The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. Subsections (1) and (2) of section 29.09 and section 29.14 of the statutes are amended to read: (29.09) (1) Except as expressly provided, no person shall (a) hunt with a gun any wild animal, or (b) trap * * * any game, or (c) * * * take, catch or kill fish or fish for fish in inland water of this state unless a license therefor has been duly issued to him which shall be carried on his person at the time and shall be exhibited to the state conservation commission or its deputies on demand. Such licenses shall be issued only to natural persons, and not more than

one of the same series to the same person in any year. No licensee shall transfer his license or deer tag to or permit the use thereof by any other person, nor shall any person while hunting, trapping or fishing use or carry any license, or guide's badge, issued to another. No hunting license shall be issued to any person who is less than fifteen years of age; nor any hunting, trapping or guide's license to any person who is not a citizen of the United States. Indians hunting, fishing or trapping off Indian reservation lands are subject to all provisions of this chapter.

(2) The application for such license shall state the residence and postoffice address of the applicant, a description of his person, and such other facts, showing him to be entitled to the license for which he applies, as may be required by the commission, and shall be verified by the affidavit of the applicant; but no written or verified application shall be required for any *nonresident* hook and line or *rod and reel* fishing license and *no verified application shall be required for a resident rod and reel license*. Each such application shall be accompanied by the license fee prescribed for the license applied for.

(29.14) (1) Any * * * nonresident * * * *under* the age of sixteen years, may without a license take, catch or kill with hook and line or *rod and reel* fish of any variety, subject to all other conditions, limitations and restrictions prescribed in this chapter.

(2) Any nonresident over the age of sixteen years shall have the rights of a resident to take, catch or kill fish of any variety with hook and line or *with rod and reel* in outlying waters. * * * *Such nonresident may take, catch or kill fish, or fish for fish with hook and line or with rod and reel* in inland waters * * * *only if* a license has been duly issued to him, subject to the provisions of section 29.09, by the state conservation commission. The fee for each such license entitling the holder to take, catch or kill fish with hook and line of any variety, subject to the provisions of section 29.09, shall be three dollars, and all such licenses shall be effective only from the first day of May until the next succeeding first day of December. Upon the payment of an additional fee of two dollars the original purchaser of such license shall be entitled to receive three coupons entitling him to make three separate shipments of game fish of twenty pounds or one fish of any weight as provided in section 29.47, but no more. One coupon shall be attached to each shipment so made. The agent of

any common carrier who shall accept any such shipment without a coupon attached shall be guilty of a violation of this chapter, and shall be punished by a fine of not less than twenty-five dollars nor more than fifty dollars. The commission may cause such licenses or coupons to be issued through agents for a compensation of ten per cent of the license fees collected therefor; but no such compensation shall be paid to any of its regular deputies or other employees.

SECTION 2. A new section is added to the statutes to read: 29.145 ROD AND REEL LICENSES. (1) Any person under the age of eighteen years who has resided in this state for one year may without license, take, catch or kill fish or fish for fish with hook and line or with rod and reel, and any person eighteen years of age or over who has resided in this state for a period of one year may without license take, catch or kill fish or fish for fish with hook and line but not with rod and reel, subject, for both classes of persons, to all other conditions, limitations and restrictions prescribed in this chapter.

(2) Rod and reel licenses shall be issued subject to the provisions of section 29.09 by the conservation commission or by county clerks of the several counties to residents of the state duly applying therefor, who have resided in the state at least one year next preceding the application.
