[Published April 29, 1943.

CHAPTER 88.

AN ACT to create 40.47 (4a) of the statutes, relating to high school tuition.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

40.47 (4a) of the statutes is created to read:

40.47 (4a) OTHER TUITION. The board of any school district which operates a high school may contract with the university extension division of the university of Wisconsin for extension courses for pupils enrolled in such high schools. The cost of such contract shall be paid out of school district funds and shall be included in the cost of operation and maintenance of the high school districts which enter into such contract for the purpose of computing tuition costs.

Approved April 28, 1943.
