder of a permit that is issued under par. (b) may not transfer or assign it.

(d) The department may revoke a permit that is issued under par. (b) if the holder misuses it or the department determines that revocation is in this state's best interests.

(e) A retailer may not collect a tax under this subchapter, and is not liable for a tax under this subchapter, on any sale, except those of a type specified as ineligible for an exemption under this paragraph by a rule promulgated by the department, for which the buyer furnishes to the retailer a copy of the permit that is issued under par. (b) or a statement that the buyer holds such a permit, a statement of that permit's number and a statement of the date that the permit was issued.

(f) A person who holds a permit that is issued under par. (b) shall keep a record of all retailers from whom the person made a purchase for which the person used a permit that is issued under par. (b) and shall do one of the following:

1. Fulfill the requirements for an exempt sale under par. (e) for every purchase that the person makes that may be exempt under that paragraph and pay the tax under s. 77.53 (1) to the department on all of those purchases for which the tax is due.

2. Maintain accounting records that show the tax under ss. 77.52 (1) and (2) and 77.53 (3) paid on each purchase during each reporting period under s. 77.58 and the total tax paid during each reporting period, pay the tax under ss. 77.52 (1) and (2) and 77.53 (3) on either all or none of the purchases made from each retailer during each reporting period and pay the tax under s. 77.53 (1) to the department on all of the purchases for which the tax is due.

**(18)** If any retailer liable for any amount of tax under this subchapter sells out the retailer's business or stock of goods or quits the business, the retailer's successors or assigns shall withhold sufficient of the purchase price to cover such amount until the former owner produces a receipt from the department that it has been paid or a certificate stating that no amount is due.

(a) If the purchaser of a stock of goods fails to withhold from the purchase price as required, the purchaser becomes personally liable for the payment of the amount required to be withheld by the purchaser to the extent of the purchase price valued in money. Within 60 days after receiving a written request from the purchaser for a certificate, or within 60 days from the date the former owner's records are made available for audit, whichever period expires later, but in any event not later than 90 days after receiving the request, the department shall either issue the certificate or mail notice to the purchaser at the purchaser's address as it appears on the records of the department of the amount that must be paid as

a condition of issuing the certificate. Failure of the department to mail the notice will release the purchaser from any further obligation to withhold the purchase price as above provided. The obligation of the successor may be enforced within 4 years of the time the retailer sells out the retailer's business or stock of goods or at the time that the determination against the retailer becomes final, whichever event occurs later.

**(19)** The department shall by rule provide for the efficient collection of the taxes imposed by this subchapter on sales of property or services by persons not regularly engaged in selling at retail in this state or not having a permanent place of business, but who are temporarily engaged in selling from trucks, portable roadside stands, concessions at fairs and carnivals, and the like. The department may authorize such persons to sell property or sell, perform or furnish services on a permit or nonpermit basis as the department by rule prescribes and failure of any person to comply with such rules constitutes a misdemeanor.

(b) If the motor vehicle is used by the dealer or any person other than an employee of the dealer, the lease value as shown in the lease value tables that the internal revenue service prepares to interpret section 61 of the internal revenue code.

**(2)** Every person storing, using or otherwise consuming in this state tangible personal property or taxable services purchased from a retailer is liable for the tax imposed by this section. The person's liability is not extinguished until the tax has been paid to this state, but a receipt with the tax separately stated from a retailer engaged in business in this state or from a retailer who is autho-

ized by the department, under such rules as it prescribes, to collect the tax and who is regarded as a retailer engaged in business in this state for purposes of the tax imposed by this section given to the purchaser under sub. (3) relieves the purchaser from further liability for the tax to which the receipt refers.

(3) Every retailer engaged in business in this state and making sales of tangible personal property or taxable services for delivery into this state or with knowledge directly or indirectly that the property or service is intended for storage, use or other consumption in this state, shall, at the time of making the sales or, if the storage, use or other consumption of the tangible personal property or taxable service is not then taxable under this section, at the time the storage, use or other consumption becomes taxable, collect the tax from the purchaser and give to the purchaser a receipt in the manner and form prescribed by the department.

(4) A retailer is relieved from liability to collect use tax insofar as the measure of the tax is represented by accounts which have been found to be worthless and charged off for income or franchise tax purposes. If the retailer has previously paid the amount of the tax, the retailer may, under rules prescribed by the department, take as a deduction from the measure of the tax the amount found worthless and charged off for income or franchise tax purposes. If any such accounts are thereafter in whole or in part collected by the retailer, the amount so collected shall be included in the first return filed after such collection and the amount of the tax thereon paid with the return.

(5) The tax required to be collected by the retailer constitutes a debt owed by the retailer to the state.

(7) The tax required to be collected by the retailer from the purchaser shall be displayed separately from the list price, the price advertised in the premises, the marked price, or other price on the sales check, invoice or other proof of sale.

(8) Any person violating sub. (3) or (7) is guilty of a misdemeanor.

(9) Every retailer selling tangible personal property or taxable services for storage, use or other consumption in this state shall obtain a certificate under s. 73.03 (50) and give the name and address of all agents operating in this state, the location of all distribution or sales houses or offices or other places of business in this state, and such other information as the department requires.

(9m) Any person who is not otherwise required to collect any tax imposed by this subchapter and who makes sales to persons within this state of tangible personal property or taxable services the use of which is subject to tax under this subchapter shall obtain a valid certificate under s. 73.03 (50) and thereby be authorized and required to collect, report and remit to the department the use tax imposed by this subchapter.

(10) For the purpose of the proper administration of this section and to prevent evasion of the use tax and the duty to collect the use tax, it is presumed that tangible personal property or taxable services sold by any person for delivery in this state is sold for storage, use or other consumption in this state until the contrary is established. The burden of proving the contrary is upon the person who makes the sale unless that person takes from the purchaser a certificate to the effect that the property or taxable service is purchased for resale, or otherwise exempt from the tax.

(11) The certificate referred to in sub. (10) relieves the person selling the property or service from the burden of proof only if taken in good faith from a person who is engaged as a seller of tangible personal property or taxable services and who holds the permit provided for by s. 77.52 (9) and who, at the time of purchasing the tangible personal property or taxable service, intends to sell it in the regular course of operations or is unable to ascertain at the time of purchase whether the property or service will be sold or will be used for some other purpose, or if taken in good faith from a person claiming exemption. The certificate shall be signed by and bear the name and address of the purchaser and shall indicate the number of the permit issued to the purchaser, the general character of tangible personal property or taxable service sold by the

purchaser and the basis for the claimed exemption. The certificate shall be substantially in the form the department prescribes.

(12) If a purchaser who gives a certificate makes any storage or use of the property or service other than retention, demonstration or display while holding it for sale in the regular course of operations as a seller, the storage or use is taxable as of the time the property or service is first so stored or used.

(13) If a purchaser gives a certificate with respect to the purchase of fungible goods and thereafter commingles these goods with other fungible goods not so purchased but of such similarity that the identity of the constituent goods in the commingled mass cannot be determined sales from the mass of commingled goods shall be deemed to be sales of the goods so purchased until a quantity of commingled goods equal to the quantity of purchased goods so commingled has been sold.

(14) It is presumed that tangible personal property or taxable services shipped or brought to this state by the purchaser were purchased from or serviced by a retailer.

(15) It is presumed that tangible personal property or taxable services delivered outside this state to a purchaser known by the retailer to be a resident of this state were purchased from a retailer for storage, use or other consumption in this state and stored, used or otherwise consumed in this state. This presumption may be controverted by a written statement, signed by the purchaser or an authorized representative, and retained by the seller that the property or service was purchased for use at a designated point outside this state. This presumption may also be controverted by other evidence satisfactory to the department that the property or service was not purchased for storage, use or other consumption in this state.

(16) If the purchase, rental or lease of tangible personal property or service subject to the tax imposed by this section was subject to a sales tax by another state in which the purchase was made, the amount of sales tax paid the other state shall be applied as a credit against and deducted from the tax, to the extent thereof, imposed by this section. In this subsection "sales tax" includes a use or excise tax imposed on the use of tangible personal property or taxable service by the state in which the sale occurred and "state" includes the District of Columbia but does not include the commonwealth of Puerto Rico or the several territories organized by congress.

(17m) This section does not apply to a boat purchased in a state contiguous to this state by a person domiciled in that state if the boat is berthed in this state's boundary waters adjacent to the state of the domicile of the purchaser and if the transaction was an exempt occasional sale under the laws of the state in which the purchase was made.

(17r) This section does not apply to an aircraft if all of the following requirements are fulfilled:

(a) It is purchased in another state.

(b) Its owner or lessee has paid all of the sales and use taxes imposed in respect to it by the state where it was purchased.

(c) If the owner or lessee is a corporation, that corporation, and all corporations with which that corporation may file a consolidated return for federal income tax purposes, neither is organized under the laws of this state nor has real property or other tangible personal property; except aircraft and such property as hangars, accessories, attachments, fuel and parts required for operation of

(5) The department, if it deems it necessary to ensure payment to or facilitate the collection by the state of the amount of taxes, may require returns and payments of the amount of taxes for other than quarterly periods. The department may, if satisfied that the revenues will be adequately safeguarded, permit returns and payments of the amount of taxes for other than quarterly periods. Such returns or payments shall be due or payable by the last day of the month next succeeding the end of the reporting or paying period, except that the department may require by written notice to the taxpayer that the returns or payments shall be due or payable by the 20th day of the month next succeeding the end of the reporting or paying period. Any person who discontinues business or who does not hold a valid permit under s. 77.52 (9) prior to the end of a reporting period shall, within 30 days after such discontinuance or after the date on which the person ceases to hold a valid permit, file a return and pay the taxes due from the beginning of such reporting period. If a business is discontinued and a final report thereon has been made covering all payments due or refunds claimed as provided in this section, the account shall be closed, the seller's permit terminated and, notwithstanding any other provisions of this section, no further reports may be required.

(6) For the purposes of the sales tax gross receipts from rentals or leases of tangible personal property shall be reported and the tax paid in accordance with such rules as the department prescribes.

(7) The department for good cause may extend for not to exceed one month the time for making any return or paying any amount required to be paid by this subchapter. The extension may be granted at any time provided a request therefor is filed with the department within or prior to the period for which the extension is requested.

(8) In any case in which a retailer who has accepted a resale or exemption certificate is subsequently required to pay a sales or use tax measured by the sale, the retailer may recover the amount of the tax as a debt due from the person who furnished such certificate.

**77.59 Deficiency and refund determinations.** (1) The department may, by office audit, determine the tax required to be paid to the state or the refund due to any person pursuant to this subchapter. The determination may be made upon the basis of the

facts contained in the return being audited or upon the basis of any other information within the department's possession. The determination shall be presumed to be correct and the burden of proving it to be incorrect shall be upon the person challenging the correctness thereof. One or more such office audit determinations may be made of the amount due for any one or for more than one period.

(2) The department may, by field audit, determine the tax required to be paid to the state or the refund due to any person under this subchapter. The determination may be made upon the basis of the facts contained in the return being audited or upon any other information in the department's possession. The determination may be made on the basis of sampling, whether or not the person being audited has complete records of transactions and whether or not the person being audited consents. The department may examine and inspect the books, records, memoranda and property of any person in order to verify the tax liability of that person or of another person. The department may subpoena any person to give testimony under oath before it and to produce whatever books, records or memoranda are necessary in order to enable the department to verify the tax liability of that person or of another person. The determination shall be presumed to be correct and the burden of proving it to be incorrect shall be upon the person challenging its correctness. A determination by the department in a field audit becomes final at the expiration of the appeal periods provided in sub. (6), and the tax liability of the taxpayer for the period audited may not be subsequently adjusted except as provided in sub. (4) (b), (8) or (8m). If the taxpayer files or is required to file more than one return for the taxpayer's fiscal year or for a calendar year, the determination made by field audit for that fiscal or calendar year shall be based on the receipts, purchases, deductions and exemptions for the entire fiscal or calendar year.

(3) No determination of the tax liability of a person may be made unless written notice of the determination is given to the taxpayer within 4 years after the due date of the taxpayer's Wisconsin income or franchise tax return or, if exempt, within 4 years of the 15th day of the 4th month of the year following the close of the calendar or fiscal year, within 4 years of the dissolution of a corporation or within 4 years of the date any sales and use tax return required to be filed for any period in that year was filed, whichever is later. The notice required under this paragraph shall specify whether the determination is an office audit determination or a field audit determination, and it shall be in writing. If the department is unable to obtain service by mail, publication of it as a class 3 notice, under ch. 985, shall be service of notice in any case where notice is required under this subchapter.

(3m) If the taxpayer has consented in writing to the giving of notice of determination after the time under sub. (3), the notice may be given, and the taxpayer may file a claim for a refund, at any time prior to the expiration of the period agreed upon. The period so agreed upon may be extended by subsequent agreements in writing.

(4) (a) Except as provided in sub. (3m), at any time within 4 years after the due date, or in the case of buyers the unextended due date, of a person's corresponding Wisconsin income or franchise tax return or, if exempt, within 4 years of the 15th day of the 4th month of the year following the close of the calendar or fiscal year for which that person files a claim, that person may, unless a determination by the department by office or field audit of a seller has been made and unless a determination by office audit of a buyer other than an audit in which the tax that is the subject of the refund claim was not adjusted has been made and unless a determination by field audit of the buyer has been made, file with the department a claim for refund of taxes paid to the department by that person. If the amount of the claim is at least \$50 or if either the seller has ceased doing business, the buyer is being field audited or the seller may no longer file a claim, the buyer may, within the time period under this subsection, file a claim with the department for a refund of the taxes paid to the seller. A claim is

timely if it fulfills the requirements under s. 77.61 (14). A buyer may claim a refund under this paragraph only on a form prescribed by the department, only by signing that form and only if the seller signs the form unless the department waives that requirement. If both a buyer and a seller file a valid claim for the same refund, the department may pay either claim. The claim for refund shall be regarded as a request for determination. The determination thus requested shall be made by the department within one year after the claim for refund is received by it unless the taxpayer has consented in writing to an extension of the one-year time period prior to its expiration.

(b) A claim for refund that is not to be passed along to customers under sub. (8m) may be made within 2 years of the determination of a tax assessed by office audit or field audit and paid if the tax was not protested by the filing of a petition for redetermination. A claim is timely if it fulfills the requirements under s. 77.61 (14). No claim may be allowed under this paragraph for any tax self-assessed by the taxpayer. If a claim is filed under this paragraph, the department may make an additional assessment in respect to any item that was a subject of the prior assessment.

(c) A seller who receives a refund under par. (a) or (b) of taxes that the seller has collected from buyers shall return the taxes and related interest to the buyers from whom the taxes were collected. The seller shall return to the department any part of a refund that the seller does not return to a buyer along with a penalty of 25% of the amount not returned or a penalty equal to the amount not returned in the case of fraud.

(5) The department may offset the amount of any refund for a period, together with interest on the refund, against deficiencies for another period, and against penalties and interest on the deficiencies, or against any amount of whatever kind, due and owing on the books of the department from the person claiming the refund. If the refund is to be paid to a buyer, the department may also set off amounts in the manner in which it sets off income tax and franchise tax refunds under s. 71.93 and may set off amounts for child support or maintenance or both in the manner in which it sets off income taxes under ss. 49.855 and 71.93 (3), (6) and (7).

(6) Except as provided in sub. (4) (b), a determination by the department is final unless, within 60 days after receipt of the notice of the determination, the taxpayer, or other person directly interested, petitions the department for a redetermination. A petition is timely if it fulfills the requirements under s. 77.61 (14). In the case of notice served by publication, the 60-day period commences with the last day of publication of the notice.

(a) Within 6 months of the receipt by the department of the petition for redetermination, the department shall notify the petitioner of its redetermination. The redetermination shall become final 60 days after receipt by the petitioner of notice of the redetermination unless, within that 60-day period, the petitioner appeals the redetermination under par. (b).

(b) Appeals from the department's redeterminations shall be governed by the statutes applicable to income or franchise tax appeals but all appeals from decisions of the tax appeals commission with respect to the taxes imposed by this subchapter shall be appealed to the circuit court for Dane county.

(c) The department shall notify any person who files a petition for redetermination that the person may deposit the entire deficiency determination, including any penalty or interest, with the department when the petition is filed or at any time before the department makes its redetermination. Any deposited amount which is refunded shall bear interest at the rate of 9% per year during the time the funds were on deposit. A person may also pay any portion of a deficiency determination admitted to be correct and the payment shall be considered an admission of the validity of that portion of the deficiency determination and may not be recovered in an appeal or in any other action or proceeding.

(7) If the department believes that the collection of any tax imposed by this subchapter will be jeopardized by delay, it shall notify the person determined to owe the tax of its intention to pro-

ceed under s. 71.91 (5) for collection of the amount determined to be owing, including penalties and interest. Such notice shall be by certified or registered mail or by personal service and the warrant of the department shall not issue if the person, within 10 days after such notice furnishes a bond in such amount not exceeding double the amount determined to be owing and with such sureties as the department approves, conditioned upon the payment of so much of the taxes, interest and penalties as shall finally be determined to be due. Nothing in this subsection shall affect the review of determinations of tax as provided in this subchapter and any amounts collected under this subsection shall be deposited with the state treasurer and disbursed after final determination of the taxes as are amounts deposited under ss. 71.89 (1) and 71.90 (2).

(8) Notwithstanding any other provision of this subchapter, if a person fails to file a report or return required by this subchapter or files a false or fraudulent report or return with the intent in either case to defeat or evade tax required to be paid, the department may determine the proper tax due at any time and without regard to when such failure or filing occurred and without regard to whether a field audit determination was previously made. The department may, at any time, examine and inspect any of the books, records, memoranda, or property of any person and make whatever inquiry, including the subpoena of persons, necessary to the determination of whether a failure to file or a filing was with the intent to defeat or evade the tax.

(8m) Within the time period under sub. (4), the department of revenue may refund excess taxes paid to it under this chapter, even if the person applying for the refund has been field audited in respect to those taxes, if the applicant's customers have filed valid claims for refunds with the applicant and if the refund is passed along to those customers.

(9) If any person fails to file a return, the department shall make an estimate of the amount of the gross receipts of the person, or, as the case may be, of the amount of the total sales price of tangible personal property or taxable service sold or purchased by the person, the sale by or the storage, use or other consumption of which in this state is subject to sales or use tax. The estimate shall be made for the period in respect to which the person failed to make a return and shall be based upon any information which is in the department's possession or may come into its possession. Upon the basis of this estimate the department shall compute and determine the amount required to be paid to the state, adding to the sum thus arrived at a penalty equal to 25% thereof. One or more such determinations may be made for one or for more than one period. When a business is discontinued a determination may be made at any time thereafter, within the periods specified in sub. (3), as to liability arising out of that business.

(9m) If the department determines that a liability exists under this subchapter and that the liability may be owed by more than one person, the department may assess the entire amount to each person, specifying that it is assessing in the alternative. If the department determines that a liability exists under this subchapter and that the liability may be for either sales taxes or use taxes, the department may make an assessment for both taxes, specifying that it is assessing in the alternative.

(10) As used in this section, "tax" or "taxes" include penalties and interest.

**History:** 1975 c. 186; 1979 c. 174, 203, 221; 1981 c. 20; 1983 a. 27; 1985 a. 29; 1985 a. 261 ss. 13g, 13m, 13t; 1987 a. 312 s. 17; 1991 a. 39, 269; 1993 a. 308, 437; 1995 a. 404.

"Spot check" by department of taxpayer's records for single month was "field audit" under (2) covering that period only. Department of Revenue v. Moebius Printing Co. 89 W (2d) 610, 279 NW (2d) 213 (1979).

All persons who have paid excess sales tax are entitled to file claim for refund under (4) regardless of whether taxes were paid to retailer or to department. Dairyland Harvestore v. DOR, 151 W (2d) 799, 447 NW (2d) 56 (Ct. App. 1989).

**77.60 Interest and penalties.** (1) (a) Except as provided in par. (b), unpaid taxes shall bear interest at the rate of 12% per year from the due date of the return until paid or deposited with the department. Taxes refunded to the seller shall bear interest at 9% per year from the due date of the return to the date on which

the refund is certified on the refund rolls. An extension of time within which to file a return shall not extend the due date of the return for purposes of interest computation. Taxes refunded to the buyer shall bear interest at 9% per year from the last day of the month following the month during which the buyer paid the tax to the date on which the refund is certified on the refund rolls.

(b) Any unpaid taxes for a calendar year or a fiscal year resulting from a field audit shall bear interest at the rate of 12% per year from the due date of the taxpayer's Wisconsin income or franchise tax return for that calendar or fiscal year or, if exempt, from the 15th day of the 4th month of the year after the close of the calendar or fiscal year for which the taxes are due to the date on which the taxes are paid or, if unpaid, become delinquent, whichever is earlier.

(1m) All nondelinquent payments of additional amounts owed shall be applied in the following order: penalties, interest, tax principal.

(2) Delinquent sales and use tax returns shall be subject to a \$10 late filing fee unless the return was not timely filed because of the death of the person required to file. The fee shall not apply if the department has failed to issue a seller's permit or a use tax registration within 30 days of the receipt of an application for a seller's permit or use tax registration accompanied by the fee established under s. 73.03 (50), if the person does not hold a valid certificate under s. 73.03 (50), and the security required under s. 77.61 (2). Delinquent sales and use taxes shall bear interest at the rate of 1.5% per month until paid. The taxes imposed by this subchapter shall become delinquent if not paid:

(a) In the case of a timely filed return, on or before the due date of the return, or on or before the expiration of an extension period if one has been granted.

(b) In the case of no return filed or a return filed late, by the due date of the return.

(c) In the case of deficiency determinations, on or before the due date specified in the notice of deficiency, except that if the determination is contested before the tax appeals commission or in the courts, on or before the 30th day following the date on which the order or judgment representing the final determination becomes final.

(3) If due to neglect an incorrect return is filed, the entire tax finally determined shall be subject to a penalty of 25%, or 50% in the case of returns under s. 77.61 (1) (c), of the tax exclusive of interest or other penalty. A person filing an incorrect return shall have the burden of proving that the error or errors were due to good cause and not due to neglect.

(4) In case of failure to file any return required under authority of s. 77.58 by the due date, determined with regard to any extension of time for filing, unless it is shown that such failure was due to reasonable cause and not due to neglect, there shall be added to the amount required to be shown as tax on such return 5% of the amount of such tax if the failure is not for more than one month, with an additional 5% for each additional month or fraction thereof during which such failure continues, not exceeding 25% in the aggregate. For purposes of this subsection, the amount of tax required to be shown on the return shall be reduced by the amount of any part of the tax which is paid on or before the due date prescribed for payment of the tax and by the amount of any credit against the tax which may be claimed upon the return.

(5) If a person fails to file a return when due or files a false or fraudulent return with intent in either case to defeat or evade the tax imposed by this subchapter, a penalty of 50% shall be added to the tax required to be paid, exclusive of interest and other penalties.

(6) Any person who fails to furnish any return required to be made or who fails to furnish any data required by the department is guilty of a misdemeanor.

(7) Any person, including an officer of a corporation, required to make, render, sign or verify any report or return required by this subchapter who makes a false or fraudulent report or return or who

fails to furnish a report or return when due with the intent, in either case, to defeat or evade the tax imposed by this subchapter, is guilty of a misdemeanor.

(8) Any person engaged in the business of making sales at retail who is at the same time engaged in some other kind of business, occupation or profession not taxable under this subchapter, shall keep books to show separately the transactions used in determining the tax herein levied. In the event of such person failing to keep such separate books, there shall be levied upon the person a tax at the rate provided in s. 77.52 or 77.53 on the receipts of both or all of the person's businesses, occupations or professions.

(9) Any person who is required to make a payment of the amount of tax imposed under this subchapter and who wilfully fails to make such payment to the department shall be personally liable for such amounts, including interest and penalties thereon, if that person's principal is unable to pay such amounts to the department. The personal liability of such person as provided in this subsection shall survive the dissolution of the corporation or other form of business association. Personal liability may be assessed by the department against such person under this subchapter for the making of sales tax determinations against retailers and shall be subject to the provisions for review of sales tax determinations against retailers, but the time for making such determinations shall not be limited by s. 77.59 (3). "Person", in this subsection, includes an officer, employe or other responsible person of a corporation or other form of business association or a member, employe or other responsible person of a partnership, limited liability company or sole proprietorship who, as such officer, employe, member or other responsible person, is under a duty to perform the act in respect to which the violation occurs.

(10) It is unlawful for any person to aid, abet or assist another in making any false or fraudulent return or false statement in any return required by this subchapter, with intent to defraud the state or evade payment of the tax, or any part thereof, imposed by this subchapter. Anyone in violation hereof shall be guilty of a misdemeanor.

(11) Whenever a person collects tax moneys imposed under s. 77.52, 77.53 or 77.71 from a consumer, user or purchaser, the person receives those tax moneys as trust funds and state property. Any person who intentionally fails or refuses to pay over those tax moneys to the state at the time required by this subchapter or who fraudulently withholds, appropriates or uses any of those tax moneys is guilty of theft under s. 943.20, punishable as specified in s. 943.20 (3) according to the amount of tax moneys involved. This subsection applies regardless of the person's interest in those tax moneys. Payment to creditors in preference to the payment of those tax moneys to the state by any person is prima facie evidence of an intent to fraudulently use those tax moneys.

(12) A person who negligently files an incorrect and excessive claim for a refund under s. 77.59 is subject to a penalty of 25% of the difference between the amount claimed and the amount that should have been claimed. A person who fraudulently files an incorrect claim for a refund under s. 77.59 is subject to a penalty of 100% of the difference between the amount claimed and the amount that should have been claimed.

**History:** 1975 c. 39, 186; 1979 c. 110 s. 60 (13); 1979 c. 221, 230; 1981 c. 20; 1983 a. 27; 1985 a. 29; 1987 a. 399; 1991 a. 39, 269, 316; 1993 a. 16, 112, 408, 437; 1995 a. 27, 428.

**77.61 Administrative provisions.** (1) (a) No motor vehicle, boat, snowmobile, mobile home not exceeding 45 feet in length, trailer, semitrailer, all-terrain vehicle or aircraft shall be registered or titled in this state unless the registrant presents proof that the sales or use taxes imposed by this subchapter have been paid.

(b) In the case of a motor vehicle purchased from a licensed Wisconsin motor vehicle dealer, the registrant shall present proof that the tax has been paid to such dealer.

(c) In the case of motor vehicles, boats, snowmobiles, mobile homes not exceeding 45 feet in length, trailers, semitrailers, all-

terrain vehicles or aircraft registered or titled, or required to be registered or titled, in this state purchased from persons who are not Wisconsin boat, trailer or semitrailer dealers, licensed Wisconsin aircraft, motor vehicle or mobile home dealers or registered Wisconsin snowmobile or all-terrain vehicle dealers, the purchaser shall file a sales tax return and pay the tax prior to registering or titling the motor vehicle, boat, snowmobile, mobile home not exceeding 45 feet in length, trailer, semitrailer, all-terrain vehicle or aircraft in this state.

(2) In order to protect the revenue of the state, the department may require any person who is or will be liable to it for the tax imposed by this subchapter to place with it, before or after a permit is issued, the security, not in excess of \$15,000, that the department determines. In determining the amount of security to require under this subsection, the department may consider the person's payment of other taxes administered by the department and any other relevant facts. If any taxpayer fails or refuses to place that security, the department may refuse or revoke the permit. If any taxpayer is delinquent in the payment of the taxes imposed by this subchapter, the department may, upon 10 days' notice, recover the taxes, interest, costs and penalties from the security placed with the department by the taxpayer in the following order: costs, penalties, delinquent interest, delinquent tax. No interest may be paid or allowed by the state to any person for the deposit of security. Any security deposited under this subsection shall be returned to the taxpayer if the taxpayer has, for 24 consecutive months, complied with all the requirements of this subchapter.

(3) The department shall provide a bracket system to be used by retailers in collecting the amount of the tax from their customers, but the use of such brackets shall not relieve the retailer from liability for payment of the full amount of the tax levied by ss. 77.51 to 77.62.

(4) (a) Every seller and retailer and every person storing, using or otherwise consuming in this state tangible personal property or taxable services purchased from a retailer shall keep such records, receipts, invoices and other pertinent papers and records, including machine-readable records, in such form as the department requires. The department may, after giving notice, require any person to keep whatever records are needed for the department to compute the sales or use taxes the person should pay. Thereafter, the department shall add to any taxes assessed on the basis of information not contained in the records required a penalty of 25% of the amount of the tax so assessed in addition to all other penalties under this chapter.

(c) For reporting the sales tax and collecting and reporting the use tax imposed on the retailer under s. 77.53 (3) and the accounting connected with it, retailers may deduct 0.5% of those taxes payable or \$10 for that reporting period required under s. 77.58 (1), whichever is greater, but not more than the amount of the sales taxes or use taxes that is payable under ss. 77.52 (1) and 77.53 (3) for that reporting period required under s. 77.58 (1), as administration expenses if the payment of the taxes is not delinquent. For purposes of calculating the retailer's discount under this paragraph, the taxes on retail sales reported by retailers under subch. V, including taxes collected and remitted as required under s. 77.785, shall be included if the payment of those taxes is not delinquent.

(5) (a) It is unlawful for the department or any person having an administrative duty under this subchapter to make known in any manner whatever the business affairs, operations or information obtained by an investigation of records and equipment of any retailer or any other person visited or examined in the discharge of official duty, or the amount or source of income, profits, losses, expenditures, or any particular thereof, set forth or disclosed in any return, or to permit any return or copy thereof to be seen or examined by any person. This paragraph does not prohibit the department of revenue from publishing statistics classified so as not to disclose the identity of particular returns or reports and the items thereof. This paragraph does not prohibit employes or agents of the department of revenue from offering or submitting

information obtained by investigation or any return or any schedule, exhibit or writing pertaining to a return or any copy of, or information derived from, any of those documents as evidence into the record of any contested matter involving the department in proceedings or litigation on state tax matters if that evidence has reasonable probative value.

(b) Subject to pars. (c) and (d) and to rules of the department, any sales tax or use tax returns or any schedules, exhibits, writings or audit reports pertaining to the same, on file with the department, shall be open to examination by any of the following persons or the contents thereof divulged or used as provided in the following cases and only to the extent therein authorized.

1. The secretary of revenue, or any officer, agent or employe of the department of revenue;

2. The attorney general, department of justice employes;

3. Members of the senate committee on organization or its authorized agents or the assembly committee on organization or its authorized agents provided the examination is approved by a majority vote of a quorum of its members and the tax return information is disclosed only in a meeting closed to the public. The committee may disclose tax return information to the senate or assembly or to other legislative committees if the information does not disclose the identity of particular returns or reports and the items thereof. The department of revenue shall provide assistance to the committees or their authorized agents in order to identify returns deemed necessary by them to accomplish the review and analysis of tax policy;

4. Public officers of the federal government or other state governments or the authorized agents of such officers, where necessary in the administration of the laws of such governments, to the extent that such government accords similar rights of examination or information to officials of this state;

5. a. The person who filed or submitted such return, or to whom the same relates or by that person's authorized agent or attorney;

b. The person required to file reports on collection or taxes withheld from another;

6. Any person examining a return pursuant to a court order duly obtained upon a showing to the court that the information contained in the return is relevant to a pending court action or pursuant to a subpoena signed by a judge of a court of record ordering the department's custodian of returns to produce a return in open court in a court action pending before the judge.

7. Any person against whom the department asserts liability under this subchapter, including a successor, guarantor or surety.

8. Employes of this state, to the extent that the department deems the examination necessary for the employes to perform their duties under contracts or agreements between the department and any other department, division, bureau, board or commission of this state relating to the administration of tax laws.

9. The administrator of the lottery division in the department for the purpose of withholding of lottery winnings under s. 565.30 (5).

10. The department of regulation and licensing for the purpose of certifying under s. 440.08 whether an applicant for renewal of a credential is liable for delinquent taxes.

(c) Copies of sales tax or use tax returns, schedules, exhibits, writings or audit reports shall not be furnished to the persons listed under par. (b), except persons under par. (b) 5. or under an agreement between the department and another agency of government.

(d) The use of information obtained under par. (b) or (c) is restricted to the discharge of duties imposed upon the persons by law or by the duties of their office or by order of a court as specified under par. (b) 6.

(e) The department may charge for the reasonable cost of divulging information under this subsection.

(f) District attorneys may examine tax information of persons on file with the department of revenue as follows:

1. Such tax information may be examined for use in preparation for any judicial proceeding or any investigation which may result in a judicial proceeding involving sales or use tax if:

a. The taxpayer is or may be a party to such proceeding;

b. The treatment of an item reflected in such tax information is or may be related to the resolution of an issue in the proceeding or investigation; or

c. The tax information relates or may relate to a transactional relationship between the taxpayer and a person who is or may be a party to the proceeding which affects or may affect the resolution of an issue in such proceeding or investigation.

2. When the department of revenue allows examination of tax information under subd. 1.:

a. If the department has referred the case to a district attorney, the department may make disclosure on its own motion.

b. If a district attorney requests examination of tax information relating to a person, the request must be in writing, clearly identify the requester and the person to whom the information relates and explain the need for the information. The department may then allow the examination of tax information so requested and the information may be examined and used solely for the proceeding or investigation for which it was requested.

3. Such tax information may be examined for use in preparation for any administrative or judicial proceeding or an investigation which may result in such proceeding pertaining to the enforcement of a specifically designated state criminal statute not involving tax administration to which this state or a governmental subdivision thereof is a party. Such tax information may be used solely for the proceeding or investigation for which it is requested.

4. The department of revenue may allow an examination of tax information under subd. 3. only if a district attorney petitions a court of record in this state for an order allowing the examination and the court issues an order after finding:

a. There is a reasonable cause to believe, based on information believed to be reliable, that a specific criminal act has been committed;

b. There is reason to believe that such tax information is probative evidence of a matter in issue related to the commission of such criminal act; and

c. The information sought to be examined cannot reasonably be obtained from any other source, unless it is determined that, notwithstanding the reasonable availability of the information from another source, the tax information constitutes the most probative evidence of a matter in issue relating to the commission of such criminal act.

5. If the department determines that examination of tax information ordered under subd. 4. would identify a confidential informant or seriously impair a civil or criminal tax investigation, the department may deny access and shall certify the reason therefor to the court.

(fm) The department of revenue shall inform each requester of the amount paid or payable under s. 77.52 for any reporting period and reported on a return filed by any city, village, town, county, school district, special purpose district or technical college district; whether that amount was paid by the statutory due date; the amount of any tax, fees, penalties or interest assessed by the department; and the total amount due or assessed under s. 77.52 but unpaid by the filer, except that the department may not divulge tax return information that in the department's opinion violates the confidentiality of that information with respect to any person other than the units of government and districts specified in this paragraph. The department shall provide to the requester a written explanation if it fails to divulge information on grounds of confidentiality. The department shall collect from the person requesting the information a fee of \$4 for each return.

(g) Any person violating this subsection may be fined not less than \$100 nor more than \$500, or imprisoned not less than one month nor more than 6 months, or both.

(8) In any case in which a refund is authorized or prescribed in this subchapter, or in the rules of the department related to the administration hereof, no such refund shall be made if the total amount thereof is less than \$2 unless specifically requested on the appropriate form designated by the department.

(9) The department may by rule require the filing, submission, preparation or retention of such information returns, exemption and resale certificates and other forms, reports and data as it requires for the proper administration of this subchapter. Any person who fails or refuses to file, submit, prepare or retain such returns, certificates, forms, reports or data, at the time and place and in the manner required, is guilty of a misdemeanor for each such failure or refusal.

(11) Any city, village or town clerk or other official whose duty it is to issue licenses or permits to engage in a business involving the sale at retail of tangible personal property subject to tax under this subchapter, or the furnishing of services so subject to tax, shall, before issuing such license or permit, require proof that the person to whom such license or permit is to be issued is the holder of a seller's permit as required by this subchapter or has been informed by an employe of the department that the department will issue a seller's permit to that person.

(12) (a) No natural person shall be excused from testifying or from producing any books, papers, records or memoranda in any investigation, or upon any hearing when ordered to do so by the secretary of revenue or the secretary's designee upon the ground that the testimony or evidence, documentary or otherwise, may tend to incriminate or subject the person to criminal penalty, but no such natural person so ordered shall be prosecuted or subjected to any criminal penalty for, or on account of such testimony or books, papers, records or memoranda which the person produces upon such investigation or hearing. No person so testifying shall be exempt from prosecution and punishment for perjury in so testifying.

(b) The immunity provided under par. (a) is subject to the restrictions under s. 972.085.

(13) No injunction shall issue to stay proceedings for assessment or collection of any taxes levied under this subchapter.

(14) Documents and payments required or permitted under this subchapter are timely furnished, filed or made if they are mailed in a properly addressed envelope with the postage duly prepaid, if the envelope is postmarked before midnight of the due date and if the document or payment is received by the department within 5 days after the prescribed date.

The county sales and use taxes may be imposed only for the purpose of directly reducing the property tax levy and only in their entirety as provided in this subchapter. That ordinance shall be effective on the first day of January, the first day of April, the first day of July or the first day of October. A certified copy of that ordinance shall be delivered to the secretary of revenue at least 120 days prior to its effective date. The repeal of any such ordinance shall be effective on December 31. dealer the tax under this subsection is imposed not on the sales price but on the amount under s. 77.53 (1m).

(3) An excise tax is imposed upon a contractor engaged in construction activities within the county or special district, at the rate of 0.5% in the case of a county tax or at the rate under s. 77.705 in the case of a special district tax of the sales price of tangible personal property that is used in constructing, altering, repairing or improving real property and that becomes a component part of real property in that county or special district, unless the contractor has paid the sales tax of a county in the case of a county tax or of a special district in the case of a special district tax in this state on that property, and except that if the buyer has paid a similar local sales tax in another state on a purchase of the same property that tax shall be credited against the tax under this subsection.

In this subsection, a common carrier or the U.S. postal service is the agent of the seller, regardless of any f.o.b. point and regardless of the method by which freight or postage is paid. Rentals and leases of property, except property under sub. (2), have a situs at the location of that property.

(2) **LEASED OR RENTED MOVING PROPERTY.** (a) *Motor vehicles.* Leased or rented motor vehicles and other equipment used principally on the highway at normal highway speeds are located in the county in which they are customarily kept, except that drive-it-yourself motor vehicles and equipment used principally on the highway at normal highway speeds, if those vehicles or that equipment are used for one-way trips or leased for less than one month, are located in the county in which they come into the lessee's possession.

(b) *Other moving property.* Except for motor vehicles and equipment described in par. (a), leased or rented property that characteristically is moving property, including but not limited to aircraft and boats, is located in a county if it is used primarily in that county or it is usually kept in that county when it is not in use.

In this subsection, the "county portion of the retailers' discount" is the amount determined by multiplying the total retailers' discount by a fraction the numerator of which is the gross county sales and use taxes payable and the denominator of which is the sum of the gross state and county sales and use taxes payable. The county taxes distributed shall be increased or decreased to reflect subsequent refunds, audit adjustments and all other adjustments of the county taxes previously distributed. a fraction the numerator of which is the gross special district sales and use taxes payable and the denominator of which is the sum of the gross state and special district sales and use taxes payable. The special district taxes distributed shall be increased or decreased to reflect subsequent refunds, audit adjustments and all other adjustments of the special district taxes previously distributed. Interest paid on refunds of special district sales and use taxes shall be paid from the appropriation under s. 20.835 (4) (gb) at the rate paid by this state under s. 77.60 (1) (a). (3) The sale of building materials to contractors engaged in the business of constructing, altering, repairing or improving real estate for others is not subject to the taxes under this subchapter, and the incremental amount of tax caused by the rate increase applicable to those materials is not due, if the materials are affixed and made a structural part of real estate, and the amount payable to the contractor is fixed without regard to the costs incurred in performing a written contract that was irrevocably entered into prior to the effective date of the county ordinance, special district resolution or rate increase or that resulted from the acceptance of a formal written bid accompanied by a bond or other performance guaranty that was irrevocably submitted before that date.

## SUBCHAPTER VI

### MANAGED FOREST LAND

**77.80 Purpose.** The purpose of this subchapter is to encourage the management of private forest lands for the production of future forest crops for commercial use through sound forestry practices, recognizing the objectives of individual property owners, compatible recreational uses, watershed protection, development of wildlife habitat and accessibility of private property to the public for recreational purposes.

History: 1985 a. 29.

**77.81 Definitions.** In this subchapter:

(1) "Department" means the department of natural resources.

(2) "Forestry" means managing forest lands and their related resources, including trees and other plants, animals, soil, water and air.

(3) "Merchantable timber" means standing trees which, because of their size and quality, are salable.

(4) "Municipality" means a town or village.

History: 1985 a. 29.

**77.82 Managed forest land; petition. (1) ELIGIBILITY REQUIREMENTS.** (a) A parcel of land is eligible for designation as managed forest land only if it fulfills the following requirements:

1. It consists of at least 10 contiguous acres in a single municipality. The fact that a lake, river, stream or flowage, a public or private road or a railroad or utility right-of-way separates any part of the land from any other part does not render a parcel of land noncontiguous.

2. At least 80% of the parcel must be producing or capable of producing a minimum of 20 cubic feet of merchantable timber per acre per year.

(b) The following land is not eligible for designation as managed forest land:

1. A parcel of which more than 20% consists of land that is unsuitable for producing merchantable timber, including water, marsh, muskeg, bog, rock outcrops, sand dunes, farmland, roadway or railroad and utility rights-of-way.

2. A parcel that is developed for commercial recreation, industry, human residence or any other use determined by the department to be incompatible with the practice of forestry.

(c) In addition to the requirements under pars. (a) and (b), for land subject to a petition under sub. (4m), all forest croplands owned by the petitioner on the date on which the petition is submitted that are located in the municipality for which the petition is submitted shall be included in the petition.

(2) **PETITION.** Any owner of land may petition the department to designate any eligible parcel of land as managed forest land. A petition may include any number of eligible parcels under the same ownership in a single municipality. Each petition shall be submitted on a form provided by the department and shall be accompanied by a nonrefundable \$10 application fee unless a different amount of the fee is established by the department by rule at an amount equal to the average expense to the department of recording an order issued under this subchapter. The fee shall be deposited in the conservation fund and credited to the appropriation under s. 20.370 (1) (cr). Each petition shall include all of the following:

(a) The name and address of each owner.

(b) The legal description or the location and acreage of each parcel of land.

(c) The legal description of the area in which the parcel is located.

(d) A description of the physical characteristics of the land, in sufficient detail to enable the department to determine if it meets the eligibility requirements under sub. (1).

(e) A statement of the owner's forest management objectives for the production of merchantable timber, in sufficient detail to provide direction for the development and approval of a management plan. The petition may also state additional forest management objectives, which may include wildlife habitat management, aesthetic considerations, watershed management and recreational use.

(f) Proof that each person holding any encumbrance on the land agrees to the petition.

(g) A map, diagram or aerial photograph showing the location and acreage of any area that will be designated as closed to the public under s. 77.83.

(h) Whether the land will be designated as managed forest land for 25 or 50 years.

(i) If a proposed management plan is not submitted with the petition, a request that the department prepare a management plan.

**(3) MANAGEMENT PLAN.** (a) The petitioner may submit a proposed management plan for the entire acreage of each parcel with the petition. The department, after considering the owner's forest management objectives as stated under sub. (2) (e), shall either approve or disapprove the proposed plan. If the department disapproves a plan, it shall inform the petitioner of the changes necessary to qualify the plan for approval.

(b) If the petitioner requests that the department prepare the management plan, the department shall comply with the request.

(c) To qualify for approval, a management plan shall include all of the following:

1. The name and address of each owner of the land.
2. The legal description of the parcel or of the area in which the parcel is located.
3. A statement of the owner's forest management objectives.
4. A map, diagram or aerial photograph which identifies both forested and unforested areas of the land, using conventional map symbols indicating the species, size and density of vegetation and the other major features of the land.
5. A map, diagram or aerial photograph which identifies the areas designated as open and closed under s. 77.83.
6. A description of the forestry practices, including harvesting, thinning and reforestation, that will be undertaken during the term of the order, specifying the period in which each is intended to be completed.
7. A description of soil conservation practices that may be necessary to control any soil erosion that may result from the forestry practices specified under subd. 6.

(d) The management plan may also specify activities that will be undertaken for the management of forest resources other than trees, including wildlife habitat, watersheds and aesthetic features.

(e) A management plan shall contain a statement that the owner agrees to comply with all of its terms and with the conditions of this subchapter and shall be signed by the owner and a representative of the department.

(f) An owner and the department may mutually agree to amend a management plan.

**(4) ADDITIONS TO MANAGED FOREST LAND.** An owner may petition the department to designate as managed forest land an additional parcel of land in the same municipality if the additional parcel is at least 3 acres in size and is contiguous to any of the owner's designated land. The petition shall be accompanied by a nonrefundable \$10 application fee unless a different amount of the fee is established in the same manner as the fee under sub. (2). The fee shall be deposited in the conservation fund and credited to the appropriation under s. 20.370 (1) (cr). The petition shall be submitted on a department form and shall contain any additional information required by the department.

**(4m) CONVERSION OF FOREST CROPLANDS TO MANAGED FOREST LAND.** (a) An owner of land that is entered as forest croplands under s. 77.02 may petition the department under sub. (2) to convert all or a portion of the land to managed forest land, subject to sub. (1) (c).

(b) A petition under this subsection shall specify whether the order designating the land as managed forest land will remain in effect for 25 years or 50 years, as elected by the owner.

(bn) A petition under this subsection shall be accompanied by a nonrefundable \$100 application fee which shall be deposited in the conservation fund and credited to the appropriation under s. 20.370 (1) (cr).

(c) A petition under this subsection must be submitted after September 1, 1994, and before January 1, 1998.

(d) An owner of land who has filed a conversion petition under this subsection and who has requested that the department prepare a management plan under sub. (3) (b) may withdraw the request and not have it prepared by the department if the owner determines that the department is not preparing the management plan in a timely manner.

**(5) NOTICE OF PETITION; REQUEST FOR DENIAL.** (a) Upon receipt of a petition under sub. (2), (4) or (4m), the department shall provide written notice of the petition to the clerk of the municipality in which the land is located.

(b) The governing body of the municipality in which the proposed managed forest land is located or a resident or property tax payer of the municipality may, within 15 days after the notice under par. (a) is provided, request the department to deny the petition on the grounds that the land fails to meet the eligibility requirements under sub. (1) or that, if the addition is approved, the entire parcel will fail to meet those eligibility requirements. The request shall be in writing and shall specify the reason for believing that the land is or would be ineligible.

**(6) INVESTIGATION; HEARING.** (a) The department shall conduct any investigation necessary to reach a decision on a petition.

(b) 1. If the department determines, after receipt of a request under sub. (5) (b) or as a result of its investigation, that further information is needed, it may schedule a public hearing to take testimony relating to the eligibility of the land.

2. At least 10 days before the date of the hearing, the department shall mail written notice of the date, time and place of the hearing to the petitioner, each person who submitted a request under sub. (5) (b) and the clerk of the municipality in which the land is located.

3. A public hearing held under this paragraph may be adjourned. No notice of the adjourned hearing is required other than an announcement of the date, time and place given at the initial hearing by the person presiding at the hearing.

**(7) DECISION.** (a) After considering the testimony presented at the public hearing, if any, the facts discovered by its investigation and the land use in the area in which the land is located, the department shall approve a petition under sub. (2) or (4m) if it determines all of the following:

1. That the land meets the eligibility requirements under sub. (1).
2. That all facts stated in the petition are correct.
3. That a stand of merchantable timber will be developed on at least 80% of the land within a reasonable period of time.
4. That the use of the land as managed forest land is not incompatible with the existing uses of the land in the municipality in which it is located.
5. That there are no delinquent taxes on the land.

(b) After considering the testimony presented at the public hearing, if any, and the facts discovered by its investigation, the department shall approve a petition under sub. (4) if it determines all of the following:

1. That all facts stated in the petition are correct.

2. That the total parcel with the addition will meet the eligibility requirements under sub. (1).

3. That there are no delinquent taxes on either the land originally designated or on the proposed additional parcel.

4. That the owner agrees to any amendments to the management plan determined by the department to be necessary as a result of the addition.

(c) Except as provided in par. (d), if a petition is received on or before January 31 of any year from a petitioner who owns less than 1,000 acres in this state or on or before March 31 of any year from any other petitioner, the department shall investigate and shall either approve the petition and issue the order under sub. (8) or deny the petition on or before the following November 21.

(c) If the proposed cutting conforms to the management plan, the department shall approve the request.

(d) If the proposed cutting does not conform to the management plan, the department shall assist the owner in developing an acceptable proposal before approving the request.

**(2) BOND.** The department may require an owner who intends to cut merchantable timber on managed forest land to file with the department a noncancelable bond furnished by a surety company licensed to do business in this state in the amount expected to be required as payment of the yield tax under s. 77.87 (1).

**(3) TIME LIMIT.** All cutting specified in the notice under sub. (1) (b) shall be commenced within one year after the date the proposed cutting is approved. The owner shall report to the department the date on which the cutting is commenced.

**(4) REPORTING.** Within 30 days after completion of any cutting approved under this section, the owner shall report to the department, on a form provided by the department, a description of the species of wood, kind of product and the quantity of each species cut as shown by the scale or measurement made on the ground as cut, skidded, loaded or delivered, or by tree scale certified by a forester acceptable to the department if the wood is sold by tree measurement.

**(2) SUPPLEMENTAL TAX.** At any time within one year after a report is filed under s. 77.86 (4), the department, after notifying the owner and providing the owner with the opportunity for a hearing, may determine whether the report is accurate. If the department determines that the quantity of merchantable timber cut exceeded the amount on which the tax was assessed under sub. (1), the department shall assess a supplemental tax on the additional amount as provided under sub. (1).

**(3) PAYMENT.** A tax assessed under sub. (1) or (2) is due and payable to the department on the last day of the month following the date the certificate is mailed to the owner. The department shall collect interest at the rate of 12% per year on any tax that is paid later than the due date. Amounts received shall be credited to the conservation fund.

**(4) OWNER'S LIABILITY.** The owner is personally liable for a tax assessed under sub. (1) or (2). An unpaid tax becomes a lien against the merchantable timber that was cut. If the merchantable timber cut is mingled with other wood products, the unpaid tax becomes a lien against all of the wood products while they are in the owner's possession, or in the possession of any person other than a purchaser for value without notice in the usual course of business.

**(5) DELINQUENCY.** If a tax due under this section is not paid on or before the last day of the August following the date specified under sub. The department shall notify the owner of the land and the chairperson of the town or the president of the village in which the land is located of the investigation.

(b) Following an investigation under par. (a), the department may order the withdrawal of all or any part of a parcel of managed forest land for any of the following reasons:

3. All of an owner's managed forest land within a government lot or fractional lot as determined by the U.S. government survey plat.

Notwithstanding s. 77.90, the transferee is not entitled to a hearing on an order withdrawing land under this paragraph.

**(3) VOLUNTARY WITHDRAWAL.** An owner may request that the department withdraw all or any part of the owner's land meeting one of the requirements specified under sub. (2) (a) 1. to 3. If any remaining land meets the eligibility requirements under s. 77.82 (1), the department shall issue an order withdrawing the land subject to the request and shall assess against the owner the tax under sub. (5).

**(4) NONRENEWAL.** If an owner does not petition the department to renew a managed forest land order, the department shall order the land withdrawn at the expiration of the order. No withdrawal tax under sub. (5) shall be assessed.

The estimate obtained shall be final. The department shall determine the current stumpage value of the merchantable timber, based on the rule promulgated under s. 77.91 (1). The owner shall pay the entire cost of obtaining the estimate.

**77.93 Applicability.** For the privilege of doing business in this state, there is imposed a temporary recycling surcharge on the following entities:

**(1)** All corporations required to file a return under subch. IV or V of ch. 71 that have at least \$4,000 in total receipts from all activities for the taxable year except corporations that are exempt from taxation under s. 71.26 (1) and that have no unrelated business income reportable under s. 71.24 (1m). The surcharge is imposed on the tax–option corporation, not on its shareholders, except that if a tax–option corporation’s surcharge is delinquent, its shareholders are jointly and severally liable for it.

**(2)** All natural persons, estates and trusts that are required to file a return under subch. I or II of ch. 71 for the taxable year and that either are an employe as defined in section 3121 (d) (3) of the internal revenue code or file a form indicating a profit or loss from a trade or business for federal income tax purposes for the taxable year. The surcharge is imposed on each such natural person regardless of ch. 766 and regardless of whether or not the person files jointly under ch. 71. The surcharge is not imposed on net business income of individuals for which the surcharge is imposed on a tax–option corporation of which an individual is a shareholder, a partnership of which an individual is a partner or a limited liability company of which an individual is a member.

**(3)** All partnerships, except partnerships that have net business income only from farming, that derive income from business transacted in this state, from property in this state or from services performed in this state for the taxable year. The surcharge is imposed on the partnership, not on its partners, except that if a partnership’s surcharge is delinquent the partners are jointly and severally liable for it.

**(3m)** All limited liability companies, except companies that have net business income only from farming, that are required to file a return under s. 71.20 (1) for the taxable year. The surcharge is imposed on the limited liability company, not on its members, except that if a company’s surcharge is delinquent the members are jointly and severally liable for it.

**(4)** All insurers that are required to file a return under subch. VII of ch. 71 and that have at least \$4,000 in total receipts from all activities for the taxable year.

**(5)** All natural persons, estates, trusts, partnerships and limited liability companies that are engaged in farming. The surcharge is imposed on the partnership or limited liability company, not on its partners or members, except that if a partnership’s or company’s surcharge is delinquent the partners or members are jointly and severally liable for it.

**History:** 1989 a. 335; 1991 a. 39, 269; 1993 a. 16, 112; 1995 a. 27.

This section does not violate the constitutional guaranty of equal protection. *Love, Voss & Murray v. DOR*, 195 W (2d) 189, 536 NW (2d) 189 (Ct. App. 1995).

**77.94 Surcharge determination.** **(1)** Except as provided in subs. (2) and (3), for taxable years ending after April 1, 1991, the surcharge imposed under s. 77.93 is calculated as follows:

(a) On a corporation under s. 77.93 (1) and (4), an amount equal to the amount calculated by multiplying gross tax liability for the taxable year of the corporation by 5.5%, or in the case of a tax–option corporation an amount equal to the amount calculated by multiplying net income under s. 71.34 by 0.4345%, up to a maximum of \$9,800, or \$25, whichever is greater.

(b) On an entity under s. 77.93 (2) or (3), except an entity that has less than \$4,000 of gross receipts, an amount equal to the amount calculated by multiplying net business income as allocated or apportioned to this state by means of the methods under s. 71.04, for the taxable year of the entity by 0.4345%, up to a maximum of \$9,800, or \$25, whichever is greater.

(c) On an entity under s. 77.93 (5), except an entity that has a net farm profit of less than \$1,000, a surcharge of \$25, regardless of whether the entity is subject to a surcharge determined under par. (b).

**(2)** (a) In this subsection:

1. “Begins to do business” includes but is not limited to a change in corporate form and the occurrence of any event that creates a short taxable year for purposes of the taxes under ch. 71.

2. “Ceases to do business” includes but is not limited to a change in corporate form, the death of an individual and the occurrence of any event that creates a short taxable year for purposes of the taxes under ch. 71.

(b) If an entity under s. 77.93 (1) to (4) begins to do business in this state after the beginning of its taxable year or ceases to do business in this state before the end of its taxable year, subject to the maximum and minimum surcharge, the surcharge imposed on it under s. 77.93 is calculated as follows:

1. Multiply its gross tax liability or net business income for the taxable year by a fraction the numerator of which is 365 and, if the entity begins to do business in this state after the beginning of its taxable year, the denominator of which is the number of days from the day that it begins to do business in this state until the end of its taxable year and, if the entity ceases to do business in this state before the end of its taxable year, the denominator of which is the number of days from the beginning of its taxable year until the day that it ceases to do business in this state and, if the entity both begins to do business in this state after the beginning of its taxable year and ceases to do business in this state before the end of its taxable year, the denominator of which is the number of days from the day that it begins to do business in this state to the day that it ceases to do business in this state.

2. Determine the surcharge that would be imposed under sub. (1) on the amount calculated under subd. 1.

3. Divide the surcharge under subd. 2. by the fraction under subd. 1.

**(3)** For taxable years that end after April 1, 1992, and end before April 1, 1999, the rates for the surcharge imposed under s. 77.93 are determined under s. 77.945.

**(4)** The surcharge imposed under s. 77.93 does not apply to taxable years that end after April 1, 1999.

**History:** 1989 a. 335; 1991 a. 39, 60; 1993 a. 16.

**77.945 Surcharge adjustments.** Annually, in time for consideration by the joint committee on finance at its December meeting under s. 13.10, the department of revenue shall estimate the amount of revenue necessary to fund all appropriations for the next fiscal year from the recycling fund under s. 25.49. Subject to approval by the joint committee on finance, the department shall establish annual recycling surcharge rates for taxable years that end after April 1, 1992, and that end before April 1, 1999, that are necessary to generate a sufficient level of revenue to fund those appropriations in each fiscal year. If the committee disap-

proves the proposed rates at that meeting, the rates in effect continue to be in effect. All rate changes first apply to taxable years beginning on the January 1 after the department notifies the committee.

**History:** 1991 a. 60; 1993 a. 16.

**77.947 Partnerships and limited liability companies; estimated payments.** Partnerships and limited liability companies shall pay the surcharge under this subchapter in the manner applicable to the estimated payment of taxes and surcharges by individuals under s. 71.09. Section 71.84 (1) as it applies to underpayments of estimated taxes and surcharges by individuals applies to underpayments of estimated surcharges by partnerships and limited liability companies.

**History:** 1993 a. 16, 112.

**77.95 Interest and penalties.** The interest and penalty provisions under ss. 71.82 (1) (a) and (b) and (2) (a) and (b), 71.83 (1) (a) 1., 2. and 7. and (b) 1., (2) (a) 1. to 3. and (b) 1. to 3. and (3) and 71.85, as they apply to the taxes under ch. 71, apply to the surcharge under this subchapter.

**History:** 1989 a. 335; 1991 a. 39; 1993 a. 16.

**77.96 Administration. (1)** An entity's taxable year for the surcharge under this subchapter is the same as the entity's taxable year for the taxes under ch. 71.

**(2)** The surcharge under this subchapter is due on the date on which the entity's return under ch. 71 is due without regard to any extension.

**(3)** The department of revenue shall levy, enforce and collect the surcharge under this subchapter.

**(4)** Sections 71.74 (1) to (3), (6), (7) and (9) to (15), 71.75 (1), (2), (4), (5) and (6) to (10), 71.76, 71.77, 71.78 (1) to (8), 71.80 (1) (a) to (d), (3), (3m), (6), (8) to (12), (14) and (18), 71.87, 71.88, 71.89, 71.90, 71.91 and 71.93, as they apply to the taxes under ch. 71, apply to the surcharge under this subchapter.

**(5)** Each person subject to a surcharge under s. 77.93 shall, on or before the due date, including extensions, for filing under ch. 71, file with the department of revenue, on a form prescribed by the department, an accurate statement of its gross tax liability or net business income. Payments made after the due date under sub. (2) and on or before the due date under this subsection are not delinquent but are subject to interest at the rate of 12% per year.
