CHAPTER 328.

AN ACT to create 196.03 (3) of the statutes, relating to utility charges and service.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

196.03 (3) of the statutes is created to read:

196.03 (3) In the case of a public water utility, the commission shall include, in the determination of water rates, the cost of fluorinating the water in the area served by such public water utility, provided the local governing legislative body in which such public water utility is situated authorizes the fluorination of water in the area primarily served by such public water utility.

Approved June 24, 1949.
