SECTION 13. Paragraph (c) of subsection (2) of section 20.07 of the statutes is created to read:

(20.07) (2) (c) Pursuant to section 77.14, annually, beginning July 1, 1941, \$7,500 for payment of administrative expenses necessary to carry out the provisions of chapter 77.

SECTION 14. Subsections (1a) and (2) of section 20.08 of the statutes are amended to read:

(20.08) (1a) Annually, * * * *beginning July 1, 1941*, \$28,300 for the payment of expenses incurred by the attorney general, his deputy or assistants, in the prosecution or defense of any action or proceeding in which the state may be a party or may have an interest, for any abstract of title, clerk of court's fees, sheriff's fees, or any other expense actually necessary to the prosecution or defense of such cases; unless such cost or expenses are charged to some other appropriation.

(2) Annually, * * * *beginning July 1, 1941*, \$12,000 to cover the compensation and expenses of special counsel appointed as provided in section 14.13.

SECTION 15. Subsection (6) of section 20.09 of the statutes is repealed.

SECTION 16. The introductory paragraph, subsections (1), (4) and (5) of section 20.09 of the statutes are amended to read:

(20.09) (Introductory paragraph) * * * *Department of Taxation*. There is appropriated from the general fund to the * * * *state department of taxation*:

(1) *On July 1, 1941, \$122,500 and annually, beginning July 1, * * * 1942, \$129,000* for general administration and for the general functions of said * * * *department* in the general property tax field.

(4) *On July 1, * * * 1941, \$365,000, and annually, beginning July 1, * * * 1942, \$375,000* to be used exclusively for the salaries and necessary expenses of administering the state income tax law as provided in chapter 71. All court commissioners' fees, clerks' fees, and sheriffs' fees shall be credited to this appropriation, it being the intent to return to this appropriation all cost items referred to in section 71.36.

(5) Annually not to exceed * * * \$1,700 to defray the expenses of executing its functions under section 76.48.

SECTION 17. Subsection (2) of section 20.095 of the statutes is repealed.

SECTION 18. Subsection (1) of section 20.095 of the statutes is amended to read:

(20.095) (1) There is appropriated from the general fund to the board of tax appeals, annually, beginning July 1, * * * 1941, \$26,000 for the execution of its functions.

SECTION 19. The introductory paragraph of subsection (1), subsections (4), (6) and (8) of section 20.10 of the statutes are amended to read:

(20.10) (1) (Introductory paragraph) Annually, beginning July 1, * * * 1941, \$40,000 for the execution of the functions of the bureau of purchases. Of this there is allotted:

(4) Annually, beginning July 1, * * * 1941, \$1,000 for all public printing, which includes paper, plates and electrotypes, stationery, binding, and all other printing expenses, prescribed by law to be furnished to any state office or officer, or other body, and for which there is no other appropriation properly chargeable therewith.

(6) * * * *Annually, beginning July 1, 1941, \$2,500* to carry out the provisions of subsections (16), (16a) and (16b) of section 35.84 * * *.

(8) * * * *On July 1, * * * 1941, for the biennium ending June 30, 1943, \$26,000* for printing and distributing the Wisconsin Blue Book.

SECTION 20. Subsection (9) of section 20.10 of the statutes is created to read:

(20.10) (9) On July 1, 1941, for the biennium ending June 30, 1943, \$28,000 for printing and distributing the Wisconsin Statutes and Wisconsin Town Laws and Wisconsin Annotations as prescribed by law.

SECTION 21. The introductory paragraph of subsection (1), subsections (3) and (4) of section 20.12 of the statutes are amended to read:

(20.12) (1) (Introductory paragraph) * * * *Annually, beginning July 1, * * * 1941, \$225,000* for the general administration expenses of the bureau of engineering and the

operation of the several buildings and properties, except the state office building, for whose operation the bureau of engineering is responsible under the statutes. Of this there is allotted:

(3) * * * *Annually, beginning July 1, * * * 1941, \$50,000* for property repairs and maintenance of the several buildings and properties, except the state office building, for whose repair and maintenance the bureau of engineering is responsible under the statutes. Whenever materials or services normally charged to this appropriation, are furnished on requisition to the various state departments, when such materials or services so furnished are not a responsibility of the bureau of engineering under the statutes, the cost thereof shall be charged over to the proper appropriations to such state department and credited back to this appropriation.

(4) *Annually, beginning July 1, * * * 1941, \$5,000* for permanent property and improvements in connection with the buildings and properties under the jurisdiction of the bureau of engineering. This appropriation shall not become effective or available until released in whole or in part by the emergency board.

SECTION 22. Section 20.13 of the statutes is amended to read:

20.13 There is appropriated from the drainage fund, annually, beginning July 1, * * * 1941, to the Portage levee commissioners * * * \$3,750 for maintaining, repairing, strengthening, adding to and supervising the system of levees on the Wisconsin river in the counties of Columbia and Sauk, in the vicinity of Portage. There having been heretofore paid into the general fund from the proceeds of the swamp and overflowed lands a sum of money in excess of the amount herein appropriated, the state treasurer is directed to transfer to the drainage fund from the general fund on July 1 of each year, * * * \$3,750.

SECTION 23. The introductory paragraph of subsection (1), subsection (2) and the introductory paragraph of subsection (3) of section 20.14 of the statutes are amended to read:

(20.14) (1) (Introductory paragraph) *Annually, beginning July 1, * * * 1941, \$40,500* for the execution of its functions, other than those for which special appropriations are made in subsections (2) and (3) The members of the com-

mission shall receive no compensation, but shall be paid their actual and necessary traveling expenses incurred in the discharge of their official duties. Of this there is allotted:

(2) Annually, beginning July 1, * * * 1941, \$8,000 for the purchase of books and traveling cases and for other necessary apparatus and furnishings not supplied at the expense of the bureau of purchases.

(3) (Introductory paragraph) On July 1, * * * 1941, and on July 1, of each odd-numbered year thereafter, * * * \$27,500, and on July 1, * * * 1942, and on July 1, of each even-numbered year thereafter, * * * \$40,000 for the execution of the functions of the legislative reference library. Of this there is allotted:

SECTION 24. Subsection (4) of section 20.14 of the statutes is created to read:

(20.14) (4) COPY FOR BLUE BOOK. Annually, beginning July 1, 1941, \$1,500 for materials, help, and other necessary expenses in connection with the preparation of copy for the Wisconsin Blue Book pursuant to section 35.24.

SECTION 25. Subsection (1) of section 20.15 of the statutes is amended to read:

(20.15) (1) To the custodian of Memorial Hall, annually, beginning July 1, * * * 1941, \$2,000 for the execution of the functions prescribed by sections 45.01 to 45.04. Of this there is allotted to the custodian an annual salary of \$1,500.

SECTION 26. Subsection (8) of section 20.15 of the statutes is created to read:

(20.15) (8) To the Wisconsin Chapter of Rainbow Division Veterans of Appleton, Wisconsin, annually, beginning July 1, 1941, \$250 for the purpose of defraying a portion of the annual convention expenses, to be paid on August 1 of each fiscal year to the then acting secretary and treasurer of the Wisconsin Chapter of Rainbow Division Veterans.

SECTION 27. Subsection (2) of section 20.16 of the statutes is repealed and recreated to read:

(20.16) (2) On July 1, 1941, \$1,000 as a nonlapsible appropriation for printing and other necessary expenses to carry out the work of the Wisconsin academy of sciences, arts and letters; but no part of this appropriation shall be paid out of the

state treasury until necessary to pay actual claims duly audited by the secretary of state.

SECTION 28. Paragraphs (a), (b), (c) and (d) of subsection (1) of section 20.16 of the statutes are amended to read:

(20.16) (1) (a) Annually, beginning July 1, * * * 1941, \$50,000 to carry into effect the powers, duties and functions of said society.

(b) On July 1, 1941, \$5,500 and annually, beginning July 1, * * * 1942, \$3,000 for property repairs and maintenance.

(c) Annually, beginning July 1, * * * 1941, \$6,000 for the purchase of library books, furniture and furnishings and for other permanent property and improvements.

(d) Annually, beginning July 1, * * * 1941, \$3,000 for the purchase of stacks and shelving for the library, for the purchase of materials for, and the cost of mending and repairing library books, and for binding books, magazines and periodicals.

SECTION 29. Subsections (13), (14), (19) and (22) of section 20.17 of the statutes are repealed and are recreated in section 20.175 of the statutes to read:

20.175 REVOLVING APPROPRIATIONS FOR STATE INSTITUTIONS. There is appropriated from the general fund to the departments named herein sums as follows:

(1) FARM OPERATIONS. All balances to the credit of the department of public welfare, state board of health and state superintendent of public instruction at the close of business on June 30, 1941, under subsection (13) of section 20.17, statutes of 1939, and all moneys received by said departments from the sale of livestock and farm products and from premiums on exhibits at fairs, to be used as a revolving appropriation for operation, maintenance, and permanent property and improvements of the respective institutional farms and for incidental expenses connected with exhibits at fairs.

(2) OCCUPATIONAL THERAPY. All balances to the credit of the department of public welfare, state board of health and state superintendent of public instruction at the close of business on June 30, 1941, under subsection (14) of section 20.17, statutes of 1939, and all moneys received by said departments under subsection (10) of section 46.03, to be used

as a revolving appropriation for the purchase of the necessary materials and supplies for occupational therapy.

(3) CONTINGENT FUND. Out of the appropriations for the operation of the several institutions under the jurisdiction of the department of public welfare, state board of health and state superintendent of public instruction there is allotted to each institution, subject to the approval of the emergency board, such sums as may be necessary to be used as a contingent fund for the payment of institutional bills of less than \$75, except that no part of the contingent fund shall be used for the payment of the salary or wages of an employe. The amount allotted to each institution shall be deposited in a separate account to be known as the "contingent fund" in a public depository to be designated by the respective departments. Payment of institutional bills of less than \$75 shall be made by check drawn by the superintendent against such account, except as herein otherwise provided, without the necessity of being first submitted to the department and to the secretary of state for approval and audit. From time to time the superintendent shall file claim for reimbursement on a sworn voucher which shall be accompanied by the bills for payment of which reimbursement is claimed. Bills paid by check need not be receipted by the payee, but the number of the check shall be placed on the bill. Bills may be paid by cash if approved by the superintendent and receipted by the payee. After approval of such claim by the department and audit by the secretary of state, the contingent fund shall be reimbursed the total amount lawfully paid therefrom. If the superintendent shall pay any bill which is subsequently disapproved either by the department or the secretary of state as unlawful and unauthorized, he shall, within 10 days after notification by the department, personally make good such unlawful or unauthorized payment. All moneys received in reimbursement for payments made from the contingent fund shall be deposited to the credit of said account and are added to this appropriation. Each respective department, with the approval of the secretary of state, shall make written rules and regulations for carrying out the purposes of this subsection. Each department shall require the superintendent of each institution to execute and file a surety bond in such sum as the emergency board may require, guaranteeing the faithful dis-

charge of his duties and obligations under this section, the premium to be paid out of the proper appropriation for each of said departments. Any check now outstanding or which is hereafter drawn against the contingent fund of an institution which is not paid within 2 years of the date of its drawing because of inability to locate the drawee or his failure to submit same for payment, after the bank has been requested to stop payment, shall be treated as a cancelled check and added to the checking account balance. A check for the amount so added shall be drawn in favor of the state treasurer and deposited in the general fund as a nonappropriated receipt. If the person entitled to a check so cancelled presents a satisfactory claim therefor to the department, said department shall direct the secretary of state to draw a warrant in payment of such claim which the secretary of state shall do and charge to a sum sufficient appropriation for the repayment of cancelled checks. In those institutions in which the financial and business affairs are under the jurisdiction of a steward, business manager or other financial officer, the "contingent fund" is to be under said officer's jurisdiction and all of the above provisions applying to the superintendent shall apply to said financial officer.

(4) CANCELLED CHECKS REPAID. A sum sufficient to repay cancelled checks under subsection (3) of this section.

SECTION 30. The introductory paragraph, paragraph (a) of subsection (1), subsections (2), (3), (4), (6) and (7) of section 20.17 of the statutes are amended to read:

(20.17) (Introductory paragraph) * * * *Department of Public Welfare.* There is appropriated from the general fund to the state * * * *department of public welfare:*

(1) (a) *On July 1, 1941, \$396,200 and annually, beginning July 1, * * * 1942, \$430,200 for general expenditures incurred in the execution of the functions of said * * * department including the administration of pensions and relief. * * **

(2) *Annually, beginning July 1, * * * 1941, \$2,520,000 for the operation of the state institutions under its management and direction.*

(3) *Annually, beginning July 1, * * * 1941, \$185,000 for property repairs and maintenance of the state institutions under its management and direction * * *.*

(4) Annually, beginning July 1, * * * 1941, \$65,000 for miscellaneous permanent property and improvements for the state institutions under its management and direction * * *.

(6) Annually, beginning July 1, * * * 1941, \$1,500 for mental and physical examination of inmates, and prevention of procreation, as provided in section 46.12 * * *.

(7) * * * COAL. Annually, * * * beginning July 1, 1941, \$257,600 to cover the cost * * * of coal and other solid fuel purchased pursuant to subsection (4) of section 15.28 for the several state institutions under its management and direction, and the freight charges and local hauling charges thereon. Expenditures for coal and other solid fuel hereunder shall be made as provided in section 15.84 but shall appear as an operating cost of the respective institutions at which such fuel is used.

SECTION 31. Section 20.17 is further amended by substituting "state department of public welfare", "department of public welfare" or "department" for "state board of control", "board of control" or "board" (where "board" means board of control), wherever those terms occur. The revisor of statutes is directed to make these changes in language in section 20.17 wherever necessary.

SECTION 32. Subsections (7a), (26) and (29) of section 20.17 of the statutes are created to read:

(20.17) (7a) INSURANCE. Annually, beginning July 1, 1941, \$51,200 to cover the cost of insurance.

(26) RELIEF. On July 1, 1941, \$1,054,000, and on July 1, 1942, \$1,054,000 for emergency relief. Of this there is allotted:

(a) \$1,000,000 annually for distribution to counties and local units of government as direct aid for poor relief.

(b) \$54,000 annually for the maintenance and operation of transient camps.

The sums appropriated in this subsection shall not become available until released by the emergency board. They shall be made available by the emergency board at such times and in such amounts as the board may determine to be necessary to adequately provide for the purposes for which they are appropriated, with due regard for the whole amount available for such purposes. If the provision relating to release by the emergency board is invalid, the appropriation in this subsection shall

not be invalidated but shall be considered to be made without any condition as to time or manner of release.

(29) TRANSIENT CAMPS REVOLVING FUND. All moneys received from counties, clients or other sources for care, board, treatment of camp residents, as well as all moneys from sale of live stock, farm products, handicraft products or any other source to be used as a revolving appropriation for operation, maintenance and permanent property improvements of the transient camps.

SECTION 33. Subsection (5) of section 20.175 of the statutes is created to read:

(20.175) (5) TRUST FUNDS. All balances to the credit of the department of public welfare, state board of health and state superintendent of public instruction at the close of business on June 30, 1941 under subsection (3) of section 46.03, statutes of 1939, and all moneys received by said departments under said provision, to be used as a revolving appropriation in accordance with the respective trusts.

SECTION 34. Subsections (1), (3), (4), (5) and (8) of section 20.18 of the statutes are amended to read:

(20.18) (1) * * * *On July 1, * * * 1941, \$2,100,000 and annually, beginning July 1, * * * 1942, \$2,200,000 for state aid for dependent children and in addition thereto all moneys received from the federal government for this purpose, to be expended according to the provisions of sections * * * 48.33 and 48.331.*

(3) * * * *Annually, beginning July 1, 1941, such sums as may be necessary for state aid to tuberculosis sanatoria to be expended as provided in section 50.07 and subsection (2) of section 58.06 * * *.*

(4) *For state and federal aid to the blind and to the blind and deaf, * * * on July 1, * * * 1941, \$175,000, and annually, beginning July 1, 1942, \$180,000, and in addition thereto all moneys received from the federal government for aid to the blind, to be expended according to the provisions of section 47.08.*

(5) *On July 1, * * * 1941, \$4,800,000, and on July 1, * * * 1942, and annually thereafter, * * * \$5,100,000, and in addition thereto all moneys received from the federal government to match expenditures of the state and its political*

subdivisions for state and federal aid for old age assistance, to be allotted according to the provisions of section 49.38.

(8) Whenever it shall become apparent in any fiscal year that the appropriations made by subsections (1), (4) or (5) of section 20.18 will exceed the amount needed to pay the state's full share of aid as determined under sections 48.33, 48.331, 47.08 and 49.38, respectively, such excess shall be transferred, upon order of the state* * * department of *public welfare*, by the secretary of state, from the original appropriation and used to supplement any of the other appropriations made by said subsections for the same fiscal year that shall be insufficient to meet the state's full share as determined under said sections 48.33, 48.331, 47.08 and 49.38.

SECTION 35. Subsections (1) and (2) of section 20.19 of the statutes are amended to read:

(20.19) (1) Annually, beginning July 1, * * * 1941, \$7,500 for the execution of their functions.

(2) Annually, beginning July 1, * * * 1941, \$4,000 for an inventory and survey of all lands under their jurisdiction.

SECTION 36. Subsection (6) and paragraph (c) of subsection (14) of section 20.20 of the statutes are amended to read:

Of this there is allotted to each member of the board compensation, to be fixed by the supreme court, not exceeding * * * \$10 per day, for time necessarily devoted to the discharge of his duties, and in addition thereto his actual and necessary expenses.

SECTION 85. Section 20.67 of the statutes is amended to read:

20.67 There is appropriated from the general fund to the commission on interstate cooperation, annually, beginning July 1, * * * 1941, \$2,000 for the execution of its functions under section 14.75.

SECTION 86. Section 20.71 of the statutes is amended to read:

20.71 There is appropriated from the general fund to the bureau of personnel, annually, beginning July 1, * * * 1941, \$53,000 together with such sums as may be received pursuant to section 16.055 for the execution of its functions. Of this there is allotted * * * to the director an annual salary not to exceed \$5,000 as fixed by the governor.

SECTION 87. Subsection (1) of section 20.72 of the statutes is amended to read:

(20.72) (1) There is appropriated from the general fund to the director of the budget, annually, beginning July 1, * * * 1941, \$19,500 for the execution of the functions of the state budget bureau and for the performance by the budget director and his staff of such travel as he may deem necessary. Of this there is allotted to the director of the budget an annual salary of not to exceed \$5,000 as fixed by the governor.

SECTION 88. Subsection (1) of section 20.74 of the statutes is amended to read:

(20.74) (1) Annually, beginning July 1, 1939, \$750,000 * * * to be used to supplement appropriations which shall prove insufficient because of unforeseen emergencies, or to supplement appropriations which shall prove insufficient to accomplish the purposes for which made, or for allotment to any board, department, commission or institution to which a federal project has been granted, for the payment of actual and necessary expenses of members other than the governor in attending meetings of the board, and for cost of postage, office supplies, telegrams, telephone, and other miscellaneous expense not to exceed \$250. Allotments from this appropriation shall be made as the emergency board may deem advisable; provided, that the governor may allot sums not in excess of \$1,000 to any department when necessary, without a meeting of the board. Not to exceed \$250,000, an-

nally, may be allotted by the emergency board to any state activity to which a federal project has been granted. * * * All allotments made by the emergency board or by the governor in an emergency shall be certified to the secretary of state, and expenditures therefrom shall be shown in the state budget report as an additional cost of the department, board, commission, or institutions or activities to which such allotments were made.

SECTION 89. Subsection (5) of section 20.74 of the statutes is repealed.

SECTION 90. Subsection (1) of section 20.746 of the statutes is amended to read:

(20.746) (1) As an emergency measure necessitated by decreased state revenues and to prevent the necessity for a state tax on general property, the emergency board is authorized to reduce any appropriation made to any board, commission, bureau, * * * department, * * * the university or to any other state agency or activity for the fiscal years ending June 30, * * * 1942, and June 30, * * * 1943, by such amount as it deems feasible, not exceeding * * * 25 percent of the appropriations for these years made or continued by this legislature in its regular session of * * * 1941, except appropriations made by paragraph (a) of subsection (2) of section 20.07 and sections 20.18, 20.25, 20.27, 20.434 and 20.49 or any other moneys distributed to any county, city, village, township or school district. Appropriations of receipts and of a sum sufficient shall for the purposes of this section be regarded as equivalent to the amounts expended thereunder in the fiscal year which ended June 30, * * * 1941. It is the intent of this section that all functions of said departments shall be continued in an efficient manner, but because of the uncertainties of the existing situation it is necessary that no public funds be expended or obligations incurred unless there shall be adequate revenues to meet the expenditures therefor. For such reasons the emergency board shall, if it deems it necessary, make such reductions of such appropriations as in its judgment will secure sound financial operations of the government for said departments and at the same time interfere least with their services and activities.

SECTION 91. Subsection (5) of section 59.98 of the statutes is amended to read:

(59.98) (5) Any county having established and main-

taining a county forest reserve under the provisions of this section and having entered the same under the forest crop law shall receive from the state an amount equal to * * * 10 cents for each acre of land within such forest reserve, to be used for the purchase, development, preservation and maintenance of such forest reserve, *provided, that if the total payments hereunder in any one year shall exceed the appropriation for that year then such payment of 10 cents per acre shall be proportionately reduced.* The conservation commission shall pay to such county the amount due to it as state aid on or before the thirty-first day of March, of each year based on the acreage of such lands as of the preceding thirtieth day of June, except that when voluntary withdrawal and sale of forest crop lands results in breaking up well blocked county forests the conservation commission shall deduct from the next payment to such county the amount hereunder previously paid on the withdrawn lands. Any county accepting forestry aid funds paid pursuant hereto thereby consents that the conservation commission may construct and use forest fire lookout towers, telephone lines and fire lanes or other forest protection structures on any county forest lands and the chairman or vice chairman of the county board or any authorized committee thereof of such county shall execute any easements on or over such lands which the conservation commission may require for forest protection.

SECTION 92. Section 94.14 of the statutes is repealed.

SECTION 93. Subsection (10) of section 140.05 is repealed.

SECTION 94. Subsection (6) of section 147.13 of the statutes is created to read:

(147.13) (6) The board shall investigate complaints of violation of this chapter, notify prosecuting officers, and institute proceedings.

SECTION 95. Section 168.16 of the statutes is amended to read:

168.16 Every deputy inspector of illuminating oils shall demand and receive from the owner or other person for whom or at whose request he shall examine or test any oil, gasoline, benzine, naphtha or such other like products of petroleum or sample thereof, as provided by law, an inspection fee of * * * 4 cents for every single cask, barrel, package or sample so in-

spected. Within * * * 15 days after the close of each fiscal year the supervisor of inspectors of illuminating oils shall determine what the cost of inspection of illuminating oils, gasolines, benzines, naphtha and other like products of petroleum has been for the preceding fiscal year, and shall divide that cost by the number of barrels, casks, packages and samples inspected. If the cost so calculated is less than * * * 4 cents per barrel he shall so publicly certify and shall fix the nearest one-half cent above such calculated cost as the fee to be charged for such inspection fees during the then current fiscal year and for * * * 30 days next succeeding. He shall publish by one publication in the official state paper a certificate as to the previous cost and the fee so fixed to be charged for such service during the ensuing fiscal year and for * * * 30 days thereafter. From * * * 30 days after the close of the preceding fiscal year until * * * 30 days after the close of the then current fiscal year the said certified fee shall be the fee which each deputy inspector shall demand and collect in lieu of the legal fee heretofore provided and fixed. Such fees shall be a lien on the products so inspected, and when collected shall be paid within * * * 1 month after receipt into the general fund, and are appropriated therefrom for defraying the expenses incident to such inspection as provided in section * * * 20.056.

SECTION 96. Paragraphs (bd) and (cb) of subsection (1) of section 194.04 of the statutes are amended to read:

(194.04) (1) (bd) Except as hereinafter provided each holder of a certificate shall also pay an annual fee as provided in this section for each motor vehicle permit whose renewal is desired. The holder of a certificate operating a vehicle or vehicles shall not be required to pay such permit fees on an annual basis but may at his option, for each quarter, as defined by subsection (2) of section 194.48, during which such vehicle is operated, pay one quarter of such annual permit fee. In the event that an annual permit fee is in effect no further quarterly permit fee shall be collected. Such permits shall expire on the last day of the quarter for which issued. The quarterly registration fees due under section 85.01 and the quarterly payment of all fees and taxes due under this chapter shall be evidenced by a single plate for each vehicle. * * *

(cb) Except as hereinafter provided, each holder of a

license shall also pay an annual permit fee as provided in this section for each motor vehicle whose renewal is desired. The holder of a license operating a vehicle or vehicles shall not be required to pay such permit fees on an annual basis but may at his option for each quarter, as defined by subsection (2) of section 194.48, during which such vehicle is operated, pay one quarter of such annual permit fee. In the event that an annual permit fee is in effect no further quarterly permit fee shall be collected. Such permits shall expire on the last day of the quarter for which issued. The quarterly registration fees due under section 85.01 and the quarterly payment of all fees and taxes due under this chapter shall be evidenced by a single plate for each vehicle. * * *

SECTION 97. Chapter 520, Laws of 1939, is repealed.

SECTION 98. Chapter 193, Laws of 1937, is repealed.

SECTION 99. Chapter 194, Laws of 1937, is repealed.

SECTION 100. Chapter 427, Laws of 1937, is repealed.

SECTION 101. Chapter 289, Laws of 1935, is repealed.

SECTION 102. The state treasurer shall transfer the balances as of June 30, 1941, in the Menominee Indian reservation trespass fund to the normal fund, and in the delinquent tax fund and land deposit fund to the school fund.

SECTION 103. This act shall take effect on July 1, 1941; except that SECTIONS 31, 41, 75, 81, 91, 92, 95, 96 and 102 of this act shall take effect upon passage and publication, and SECTIONS 4, 6, 9, 11, 15, 17, 27, 29, 33, 38, 47, 51, 55, 64, 65, 73, 82, 89, 93, 97, 98, 99, 100 and 101 shall take effect at the close of business on June 30, 1941.

Approved in part and vetoed in part April 7, 1941.

Deposited by Chief Clerk of Assembly April 17, 1941.
