JOINT RESOLUTION

Relating to the use of Wisconsin granite in federal construction.

WHEREAS, Wisconsin is one of the leading granite producing states; and

WHEREAS, Granite is the most suitable material to insure durability, dignity, and beauty of permanent public buildings; and

WHEREAS, It is apparent from its general use in recent Federal construction that Indiana limestone has been unduly favored; and

WHEREAS, It is neither desirable nor proper for a substantial portion of the benefits of Federal construction to be confined to one state when superior materials are readily available in many other states; therefore, be it

Resolved by the Assembly, the Senate concurring, That United States Senators and Congressmen from this state be and are hereby urged to secure proper consideration for granite in federal construction in this and other states. Be it further

Resolved, That properly attested copies of this resolution be sent to each United States Senator and Congressman from Wisconsin.
