JOINT RESOLUTION

Relating to the use of Wisconsin granite in federal construction.

WHEREAS, Wisconsin is one of the leading granite producing states; and

WHEREAS, Granite is the most suitable material to insure durability, dignity, and beauty of permanent public buildings; and

WHEREAS, It is apparent from its general use in recent Federal construction that Indiana limestone has been unduly favored; and

WHEREAS, It is neither desirable nor proper for a substantial portion of the benefits of Federal construction to be confined to one state when superior materials are readily available in many other states; therefore, be it

Resolved by the Assembly, the Senate concurring, That United States Senators and Congressmen from this state be and are hereby urged to secure proper consideration for granite in federal construction in this and other states. Be it further

Resolved, That properly attested copies of this resolution be sent to each United States Senator and Congressman from Wisconsin.

JOINT RESOLUTION

Expressing confidence in, and support of, the measures taken by President Roosevelt and the national administration in the present banking crisis.

WHEREAS, Since President Roosevelt assumed office he has acted promptly and energetically to end the banking crisis and restore normal business activity, and in his message to Congress outlined an intelligent program to this end; and

WHEREAS, It is manifest that only through united action can confidence be restored in the safety of deposits in banks, without which it is not possible to resume normal business activity; therefore, be it

Resolved by the Senate, the Assembly concurring, That the Legislature of Wisconsin hereby expresses its confidence in and support of President Roosevelt and the national administration in the measures which they have taken to end the present banking crisis and assures the President that this state and its people will cooperate whole-heartedly with the national administration in the present difficulties. Be it further
