

## GOVERNOR'S VETO MESSAGE

December 6, 2023

To the Honorable Members of the Assembly:

I am vetoing **Assembly Bill 146** in its entirety.

This bill would prohibit political subdivisions from expending moneys of the political subdivision for guaranteed income programs, which the bill defines as programs that provide unearned regular periodic cash payments that may be used for any purpose.

I am vetoing this bill in its entirety because I object to the Legislature's continued efforts to arbitrarily restrict and preempt local government partners across our state. The Legislature should focus its efforts and energy on supporting our local partners and building upon our bipartisan work this session to ensure our local communities have the resources they need to meet basic and unique needs alike. I trust our local partners to know best how to meet local needs, and the state should be a partner in—not an obstacle to—the work of our local partners to address their unique challenges and meet those needs, whatever they may be.

Respectfully submitted,  
*TONY EVERS*
