

No. 816, A.]

[Published November 22, 1955.

#### CHAPTER 642

AN ACT to amend 23.09 (8) of the statutes, relating to the authority of the conservation commission to co-operate with other state departments.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

23.09 (8) of the statutes is amended to read:

23.09 (8) The commission is \* \* \* authorized to, and shall co-operate with, the several state departments and officials in the conduct of matters in which the interests of the respective departments or officials overlap. *The co-operating agencies may provide by agreement for the manner of sharing expenses and responsibilities under this subsection.*

Approved November 17, 1955.
