

CHAPTER 346.

AN ACT to create 40.16 (15a) of the statutes, relating to aids to school districts having inadequate school building facilities.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

40.16 (15a) of the statutes is created to read:

40.16 (15a) When the enrollment of a district increases to a number that is in excess of 30 pupils per room, the district board may on its own order provide for the education of a portion of the pupils on a tuition basis. The tuition shall be paid out of school district funds in accordance with section 40.21 (5). For a period of 2 years after making such order under this subsection a district shall continue to be entitled to aids on the same basis as though all children of school age included in such order residing in the district had been enrolled in the school of such district. Thereafter such district shall not be eligible for or receive aids until sufficient school building facilities are provided in the district to properly accommodate all of the resident children eligible to attend the school of such district.

Approved June 8, 1951.
