Mere old age, eccentricity or physical disability, either singly or together, are insufficient to make a finding of incapacity. Neither of the individuals who make a finding of incapacity may be a relative of the principal or have knowledge that he or she is entitled to or has a claim on any portion of the principal’s estate. (i) The power of attorney for health care indicates that it is being executed pursuant to this subsection.

(j) One of the following occurs:

1. The principal, or another person at the direction of the principal, personally delivers or transmits by U.S. mail or commercial courier service the entire signed original power of attorney for health care to the supervising attorney within a reasonable time after execution. The first remote witness to receive the original power of attorney for health care signs and dates the original power of attorney for health care as a witness and forwards the entire signed original power of attorney for health care by personal delivery or U.S. mail or commercial courier service within a reasonable time to the 2nd remote witness, who signs and dates it as a witness and forwards the entire signed original power of attorney for health care by personal delivery or U.S. mail or commercial courier service within a reasonable time to the supervising attorney.

2. The principal, or another person at the direction of the principal, personally delivers or transmits by U.S. mail or commercial courier service the entire signed original power of attorney for health care to the supervising attorney within a reasonable time after execution and transmits by facsimile or electronic means a legible copy of the entire signed power of attorney for health care directly to each remote witness within a reasonable time after execution. Each remote witness then signs the transmitted copy of the power of attorney for health care as a witness and personally delivers or transmits by U.S. mail or commercial courier service the entire signed copy of the power of attorney for health care to the supervising attorney within a reasonable time after witnessing. The signed original and signed copies together shall constitute one original document, unless the supervising attorney, within a reasonable time after receiving the signed original and signed copies, compiles the signed original and signed copies into one document by attaching the signature pages of each remote witness to the original signed by or on behalf of the principal, in which case the compiled document shall constitute the original.

3. The principal and each of the remote witnesses sign identical copies of the original. The principal, or another person at the direction of the principal, and each of the remote witnesses personally deliver or transmit by U.S. mail or commercial courier service the signed originals to the supervising attorney within a reasonable time after execution. All of the signed originals together shall constitute one original document, unless the supervising attorney, within a reasonable time after receiving all signed originals, compiles the originals into one document by attaching the signature pages of each remote witness to the original signed by or on behalf of the principal, in which case the compiled document shall constitute the original.

(k) The supervising attorney completes an affidavit of compliance that contains the following information:

1. The name and residential address of the principal.
2. The name and residential or business address of each remote witness.
3. The address within this state where the principal was physically located at the time the principal signed the power of attorney for health care.

7. Confirmation that each of the remote witnesses and the supervising attorney were able to see the principal, or an individual 18 years of age or older at the express direction and in the physical presence of the principal, sign, and that the principal appeared to be 18 years of age or older and acting voluntarily.
8. A description of the audiovisual technology used for the signing process.
9. If the power of attorney for health care was not signed in counterpart, a description of the method used to forward the power of attorney for health care to each remote witness for signing and to the supervising attorney after signing.
10. If the power of attorney for health care was signed in counterpart, a description of the method used to forward each counterpart to the supervising attorney and, if applicable, how and when the supervising attorney physically compiled the signed paper counterparts into a single document containing the power of attorney for health care, the signature of the principal, and the signatures of the remote witnesses.
11. The name, state bar number, and business or residential address of the supervising attorney.
12. Any other information that the supervising attorney considers to be material with respect to the principal's capacity to sign a valid power of attorney for health care, the principal's and witnesses' compliance with this section, or any other information that the supervising attorney deems relevant to the execution of the power of attorney for health care.

Wisconsin statutes provide three instruments through which an individual may state healthcare wishes in the event of incapacitation: a declaration to physicians, a do-not-resuscitate order, and a health care power of attorney. These statutory instruments apply under specific circumstances, have their own signature requirements, and may be limited in the extent of authorization they afford. A form will trigger no statutory immunities for healthcare providers when it lacks the features of these statutory documents. A court might conclude, however, that such a form is relevant in discerning a person's intent. *OAG 10–14.*

155.20 Health care agent; powers; limitations.

(1) Unless the power of attorney for health care instrument otherwise provides and except as specified in subs. (2) (a) and (b), (3) and (4) and s. 155.60 (2), the health care agent who is known to the health care provider to be available to make health care decisions for the principal has priority over any individual other than the principal to make these health care decisions.

(2) (a) A health care agent may not consent to admission of the principal on an inpatient basis to any of the following:

1. An institution for mental diseases, as defined in s. 49.43 (6m).

“NOTICE TO PERSON
MAKING THIS DOCUMENT

YOU HAVE THE RIGHT TO MAKE DECISIONS ABOUT YOUR HEALTH CARE. NO HEALTH CARE MAY BE GIVEN TO YOU OVER YOUR OBJECTION, AND NECESSARY HEALTH CARE MAY NOT BE STOPPED OR WITHHELD IF YOU OBJECT.

BECAUSE YOUR HEALTH CARE PROVIDERS IN SOME CASES MAY NOT HAVE HAD THE OPPORTUNITY TO ESTABLISH A LONG–TERM RELATIONSHIP WITH YOU, THEY ARE OFTEN UNFAMILIAR WITH YOUR BELIEFS AND VALUES AND THE DETAILS OF YOUR FAMILY RELATIONSHIPS. THIS POSES A PROBLEM IF YOU BECOME PHYSICALLY OR MENTALLY UNABLE TO MAKE DECISIONS ABOUT YOUR HEALTH CARE.

IN ORDER TO AVOID THIS PROBLEM, YOU MAY SIGN THIS LEGAL DOCUMENT TO SPECIFY THE PERSON WHOM YOU WANT TO MAKE HEALTH CARE DECISIONS FOR YOU IF YOU ARE UNABLE TO MAKE THOSE DECISIONS PERSONALLY. THAT PERSON IS KNOWN AS YOUR HEALTH CARE AGENT. YOU SHOULD TAKE SOME TIME TO DISCUSS YOUR THOUGHTS AND BELIEFS ABOUT MEDICAL TREATMENT WITH THE PERSON OR PERSONS WHOM YOU HAVE SPECIFIED. YOU MAY STATE IN THIS DOCUMENT ANY TYPES OF HEALTH CARE THAT YOU DO OR DO NOT DESIRE, AND YOU MAY LIMIT THE AUTHORITY OF YOUR HEALTH CARE AGENT. IF YOUR HEALTH CARE AGENT IS UNAWARE OF YOUR DESIRES WITH RESPECT TO A PARTICULAR HEALTH CARE DECISION, HE OR SHE IS REQUIRED TO DETERMINE WHAT WOULD BE IN YOUR BEST INTERESTS IN MAKING THE DECISION.

THIS IS AN IMPORTANT LEGAL DOCUMENT. IT GIVES YOUR AGENT BROAD POWERS TO MAKE HEALTH CARE DECISIONS FOR YOU. IT REVOKES ANY PRIOR POWER OF ATTORNEY FOR HEALTH CARE THAT YOU MAY HAVE MADE. IF YOU WISH TO CHANGE YOUR POWER OF ATTORNEY FOR HEALTH CARE, YOU MAY REVOKE THIS DOCUMENT AT ANY TIME BY DESTROYING IT, BY DIRECTING ANOTHER PERSON TO DESTROY IT IN YOUR PRESENCE, BY SIGNING A WRITTEN AND DATED STATEMENT OR BY STATING THAT IT IS REVOKED IN THE PRESENCE OF TWO WITNESSES. IF YOU REVOKE, YOU SHOULD NOTIFY YOUR AGENT, YOUR HEALTH CARE PROVIDERS AND ANY OTHER PERSON TO WHOM YOU HAVE GIVEN A COPY. IF YOUR AGENT IS YOUR SPOUSE OR DOMESTIC PARTNER AND YOUR MARRIAGE IS ANNULLED OR YOU ARE DIVORCED OR THE DOMESTIC PARTNERSHIP IS TERMINATED AFTER SIGNING THIS DOCUMENT, THE DOCUMENT IS INVALID.

YOU MAY ALSO USE THIS DOCUMENT TO MAKE OR REFUSE TO MAKE AN ANATOMICAL GIFT UPON YOUR DEATH. IF YOU USE THIS DOCUMENT TO MAKE OR REFUSE TO MAKE AN ANATOMICAL GIFT, THIS DOCUMENT REVOKES ANY PRIOR RECORD OF GIFT THAT YOU MAY HAVE MADE. YOU MAY REVOKE OR CHANGE ANY ANATOMICAL GIFT THAT YOU MAKE BY THIS DOCUMENT BY CROSSING OUT THE ANATOMICAL GIFTS PROVISION IN THIS DOCUMENT.

DO NOT SIGN THIS DOCUMENT UNLESS YOU CLEARLY UNDERSTAND IT.

IT IS SUGGESTED THAT YOU KEEP THE ORIGINAL OF THIS DOCUMENT ON FILE WITH YOUR PHYSICIAN OR OTHER PRIMARY CARE PROVIDER.”

(2) A power of attorney for health care instrument that is other than that specified in sub. (1) or (3) shall include either the notice specified in sub. (1) or a certificate signed by the principal’s lawyer stating: “I am a lawyer authorized to practice law in Wisconsin. I have advised my client concerning his or her rights in connection with this power of attorney for health care and the applicable law.”

(3) The department shall prepare and provide copies of a power of attorney for health care instrument and accompanying information for distribution in quantities to health care professionals, hospitals, nursing homes, multipurpose senior centers, county clerks, and local bar associations and individually to private persons. The department shall include, in information accompanying the copy of the instrument, at least the statutory definitions of terms used in the instrument, statutory restrictions on who may be witnesses to a valid instrument, a statement explaining that valid witnesses acting in good faith are statutorily immune from civil or criminal liability and a statement explaining that an instrument may, but need not, be filed with the register in probate of the principal’s county of residence. The department may charge a reasonable fee for the cost of preparation and distribution. The power of attorney for health care instrument distributed by the department shall include the notice specified in sub. (1) and shall be in the following form:

POWER OF ATTORNEY FOR HEALTH CARE

Document made this.... day of.... (month).... (year).

CREATION OF POWER OF ATTORNEY FOR HEALTH CARE

I,.... (print name, address and date of birth), being of sound mind, intend by this document to create a power of attorney for health care. My executing this power of attorney for health care is voluntary. Despite the creation of this power of attorney for health care, I expect to be fully informed about and allowed to participate in any health care decision for me, to the extent that I am able. For the purposes of this document, “health care decision” means an informed decision to accept, maintain, discontinue or refuse any care, treatment, service or procedure to maintain, diagnose or treat my physical or mental condition.

In addition, I may, by this document, specify my wishes with respect to making an anatomical gift upon my death.

DESIGNATION OF HEALTH CARE AGENT

If I am no longer able to make health care decisions for myself, due to my incapacity, I hereby designate.... (print name, address and telephone number) to be my health care agent for the purpose of making health care decisions on my behalf. If he or she is ever unable or unwilling to do so, I hereby designate.... (print name, address and telephone number) to be my alternate health care agent for the purpose of making health care decisions on my behalf. Neither my health care agent nor my alternate health care agent whom I have designated is my health care provider, an employee of my health care provider, an employee of a health care facility in which I am a patient or a spouse of any of those persons, unless he or she is also my relative. For purposes of this document, “incapacity” exists if 2 physicians or a physician and a psychologist, nurse practitioner, or physician assistant who have personally examined me sign a statement that specifically expresses their opinion that I have a condition that means that I am unable to receive and evaluate information effectively or to communicate decisions to such an extent that I lack the capacity to manage my health care decisions. A copy of that statement must be attached to this document.

GENERAL STATEMENT OF AUTHORITY GRANTED

Unless I have specified otherwise in this document, if I ever have incapacity I instruct my health care provider to obtain the health care decision of my health care agent, if I need treatment, for all of my health care and treatment. I have discussed my

desires thoroughly with my health care agent and believe that he or she understands my philosophy regarding the health care decisions I would make if I were able. I desire that my wishes be carried out through the authority given to my health care agent under this document.

If I am unable, due to my incapacity, to make a health care decision, my health care agent is instructed to make the health care decision for me, but my health care agent should try to discuss with me any specific proposed health care if I am able to communicate in any manner, including by blinking my eyes. If this communication cannot be made, my health care agent shall base his or her decision on any health care choices that I have expressed prior to the time of the decision. Sub. (1) merely sets out standard language that must be included on health care power of attorney (HCPOA) forms that are distributed or sold in Wisconsin for use by persons who lack legal counsel. That language serves informative and instructive functions. It does not define "health care decisions" in terms of the right to demand any health care that the patient desires. Nothing in the plain language of sub. (1) or the definition of a health care decision under s. 155.01 (5) requires a health care provider to act on a HCPOA's requests or demands for specific treatment that is below the standard of care. *Gahl ex rel. 155.40 Revocation of power of attorney for health care.

(1) A principal may revoke his or her power of attorney for health care and invalidate the power of attorney for health care instrument at any time by doing any of the following:

(a) Canceling, defacing, obliterating, burning, tearing or otherwise destroying the power of attorney for health care instrument or directing another in the presence of the principal to so destroy the power of attorney for health care instrument.

(b) Executing a statement, in writing, that is signed and dated by the principal, expressing the principal's intent to revoke the power of attorney for health care.

(c) Verbally expressing the principal's intent to revoke the power of attorney for health care, in the presence of 2 witnesses.

(d) Executing a subsequent power of attorney for health care instrument.

(2) If the health care agent is the principal's spouse or domestic partner under ch. 770 and, subsequent to the execution of a power of attorney for health care instrument, the marriage is annulled or divorce from the spouse is obtained or the domestic partnership under ch. 770 is terminated, the power of attorney for health care is revoked and the power of attorney for health care instrument is invalid.

(2m) If a principal, after executing a power of attorney for health care, is adjudicated incompetent in this state, the power of attorney for health care remains in effect, except that a court may under s. 54.46 (2) (b), for good cause shown, revoke the power of attorney for health care and invalidate the power of attorney for health care instrument, or limit the authority of the agent under the terms of the power of attorney for health care instrument.

(3) If an individual knows that the power of attorney for health care that named him or her as health care agent has been revoked, he or she shall communicate this fact to any health care provider for the principal that he or she knows has a copy of the power of attorney for health care instrument.

(4) The principal's health care provider shall, upon notification of revocation of the principal's power of attorney for health care instrument, record in the principal's medical record the time, date and place of the revocation and the time, date and place, if different, of the notification to the health care provider of the revocation.

History: 1989 a. 200; 2005 a. 387; 2009 a. 28.

155.50 Duties and immunities. (1) No health care facility or health care provider may be charged with a crime, held civilly liable or charged with unprofessional conduct for any of the following:

(a) Certifying incapacity under s. 155.05 (2), if the certification is made in good faith based on a thorough examination of the principal.

(b) Failing to comply with a power of attorney for health care instrument or the decision of a health care agent, except that failure of a health care professional, as defined in s. 154.01 (3), to comply constitutes unprofessional conduct if the health care professional refuses or fails to make a good faith attempt to transfer the principal to another health care professional who will comply.

(c) Complying, in the absence of actual knowledge of a revocation, with the terms of a power of attorney for health care instrument that is in compliance with this chapter or the decision of a health care agent that is made under a power of attorney for health care that is in compliance with this chapter.

(d) Acting contrary to or failing to act on a revocation of a power of attorney for health care, unless the health care facility or health care provider has actual knowledge of the revocation.

(e) Failing to obtain the health care decision for a principal from the principal's health care agent, if the health care facility or health care provider has made a reasonable attempt to contact the health care agent and obtain the decision but has been unable to do so.

(2) In the absence of actual notice to the contrary, a health care facility or health care provider may presume that a principal was authorized to execute the principal's power of attorney for health care under the requirements of this chapter and that the power of attorney for health care instrument is valid.

(3) No health care agent may be charged with a crime or held civilly liable for making a decision in good faith under a power of attorney for health care instrument that is in compliance with this chapter. No health care agent who is not the spouse of the principal may be held personally liable for any goods or services purchased or contracted for under a power of attorney for health care instrument.

(4) Subsections (1), (2), and (3) apply to acts or omissions in connection with a provision of a power of attorney for health care that is executed in another jurisdiction if the provision is valid and enforceable under s. 155.70 (10).

History: 1989 a. 200; 2003 a. 290; 2019 a. 90.

155.60 Safeguards. (1) Nothing in this chapter prohibits an individual from petitioning a court in this state for a determination of incompetency and for appointment of a guardian for an individual who is a principal under this chapter.

(2) If an individual who is a principal is adjudicated incompetent in this state and a guardian is appointed for him or her, the power of attorney for health care executed under this chapter by the principal remains in effect, except that the court may under s. 54.46 (2) (b), for good cause shown, revoke the power of attorney for health care and invalidate the power of attorney for health care instrument, or limit the authority of the agent under the terms of the power of the power of attorney for health care instrument. Unless the court makes this revocation or limitation, the guardian for the individual may not make health care decisions for the ward that may be made by the health care agent, unless the guardian is the health care agent.

(3) Upon receipt of a power of attorney for health care instrument or a statement of incapacity under s. 155.05 (2), a health care facility or health care provider shall acknowledge this receipt in writing and, if the principal is a patient of the health care provider, the health care provider shall include the instrument or the statement in the medical record of the principal.

(4) (a) Any interested party may petition the court assigned to exercise probate jurisdiction for the county where a principal is present or the county of the principal's legal residence to review whether the health care agent is performing his or her duties in accordance with the terms of the power of attorney for health care instrument executed by the principal. If the court finds after a hearing that the health care agent has not been performing in

accordance with the terms of the instrument, the court may do any of the following:

1. Direct the health care agent to act in accordance with the terms of the principal's power of attorney for health care instrument.

2. Require the health care agent to report to the court concerning performance of the health care agent's duties at periods of time established by the court.

3. Rescind all powers of the health care agent to act under the power of attorney for health care and the power of attorney for health care instrument.

(b) If the principal has designated an alternate health care agent and if the powers of the first-designated health care agent are rescinded under par. (a) 3., the alternate health care agent is the health care agent and par. (a), except par. (a) 3., applies.

History: 1989 a. 200; 2005 a. 387.

155.65 Filing power of attorney instrument. (1) A principal or a principal's health care agent may, for a fee, file the principal's power of attorney for health care instrument, for safekeeping, with the register in probate of the county in which the principal resides.

(2) If a principal or health care agent has filed the principal's power of attorney for health care instrument as specified in sub. (1), the following persons may have access to the instrument without first obtaining consent from the principal:

(a) The health care agent for the principal.

(b) A health care provider who is providing care to the principal.

(c) The court and all parties involved in proceedings in this state for adjudication of incompetency and appointment of a guardian for the principal, for emergency detention under s. 51.15, for involuntary commitment under s. 51.20, or for protective placement or protective services under ch. 55.

(d) Any person under the order of a court for good cause shown.

History: 1991 a. 281; 2005 a. 387.

155.70 General provisions. (1) (a) The making of a health care decision on behalf of a principal under the principal's power of attorney for health care instrument does not, for any purpose, constitute suicide. Execution of a power of attorney for health care instrument under this chapter does not, for any purpose, constitute attempted suicide.

(b) Paragraph (a) does not prohibit an insurer from making a determination that a principal has attempted suicide or committed suicide based on the principal's action to do so, apart from the power of attorney for health care instrument.

(2) No individual may be required to execute a power of attorney for health care as a condition for receipt of health care or admission to a health care facility. The designation by a principal of a health care agent under a power of attorney for health care instrument is not a bar to the receipt of health care or admission to a health care facility.

(3) This chapter does not apply to the provisions of a valid declaration executed under subch. II of ch. 154, except that the provisions of a principal's valid power of attorney for health care instrument supersede any directly conflicting provisions of a valid declaration executed under subch. II of ch. 154 for a declarant who is that principal.

(4) (a) Nothing in this chapter may be construed to render invalid a durable power of attorney that is executed under s. 243.07, 2007 stats., prior to April 28, 1990.

(b) A health care decision made under the authority of a durable power of attorney specified in par. (a) is valid.
