**CHAPTER 564**

AN ACT to create 66.03 (2m) of the statutes, relating to apportionment of assets when territory is attached to or consolidated with a school district and detached within 5 years.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

66.03 (2m) of the statutes is created to read:

66.03 (2m) ATTACHMENT AND DETACHMENT WITHIN 5 YEARS. Whenever territory is attached to or consolidated with a school district or a city operating under the city school plan, and such territory or any part thereof is detached therefrom within 5 years after such attachment or consolidation, the school district or city to which it is transferred shall be entitled, in the apportionment of assets and liabilities, only to the assets or liabilities or proportionate part thereof apportioned to the school district or city as the result of such original attachment or consolidation.

Approved August 8, 1957.
