AN ACT to amend chapter 380 of the laws of 1911, creating a third municipal court for Bayfield county.

*The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:*

SECTION 1. Chapter 380 of the laws of 1911 is amended to read: (Ch. 380, laws 1911.) Section 1. There is hereby created and established, in and for the county of Bayfield, a municipal court, to be known and designated as the third municipal court of Bayfield county, with the powers and jurisdiction hereinafter specified and provided.

SECTION 2. On the first Tuesday in April, 1912, and every four years thereafter, there shall be elected, in the county of Bayfield, in the same manner as county judges are elected, one municipal judge, who shall hold his office for the term of four years from the first Monday in May next following his election, and until his successor is elected and qualified; and in case of vacancy occurring in the office of said municipal judge, the vacancy shall be filled by appointment by the governor, and the person appointed to fill such vacancy shall continue in office for the residue of the term for which his predecessor was elected or appointed. Such judge shall *be a qualified elector of the county of Bayfield and shall hold no other county office during the term for which he is elected.*

SECTION 3. The judge of the third municipal court of Bayfield county shall hold his office at the *city* \* \* \* of Bayfield, in a suitable room for such purpose, to be provided by the board of supervisors of Bayfield county.

SECTION 4. The said municipal judge of the county of Bayfield shall have cognizance of, and jurisdiction to hear, try and determine all actions and proceedings at law, wherein the amount of debt, damages, demand, penalty or forfeiture shall not exceed the sum of five hundred dollars; actions to recover the possession of personal property, with damages for the unlawful taking or detention thereof, wherein the value of the property claimed shall not exceed the sum of five hundred dollars, exclusive of damages. The said judge shall have jurisdiction of all crimes and misdemeanors occurring in said county, to the same extent and as fully as justices of the peace now or may hereafter have, and shall also have jurisdiction to institute and conduct examinations in all criminal cases that may occur in said county, including bastardy. Said judge shall have power and jurisdiction throughout said county to cause to come before him persons who

are charged with committing any criminal offense and to commit them to jail, or to bind them over, as the case may require. Said judge shall further have all the jurisdiction, authority, powers and rights given by law to justices of the peace, together with the power and right, in his discretion, to charge the jury, upon written charges; and said judge shall be subject to the same prohibitions and penalties as justices of the peace. No justice of the peace within the \* \* \* city of Bayfield shall exercise any jurisdiction in any criminal cases, but all such jurisdiction is vested in said court and the judge thereof. The proceedings and practice of said court shall, in all respects, be \* \* \* governed, as far as practicable, by the laws relating to justices' courts of this state, and transcripts of judgment of the municipal court may be filed and docketed with the clerk of the circuit court for said county, with the same effect as may be transcripts of judgment rendered by justices of the peace of said county, and appeals from said court in all cases, both in criminal and civil cases, and other proceedings may be taken in the same manner and with like effects as are provided by law from justices' courts. Nothing herein contained shall be construed to give the said municipal judge cognizance of any actions mentioned in subdivisions 1, 2 and 3 of section 3573 of chapter 154 of the revised statutes of this state.

SECTION 5. Judgment may be rendered in said municipal court by confession for any sum not exceeding one thousand dollars, in the manner provided by the statutes.

SECTION 7. No action, examination or other proceeding shall be removed from said court, but whenever it shall appear by affidavit that the municipal judge is interested pecuniarily in the action, examination or other proceeding, or that said judge is a material witness, or is within the forbidden degree of consanguinity, or from prejudice will not decide impartially in the matter, he shall notify \* \* \* any municipal judge or court commissioner \* \* \* of Bayfield county, or, if the subject matter of the action, examination or other proceeding is one of which a justice of the peace had jurisdiction, the municipal judge, may, at his option, notify a justice of the peace in the county of Bayfield not disqualified to try said case or hear said

examination or other proceeding as the case may be. In matters or proceedings of which a justice of the peace has no jurisdiction, when such affidavit is filed, the municipal judge may, at his option, call in \* \* \* *any municipal judge* \* \* \* or *court commissioner* of Bayfield county, to try the action or hear the examination or other proceeding, as the case may be, or transfer the same to the circuit court of Bayfield county, which circuit court shall thereupon have jurisdiction to hear, try and determine the same, in the same manner and with like effect as if such examination or proceeding had been commenced in said circuit court; whereupon it shall be the duty of the *municipal judge* \* \* \* of Bayfield county, *court commissioner* or justice so notified as aforesaid, to forthwith and within forty-eight hours, appear at the court room of said municipal court, and to discharge the duties of judge of said municipal court, on the trial of said case, or the hearing of said examination or other proceeding, in the same manner and with like effect as said municipal judge of said third municipal court would, if not disqualified to act; and the doings of \* \* \* *such municipal judge* \* \* \* of Bayfield county, *court commissioner* or justice of the peace, while so presiding over said municipal court shall have and be of the same force and effect as proceedings of said municipal judge of said third municipal court, and when such action, examination or other proceeding is concluded, a like record as in other like cases shall be made in said court, and thereafter and thereupon execution may be issued as in other cases tried before said municipal judge. Said *municipal judge* \* \* \* of Bayfield county, *court commissioner* or justice of the peace while presiding over said municipal court, shall receive the same fees as are allowed by law to said municipal judge of the third municipal court for like service.

SECTION 8. The said municipal judge *of the third municipal court for* \* \* \* Bayfield county shall have and may exercise in his county, all the powers and perform all the duties of a court commissioner as defined in section 2434, of the statutes of 1898; and every authority granted to, or limitation of the powers of the court commissioner by the laws of Wisconsin, shall be construed to extend to the said municipal judge acting in such capacity, except when otherwise expressly provided. The official designation of said officer in matters where he shall so act shall be "Municipal judge of Bayfield county".

SECTION 9. Whenever any civil action shall be removed from any justice of the peace in the *city or town* of Bayfield, upon the oath of said defendant, his agent or attorney, according to the provisions of law for such removal, if said defendant, his

SECTION 13. The municipal judge shall have and receive the same fees in all civil actions that are now allowed by law to justices of the peace for every civil action or proceeding of his court. And all such cases shall be certified and returned to said municipal court ten days after the perfection of the appeal. Any action appealed to said court may be brought on for trial upon written notice of ten days given by either party to the other; which said notice of ten days shall state the date and hour when said action will be called for trial in said court. In case neither party shall notice such appeal, or bring the same to trial within six months, the appeal shall be dismissed with ten dollars' costs against the appellant. Appeals shall be made to said court in the same manner that they are now made from justice to circuit court.

SECTION 16. In appealed cases tried and determined in said court upon the record \* \* \* below, or any questions of law or fact appearing in such record, the judge of said court shall be entitled to receive the sum of ten dollars, and no more, as and for his fees, and the prevailing party in appealed cases shall be entitled to recover the sum of five dollars attorneys' fees.

New trials, if granted, must be granted within ten days after judgment in civil cases, and within twenty-four hours after judgment in criminal causes, except on substituted service by publication in civil cases, where the rules for justices' courts shall apply; if granted upon the grounds of newly discovered evidence, it may be granted at any time within six months after judgment. If a jury should disagree, said judge shall forthwith fix a time for a new trial.
