

No. 125, S.]

[Published April 29, 1953.

CHAPTER 78.

AN ACT to authorize an exchange of properties between the state department of public welfare and the university of Wisconsin, relating to the diagnostic center.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

Title to the site of the diagnostic center shall be conveyed by the regents of the university of Wisconsin to the state department of public welfare and said department shall convey to the regents in exchange therefor the properties of said department located on the west side of North Orchard street between West Johnson street and University avenue in the city of Madison.

Approved April 24, 1953.
