CHAPTER 467.

AN ACT to create 20.507 and 79.20 of the statutes, relating to a flood disaster committee and providing relief for victims of our flood of September 17, 1942 in and near the village of Spring Valley, and making an appropriation.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 20.507 of the statutes is created to read:

20.507 FLOOD DISASTER COMMITTEE; SPRING VALLEY FLOOD. There is appropriated from the general fund to the flood disaster committee on July 1, 1943, as a nonlapsible appropriation, \$50,000 to provide relief for victims of the flood of September 17, 1942 in and near the village of Spring Valley, and for the execution of the functions of said committee, under section 79.20.

SECTION 2. 79.20 of the statutes is created to read:

79.20 FLOOD DISASTER COMMITTEE; DUTIES AND FUNCTIONS.

(1) There is created a flood disaster committee consisting of the governor, one member of the senate and one member of the assembly to be appointed by the governor, a representative of the public service commission to be designated by the commission, the director of regional planning of the state planning board, and a representative of the university to be designated by the president of the university. The governor shall be chairman. The members of said committee shall receive no compensation but shall be reimbursed for traveling expenses actually and necessarily incurred in the performance of their duties.

(2) The committee shall make a survey of the conditions resulting from the flood of September 17, 1942 in and near the village of Spring Valley and provide such emergency relief for the inhabitants affected by such flood as the committee may deem necessary in the interest of the public health and welfare, expenditures for such relief to be made from the appropriation in section 20.507.

(3) In addition to such emergency relief, the committee may make such expenditures from said appropriation as it may deem necessary in the interest of the public health and welfare for the restoration, reconstruction, and repair of residential properties, business establishments, streets, roads, and public utility facilities damaged or destroyed by such flood. In cooperation with the public service commission and state planning board it shall provide adequate flood control including the removal of buildings to new sites if in the judgment of the committee such action is necessary.

(4) All expenditures under this section from the appropriation made by section 20.507 shall be certified by the chairman of the committee.

Approved July 7, 1943.
