The bureau for handicapped children shall report its approval of the request to the county judge and to the Wisconsin orthopedic hospital for children. It shall also send notice to the county judge as to when the hospital can admit the child.

(2) The judge, if satisfied that the required facts exist, shall appoint a physician personally to examine the person. The physician shall make a verified report in writing, within such time as the county judge shall direct, setting forth the nature and history of the case, and such other information as will be likely to aid in its treatment, and giving his opinion whether the condition of the person can probably be remedied, or should be treated, at a hospital, and whether the person can receive adequate treatment in the county, at home or in a hospital, and any information within the knowledge of the physician relative to his financial situation.
