**CHAPTER 548**

AN ACT to create 98.146 of the statutes, relating to licensing weighers and samplers of milk in bulk tanks and granting rule-making authority.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

98.146 of the statutes is created to read:

98.146 LICENSING MILK WEIGHERS AND SAMPLERS. (1) All persons taking weights and samples of milk in bulk tanks or measuring milk in bulk tanks to determine weight, on the farm premises where such milk is produced, shall be licensed by the department under this section, and no person who is not so licensed shall engage in such activities.

(2) Each application for a license under this section or renewal thereof shall be made on forms provided by the department and shall be accompanied by a fee of \$2. Such license shall be renewed annually. The applicant shall furnish satisfactory evidence of good moral character and shall give proof of ability to engage in such weighing and sampling to the satisfaction of the department by satisfactorily passing a written examination pertaining to such activities. Any person holding a tester's license under s. 98.145, or who is engaged in weighing and sampling milk in bulk tanks, either as an employe of a purchaser or receiver of milk in bulk tanks, or as the owner of a bulk tank truck and route, on the effective date of this section (1957), shall be licensed under this section without examination if he satisfies the department that he is qualified for such license.

(3) No dairy plant shall receive any milk required to be weighed and sampled by a licensee under this section unless it has been so weighed and sampled.

Approved August 7, 1957.
