*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

SECTION 1. A new section is added to the statutes to read: 51.234 (1) Whenever in the judgment of the superintendent of the central state hospital for the insane any inmate found to be feeble-minded and committed under the provisions of sections 357.11 and 357.13, and who has not made such recovery as would warrant his return to the court as provided in said sections but who is in a condition to be paroled under supervision, said superintendent shall report the name of such inmate, with a statement of his reasons for his judgment that such inmate should be paroled, to the court which committed such inmate and to the state board of control. If the court does not file objection to the parole of such inmate within sixty days of the date of said report the superintendent may parole such inmate to a relative, legal guardian or other person. In the designation of a parole guardian the person selected shall, where possible, be of the same religious faith as the parents of such inmate. At any time during such parole, upon evidence satisfactory to said superintendent or to the state board of control, such inmate shall be returned to the central state hospital for the insane. Every such parole guardian shall report the physical, moral and mental condition of the inmate to such superintendent, either in person or in writing, as often and

as fully as may be required by the rules and regulations of the state board of control, and in case of failure so to report on request the inmate shall be returned to the central state hospital for the insane. At all times during the parole the inmates shall be accessible to said superintendent or any agent he may designate. The central state hospital for the insane shall not be liable in any manner for such patient while on parole. Such liability shall devolve upon the parole guardian of said inmate.

(2) In the event that the court from which said inmate was committed shall object to the parole of such inmate such objections shall be in writing and shall be filed with the superintendent. If notwithstanding such objection said superintendent is of the opinion that such inmate should be paroled he may refer the objections to the state board of control, and said board after full investigation, if in its judgment the facts warrant, may order such parole upon the conditions prescribed in this section.

SECTION 2. This act shall take effect upon passage and publication.
