

CHAPTER 286

AN ACT to create 39.027 of the statutes, relating to the gathering of essential school enrollment data.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

39.027 of the statutes is created to read:

39.027 SCHOOL ENROLLMENT DATA. On or before October 15, 1959, and annually thereafter each administrator of a public or private school system shall submit, on forms provided, a statement of the enrollment on October 1 in the elementary and secondary schools under his jurisdiction to the department of public instruction which shall promptly prepare such reports as will enable both the public and private schools to make essential projections as to problems such as school buildings, teacher supply and funds required. The data shall be available to the public during regular office hours.

Approved August 11, 1959.
